CHAPTER I.

1. *Meetings of council*.—The ordinary meetings of the council shall be held on Tuesday in each week, at half-past Seven o'clock in the evening, except otherwise ordered, and shall be open to the public.

The business of the council shall on all ordinary occasions be conducted with open doors, but any member present may require the exclusion of strangers until it shall have been decided by the council whether the question proposed to be considered shall be discussed with open doors.

2. *Adjournments*.—The council shall have power to adjourn their ordinary meetings from time to time, such adjournment not being more than fourteen days from the last day of meeting.

3. *Records of proceedings*.—Minutes of the proceedings of all meetings of the council shall be drawn up and fairly entered into a book provided for that purpose, and the said minutes shall be open to the inspection of all persons on the ratepayers' roll, free of charge, from Five o'clock p.m. to Seven o'clock p.m. on the Tuesday evening of each week, and from Twelve o'clock at noon to Five o'clock p.m. of every Saturday.

4. *Time of commencing business*.—At all meetings of the council the business shall commence so soon as the legal quorum of three councillors are present; but should a quorum not be present at the expiration of fifteen minutes after the appointed time of meeting, such circumstance, with the names of the councillors present, shall be noted in the minute book, and the business of such meeting shall be postponed to the next ordinary meeting of the council.

5. *Confirmation of minutes*.—The first business at each meeting of the council shall be to confirm the minutes of the preceding meeting, and no discussion shall take place thereupon except as to their accuracy as a record of the proceedings. The minutes, when confirmed, shall be signed by the chairman or councillor presiding at the meeting.

6. *Order of business*.—After the confirmation of the minutes: the order of business shall be as follows, or as near thereto as may be practicable; but for the greater convenience of the council at any particular meeting thereof, it may be altered by resolution to that effect:—

6. Reading and ordering on reports of deputations.
7. Orders of the day, including subjects arising from proceedings of former meetings.
8. Motions of which previous notice has been given.

7. *Council to be communicated with by petition*.—Every communication addressed to the council shall be in the form of a petition or memorial, and shall not be lithographed nor printed, but in writing, and must be signed by at least one person on every skin or sheet on which it is written. Every petition shall be presented by one of the members of the council, who shall be responsible for its being respectfully worded. On the presentation of a petition no debate shall take place thereon until notice has been given in the usual manner, and the only questions that shall be entertained on its being presented shall be, that the petition be received, or that it be referred to a committee, or that it be taken into consideration with any order of the day to which such petition may refer; and every member presenting a petition to the council shall confine his remarks to a statement of the names of the persons from whom it comes, the number of signatures attached to it, and the reading of the prayer of the petition.

8. *Presentation of reports*.—No report of a committee shall be considered nor adopted on its presentation nor until due notice thereof shall be given, nor shall any debate be allowed thereon except as to its being received and, if thought necessary, printed for distribution among the members of the council.

9. *Reports to be numbered and signed*.—The reports of each committee shall be numbered in consecutive order, and each report shall be signed by the chairman thereof, or in his absence by the chairman for the time being, previous to the presentation of such report to the council.

10. *Orders of the day*.—The orders of the day shall include all matters arising out of the proceedings of former meetings of the council, and any business which the chairman may think fit to bring under consideration. Any member of the council may, however, bring forward such business as he may consider advisable in the form of a notice of motion; such notice to be given, in writing, to the town clerk at least two clear days previous to the meeting at which the same is to be taken into consideration; and all such notices of motion shall be considered in the order in which they were given.

11. *Proceeding with motions*.—No motion shall be proceeded with unless the councillor giving notice, or one of the council authorised by him in writing, be present to proceed with the same when called upon.

12. *Notice paper*.—The notice paper shall be prepared by the town clerk, and posted in his office two clear days previous to each ordinary meeting of the council.

13. *Resolutions, how rescinded*.—No motion the effect of which would be to rescind any previous resolution of the council shall be entertained during the same municipal year, unless a call of the whole council has been duly ordered for that purpose, and no motion for rescinding any resolution of the council shall be again entertained during the same municipal year, unless by consent of at least five members of the council.

