BLACKWOOD GOLD ESCORT.

THE Blackwood Police Gold Escort will be re-established on the following conditions, and will run fortnightly until further notice, commencing on Tuesday, the 24th of May, and reaching Kyneton in time for the mid-day train.

Gold will be received on alternate Mondays, commencing the 23rd proximo, at Blackwood, for escort, but only for delivery to known residents at Kyneton, or to bank agents on route by the mid-day train, whose appearance must be previously guaranteed by the banks, and who must be provided with orders from the managers of their respective banks to receive parcels of treasure from the police at Kyneton.

The police will take delivery of such parcels of treasure, sealed, at Blackwood, and take receipts for the same number with unbroken seals, at Kyneton; but no responsibility whatever will be incurred by the police as to their value or contents.

Should doubt arise as to the person presenting himself to receive the treasure being duly authorised to receive it, or should no person appear at all, the treasure, if any, will be stored at the Police Barracks, Kyneton, until removed by the bank; no responsibility being incurred, no charge will be exacted for its custody.

Managers of Banks or other persons desirous of availing themselves of this escort will therefore be good enough to notify, in writing, before the 15th proximo, to the officer of police in charge at Kyneton, whether they will appoint agents to take delivery on the foregoing terms, of parcels of treasure from the police escort officer, on the stoppage of the mid-day train at the Kyneton railway station.

Should no such notification be received from either residents at Kyneton or bankers there or elsewhere, the escort will not start.

NOTE.—The technical descriptions in some instances only give approximately the position and area of the sites applied for, and in such, and all other cases, are subject to any modification that may be found necessary.
