MASTHEAD ISLAND AND DETACHED REEF.

Error in Position.

THE correct position of Masthead Island and the detached Reef has been ascertained by Staff Commander Bedwell, R.N., the Admiralty Surveyor, to be three miles west by south from that assigned to it upon the present charts; thus narrowing the channel between Cape Capricorn and the detached Reef by that distance.

NOTICE TO MARINERS—RECHERCHE ARCHIPELAGO.

THE accompanying extract from a letter received from Captain A. E. B. Brown, of the barque *Albyn's Isle*, is published for general information.

PETER LALOR,
Commissioner of Trade and Customs.
Department of Trade and Customs,
Melbourne, 11th August 1875.

"On my last voyage to Western Australia, whilst passing north of Termination Island (Recherche Archipelago) I found a reef about fifty (50) yards east and west, about four (4) feet above water, and bearing about N.E. by E. from the island three (3) miles, with (apparently) a good clear passage between. This reef is not laid down on the Admiralty charts in my possession. I may also mention that several reefs seen breaking to the northward while passing Termination Island, although laid down on Flinders' chart, are very much out of position.

"I had a current of from $1\frac{1}{2}$ to $2\frac{1}{2}$ knots to the northward and eastward from the time of leaving the island till abreast of King George's Sound, in the latter part of the month of April."

REFORMATORY SCHOOL.

THE Administrator of the Government, with the advice of the Executive Council, has established a Reformatory School on the piece of ground commencing at the south-east corner of the Industrial School Reserve, St. Kilda road, running west 182 feet; thence in a line at right angles bearing north 84 feet; thence in a line at right angles running east 182 feet; thence in a line at right angles running south 84 feet to the commencing point, with the buildings thereon; such school to be occupied by and used for females exclusively, in accordance with the provisions of *The Neglected and Criminal Children's Act 1864* (No. 216 sec. 3).

BOROUGH OF HAWTHORN.

A bye-law of the Borough of Hawthorn made under section 213 of the Local Government Act 1874, and numbered 16, for the purpose of adopting Subdivision A of Part I. of the Thirteenth Schedule of the said Act.

IN pursuance of the powers conferred by the Local Government Act 1874, the Mayor, Councillors, and Burgesses of the Borough of Hawthorn order as follows:—

PART I, SUBDIVISION No. 4.

CROSSINGS OVER FOOTWAYS AND CHANNELS.

Every person who wilfully and without lawful excuse rides or drives any horse or other animal, or drives or wheels any carriage, cart, or other vehicle upon, along, or across any footway, or any water-channel or gutter, herein called a channel, by the side of any street or road, save in each such case upon and by or at some crossing to be made as hereinafter mentioned, shall forfeit a sum not exceeding Five pounds, and shall also pay to the Council such sum not exceeding Ten pounds by way of compensation for any damage done by him to the footway or channel as the justice adjudicating upon the information shall on the hearing thereof order.

If any land shall front to, adjoin or abut upon the footway of any street or road, and if access with horses and vehicles from such street or road to such land or to some sufficient way appurtenant thereto cannot be had without riding, driving, or wheeling the same respectively upon or across the said footway or the channel (if any) lying along the outer edge thereof, and if the owner of such land shall desire that a crossing for horses and other animals and for vehicles be made as hereto provided over such footway and channel, and shall give a notice in writing of such his desire to the council, and in such notice describe the land in question and the proposed work by reference to the specification deposited as hereinafter mentioned, such specification being in accordance with the provisions hereof and with such regulation as may be in force in that behalf, it shall be lawful for such owner, after seven clear days from the giving such notice and not before (with no unnecessary delay or obstruction), at his own cost and under the inspection of such officer as the council shall have appointed for the purpose, to make such crossing according to the tenor of such notice and specification, and not otherwise, and the owner of such land shall afterwards in like manner maintain the same.