14. *Bye-laws*.—No bye-law shall be finally passed nor adopted at the meeting at which it shall have been first proposed, nor until the next meeting of the council regularly convened; and every such bye-law shall in the interim be open to inspection by any of the ratepayers, at the times before mentioned, free of charge.

15. *Reference of proposed petitions to legislative committee.*—No motion proposing any petition, address, or standing order, shall be entertained unless the mover shall submit therewith a draft of such petition, address, bye-law, or standing order, and the draft so submitted shall in no case be taken into consideration until it shall have been referred to the legislative committee, who shall report thereon, and the mover of every such proposition shall be, for that occasion, a member of such committee.

16. *Manuscript motions to be preserved.*—The original manuscript of any motion or amendment that is submitted to the council shall be preserved until the minutes of the meeting at which the same has been disposed of are confirmed in the usual way.

CHAPTER II. ORDER OF DEBATE.

17. *Motions and amendments, how proposed.*—Any member desirous of making a motion or amendment shall address the chairman, and shall not be interrupted unless called to order, when he shall be silent until the member calling to order shall have been heard thereon and the question of order disposed of, when the member in possession of the chair shall proceed with the subject.

18. Any member desirous of proposing either an original motion or an amendment must state the nature of such motion or amendment before addressing the council in support thereof; and when making a motion or amendment shall put it in form, sign, and deliver it to the town clerk, who shall add thereto the name of the seconder; and no motion nor amendment so made shall be withdrawn without the leave of the council.

19. *Seconding motions and enforcement of standing orders.*—No motion nor amendment shall be entertained nor discussed unless it be seconded. Any member may however require the enforcement of any standing order of the council by simply noticing that such order is disobeyed.

20. *Speaking on moving or seconding a motion.*—A member moving a motion shall be held to have spoken thereon, but a member merely seconding a motion without remark shall not be held to have spoken upon it.

21. *Councillors to be addressed by their official titles.*—The members in meetings of council shall designate each other by their official titles, namely, that of chairman or councillor.

22. *Priority in speaking.*—If two or more members shall rise to speak at the same time, the chairman shall decide which of them is entitled to priority.

23. *Speaking twice on the same subject.*—No member shall speak twice on the same question, except by way of explanation, or in reply upon any original motion of which he may have been the mover, or as the mover of the amendment last carried, and after the reply, the amendment on the original motion, as the case may be, shall be immediately put to the vote.

24. *Chairman to decide points of order.*—The presiding chairman's decision shall be final on all questions of order or practice, and he shall state the same without comment or argument.

25. No councillor shall digress from the subject under discussion, nor impute motives, and all personal reflections shall be considered highly disorderly.

26. Any councillor who shall use an expression capable of being offensively applied to any other councillor shall, if required by the chairman, withdraw such expression, and make a satisfactory apology to the council, under a penalty of not more than Ten pounds.

27. When, in consequence of disorderly conduct, the chairman shall call upon any member of the council by name, such member shall withdraw immediately after having been heard in explanation, and after such member's withdrawal the council shall at once take the case into consideration.

28. Any member may require the town clerk to take down any particular words used by a member immediately upon the same being used.

29. *Production of documents.*—Any member may of right require the production of any documents of the council relating to the question or matter under discussion.

30. *Amendments.*—One amendment only shall be discussed at one time, but, if lost, another may be moved before the original question is put to the vote; but upon any amendment being carried, such amendment shall be held to have superseded the original motion, and for all purposes of subsequent discussion the amendment so carried shall be acted upon as an original motion; but it shall be competent for any member to move one other amendment thereon, but not more.

31. *Questions may be superseded.*—A question may be superseded—

1. By the adjournment of the council, on the motion of a member "That the council do now adjourn."

2. By the previous question, viz., "That this question be now put," being proposed and negatived.

32. *Questions have to be put.*—The chairman shall, in taking the sense of the council, put the question first in the affirmative, then in the negative, and the votes of the councillors, if a division be called for, shall be entered on the minutes.

33. *Manner of voting.*—The council shall vote by show of hands, excepting in cases of elections, when the vote shall be by ballot.

