Tenders are required to be written on a form, printed copies of which may be had gratuitously on application at any post office in the colony, and may be forwarded (if by post, prepaid), addressed to the Honorable the Postmaster-General, with the words "Tender for the Conveyance of Mails" endorsed on the cover, or placed in the tender-box at the General Post Office.

Tenderers are requested to describe by their numbers as below the mail services for which they tender, and every tender will be taken to include the entire service as called for.

Every tender must bear the *bona fide* signatures and addresses of the tenderer, and of two responsible persons willing to become bound for the fulfilment of the same in such sum as the Government may direct, not exceeding the gross amount of the contract.

Every tender must be accompanied by a bank deposit-receipt for a sum equal to twenty per cent. of the amount for which the tenderer is willing to undertake the service; the money to be lodged to the credit of the Acting Deputy Postmaster-General, and to be absolutely forfeited to the Government in case the person whose tender may be accepted shall fail to complete, within ten days of the date of notice being given of the acceptance of his tender, the usual bond and contract to the satisfaction of the Government. The notice of acceptance, if delivered at the address named in the tender, shall be deemed sufficient.

The money deposited by successful tenderers will be returned to them upon application, on the bond and contract being completed.

The money deposited by unsuccessful tenderers will be returned to them on application, and on their signing receipts for the respective amounts, but not otherwise.

Persons tendering are requested to state the description of the vehicle they intend to use, and the number of horses by which it is to be drawn.

A separate tender must be sent in for each service; but notwithstanding this condition, any offer will be entertained for the performance of any number of services for a lump sum. The number of the service or services tendered for must be plainly endorsed on the outside of the cover.

The tender of any person failing to comply with the foregoing conditions will not be entertained.

The general conditions referred to in the printed form of tender, and upon which the tender is to be made, can be inspected by persons proposing to tender, either at the General Post Office or at any Post Office in the colony.

The attention of tenderers is drawn to the condition which requires that in cases where vehicles are used Members of Parliament shall be conveyed free of charge between the districts they represent and the districts in which they reside and Melbourne.

The Government will not necessarily accept the lowest or any tender.
