## JURY LISTS.

### NOTICE TO ALL CONCERNED.

FREQUENT complaints have been made to me, by gentlemen summoned to serve as Special Jurors, that they are too often called upon, while so many of their friends and acquaintances are never summoned at all; and others, when summoned as Common Jurors, have complained of being so summoned, and think they should be Special. The Jury Lists for the year commencing 1st June next being now in course of preparation by the police, I beg to call the attention of all persons interested to the Act 21 Victoria No. 19, sections vi. to xii. inclusive, by which they will see that the remedy is in their own hands, if they please to inspect the lists which will be published on the Police Office and Church Doors in their respective districts, on the first two Sundays in March; and if any one desires to supply any omissions, or to correct mistakes, he can do so in the manner pointed out in the viii. and ix. sections of the Act, by giving notice and appearing at the Special Courts of Petty Sessions for the revision of the lists, to be held on the second Friday in April.

19. All moneys arising from fines or other sources will be collected by a non-commissioned officer, and paid over to the treasurer, who will keep a public account, and submit the same for inspection half-yearly or whenever deemed advisable.

Printed forms of tender may be obtained from the Secretary to the Tender Board, Melbourne, by whom also any information or explanation will be afforded to persons tendering.

The tenders for each station will be accepted or rejected separately.

Tenders may be for either of the supplies required, oats, bran, hay, or straw only; and if all be included in one tender, it will be accepted for one article only, if advisable.

Security will be required to the extent of one-third of the estimated amount of the contract.

The price must be per ton for hay and straw, and per bushel of 40 lbs. for oats and 20 lbs. for bran, including delivery at the stations and all charges; bags to be returned when empty.

The net weight only after deducting the tare is to be charged.

All tenders must be enclosed in a separate envelope, marked "Tender for —" (as the case may be), and deposited in the box at the Stores and Transport Office, King street; or if sent by post they must be addressed to the Chairman of the Tender Board, Melbourne.

The Government will not necessarily accept the lowest or any tender.

The decision of the Government will be made known by *Gazette* notice and by letter to tenderers.

**CONDITIONS.**

The hay to be eaten, good, sound, and sweet; the straw to be wheat, and both to be in all respects of the best quality; oats (colonial grown) and bran to be sound and sweet and of the best description.

The supplies to be delivered on the order of the head of the department, the quantities stated in the schedule being, however, only approximative, and it must be understood that the Government will draw either more or less than stated. The excess over the estimate will not, however, exceed during the whole year 50 per cent. of the estimated quarterly consumption.

The forage, when delivered, must be accompanied by an invoice of quantity, showing the gross weight, the tare, and the net weight (this should be on the back of the requisition or order), which, when signed by the officer in charge of the station for the net quantity received, will be returned to the contractor, and by him rendered in support of his account.

Each contractor will be required to prepare his own account in the prescribed form, and on presentation thereof to the head of the department, it will be forwarded for payment at the Treasury, Melbourne.

Should forage duly ordered under these contracts not be delivered within forty-eight hours from a reasonable time to be fixed on the order, it will be competent for the department (should circumstances require it) to purchase the same at the risk of the contractor, from whose account any expense over and above the contract price is to be deducted.

In the event of a difference of opinion between the contractor and the officer receiving the forage as to quality of the same, it is to be decided by a board of survey composed of persons named by the head of the department, and the decision of the board is to be considered final.

If the board shall decide that the forage is not of proper quality, it must be immediately replaced by the contractor, failing which it will be procured elsewhere, and the extra cost, if any, will be charged as in clause 6.

When a board of survey cannot be conveniently assembled, or when, from some other cause, injury would accrue either to the public service or the contractor by waiting for a board of survey, the officer in charge will have the power to reject such supplies as are obviously of inferior quality, it being understood that he will be responsible to the Government for so doing; and the contractor must take back the rejected forage, and supply good in its stead, failing which it will be obtained by the officer requiring it, and the expense will be charged as in clause 6.

A repetition of irregularity in the quantity or quality of the forage, or of delay in delivering or replacing it when required, will subject the contractor, upon report from the head of the department, to such mulct, not exceeding one-fourth of the monthly account, as the Government may direct. It will also be in the power of the Government, upon such repetition, to terminate the contract forthwith.

It will be competent for the Chairman of the Tender Board on behalf of the Government, or for the contractor on his own behalf, to terminate the contract, by giving in writing a notice of three full calendar months to that effect, it being understood that such notice only can be given from the first day of a month, and provided that no such notice can be given before the 30th June, 1865.

GEO. VERDON,  
Treasurer.

BYE-LAW No. 1.—TO REGULATE THE PROCEEDINGS OF THE COUNCIL AND OFFICE BEARERS.

THE business of the council at all ordinary meetings shall be conducted with open doors, unless it shall become necessary to exclude strangers on account of their disorderly conduct.

2. At every ordinary meeting of the council the first business thereof shall be the reading of and putting for confirmation the minutes of any preceding meeting, and no discussion shall be allowed thereon, except as to their accuracy as a record of the proceedings. The minutes, when confirmed, shall be signed by the president, or, in his absence, by the chairman of the meeting.