34. *Adjournments.*—No discussion shall be allowed on any motion for adjournment of the council, but if on the question being put the motion be negatived, the subject then under consideration, or the next on the notice paper, shall be discussed, or any other that may be allowed precedence before any subsequent motion for adjournment; but if the motion for adjournment be carried, the business then undisposed of shall have precedence at the next meeting of the council.

35. *Committee of the council.*—In the consideration of any matter of detail it shall be competent for the council to resolve into a committee of the whole.

36. *Protests.*—Any member of the council may enter his protest against any resolution of the council, provided that such protest is not inconsistent with truth or disrespectful to

the council. Notice of intention to protest must, however, in every case be given on the adoption of the resolution protested against, and the protest must be signed by the member or members protesting, and specifying the reasons for protesting, must be entered before the next regular meeting of the council by the protesting member in a book to be kept for that purpose in the town clerk's office, and duly referred to in the minutes of council, the same to be considered a part of such minutes.

37. *The council may be counted out.*—If a debate on any order of the day or on a motion be interrupted by the council being counted out, such order of the day or motion may be restored to the notice paper, and the debate thereupon resumed at the next meeting of the council at the point at which it was interrupted.

38. *The committee of the whole council may be interrupted for want of a quorum.*—If the discussion of any question in a committee of the whole council be interrupted for want of a quorum, the council may order the resumption of such committee on a future day, on motion upon notice, and the discussion of such question shall then be resumed at the point at which it was so interrupted.

CHAPTER III.

39. *Committees.*—There shall be at least three permanent committees:—

First, the committee of public works.

Second, the committee of finance.

Third, the committee of legislation and health.

The said committees shall be elected annually, and consist of not less than three members each.

40. *Chairmanship of committees.*—Every permanent committee at the first meeting after its appointment shall elect one of its members to be chairman for the municipal year, and in his absence shall elect a chairman for the time being; provided always that the chairman of the council shall be chairman of any committee of which he shall be appointed a member.

41. *Special committees.*—Special committees shall not consist of less than five members, three to be a quorum, and shall be subject to the same regulations, so far as they can be applied, as permanent committees.

42. *Absence of a quorum at committees.*—If there shall not be a quorum of members present within fifteen minutes after the time fixed for the meeting of any committee, such meeting shall lapse; but it shall be competent for the chairman of such committee, if necessary, to convene another meeting at a future day.

43. *Absentees.*—Any member of a committee absenting himself from three consecutive meetings duly convened shall cease to be a member thereof, and a report of such circumstance shall be given by the chairman of the committee to the council at its next meeting.

44. *Vacancies, how filled.*—The council shall, if it thinks fit, on the requisition of any member; discharge him from serving on a committee, and all vacancies as they occur shall be filled up by the council.

45. *Questions to be decided by a majority of votes.*—All questions shall be decided by a majority of votes, and whenever the votes are equal, the chairman shall have the casting vote.

46. *Finance committee may disburse £5 in one week.*—The Finance Committee shall be at liberty, at their discretion, to authorize disbursements for current expenses to an amount not exceeding Five pounds in any one week.

47. *Convening committees.*—On any committee being appointed, the town clerk shall give such notices calling the committee together as shall be requisite.

MUNICIPALITY OF GISBORNE.

FIRST HALF-YEARLY REPORT OF THE MUNICIPAL COUNCIL OF GISBORNE, FROM 19TH SEPTEMBER, 1860, TO 19TH MARCH, 1861.

ON the 21st of August, 1860, His Excellency Sir Henry Barkly, K.C.B., Governor-in-Chief of the Colony of Victoria, and Vice-Admiral of the same, &c. &c. in pursuance of the provisions of the Act 18 Victoria No. 15, intituled, *An Act for the establishment of Municipal Institutions in Victoria*, proclaimed the district hereinafter described as a municipal district within the meaning of the said Act, that is to say—The Municipal District of Gisborne: Commencing at a point bearing south and distant one chain from the south-western angle of section 34, in the parish of Gisborne; thence east eighty chains; thence south eighty chains; thence west eighty chains; and thence north eighty chains to the commencing point.

