PRESENT:

The Queen's Most Excellent Majesty in Council.

ARTICLE VIII.

The requisition for extradition shall be made through the Diplomatic Agents of the High Contracting Parties respectively.

The requisition for the extradition of an accused person must be accompanied by a warrant of arrest issued by the competent authority of the State requiring the extradition, and by such evidence as, according to the laws of the place where the accused is found, would justify his arrest if the crime had been committed there.

If the requisition relates to a person already convicted, it must be accompanied by the sentence of condemnation passed against the convicted person by the competent Court of the State that makes the requisition for extradition.

A requisition for extradition cannot be founded on sentences passed in *contumaciam*.

ARTICLE IX.

If the requisition for extradition be in accordance with the foregoing stipulations, the competent authorities of the State applied to shall proceed to the arrest of the fugitive.

The prisoner is then to be brought before a competent magistrate, who is to examine him, and to conduct the preliminary investigation of the case, just as if the apprehension had taken place for a crime committed in the same country.

ARTICLE X.

The extradition shall not take place before the expiration of fifteen days from the apprehension, and then only if the evidence be found sufficient, according to the laws of the State applied to, either to justify the committal of the prisoner for trial in case the crime has been committed in the Territory of the said State, or to prove that the prisoner is the identical person convicted by the Courts of the State which makes the requisition.

ARTICLE XI.

In the examinations which they have to make in accordance with the foregoing stipulations, the authorities of the State applied to shall admit as entirely valid evidence the sworn depositions or statements of witnesses taken in the other State or copies thereof, and likewise the warrants and sentences issued therein, provided such documents are signed or certified by a judge, magistrate, or other officer of such State, and are authenticated by the oath of some witnesses, or by being sealed with the official seal of the Minister of Justice or some other Minister of State.

22. Révolte ou complot par deux ou plusieurs personnes à bord d'un navire sur la haute mer contre l'autorité du capitaine. L'extradition doit être aussi accordée contre tout complice des crimes ci-dessus énumérés, lorsque la complicité est punie par les lois des deux Parties Contractantes.

ARTICLE III.

Aucun Haïtien ne sera livré par le Gouvernement d'Haïti au Gouvernement du Royaume Uni, et aucun sujet du Royaume Uni ne sera livré par ce dernier au Gouvernement d'Haïti.

ARTICLE IV.

L'extradition n'aura pas lieu si la personne réclamée de la part du Gouvernement du Royaume Uni, ou la personne réclamée de la part du Gouvernement de la République d'Haïti, a déjà été jugée et acquittée ou condamnée, ou si elle est encore en jugement, soit en Haïti soit dans le Royaume Uni respectivement, et ce pour le crime en raison duquel son extradition est demandée.

Si la personne réclamée de la part du Gouvernement du Royaume Uni, ou si la personne réclamée de la part du Gouvernement de la République d'Haïti est sous le coup d'un interrogatoire judiciaire, soit en Haïti soit dans le Royaume Uni respectivement, pour tout autre crime que celui en raison duquel elle est réclamée, il sera différé à l'extradition jusqu'à ce que ce jugement soit prononcé, et, s'il y a condamnation, jusqu'à ce que la peine infligée soit entièrement subie.

ARTICLE V.

L'extradition n'aura pas lieu si, postérieurement à la perpétration du crime, à l'ouverture de la poursuite judiciaire, ou au jugement prononcé, les lois de l'Etat auquel la demande d'extradition est adressée, couvrent la personne réclamée des effets de la prescription.

ARTICLE VI.

Un criminel fugitif ne sera pas livré si l'offense en raison de laquelle son extradition est demandée est d'un caractère politique, ou s'il prouve que cette extradition n'a réellement été réclamée que dans le but de le juger ou de le punir pour une cause d'un caractère politique.

ARTICLE VII.

Une personne rendue ne peut, en aucun cas, être détenue ou jugée dans l'Etat auquel son extradition a été accordée pour un autre crime, ou pour d'autres causes, que ceux qui ont motivé cette extradition.

Cette stipulation ne s'applique pas aux crimes commis postérieurement à l'extradition.

ARTICLE VIII.

Toute demande d'extradition sera faite par l'entremise des Agents Diplomatiques des deux Hautes Parties Contractantes respectivement.