Every such owner who desires as aforesaid that any such crossing shall be made shall, before giving notice to the council as herein provided, deposit with the municipal clerk a specification describing the proposed work with respect to each of the several matters hereby or by any such regulation in force in that behalf required or provided.

Unless within the period of seven days after the receipt of any such notice as aforesaid the council shall give notice to the person giving the same that (if the fact be so) such notice or the specification referred to therein and deposited is not in accordance with the provisions of such regulation as aforesaid, such notice and the specification shall thereafter, so far only as affects the liability of such person to any penalty, be deemed to be in accordance therewith.

In streets or roads in which, at the site of any such proposed crossing, there is a curb of stone or wood along the outer edge of the footway extends shall have on both sides a curb not higher in any part than the surface of the footway at that part, and similar in all respects to such first mentioned curb; and such curb shall approach to and join the street curbing in gentle curves outwards, and such crossing shall be of such width, and the surface thereof, so far as the footway extends, shall have such inclination outwards, and be depressed so far below the footway, as shall have been respectively appointed by some regulation in that behalf, and shall with respect to the channel be so laid or constructed as not to raise or obstruct the same or any part thereof.

In streets or roads in which, at the site of any such proposed crossing, there is no such curbing as in the last preceding section mentioned, the crossing over the channel shall be such suitable bridge as shall leave a free passage for the water underneath the same, and shall be of such materials, form, length, size, strength, and fall as shall have been respectively appointed by some regulation in that behalf; and the surface of such crossing, so far as the footway extends, shall be so made good by paving, macadamising, gravelling, or otherwise, that the necessary traffic by animals or vehicles over the same shall not cause any damage thereto, but that such crossing shall be as sound and commodious for the passage of persons using the footway as the other portions of such footway adjoining such crossing.

No person making any crossing shall be deemed guilty of an offence by reason only of some departure in making such crossing from the notice or specification relating thereto, unless the officer of the council appointed as hereinafter provided to inspect the making of the crossing shall have reported in writing such departure to the council within three days after the same shall have occurred, and unless such person, being served by the council within three days after such report with a notice so to do, shall for the space of seven clear days after such notice have failed to correct or supply such departure.

If any crossing shall have been made in any respect contrary to this bye-law or any regulation in force hereunder, it shall be lawful for the council, if they shall see fit, to cause the same to be altered so as to conform hereto and to such regulation respectively, and to recover in manner in the Local Government Act 1874 provided the expenses of such alteration from the owner of the land to which such crossing shall lead; but they shall not so recover in those cases of departure from the notice specification which the council or their officer might respectively have given notice of or reported, but failed to give notice of or report respectively in manner and within the time provided in the preceding sections hereof.

If any private street or road shall meet at an angle the footway of any public street or road, and there shall be no crossing upon and across such footway and the channel adjacent thereto from such private street or road to such public street or road, it shall be lawful for the council, if they shall see fit, to make in accordance with any regulation in force in that behalf a crossing upon and over such footway and channel of the description hereinbefore provided with respect to other crossings, and to recover from the owner of each of the tenements abutting on such private street or road such portion of the expenses of such making as shall bear to the whole of such expenses the same proportion as the rateable value of such tenement bears to the whole rateable value of all the tenements so abutting.

If any crossing across or over any footway or channel to any land or way appurtenant thereto, or to any private street or road, shall have been made before the coming into operation of this subdivision, but shall in any respect not be in accordance with any regulation made hereunder, the council may, if they shall see fit, cause the same to be altered so as to conform to such regulation; and if such crossing shall have been made contrary to any bye-law in force at the time of making the same, the council may recover the expenses of such alteration in manner in the last two preceding sections mentioned according as one or the other may be applicable to the case.

If any crossing shall be out of repair, and the person liable hereunder to maintain or repair the same shall, for seven days after notice from the council to that effect, neglect properly and completely to repair the same, he shall forfeit for every day that such crossing shall remain so unrepaired a sum of Forty shillings; and the council may, if they shall see fit, effect such repair and recover the same from such person before any justice.