At a duly convened meeting of the resident householders and landholders within the municipal district, held on Tuesday, the 18th September, 1860, John C. Thomson, Esq., P.M., in the chair, the following gentlemen were elected councillors:—

	Votes.
Mr. Richard Haines	63
Mr. James Simms	58
Mr. Henry Hussey	53
Mr. George Watt	56
Mr. Colin Campbell	51
Mr. Edward Moeller	47
Mr. Terence O'Hanlon	40

That on the 19th September Colin Campbell, Esq., was elected chairman of the council for the municipal year.

That on the 19th October Mr. William Hogg was elected town clerk.

BYE-LAWS.

The following were passed by the council, assented to by the Governor, and gazetted:—

Bye-law No. 1.—To regulate, by means of standing orders, the proceedings of the council of the municipal district of Gisborne.

Bye-law No. 2.—For levying a rate of One shilling in the pound for the current year.

Bye-law No. 3.—For empowering the chairman of the municipal council of Gisborne to take elections by ballot to supply vacancies from time to time in the municipal council of Gisborne.

The following bye-laws were passed by the council as, in their opinion, conducive to the interests of the municipality, viz.:

Bye-law No. 4.—For preventing accidents arising from fires in chimney flues.

NOTE.—This bye-law is in precisely similar terms as Bye-law No. 6 for Hotham.

Bye-law No. 5.—For licensing and regulating the slaughter of small cattle.

NOTE.—Precisely similar to Bye-law No. 11 for Castlemaine.

Bye-law No. 6.—For the preservation of the footways, water-courses, &c., of public streets and thoroughfares, &c., of the Gisborne municipality, under 18 Victoria Nos. 14 and 15.

NOTE.—The above is an exact copy of Bye-law No. 7 gazetted for Footscray.

Bye-law No. 7.—For the prevention of bathing in the Gisborne Creek, and throwing the carcasses of animals therein, within the boundary of the municipality of Gisborne.

NOTE.—The first clause of the above bye-law is copied from Bye-law No. 3 for Melbourne. The second clause is in accordance with clause 15 of "Town and Country Police Act, 1854."

All these Bye-laws, Nos. 4 to 7 inclusive, have been returned as, in the opinion of the Solicitor General and Crown Solicitor, "legally objectionable."

APPLICATIONS MADE TO GOVERNMENT.

For the use of a room adjoining the Court House to be used as a council chamber.—Granted.

For the *Government Gazette*.—Granted.

For removal of the police barracks from the police paddock to within the township.—Answer: No funds available until the estimates for 1861 be passed.

For the police paddock as a town common.—Answer: That the subject will be duly considered, and a reply forwarded as soon as possible.

NOTE.—The Government has since set apart 193 acres for a town common in a different part of the township.

For the legislative grant of £1000 in aid of new municipalities.—Granted.

For the removal of the toll-bar to outside the municipality.—Declined.

For a bridge across the Gisborne Creek on the Lancefield road.—Declined.

For delivery of the mail each evening on arrival at 8.30.—Granted.

For the resident road engineer to be instructed to take, and supply the council with, the permanent levels of the streets within the municipality.—Answer: That the time of the district road engineer is so fully occupied that it is impossible he could undertake to comply with the request.

For a sum to be placed on the estimates for 1861 for the erection of a bridge across the Gisborne Creek in Aitken street and a bridge across Fisher's Creek in Hamilton street.—Answer: No funds available for the execution of these works.

For the control of the quarries within the municipality and the right to issue licenses for the working thereof.—Answer: That it is not considered expedient to give municipal councils the control of quarries within those districts and power to issue licenses.

On the 28th February the council initiated the first of a series of fairs to be held within the township, and by permission of the Gisborne branch of the Port Phillip Farmers' Society, it was held within the society's yards. The result was so satisfactory as to determine the council to take the necessary steps for holding two fairs in the year, and also fortnightly markets.

VALUATION.

The valuation of rateable property within the municipal district, after deducting the reductions made on appeal, is £5814 15s., yielding, at one shilling in the pound, a revenue of £265 14s. 9d.

In consequence of the £1000 grant-in-aid not having been received until the 6th ultimo, no public works have yet been effected, but a surveyor is now engaged taking the permanent levels of all the streets within the municipality, and so soon as he has completed the working plans operations will be commenced.
