MELBOURNE SEWERAGE AND WATER SUPPLY.

BYE-LAWS OF THE BOARD OF LAND AND WORKS.

THE Board of Land and Works doth hereby, pursuant to and in exercise and execution of the powers and authorities conferred on such board by the *Melbourne Sewerage and Water Act*, and the *Melbourne Sewerage and Water Amendment Act*, and the Act of the Parliament of Victoria numbered ninety-six (96), or some of such Acts, make the bye-laws following:—

1. All bye-laws heretofore made by the Commissioners of Sewers and Water Supply under the said recited Acts, or any or either of them, shall be and the same are hereby repealed.

2. An estimate shall be made from time to time as the Board of Land and Works (hereafter called the Board) may deem fit, of the annual value, in the judgment of the board, of all houses and tenements for the time being liable for water-rates under the said first two mentioned Acts or either of them.

3. Notice of the amount of such valuation, so far as concerns each house or tenement, shall be served either by leaving the same upon the premises which shall be so valued, or by delivering the same to the person liable to pay the water-rate for such house or tenement.

4. Such person may appeal to the judgment of the board against such valuation by leaving notice in writing of such appeal at the office of the Melbourne Sewerage and Water Supply within fourteen days after the day of service of the notice of the valuation.

5. The board shall from time to time appoint a day for hearing such appeals, and notice of the day so appointed shall be published three times in the *Government Gazette* of the said colony, and twice in some newspaper published at Melbourne in the said colony, at least seven days before the day so appointed, and no further or other notice shall be necessary.

6. Upon the day so appointed the board shall take into consideration the allegations and proofs of the party appealing against the aforesaid valuation; and the board may adjourn from day to day; and it shall be lawful for the board either to confirm or to alter or vary the amount of such valuation. If the party appealing to the judgment of the board shall be dissatisfied with the value then fixed by the board, such value shall be determined by two justices, as provided by the Melbourne Sewerage and Water Act.

7. The board may at any time adopt as to houses and tenements in the city of Melbourne the valuation made by the corporation of the said city; and as to the houses and tenements within any suburban municipal district, the valuation made by the council of such district; and any valuation so adopted by the board shall be deemed to be the valuation made and fixed by the board until notice be given by the board of any alteration in this present bye-law.

8. Persons shall pay for and in respect of water supplied by the board according to the following rates or charges, *i.e.* :—

1. On every house or tenement of £20 annual value and under, One pound sterling per annum.
2. On every house or tenement above the annual value of £20, and not exceeding £30 annual value, One pound ten shillings sterling per annum.
3. On every house or tenement above the annual value of £30, and not exceeding £50 annual value, a rate of Five pounds per centum on the amount of the valuation.
4. On every house or tenement above the annual value of £50, and not exceeding £300 annual value, a rate of Four pounds ten shillings per centum on the amount of the valuation.
5. On every house or tenement above the annual value of £300, a rate of Four pounds per centum on the amount of the valuation.
6. Warehouses, stores, shops, offices, or premises in which the quantity of water consumed, or likely so to be, would be less than the average consumption of private houses of equal annual value, shall respectively be subject to a rate of Two pounds ten shillings per centum on the amount of such valuation.
7. Butchers' and bakers' premises, and other premises where the quantity of water consumed, or likely so to be, would be greater than the average consumption of private houses of equal annual value, shall respectively be subject to a rate of Seven pounds ten shillings per centum on the amount of such valuation, or to such less rate as may be fixed by the board.
8. The owners or occupiers of all breweries, dyeing establishments, livery stables, soap and candle, sodawater, ginger beer, and cordial manufactories, and all other premises where the quantity of water consumed, or likely so to be, would be greater than the average consumption of private houses, or where water is consumed for other than domestic purposes, shall be subject to such special rate as may be agreed upon between them and the board; and in default of such agreement, they shall consume by meter, and shall pay for the water consumed a sum not exceeding Four shillings for each thousand gallons.

9. All such rates shall be payable in advance in two equal half-yearly payments, on the thirtieth day of June, and the thirty-first day of December in every year, but for any portion of a half-year the first payment may be calculated according to such portion, and shall be made in advance at the time when the pipe by which water is supplied is made to communicate with the pipes of the board, or at the time when the agreement to take water from the pipes of the board is made.

No. 80.—JULY 2, 1862.—3.