It shall be lawful for the council from time to time to make regulations for all or any of the purposes following, that is to say:—

For regulating the width, depression, and inclination of crossings across or over footways and channels, and the materials for making and constructing the same; the mode of laying and bedding such materials; the length, width, size, strength, and fall of bridge crossings, and the said inclination and fall, either absolutely or with relation to the levels, inclination, or fall of the footway or channel, or otherwise in like manner.

Passed by the Council this 19th day of May 1875.

Confirmed by the Council this 16th day of June 1875.

Mayor.

A bye-law of the Borough of Hawthorn, made under section 213 of the Local Government Act 1874, and numbered 17, for the purpose of adopting subdivision 9 of Part I. of the Thirteenth Schedule of the said Act.

IN pursuance of the powers conferred by the Local Government Act 1874, the Mayor, Councillors, and Burgesses of the Borough of Hawthorn order as follows:—

PART I, SUBDIVISION No. 9.

OBSTRUCTIONS, ETC., TO STREETS, ETC., BY CATTLE, ETC.

If any cattle shall be found upon any land not being a common, and such that there is no fence, whether upon the same land or any other dividing such first-mentioned land from any street or road, whether public or private, without any person having charge of such cattle, the owner of such cattle shall forfeit a sum not exceeding twenty shillings for every head of such cattle, and the proper officer of the council may seize such cattle and place the same at some neighboring place of safe custody; and any justice, if such owner be not known, upon proof of the issue of a summons in the usual form addressed to such owner as "owner" only, without otherwise naming or describing therein, such cattle and place of seizure being duly described therein, and of the publication of such summons in some newspaper commonly circulating in the neighborhood, may, after the expiration of twenty-four hours from such publication, proceed with respect to such owner not appearing as if personal service of a summons stating his name had been effected, or if such owner appear then as in other cases; and the justice may order the cattle to be sold, and the money arising from the sale, after deducting the said penalty and the costs awarded and the reasonable expenses, to be estimated and assessed by the justice, of seizing, keeping, and selling the said cattle, shall be paid if demanded within one month to the owner of the cattle, and if

not so demanded then to the municipal fund; and if the said money shall not be sufficient for all the purposes aforesaid the amount whereby the same falls short, or, if no such sale be ordered, the whole of the said amount may be recovered from the said owner if and when known in like manner as other penalties and sums adjudged or ordered to be paid by justices are to be recovered.

If any cattle be at any time found in any street without any person having the charge thereof, the owner of such cattle shall forfeit for every head of such cattle a sum not exceeding twenty shillings, and if such shall, by reason of having been so found at large, have been impounded by the council, the amount of such penalty and costs, if adjudged respectively before the release or sale of such cattle, shall be added to the pound fees and charges payable in respect of such cattle, the amount thereof, or such lesser amount (if any) as after the sale of the cattle may remain in the hands of the poundkeeper, shall be paid over by him accordingly; and if the proceeds of any sale of such cattle shall not be sufficient, after paying the lawful fees and charges aforesaid, to satisfy such penalty and costs, or if such penalty and costs shall have been adjudged after the release or sale of the cattle, the same or so much thereof as remains unpaid shall and may be recovered from the owner of the cattle in like manner as other penalties and costs adjudged by justices are by law to be recovered; and if in the case of any information under this section the owner be not known, then the provisions of the last preceding section, so far as necessary to give the adjudicating justice jurisdiction, shall apply.

If any goat shall have been impounded under the provisions of either of the two last preceding sections, or under the provisions of this bye-law relating to the impounding of cattle for trespass in the streets, and shall not, after the expiration of twenty-four hours, be released, and the penalty, costs, fees, and charges be paid by the owner thereof, any justice may, by warrant under his hand directed to any constable, authorize the destruction of such goat, and the same may be destroyed accordingly.