La requisition de l'extradition d'une personne accusée doit être accompagnée d'un ordre d'arrestation émané de l'autorité compétente de l'Etat qui fait la demande d'extradition, et par les preuves qui établissent que, si la personne réclamée avait commis le même crime dont elle est prévenue dans l'Etat où elle est réfugiée, son arrestation serait ordonnée en vertu des lois du dit Etat.

Si la requisition porte sur une personne déjà condamnée, elle doit être accompagnée du jugement rendu contre la dite personne par un Tribunal compétent de l'Etat qui réclame l'extradition.

Aucune demande d'extradition ne peut être basée sur les jugements rendus contre les personnes en état de contumace.

ARTICLE IX.

Si la requisition d'extradition est conforme aux stipulations énoncées ci-dessus, les autorités compétentes de l'Etat auquel elle est adressée procéderont à l'arrestation du fugitif.

Alors le prisonnier est amené par devant un magistrat compétent, qui l'interroge et fait toutes les investigations qui auraient lieu si l'arrestation était faite en raison d'un crime commis dans le pays même où s'opère l'arrestation.

ARTICLE X.

L'extradition ne s'effectuera qu'après un délai de quinze jours à partir du jour de l'arrestation, et alors seulement si les preuves relevées par l'instruction préliminaire sont suffisantes pour justifier la détention des prisonniers, et le placer sous le coup des lois du pays où il est arrêté dans le cas où le crime dont il est prévenu y aurait été commis. Il faudra aussi que son identité soit prouvée, et qu'elle soit bien reconnue être celle qui est condamnée par les Tribunaux de l'Etat qui demande son extradition.

ARTICLE XI.

Dans les interrogatoires qu'elles ont à faire conformément aux stipulations ci-dessus les autorités de l'Etat auquel une demande d'extradition est faite admettront comme preuves entièrement valides toutes les dépositions ou déclarations de témoins assermentés provenant de l'autre Etat, ou copies de ces dernières, ainsi que tous les ordres et jugements qui auraient été publiés sur l'affaire relative à la personne réclamée, pourvu que tous les documents dont il est fait mention ci-dessus seront certifiés et signés par un Juge, un magistrat, ou un officier compétent de l'Etat qui fait la demande d'extradition. Ils seront déclarés authentiqués sous la foi du serment prêté par des témoins, ou scellés du sceau officiel du Ministre de la Justice ou de tout autre Ministre d'Etat.

ARTICLE XII.

If sufficient evidence for the extradition be not produced within two months from the date of the apprehension of the fugitive he shall be set at liberty.

ARTICLE XIII.

All articles seized, which were in the possession of the person to be surrendered at the time of his apprehension, shall, if the competent authority of the State applied to for the extradition has ordered the delivery thereof, be given up when the extradition takes place, and the said delivery shall extend not merely to the stolen articles, but to everything which may serve as a proof of the crime.

ARTICLE XIV.

The High Contracting Parties renounce any claim for the reimbursement of the expenses incurred by them in the arrest and maintenance of the person to be surrendered, and his conveyance till placed on board ship: they reciprocally agree to bear such expenses themselves.

ARTICLE XV.

The stipulations of the present Treaty shall be applicable to the Colonies and foreign possessions of Her Britannic Majesty. The requisition for the surrender of a fugitive criminal who has taken refuge in any of such Colonies or foreign possessions shall be made to the Governor or chief authority of such Colony or possession by the chief Consular Officer of Hayti in such Colony or possession.

Such requisitions may be disposed of, subject always, as nearly as may be, to the provisions of this Treaty, by the said Government or chief authority, who, however, shall be at liberty either to grant the surrender or to refer the matter to his Government.

Her Britannic Majesty shall, however, be at liberty to make special arrangements in the British Colonies and foreign possessions for the surrender of Haytian criminals, who may take refuge within such Colonies and foreign possessions, on the basis, as nearly as may be, of the provisions of the present Treaty.

The requisition for the surrender of a fugitive criminal from any colony or foreign possession of Her Britannic Majesty shall be governed by the rules laid down in the preceding articles of the present Treaty.

ARTICLE XVI.