10. Any person receiving water from the board who shall offend by supplying, or causing, or permitting to be supplied with water, any house or tenement other than that for which he is himself liable, or who shall allow any person not liable to the payment of a water-rate to be supplied with water, or who shall allow water to be taken from his premises to be consumed elsewhere, shall be liable for each such offence to a penalty not exceeding Ten pounds.

11. Any person not subject to the payment of a water-rate who shall take or carry away water for domestic or other purposes from any public drinking-tap, trough, or private service-pipe, without a written permission from the board so to do, shall be liable to a penalty not exceeding Ten pounds, but this bye-law shall not apply to any person purchasing water from any stand-pipe erected by the board for the purpose of selling water therefrom to the public.

12. If any person shall neglect to pay such rate as may be chargeable against him, the board may stop the water from flowing into his premises by cutting off the service-pipe to such premises, or by such other means as the board may think fit.

13. Any person who shall offend by opening any ground so as to uncover any pipe or pipes the property of the board, without giving fourteen days' notice to the board of his intention so to do, or who shall in any way tamper or interfere with any pipe or valve, or any portion of the works whatsoever, the property of the board, without the permission in writing of the board being first obtained, shall be liable for each such offence to a penalty not exceeding Twenty pounds over and above the damage which he may be found liable to pay in any action at law at the suit of the board.

14. Any plumber or other person who shall attach or cause to be attached any service-pipe to any pipe belonging to the board, or who shall attach a branch service-pipe to any service-pipe already laid, for the purpose of supplying any other house or tenement with water, or for the purpose of supplying water for motive power, or for irrigation purposes, or for any other purpose whatever, without having first given notice to and obtained permission of the board so to do, shall be liable for each such offence to a penalty not exceeding Twenty pounds.

15. Any plumber or other person who shall lay any pipe to communicate with the pipes of the board without giving two days' notice of the day and hour when such pipe is intended to be made to communicate with the pipes of the board, or who shall make such communication except under the superintendence and according to the directions of some officer of the board, or who shall lay any leaden or other pipe to communicate with the pipe of the board of a strength and material not approved of by the board, shall be liable for each such offence to a penalty not exceeding Twenty pounds.

16. If any person shall neglect to repair any service-pipe conveying water from the pipes of the board into the premises of such person, after having received notice from any officer of the board that such service-pipe requires repairing, the board may stop the water from flowing into such premises, either by cutting off the service-pipe or otherwise, as to the said board may seem fit, until the necessary repairs shall have been effected. The service-pipes from the main being the property of the owners or occupiers of the tenements supplied by such service-pipes, the occupier (if any), and if none the owner, shall in every instance in which any damage shall be caused by reason of such service-pipe being leaky or otherwise out of repair or broken, be liable to a penalty not exceeding Twenty pounds.

17. In all cases where a stand-pipe shall have been erected for the supply of the houses and tenements in any road or way, lane or other place, and any person not occupying a house in any such road or way, lane or other place, who shall take water from such stand-pipe, he shall be liable to a penalty not exceeding Five pounds for each offence, unless he shall have received a written permission from the board to take water from such stand-pipe.

18. Any person supplied with water by the board, who shall wilfully or negligently allow the same to run to waste, shall be liable for each offence to a penalty not exceeding Ten pounds.

19. Every person consuming water by meter shall, at his own expense, provide such meter, and keep and maintain the same in good working condition to the satisfaction of such officer as may be appointed by the board; and in the event of any repairs being required, notice, in writing, shall be immediately given by such person to the board, at the office of the Melbourne Sewerage and Water Supply, and a registration taken before such repairs shall be effected; and for default in giving such notice such person shall be liable to a penalty not exceeding Ten pounds.

20. Should any person refuse or delay to have such meter properly repaired and put in correct working order, after having been required by any officer of the board so to do, the board may shut off the supply of water from the premises of such person, either by cutting the service-pipe or otherwise, until such meter shall have been properly repaired, and certified by some officer of the board as being in proper working order.

21. Any plumber or other person fixing or refixing any meter upon any premises supplied with water by the board, without having first obtained a certificate from the board that the said meter has been examined and found in correct working condition, shall be liable to a penalty not exceeding Ten pounds.

22. Every person requiring to remove or alter the position of any meter shall give six days' notice, in writing, to that effect to the board, at the office of the Melbourne Sewerage and Water Supply, in order that the registration of the quantity of water used may be taken; and any person who shall offend by removing or altering the position of, or in any way interfering with, any such meter, without giving such notice as aforesaid, shall be liable, for each such offence, to a penalty not exceeding Twenty

pounds over and above the damage which he may be found liable to pay in any action at law at the suit of the board.

