## CONVENTION BETWEEN GREAT BRITAIN AND TUNIS.

THE subjoined General Convention between the Governments of Great Britain and Tunis is published for general information.

By His Excellency's Command,

JOHN A. MacPHERSON,

Chief Secretary's Office, Chief Secretary.  
Melbourne, 20th January 1876.

(Circular.)

Downing street, 2nd November 1875.

SIR,

I have the honor to transmit to you, for publication in the colony under your government, a copy of a General Convention between the Governments of Great Britain and Tunis, signed on the 19th of July last.

I have, &c.,  
(Signed) CARNARVON.

The Officer administering  
the Government of Victoria.

[Extract from the *London Gazette* of October 29, 1875.]

### GENERAL CONVENTION BETWEEN THE GOVERNMENTS OF GREAT BRITAIN AND OF TUNIS.

Signed in the English and Arabic languages, July 19, 1875.

THE Government of Her Majesty the Queen of the United Kingdom of Great Britain and Ireland, and His Most Serene Highness Mohammed Essaddock Bey, Lord of the Regency of Tunis, being desirous to maintain and improve the relations of friendship and commerce which have long subsisted between them and between British and Tunisian subjects, have resolved to proceed to a revision and improvement of the Treaties subsisting between the respective countries, in consequence of which the following stipulations have been entered into and concluded between His Most Serene Highness the Bey, and Richard Wood, Esquire, Companion of the Most Honorable Order of the Bath, Her Majesty's Agent and Consul-General, duly authorized to that effect.

#### Article I.

Her Majesty the Queen of the United Kingdom of Great Britain and Ireland may appoint besides her Political Agent, such Consuls, Vice-Consuls, and Consular Agents in the Regency of Tunis as she may deem necessary; and such Consuls, Vice-Consuls, and Consular Agents shall be at liberty to reside in any of the seaports or cities of His Highness the Bey, which they or the British Government may choose and find most convenient for the affairs and service of Her Majesty, and for the assistance of her subjects.

#### Article II.

Every mark of honor and respect shall at all times be paid, and every privilege and immunity allowed, to Her Majesty's Agent and Consul-General accredited to His Highness the Bey which is paid or allowed to the Representative of any other nation whatsoever; and respect and honour shall be shown to the British Consuls, Vice-Consuls, and Consular Agents, who shall reside in the Regency of Tunis. Their houses and families shall be safe and protected. No one shall interfere with them, or commit any act of oppression or disrespect towards them, either by word or deed; and if any one should do so, the Tunisian authorities shall take immediate measures for the punishment of the offender. The British Consuls, Vice-Consuls, and Consular Agents shall, moreover, continue to enjoy, in the most ample sense, all the privileges and immunities which are now or may be hereafter accorded to the Consuls, Vice-Consuls, and Consular Agents of the most favoured nation.

#### Article III.

The British Agent and Consul-General shall be at liberty to choose his own interpreters, brokers, guards, and servants, either from among the natives or others. His interpreters, brokers, guards, and servants shall be exempt from the conscription, and from payment of any poll-tax, forced contribution, or other similar or corresponding charge. In like manner, the Consuls, Vice-Consuls, and Consular Agents residing at the Tunisian ports, under the orders of the said Agent and Consul-General, shall be at liberty to choose, that is to say, the Consuls, each one interpreter, one broker, two guards, and three servants; the Vice-Consuls and Consular Agents, each one interpreter, one broker, and one guard, and two servants, not being in the military service, who shall likewise be exempt from the conscription, from the payment of any poll-tax, forced contribution, or other similar or corresponding charge. No prohibition nor tax shall be put upon the provisions, furniture, or any other articles which may come to the said Agent and Consul-General, Consuls, or Vice-Consuls, for their own use and for the use of their families, upon their delivering to the Officer of the Customs a note under their hand, specifying the number of articles which they shall require to be passed on that ground, but this privilege shall only be accorded to Consular Officers who are not engaged in trade. If the service of their Sovereign should require their attendance in their own country, no impediment shall be offered to their departure, and no hindrance shall be offered either to themselves or their servants, or in regard to their property, but they shall be at liberty to go and come, respected and honoured. If they should depute another person to act for them in their absence, they shall not be prevented in any way from so doing, nor shall the deputy be prevented from acting in that capacity.