The present Treaty shall come into force ten days after its publication, in conformity with the forms prescribed by the laws of the High Contracting Parties. It may be terminated by either of the High Contracting Parties, but shall remain in force for six months after notice has been given for its termination.

The President of the Republic of Hayti engages to apply to the Senate for the necessary authorization to give effect to the present Treaty, immediately after its meeting.

The present Treaty shall be ratified, and the ratifications shall be exchanged as soon as possible.

In witness whereof the respective Plenipotentiaries have signed the same, and have affixed thereto the seals of their arms.

Done at Port au Prince, the seventh day of December, in the year of our Lord One thousand eight hundred and seventy-four.

(L.S.) SPENCER ST. JOHN.
(L.S.) SURVILLE TOUSSAINT.

And whereas the ratifications of the said Treaty were exchanged at Port au Prince on the second day of September last: Now, therefore, Her Majesty, by and with the advice of Her Privy Council, and in virtue of the authority committed to Her by the said recited Acts, doth order, and it is hereby ordered, that from and after the twenty-first day of February, One thousand eight hundred and seventy-six, the said Acts shall apply in the case of the said Treaty with the President of the Republic of Hayti.

(Signed) C. L. PEELE.

ARTICLE XII.

Si les preuves requises pour l'admission d'une demande d'extradition ne sont pas établies deux mois après la date du jour de l'arrestation du fugitif réclamé, ce dernier sera mis en liberté.

ARTICLE XIII.

Lorsqu'une personne devra être rendue, tous les objets qui auraient été trouvés en sa possession, et qui auraient été saisis au moment de son arrestation, seront remis à la partie qui fait la demande d'extradition si l'autorité qui l'accorde en a décidé ainsi, et dans ce cas la remise comprendra nonseulement les objets volés, mais encore tout objet qui pourra servir à établir la conviction du criminel.

ARTICLE XIV.

Les Hautes Parties Contractantes renoncent réciproquement à toute réclamation ayant pour but le remboursement des frais qu'elles feront pour l'arrestation et la détention de toute personne rendue jusqu'à la mise à bord d'un navire: elles rubiront réciproquement toutes les dépenses de cette nature.

ARTICLE XV.

Les stipulations du présent Traité sont applicables aux Colonies et possessions étrangères de Sa Majesté Britannique.

Toute demande d'extradition relative à un criminel réfugié dans une des Colonies ou possessions étrangères dont il s'agit sera adressée au Gouverneur ou à la principale autorité de la dite Colonie ou possession par l'entremise du principal Officier Consulaire d'Hayti en la dite Colonie ou possession.

Les réquisitions de la catégorie ci-dessus indiquée se feront toujours, autant que possible, conformément aux règles établies dans le présent Traité, par le Gouverneur ou par la principale autorité, qui sera libre toutefois d'accorder l'extradition ou d'en référer à son Gouvernement.

Toutefois Sa Majesté Britannique sera libre de faire des arrangements spéciaux dans ses Colonies et possessions étrangères pour l'extradition des criminels Haytiens, qui s'y réfugieront, et ces arrangements, autant que possible, auront pour base les règles établies par ce présent Traité.

La réquisition de l'extradition d'un criminel fugitif d'une des Colonies ou possessions étrangères de Sa Majesté Britannique sera assujettie aux règles consignées dans les Articles précédents du présent Traité.

ARTICLE XVI.

Le présent Traité sera en vigueur dix jours après qu'il aura été publié conformément aux prescriptions des lois des Hautes Parties Contractantes. Il pourra prendre fin par la volonté de l'une ou de l'autre des Hautes Parties Contractantes, mais dans ce dernier cas il continuera à rester en vigueur pendant six mois à partir du jour où l'une ou l'autre aura déclaré vouloir en faire cesser les effets.

Le Président de la République d'Hayti s'engage à demander au Sénat, immédiatement après son ouverture, l'autorisation nécessaire pour faire exécuter le dit Traité.

Le présent Traité sera ratifié, et les ratifications en seront échangées le plus tôt que faire se pourra.

En foi de quoi les Plénipotentiaires respectifs l'ont signé, et y ont apposé le cachet de leurs armes.

Fait à Port au Prince, le sept Décembre, l'an de grâce mil huit cents soixante-quatorze.