23. In the construction of these bye-laws the word "person" shall be deemed to extend to and include a corporation whether aggregate or sole.

The foregoing bye-laws were made and passed by the Board of Land and Works, and the seal of the said Board of Land and Works was hereunto affixed, the twentieth day of June, One thousand eight hundred and sixty-two, in the presence of (L.S.)

PETITION UNDER THE MUNICIPAL ACT.

EAGLEHAWK, ETC.

THE Governor, with the advice of the Executive Council, has directed the publication of the substance and prayer of the petition hereinafter set forth, signed by two hundred and seventy-seven householders resident at and near Eaglehawk, in the Sandhurst division of the Sandhurst Mining District, praying for the erection of their locality into a municipal district.

JOHN O'SHANASSY.

Chief Secretary's Office,
Melbourne, 14th June, 1862.

3603.

The petitioners set forth that a public meeting, convened by notice duly advertised in the Sandhurst and other local journals, was held at the Camp Hotel, on the 20th of May, 1862, and that a resolution was passed thereat that it is advisable that a municipal district should be proclaimed, to include within its bounds Ironbark from the western boundary of the Sandhurst municipality, Long and California Gullies, Eaglehawk, Sailors' and Peg-leg Gullies, Myers' Flat, and the vicinity of those places respectively.

The petitioners represent that the creation of a local body having control over the roads and means of communication has been long felt as evidently necessary, and that to supply this want the Marong Road Board District was created in 1861, the result of which has been antagonism between the agricultural and mining interests of the locality and the election of two boards, one sitting at Lockwood, the agricultural centre of the district, and the other sitting at Eaglehawk, the mining centre of the district.

They further represent that an overwhelming majority of the inhabitants of the Marong Road District are engaged in and depend upon mining pursuits, and are resident within the mining area, and that about seven-eighths of the house property in the road district are situate in the last-mentioned area, which contains over 500 persons, occupying tenements of the clear value of One hundred pounds each, viz., about 75 at Ironbark, about 100 in Long Gully, about 85 in California Gully, and about 250 at Eaglehawk and in Sailors' and Peg-leg Gullies.

They state, also, that no two points in the proposed municipal district are distant more than six miles from each other, and that it does not contain more than nine square miles.

They state, moreover, that they are liable to be sued at law for taxes by the Marong Road Board sitting at Lockwood, which the petitioners are advised is illegally constituted, and at which the inhabitants of the mining area are altogether unrepresented; and that, while the greater portion of the taxation falls on the inhabitants within the mining area, it will be expended for the most part on localities where agricultural interests prevail.

They state, lastly, that they are owners or occupiers of tenements situate within the boundaries of the proposed municipality, of the clear value of One hundred pounds.

And the petitioners pray as follows, viz.:

"Your memorialists therefore pray that your Excellency may be pleased to declare that a municipality shall be constituted, pursuant and subject to the statute 18 Victoria No. 15, and the other statutes in that case made and provided, to include within its boundaries the land lying and being within the boundaries following (that is to say):—Commencing at the Sullivan post of the Sandhurst municipal boundary; thence south fifty-nine degrees forty minutes west eighty-two chains; thence north thirteen degrees thirty minutes east one hundred and fifteen chains; thence north twenty-three degrees forty minutes west ninety-two chains; thence north sixty-six degrees west one hundred and nine chains; thence north fifty-three degrees west one hundred and four chains; thence north twenty degrees east thirty-two chains; thence north eighty-nine degrees twenty minutes east one hundred and forty-four chains; thence north seventy-five degrees forty minutes east fifty-two chains; thence south fifty-eight degrees east two hundred and ten chains; thence south twenty-four degrees forty-five minutes west eighty-seven chains; thence south thirty-three degrees thirty minutes west seventy-three chains; thence south forty-seven degrees forty minutes west fifty-four chains to the commencing point aforesaid, be the said admeasurements and bearings more or less."

PETITION UNDER THE MUNICIPAL ACT.

FOR ANNEXATION TO BRIGHTON.