#### Article IV.

There shall be reciprocal freedom of commerce between the dominions of Her Majesty the Queen and the Regency of Tunis. British merchants or their agents and brokers shall

be permitted to purchase at all places within the Regency, whether for the purposes of internal trade or of exportation, all articles, without any exception whatsoever, being the produce or manufacture of the said Regency; and the purchaser shall be free to remove his goods, when purchased, from one place to another, without any attempt being made on the part of the Local Governors to interfere with them.

#### Article V.

In accordance with the friendship which has at all times existed between the two Governments, His Highness the Bey engages to protect British subjects who may come to his country either for the purposes of trade or for travelling. They shall be free to travel or to reside in any part of the Regency without hindrance or molestation; and they shall be treated with respect, love, and honour. They shall be exempt from forced military service, whether by land or by sea; from forced loans, and from every extraordinary contribution. Their dwellings and warehouses destined for the purposes of residence and commerce, as well as their property, both real and personal, of every kind, shall be respected, and, in particular, all the stipulations of the Convention concluded between Her Majesty's Government and His Highness the Bey on the 10th of October 1863, relative to the permission granted to British subjects to hold real property in the Regency of Tunis, are hereby confirmed. And British subjects, vessels, commerce, and navigation shall enjoy, without any restriction or diminution, all the privileges, favours, and immunities which are now or may hereafter be granted to the subjects, vessels, commerce, and navigation of any other nation whatsoever.

Her Britannic Majesty, on her part, engages to insure to Tunisian subjects, vessels, commerce, and navigation within her Dominions, the enjoyment of the same protection and privileges which are or may be enjoyed by the subjects, vessels, commerce, and navigation of the most favoured nation.

#### Article VI.

The perfect security which His Highness the Bey accords to the British merchants and subjects who may reside in the Regency extends likewise to the free exercise of the rites of their religion. They shall be free to erect churches, upon the application of the British Agent and Consul-General to His Highness the Bey, who will grant the necessary permission. The British Cemetery of St. George, and other burial places, now or hereafter to be established, shall be protected and respected as heretofore.

#### Article VII.

His Highness the Bey engages that he will not prohibit the importation into the Regency of any article the produce and manufacture of the dominions and possessions of Her Britannic Majesty, from whatever place arriving, and that the duties to be levied upon such articles of produce or manufacture so imported shall in no case exceed one fixed rate of eight per cent. *ad valorem*, to be calculated upon the value of such merchandise at the place of landing, or a specific duty, fixed by common consent, equivalent thereto.

Such articles, after paying eight per cent. import duty, shall not be subject to any other internal charge or impost whatsoever, whether the buyer be a Tunisian or a foreigner. And if such articles should not be sold for consumption in the Regency, but should be re-exported within the space of one year, the Administration of the Customs shall be bound, provided the bales or packages have not been opened, to restore, at the time of their re-exportation, the duty levied to the merchant, who shall be required first to furnish proofs that the goods so exported have paid the said import duty.

After the expiration of one year the merchant shall be free to re-export his foreign goods without the claiming the drawback, and the Custom-house shall not levy upon them any duty whatsoever on re-exportation.

Should a British merchant or his agent desire to convey, by sea or by land, from one port or place to another port or place in the Regency of Tunis, goods upon which the *ad valorem* duty above mentioned has been already paid, such goods shall be subject to no further duty, either on their embarkation or disembarkation, provided they be accompanied by a certificate from the Tunisian Administrator of Customs that the duty has been paid.