It shall be lawful for the council to make regulations from time to time for appointing the hours during which it shall not be lawful to drive into or through the municipal district, or such parts thereof as shall by boundaries be set forth in such regulation, any cattle intended for sale, slaughter, or shipment, or travelling from one part of Victoria, or of any other colony to any other part, and to provide, if they shall see fit, in such regulations separately with respect to Sundays and week days; and if any person shall drive any such cattle contrary to such regulation he shall forfeit for every head of cattle so driven a sum not exceeding Twenty shillings: Provided that nothing herein contained shall apply to horses driven in harness or to oxen in the yoke.

It shall not be lawful to break in any horse or other animal in any street whether public or private or in any public place save such public places as from time to time may be appointed by some regulation of the council in that behalf, which regulation the council are hereby authorized to make; or by locking the wheels of any cart or other vehicle, or otherwise to test or try any horse or other animal so as to obstruct or injure any street or public place; and any person offending against this section shall forfeit a sum not exceeding Five pounds.

16. A councillor moving a motion shall be held to have spoken thereon, but a councillor merely seconding a motion shall not be held to have spoken upon it.

17. The councillors in meeting of council shall designate each other by their official titles, namely, that of mayor, president, chairman, or councillor, as the case may require.

18. If two or more councillors rise to speak at the same time, the chairman shall decide which is entitled to priority.

19. The chairman shall rise in addressing the council to discuss any question, and shall not leave the chair on such occasions.

20. No councillor shall speak a second time on the same question, unless entitled to reply or in explanation when he has been misrepresented or misunderstood.

21. The chairman when called upon to decide on points of order or practice shall state the provision, rule, or practice which he deems applicable to the case without discussing or commenting on the same, and his decision as to order or explanation in each case shall be final.

22. No councillor shall digress from the subject-matter of the question under discussion, or comment upon the words used by any other councillor in a previous debate; and all imputations of improper motives, and all personal reflections on councillors, shall be deemed highly disorderly.

23. Whenever any councillor shall make use of any expression disorderly, or capable of being applied offensively to any other councillor, the councillor so offending shall be required by the chairman to withdraw the expression, and to make a satisfactory apology to the council.

24. A councillor called to order shall sit down, unless permitted to explain.

25. Any councillor using offensive or disorderly language, and having been twice called to order or to withdraw and to apologise for such conduct, and refusing so to do, shall be guilty of an offence.

26. Any person not being a councillor who shall, having been admitted to any meeting of the council, be guilty thereof of any improper or disorderly conduct, or who shall not leave when lawfully requested by the chairman so to do, may be forthwith removed by him, and shall be deemed guilty of an offence.

27. Any councillor not attending in compliance with an order for a call of the whole council, without reasonable excuse to the satisfaction of the majority thereof, shall be guilty of an offence.

28. Any councillor may of right demand the production of any of the documents of the council applying to the question under discussion.

29. The council shall vote by show of hands, and any councillor present and not voting, not being disabled by law from so doing, shall be guilty of an offence.

30. The chairman shall in taking the sense of the council put the question first in the affirmative, then in the negative, and the result thereof shall be recorded in the minutes.

31. At every meeting of the council all motions, whether original motions or amendments, shall be reduced into writing, signed by the mover, and delivered to the chairman immediately on their being moved and seconded.

32. No second or subsequent amendment, whether upon an original proposition or on an amendment, shall be taken into consideration until the previous amendment is disposed of.

33. If any words of an original question be rejected, the insertion of other proposed words shall form the next question, whereupon any further amendment to insert other words may be moved.

34. If an amendment be negatived, then a second may be moved to the question to which the first-mentioned amendment was moved, but only one amendment shall be submitted to the council for discussion at a time.

35. The mover of every original proposition, but not of any amendment, shall have a right to reply, immediately after which the question shall be put from the chair; but no councillor shall be allowed to speak more than once on the same question unless permission be given to explain or the attention of the chair be called to a point of order.

36. No discussion shall be allowed on any motion for adjournment of the council; but if, on the question being put, the motion be negatived, the subject then under consideration or the next on the notice-paper shall be discussed, or any other that may be allowed precedence, before any subsequent motion for adjournment be made.

