LICENSE FEE FOR CUTTING OR REMOVING TIM-BER, REDUCED IN RESPECT OF CERTAIN CROWN

THE Governor, with the advice of the Executive Council, has, in pursuance of the 54th section of The Land Act 1862, made the subjoined Regulations reducing the Fee chargeable for cutting and removing timber on and from certain Crown Lands hereinafter mentioned, viz.

The license fee for cutting and removing timber from Crown lands whereon the timber is not of special value owing to proximity to railways, shipping places, or centres of population, or owing to the quality of the timber or its local scarcity, is reduced from £5 per annum to £2 per annum.

reduced from £5 per annum to £2 per annum.

Such reduction shall not apply to the procuring of timber on such Crown lands as are situated within a distance of twenty-five miles from Melbourne, or within the boundaries of any shire, road district, or borough, or within the boundaries of any State forest or other reserve, or within a distance of fifteen miles from the sea-coast, or within a distance of fifteen miles from the creat of that portion of the Main Dividing Range or tending from Mount Cole to Mount Disappointment.

The holder of a license at such reduced rate of fee is empowered to cut ordinary wood on Crown lands, and to transport it from the site where cut to the nearest main road; it being however understood that if one person exclusively employs his time in cutting wood on such Crown lands, and another in exclusively transporting the wood so cut to the nearest main road, both these persons must hold licenses to procure wood on Crown lands. in Chief in and over the Colony of Victoria, &c., &c., &c.

WHERAS by an Act passed in the thirty-first year of
Her present Majesty's reign, initiuled An Act to amend
the Laws relating to or affecting Public Health (31 Vict. No.
310), it is amongst other things enacted that this Part (that is
to say, Part II.) of this Act shall apply to all places where the
Part of the Act thereby repealed, or any portion thereof, has
been in force, and all or some of the provisions of this Part
shall also apply to every such city, town, borough, shire, district, or place in Victoria as the Governor in Council shall by
Proclamation direct; and the Governor in Council may at any
time, and from time to time, alter, repeal, or revoke any such
Proclamation theretofore or thereafter made: Now therefore
I, the Governor of Victoria, in pursuance of the provisions of
the said Act, and in exercise of the power thereby conferred,
do, with the advice of the Executive Council, by this my Proclamation direct that all the provisions of Part II. of the said

#### CONTRACT-SURVEYS, 1869.

CONTRACT SHEVE IS, 1869.

SEPARATE Tenders for the performance of the several surveys enumerated below will be received at the Department of Lands and Survey, Melbourne, up to Twelve o'clock on Monday, the 4th day of January, 1869, under the conditions uotified to tenderers for contract surveys in the Government Gazette of 14th May, 1861.

1. Survey of detached single allotments under twenty acres in extent.

2. Survey of connected Township allotments ranging up to half an acre.

extent.

2. Survey of connected Township allotments ranging up to half an acre.

3. Survey of connected Suburban allotments ranging from half an acre to twenty acres in extent.

4. Survey of Country lands in allotments ranging from twenty acres to six hundred and forty acres in extent.

5. Survey of Topographic features of country.

6. Survey of main, secondary, and occupation roads.

Such surveys to be made at the instance of and under the specific directions of the District Surveyor, and will embrace only such surveys as may not be let by the Department by tender in the usual way. The successful tenderer under this advertisement will therefore have no monopoly of the surveys required in the district.

Tenderers will state separately for each district.

1st. Rate of survey per lot for detached single allotments under twenty acres in extent. A detached single allotment meaning one allotment standing by itself apart from any other allotments surveyed at the same time.

2nd. Rate of survey per lineal mile, chained and trenched as directed in specification for Township surveys.

3rd. Rate of survey per lineal mile, chained and marked as directed for Suburban surveys, in allotments ranging from half an acre to twenty acres in extent.

4th. Rate of survey per lineal mile, chained and marked as directed for Country lands, in allotments ranging from twenty to six hundred and forty acres in extent.

5th. Rate per lineal mile, chained, in Topographic and feature survey and connection lines.

6th Rate per lineal mile, chained and marked for main, secondary, and occupation roads unconnected with the survey of allotments (both sides of the road to be marked, but payment made by single measurement).

The requisite plans of these surveys to be finished in accordance with the specifications for contract surveying and preparation of plans for photo-lithographic purposes.

The rates accepted for these surveys to be in operation up to the 31st December, 1869.

The surveys to be executed personally by the contractor, unless under very special circumstances, which are to be reported to the Surveyor-General, when permission is requested to employ

to the Surveyor-General, when permission is requested to employ an assistant.

The surveys are to be proceeded with in the following order. Lists of the applications for surveys in each district received in one calendar month by the District Surveyor, will be handed to the contractor on or about the first day of the month following, and such surveys are to be proceeded with at once, and completed before any further applications of a more recent date can be commenced.