3. The order of the business shall be as follows, or as near thereto as practicable:—

1. Reading correspondence, and—considering and—ordering thereon.
2. Reception and reading of petitions and memorials.
3. Reading and ordering on reports of committees and officers.
4. Orders of the day.
5. Motions of which previous notice has been duly given.
6. Examination and passing accounts for payment.
4. Every petition or memorial addressed to the council shall be in proper form, and must be presented by a councillor, who shall be responsible for its being respectfully worded, and no debate shall take place thereon except as to its being received and taken into consideration after the orders of the day, or at any future meeting, or, if necessary, that it be referred to a committee.
5. The orders of the day shall include all matters arising out of the proceedings of former meetings of the council, and any business which the president shall think fit to bring under consideration. Any councillor may, however, bring forward such business as he may consider advisable in form of a notice of motion, such notice to be given in writing to the secretary, at least six clear days previous to the meeting at which the same is to be taken into consideration; and all such notices of motion shall be considered in the order in which they are given.
6. A notice of motion may be dispensed with in cases of emergency, where the council consider it necessary to do so, there being not more than one councillor absent at such council meeting.
7. No motion entered on the notice paper shall be considered unless the councillor who has given such notice, or some other

councillor authorised by him, be present when the business is called on; and notices not so proceeded with shall be struck off the notice paper.

8. The mover of any motion which shall be referred to a committee, shall for the occasion be a member of such committee.

9. Every councillor, including the president, shall stand up while addressing the council.

10. The president's ruling shall be final on all matters of order or practice.

11. Every motion or amendment shall be entered on the minutes, with the names of the mover and seconder, and on a division thereon the votes shall be recorded.

12. One amendment only shall be discussed at one time, but if lost, one other may be moved before the original motion is put to the vote; but upon any amendment being carried, it shall be competent for any councillor to move one other amendment thereon.

13. No discussion shall be allowed on any motion for adjournment of the council, but if, on the question being put, the motion be negatived, the subject then under consideration, or the next on the notice paper, shall be discussed, or any other that may be allowed precedence, before any subsequent motion for adjournment shall be entertained. But if the motion for adjournment be carried, the business then undisposed of shall have precedence at the next ordinary meeting of the council.

14. No councillor shall speak more than once on the same question, except by way of explanation or reply on an original motion of which he may have been the mover, or as the mover of an amendment last proposed, and after the reply, the amendment or the original motion, as the case may be, shall be put to the vote.

15. Every councillor, when proposing a motion or amendment, or speaking on any matter, shall address the president, and shall not be interrupted except called to order, whereupon he shall sit down until the question of order shall have been decided; the councillor in possession of the chair may then resume the subject.

16. Any councillor who shall refuse to obey when ruled out of order, or shall use any expression capable of being applied offensively to any other councillor, and who, if required by the president, shall refuse to withdraw such expression and make satisfactory apology, shall be liable to a penalty not exceeding five pounds, to be recovered before any two or more justices of the peace.

17. Any councillor may, with the consent of the president, require the secretary to take down the particular words used by a councillor immediately upon the same being uttered.

18. Any councillor may record his protest against any resolution of the council, on giving notice of his intention to do so on the adoption of a resolution; and on such councillor entering his protest, and his reasons for the same, in a book to be kept for that purpose in the office of the council; provided always that such protest may be expunged if decided by a majority of the council not to be in accordance with truth, or not to be in terms respectful to the council.

19. No election to any office at the disposal of the council shall take place until six clear days' notice shall have been given in some local newspaper, inviting applications for the same, nor unless the salary or allowances attaching to such office shall have been fixed before proceeding to such election.

20. All contracts shall be made by tender unless the council shall otherwise direct. All tenders shall be addressed to the president, and only be opened at the time of their consideration by the council. The respective amounts, with the names of the parties tendering, shall in every case be entered on the minutes of the council. When any tender shall have been accepted by the council, the person tendering, or some one on his behalf, shall pay a deposit, in accordance with a rule hereafter mentioned, into the hands of the treasurer.

21. All payments shall be made by cheque, and be signed by the president and one other councillor, and countersigned by the treasurer, or such other person as the council may appoint; and no cheque shall be given unless the account for which its payment shall have been passed at a meeting of the council, and recommended by the finance committee.

22. The security in all cases of contract shall be 10 per cent. on the amount of the contract, to be paid over by the contractor to the treasurer of the shire, which amount shall be repaid to the contractor when he obtains his final certificate that the works under his contract have been satisfactorily completed.

23. The shire office shall be opened every Monday, Tuesday, Wednesday, and Friday, between the hours of Ten and Three, during which hours the secretary shall attend to transact the ordinary business of the council. The surveyor shall attend during the hours of business at every meeting of the council.

24. Any bye-law may be suspended *pro tem.* in cases of emergency, and with the consent of the council, there not being more than one councillor absent.
