Tenders must express the prices in words as well as in figures, and without alterations or erasures.

As much forage as the storage will accommodate will be ordered at a time for the convenience of contractors.

The price must be per ton for hay and straw, and per bushel of 40 lbs. for oats and 20 lbs. for bran (net weight), including delivery at the stations and all charges; bags to be returned on application when empty.

Tenders not complying with the terms of advertisement will not be entertained.

The successful tenderer will be required to enter into a bond for one-third of the estimated amount of the contract, within ten days after the acceptance is notified. Two approved securities are required for contracts amounting to £150 and upwards, and one surety for contracts under £150.

Tenderers failing to take up their accepted tenders, or failing to carry out their contracts satisfactorily, will be ineligible to again hold contracts for Government supplies.

The Government will not necessarily accept the lowest or any tender.
