OCCUPATION OF CROWN LANDS UNDER THE 42ND SECTION OF THE AMENDING LAND ACT 1865.

PERSONS desirous of obtaining licenses to occupy portions of Crown lands under the provisions of the 42nd section of *The Amending Land Act 1865*, are hereby cautioned that, as the marking out on the ground of the sites to be applied for is an indispensable preliminary, applications for licenses will not be entertained, unless, prior to application to the surveyor authorised to effect the required surveys, the sites shall have been defined on the ground in the manner prescribed in the regulations.

Applications for the granting of more than one license, under the 42nd section of *The Amending Land Act 1865* to the same individual, will only be entertained by the Board of Land and Works when made by persons intending, and who will undertake, on obtaining such licenses, to permanently occupy, for residence and cultivation, the land for which they apply.

Applicants must, in every instance, insert the required notice in the newspaper published in the town nearest to the land for occupation of which license is desired.

In those portions of the parishes of Warrenheip, Bungaree, Dean, and Kerit Barret, formerly included in the State Forest, as recommended to be reserved by the commission at Ballarat, the licenses under the 42nd section, for residence and cultivation, will not exclude the right of cutting and removing live timber therefrom, by holders of timber licenses, upon such portions of land not cultivated; to remove the same, and the right of entry on the land at all reasonable times for those purposes. Neither the holder of any license under the 42nd section, nor any other person, will be allowed to bark or ring living timber upon the land included within any such license under the 42nd section.

President of the Board of Land and Works.