THE Governor, with the advice of the Executive Council, has directed the publication of the substance and prayer of the petition hereinafter set forth, signed by one hundred and twenty householders, purporting to be the majority resident within an area adjoining to the municipal district of Brighton, containing an average of thirty-six resident householders for each square mile of such contiguous area, praying to be united with and to form part of the said municipal district.

JOHN O'SHANASSY.

Chief Secretary's Office,
Melbourne, 13th June, 1862.

3455.

The petitioners state that they are a majority of the resident householders within the area hereinafter referred to as "the eastern portion of the Brighton special survey," which, by a Proclamation in the Government Gazette of the 14th of May, 1862, is included in the Moorabbin road district.

They represent that with respect to roads and public works they have no interests in common with the inhabitants beyond the southern boundary of the Brighton special survey, and that they have forwarded a memorial to the Commissioner of Railways and Roads against being included in the road district above mentioned.

They further represent that the whole area of the Brighton special survey is less than nine square miles, and that its inhabitants have a common interest in roads, bridges, and public works.

And the petitioners pray as follows:—

"Your petitioners therefore humbly pray that the eastern portion of the Brighton special survey may be united with the Brighton municipality."

[The signatures to the above-mentioned petition appeared in the Gazette, No. 71, page 1009, &c., ante.]

PETITION UNDER THE MUNICIPAL ACT.

RUTHERGLEN.

IN pursuance of the Act of Council 18 Victoria No. 15, the Governor, with the advice of the Executive Council, has directed the publication of the substance and prayer of a petition addressed to His Excellency as hereinafter set forth, signed by one hundred and fifty-seven householders resident in the township of Rutherglen, praying for the erection of their locality into a municipal district.

JOHN O'SHANASSY.

Chief Secretary's Office,
Melbourne, 13th June, 1862.

3417.

The petitioners state that they are householders residing in the township of Rutherglen, and that it is the centre of a large and important mining and agricultural district, the population of which, according to the census returns, is over four thousand.

They further state that the town contains more than three hundred householders; that the buildings are for the most part well and substantially constructed; and that, at the earnest wish of the townspeople, the township has been recently surveyed by the Government, for the purpose of selling the land; but that, as at present there exist no means by which local improvements can be effected otherwise than by private enterprise, the streets and roadways are unformed, and in winter partially impassable.

They therefore believe that the establishment of a municipality will greatly conduce to the prosperity and permanent welfare of the town, and suggest the following municipal boundaries, viz.:—"Commencing from a point sixty-seven chains south-east of allotment No. 4, section 20, parish of Carlyle, bearing thence due west one mile; bearing thence due north two miles to a Government road; bearing thence east one mile; and thence south two miles to the commencing point."

And the petitioners pray as follows:—"Your petitioners therefore humbly pray that the district, as above defined, may be proclaimed a municipality under the name of 'The Municipal District of Rutherglen,' according to the provisions of the Act of Council 18 Victoria No. 15."

[The signatures to the above-mentioned petition appeared in the Gazette, No. 71, page 1010 ante.]

PETITION UNDER THE MUNICIPAL ACT.

VICINITY OF SANDHURST.

THE Governor, with the advice of the Executive Council, has directed the publication of the substance and prayer of the petition hereinafter set forth, signed by eighty-seven householders, purporting to be the majority resident within an area adjoining to the municipal district of Sandhurst, containing an average of thirty-six resident householders for each square mile of such contiguous area, praying that their locality may be united with and form part of the said municipal district.

JOHN O'SHANASSY.

Chief Secretary's Office,
Melbourne, 27th June, 1862.

3704.

The petitioners state that they are residents in an area outside of and adjacent to the northern boundary of the municipality of Sandhurst; that they constitute the majority of the residents within such area, which contains an average of thirty-six resident householders for each square mile thereof; and that they are desirous that the lands on which they reside should be included within the boundary of the municipality of Sandhurst.

And the petitioners pray as follows:—

"Your petitioners therefore pray that your Excellency will be pleased to declare, by a proclamation, the locality within which they reside to be united with and form part of the Sandhurst municipality, by the following general description as defined and set forth in the plan [which accompanied the petition], viz.:—"Commencing at Larrit's Post in the municipal boundary, and proceeding by a line sixty chains long to a point in parish of Marong boundary near Cape Clear Hotel; thence by about one hundred and forty-six chains to top of Windmill Hill; thence by a line of about two hundred and thirty-five chains to a point thirteen chains north 66°30 west of Simon's Post; thence by said thirteen chains to said post."

