And by the said recited Act it is enacted that the said section shall be read as part of the Act numbered 184.

And whereas it has been deemed expedient and necessary to make the following bye-law in reference to hackney carriages plying for hire within the borough of Sebastopol:

Be it therefore ordered and directed by the council of the borough of Sebastopol, as follows:—

## HACKNEY CARRIAGES AND PROPRIETORS.

*No Person to let to Hire a Hackney Carriage without a License*

1. No person shall let to hire or ply for hire with any hackney carriage at any place within the borough of Sebastopol unless such person shall have a license in force so to do under the provisions of this bye-law.

*SCHEDULE I.—Every Person desiring a License for a Hackney Carriage to make a Requisition in Writing.*

2. Every person desirous of obtaining a license to ply with or let to hire any hackney carriage as aforesaid must make a requisition to the council of the borough, in the form or to the effect contained in the first schedule hereto, in order that they may cause an inspection to be made of every carriage to be kept, used, or let to hire by virtue of such license; and every such requisition shall be signed by the proprietor or one of the proprietors of the carriage in respect of which the license shall be applied for, or in the case of a body corporate or public company by an officer thereof, and therein shall be truly specified and set forth the description of carriage the license shall be required for, and whether to be drawn by one or more horses, and the christian name and surname of every person who shall be a proprietor or part proprietor of such carriage, or in the case of a body corporate or public company the proper title thereof, as also the name and place of residence or office of business of the proprietor or proprietors, body corporate, or public company.

*SCHEDULE II.—And obtain a Certificate.*

3. Upon receipt of such requisition the council shall cause an inspection to be made of every such carriage, and if the same shall be found to be in a fit and proper condition for public use, the inspecting officer of the borough council shall grant a certificate to that effect, and specify in such certificate the number of the carriage and the number of the persons to be carried in and by such carriage in the form or to the effect in the second schedule hereto.

*SCHEDULE III.—License to Issue.—Council may refuse, suspend, or revoke License.—Refusal, &c, to be endorsed on Requisition.*

Provided always that in regard of any such carriage, the council of the borough may, if they think proper, refuse to grant any such license, or may suspend or revoke the same when granted, in case it shall appear to such council upon inspection or otherwise that the carriage in respect of which such license shall be applied for or granted, or any horse or harness used with any such carriage, is unserviceable, or unsafe, or otherwise unfit for public accommodation or use; or that the person applying for or in possession of any license is an unfit person to hold the same, by reason of his having been convicted of any felony, or assault, or of drunkenness, or of any breach of the provisions of this or any other bye-law relating to hackney carriages, or by reason of the licenses having been issued upon a false requisition or representation; and in all cases of refusal, suspension, or revocation, the council shall cause to be endorsed in writing upon the requisition for such license the grounds for such refusal, suspension, or revocation.
