NOTICE TO MARINERS.

CURRENT AND SHOAL, WEST COAST OF AUSTRALIA.

THE accompanying notice, which has been issued from the Hydrographic Office, Admiralty, London, is published for general information.

WILLIAM M. K. VALE,
Commissioner of Trade and Customs.

Department of Trade and Customs,
Melbourne, 31st August, 1868.

[The information contained in this notice is to be carefully considered, to be noted in the sailing directions, and compared with the chart when the ship is navigating the parts to which it refers.]

Hydrographic Notice.—[No. 10.]—Australia Directory, Vol. III.
Notice 1.

THE following information on the current in the neighborhood of Cape Leuwin and Swan River, on the west coast of Australia, during the summer months (January and February), is extracted from the Remark Book of Captain Charles W. Hope, of H.M.S. *Brisk*, 1853:—

"After rounding Cape Leuwin a strong set to the E.N.E. was experienced. At 8 p.m. abreast of Cape Naturaliste, fifteen miles distant, a course was steered to pass eight miles to the westward of Rottnest Island; but at daylight Garden Island was observed on starboard bow and Rottnest Island on the port bow, the ship having been set twenty miles to the E.N.E. during the night. Had the weather been thick, so that the land or Rottnest light could not be distinguished, the ship would have been in a very dangerous position, as the course steered would have led directly on to the reefs north of Garden Island."

No. 108.—SEPTEMBER 4, 1868.—1.

Also, from the same source, the following notice of reported shoal water, sixteen or eighteen leagues westward of Swan River:—

"A bank with twenty fathoms water on it has been discovered some fifty miles to the westward of Rottnest Island, and breakers were said to have been seen in 1864 from the *Bearer*, merchant vessel, W. by S., fifty-two miles from Cape Vlaming, the west extreme of Rottnest Island."

The money deposited by unsuccessful tenderers will be returned to them on application, and on their signing receipts for the respective amounts, but not otherwise.

Persons tendering are requested to state the description of the vehicle they intend to use, and the number of horses by which it is to be drawn.

A separate tender must be sent in for each service; but notwithstanding this condition, any offer will be entertained for the performance of any number of services for a lump sum. The number of the service or services tendered for must be plainly endorsed on the outside of the cover.

The tender of any person failing to comply with the foregoing conditions will not be entertained.

The general conditions referred to in the printed form of tender, and upon which the tender is to be made, can be inspected by persons proposing to tender, either at the General Post Office or at any Post Office in the colony.

The attention of tenderers is drawn to the condition which requires that in cases where vehicles are used, Members of Parliament shall be conveyed free of charge between the districts they represent and the districts in which they reside and Melbourne.

The Government will not necessarily accept the lowest or any tender.
