#### LANDS TO BE PERMANENTLY RESERVED, ETC.

IT is hereby notified, in pursuance of the 4th section of the Act 24 Victoria No. 117, that, upon the expiration of one month from the date hereof, it is the intention of the Governor in Council to permanently reserve from sale the lands herein-after described, and that thereupon the Governor will grant the same to trustees, subject to the condition that all rules and regulations for the management of the reserve be submitted for the approval of the Board of Land and Works, viz. :-

JIKA-JIKA—RESERVE FOR ZOOLOGICAL PURPOSES, IN THE PARISH OF JIKA-JIKA, being the reserve known as the Royal Park (less that portion thereof occupied by the Experimental Farm).—Five hundred and fifty acres (more or less), county of Bourke, parish of Jika-jika, subject to certain conditions: Commencing at the north-east angle, being a point bearing S. 3° E. one chain fifty links from the south-east angle of allotment 1, section 1, north of Royal Park; thence by a road bearing west forty-five chains fifty links (more or less) to the east boundary of the Experimental Farm; thence south and westerly by the east and southern boundary of the Experimental Farm to its intersection with the western boundary of the Royal Park; by that boundary of the Royal Park south-easterly and southerly till it intersects the northern side of the Flemington road; by that side of the Flemington road south-easterly till it intersects the west side of a road forming the western boundary of the Hay and Corn Market reserve; thence by the western side of said road and a continuation thereof till it intersects the west side of the Sydney road; and by the last-named side of the Sydney road northerly to the point of commencement; as shown on plan deposited in the Office of Lands and Survey, Melbourne.—(62.F.1384.)

#### PETITION UNDER THE MUNICIPAL ACT.

##### SALE.

THE Governor, with the advice of the Executive Council, has directed the publication of the substance and prayer of the petition hereinafter set forth, signed by One hundred and fifty-three householders and landowners, at and near Sale, in the district of Gipps Land, praying for the erection of their locality into a municipal district.

JOHN O'SHANASSY.

Chief Secretary's Office,  
Melbourne, 8th April, 1862.

2199.

The petitioners state that they are householders and landowners in the township and parish of Sale, and that necessity exists for the erection of the township into a municipal district, to further its improvement and good government.

They further state that it is the centre of a large agricultural district, and that the elements of wealth, such as a large and increasing population, genial soil, and mineral productiveness, are there concentrated; but the greatest inconvenience is caused by the want of proper roads, whereby the outlet of produce is obstructed and the cost of imported necessaries is enhanced.

That the township, possessing no improvements in the way of street making and draining, is, during several months in the year, all but uninhabitable, and that owing to its isolation in position and interest, local self-government is indispensable to its welfare and progress.

They suggest the following area for a municipal district, viz. —“Bounded on the west by the western boundary of the parish of Sale, commencing at Flooding Creek, at the south-west corner of lot 101, and bearing north to the north-west corner of the said parish; thence on the north by the northern boundary of the said parish, or two-chain road, bearing east to the one-chain road on the west side of “The Heart;” thence by a one-chain road bearing south, and a line in continuation till it intersects Flooding Creek; thence by that creek to the point of commencement; comprising an area of about nine square miles, no part of which is distant six miles from any other.”

And the petitioners pray as follows:—

“Your petitioners hereby pray that your Excellency will be pleased to cause the area above described to be proclaimed as ‘The Sale Municipal District.’”

[The signatures to the above-mentioned petition appeared in No. 43 of the Gazette, pp. 618, 619 ante.]
