Extract of a Letter from Count Munster to the Earl of Derby,
dated German Embassy, June 3rd, 1874.

"A special case which has come to the knowledge of the Imperial Government gives me occasion to apply for Your Excellency's kind intervention for the purpose of having the Royal British Authorities, both in England itself and in the British Colonies, informed that German Consular protection may be afforded, on their application, to Swiss people residing abroad.

"This circumstance rests upon an agreement made in the year 1871, and renewed in the year 1872, between the German Imperial Chancery Office and the Swiss Federal Council.