37. Any councillor may protest against any resolution of the council, and notice of intention to protest shall in every case be given forthwith on the adoption of the resolution protested against; and the protest shall specify the reasons for protesting, and shall be entered three days at least before the next ordinary meeting of the council by the protesting councillor in a book to be kept for that purpose in the office of the municipal clerk, and signed by such councillor, and shall be also entered in the minutes of the meeting at which notice of the intention to protest shall have been given previously to the confirmation thereof; but such protest may be expunged from the minutes if declared by a majority of the council to be not in accordance with truth or in its terms disrespectful to the council.

38. If a debate or any motion moved and seconded be interrupted by the number of the councillors present becoming insufficient for the transaction of business, such debate may be resumed at the point where it was so interrupted on motion upon notice.

39. If a debate on any order of the day be interrupted by such insufficiency of number as aforesaid happening, such order may be restored to the notice book for a future day on motion upon notice, and then such debate shall be resumed at the point where it was so interrupted.

40. Minutes of all proceedings of committees, as well as of their reports, numbered in consecutive order, shall be entered in the committees' minute book, and being signed by the chairman of the committee shall be presented to the council; and the municipal clerk, when practicable, shall attend all meetings of committees.

41. The municipal clerk shall convene every committee within ten days of its first appointment, or at any other time thereafter by order of the council, or on the written order of the chairman of the committee, or of any two members of the committee.

42. No petition shall be presented after the council shall have proceeded to the orders of the day.

43. It shall be incumbent on every councillor presenting a petition to acquaint himself with the contents thereof, and to ascertain that it does not contain language disrespectful to the council, and that the contents do not violate any bye-law or any provision hereof.

44. Every councillor presenting a petition to the council shall write his name at the beginning thereof.

45. Every petition shall be in writing and not printed or lithographed, and shall contain the prayer of the petitioners at the end thereof, and be signed by at least one person on every skin or sheet on which it is written.

46. Every petition shall be signed by the persons whose names are appended thereto by their names or marks, and by no one else except in cases of incapacity by sickness.

47. No letters, affidavits, or other documents shall be attached to any petition.

48. Every councillor presenting a petition to the council shall confine himself to a statement of the persons from whom it comes, of the number of signatures attached to it, of the material allegations contained in it, and to the reading of the prayer thereof.

49. No appointment to any permanent office at the disposal of the council shall take place until seven clear days' public notice shall have been given by advertisement in one or more newspapers circulating in the borough inviting applications from qualified candidates for the same.

50. The salary or allowance attached to all offices and places at the disposal of the council shall in all cases be fixed before they proceed to appoint any person to fill the same, before the advertisement inviting applications as aforesaid, and shall be specified in such advertisement.

51. No councillor or officer of the council, and no assessor or auditor of the municipality, shall be received as a surety for any officer appointed by the council, or for any work to be done for the council.

52. In all cases of security being given for the faithful performance of any duty or contract, the expense of prepar-

ing such security shall be borne by the person providing the same.

53. It shall be lawful for the treasurer of the municipality from time to time, on the written order of the municipal clerk, to disburse such moneys as shall have been appropriated by the council for the purposes of this clause, and as shall be required for any necessary occasion, not exceeding in the whole in any interval between two ordinary meetings of the council the sum of Five pounds.

54. Any one or more of the rules or regulations contained in this subdivision may be suspended for a special purpose on motion upon the notice duly given, and shall not otherwise be suspended except by a unanimous vote of the council.

55. If any person shall be guilty of any wilful offence or misfeasance, or wilful or negligent act of commission or omission, contrary to any provision contained in this subdivision, he shall forfeit a sum not exceeding Five pounds.

Bye-law No. 3, to regulate by means of standing orders the proceedings of the council for the municipal district of Hawthorn, is hereby repealed.

Passed by the Council this 19th day of May 1875.