[The signatures to the above-mentioned petition appeared in the Gazette, No. 78, page 1102 ante.]

PETITION UNDER THE MUNICIPAL ACT.

ENLARGEMENT OF RICHMOND.

THE Governor, with the advice of the Executive Council, has directed the publication of the substance and prayer of the petition hereinafter set forth, signed by four hundred and seventy resident householders of the municipal district of Richmond, and sealed with the municipal seal, praying for the extension of the municipal boundaries.

JOHN O'SHANASSY.

Chief Secretary's Office,
Melbourne, 2nd July, 1862.

3350.

The petitioners state that they are resident householders and ratepayers of the township of Richmond.

They further state that the western boundary of the township [municipal district] of Richmond commences at the eastern side or alignment of the Punt road and Hoddle street, and that the municipal council have no power to expend their funds on the said road and street and the footpaths thereof, which are beyond their jurisdiction, and that consequently the footpaths and water-tables on the eastern side of the said road and street are in many places in a filthy, dangerous, and almost impassable state, from an accumulation of mud and stagnant water, the latter too being highly injurious to the health of the inhabitants.

They state lastly that the extension of the district in the manner they propose will enable the municipal council to apply a portion of the rates to the maintenance, formation, and repairs of the said road, street, and footpaths, and relieve the inhabitants of the east side of the said road and street from their present anomalous position.

And the petitioners pray as follows:—

"Your petitioners humbly hope that your Excellency and the Executive Council may in your wisdom deem it expedient to exercise the powers given to you by the 4th section of the before-mentioned Act [18 Victoria No. 15], and the Act of the 18th Victoria No. 32, by proclaiming the extension of the western boundary of the township [municipal district] of Richmond so as to include a moiety of the Punt road and Hoddle street, commencing at a point on the edge of the Yarra River thirty-three feet west from the present boundary of Richmond, and running in a straight and northerly direction to the intersection of Waterloo place and Hoddle street; and then commencing at a point forty-nine feet six inches west from the present boundary in Hoddle street, and running in a straight and northerly direction to the intersection of Hoddle street and Victoria street east, thereby including a moiety of the said road and street, as shown upon the sketch marked upon the margin of the petition."

EAST COLLINGWOOD MUNICIPALITY.

THIRTEENTH Report of the Proceedings of the East Collingwood Municipal Council, for the Half-year ending 12th April, 1862.

The annual election was held on the 9th of October, 1861, when Messrs. Isaac Godfrey Reeves, Robert Flockhart, and Peter John Petherick were elected.

The council held 25 meetings during the half-year. Councillor Noone, the Chairman, attended 20, Councillor Greenwood 15, Councillor Turnbull 25, Councillor Payne 14, Councillor Reeves 22, Councillor Flockhart 23, and Councillor Petherick 25 meetings.

Councillor Payne obtained leave of absence on the 3rd of February, and eventually resigned his seat.

The Public Works Committee held 35 meetings. Councillor Petherick, the Chairman, attended 34, Councillor Turnbull 35, and Councillor Flockhart 23 meetings.

The Finance and Rate Committee held 26 meetings. Councillor Noone, the Chairman, attended 26, Councillor Turnbull 26, and Councillor Greenwood 3 meetings.

There were 18 special and other meetings of committee held. Councillor Noone attended 14, Councillor Greenwood 2, Councillor Turnbull 13, Councillor Payne 12, Councillor Reeves 12, Councillor Flockhart 7, and Councillor Petherick 6.

The assessment for the year amounted to the nett sum of £76,055, upon which a rate of 1s. in pound was levied.

The following grants of land have been obtained from the Government for the uses of the municipality, viz.:—Nine acres on the Merri Creek (which, with the seven acres adjoining, previously granted for a quarry reserve, will form a useful paddock for cattle brought to be slaughtered), seven and a half acres in the same locality for a site for municipal abattoirs, and two roods for a manure depot.

On the 18th March, Mr. H. J. Croker ceased to be municipal surveyor, and Mr. R. B. Gibson was subsequently appointed.

The East Collingwood Drainage and Improvement Bill has been laid before the House of Assembly, has passed the second reading, and been referred to a committee of the house, but owing to the opposition it has met with from John Dight, Esq., it is not expected that it will become law this session of Parliament. Steps, however, will be taken to obtain permission from the Assembly to allow the Bill to be proceeded with in the next session of Parliament from the stage at which it has arrived.