And it is moreover agreed that no other or higher duties shall be imposed on the importation of any article the produce or manufacture of one of the Contracting Parties into the country of the other, which shall not equally extend to the like articles being the produce or manufacture of any other country.

#### Article VIII.

Vessels navigating under the British flag and vessels navigating under the Tunisian flag shall be free to carry on the coasting trade in the States and Dominions of the Contracting Parties. They shall enjoy the same rights and immunities as are enjoyed by national vessels, and they shall be free either to land a portion of their cargoes, or to embark goods, foreign or native, to complete their cargoes, in each other's ports, without being obliged in each case to procure any special license from the Local Authorities, or to pay any charges and dues that are not paid by national vessels.

The stipulations of this Article shall however, as regards the Colonial coasting trade, be deemed to extend only to the coasting trade of such of the colonial possessions of Her Britannic Majesty as, under the provisions of the Act relating thereto, may have opened their coasting trade to foreign vessels.

#### Article IX.

His Highness the Bey formally engages to abolish all monopolies of agricultural produce or of any other article whatsoever, save and except tobacco and salt, and save and except

the fisheries, and the tannery of hides of oxen, camels, and horses.

British subjects, however, or their agents, buying or selling salt and tobacco in virtue of licenses or permits for consumption in the Regency of Tunis, shall be subject to the same regulations as the most favoured Tunisian subjects trading in the two articles aforesaid; and, furthermore, they shall be free to compete for, obtain, and exercise the right of fishery, subject to the local laws and regulations.

#### Article X.

If British merchants or their agents in the Regency of Tunis should purchase any article of Tunisian produce or manufacture for internal consumption, the said merchants or their agents shall not pay, on the purchase and sale of such articles, any higher duties or charges than are paid under similar circumstances, by the most favoured class of Tunisians or foreigners engaged in the internal trade of the Regency of Tunis. In like manner Tunisian merchants or their agents in the British dominions shall not pay on the purchase and sale of British produce or manufactures, for internal consumption in the said dominions, higher duties or charges than are paid by British subjects or the most favoured foreigners engaged in the internal trade of the said dominions, upon similar articles of produce or manufacture.

#### Article XI.

If a British merchant or his agent shall purchase for exportation any article of Tunisian produce or manufacture, either at the place where such article is produced or in its transit from that place to another, upon which article of produce or manufacture the internal taxes known by the names of "Ushr," "Kanoon," and "Mahsoulat," and others, have been already levied, such article of produce or manufacture shall be subject at the port of shipment to the payment of the export duty only, and the notarial fees and charges for measurement established by law.

#### Article XII.

In case of any dispute arising between the Custom-house and a merchant regarding the value to be put upon any merchandise or goods imported by him into the Regency of Tunis, the merchant shall be free to pay the duty in kind, in the most equitable manner.

Should, however, the merchant be unable or unwilling to make use of the above faculty, the Custom-house shall have the right to purchase such merchandise or goods at the price at which the merchant has valued them, with an augmentation of 5 per cent.

But should the foregoing two modes fail to solve the difficulty, His Highness the Bey and Her Majesty's Agent and Consul-General shall each name an arbitrator, being a merchant, and, in case of a divergence of opinion, the two arbitrators shall name an umpire, also a merchant, whose decision shall be final.

#### Article XIII.

With a view to the encouragement of agriculture, His Highness the Bey furthermore engages to permit the importation free of import duty and of every other internal charge, of agricultural implements and machinery, as well as of cattle and animals for the improvement of the native breeds, whenever such agricultural implements, machinery, cattle, and animals are proved to be for private use and not for purposes of trade, in which latter case they shall be subject to the payment of an import duty not exceeding 8 per cent.

#### Article XIV.

In case the importation of foreign wheat, barley, and indian corn should be rendered necessary in consequence of the failure of the crops, in consequence of famine or other causes, which God forbid, such foreign wheat, barley, and indian corn shall be as heretofore exempt from the payment of any import duty, and shall be subject only to the payment of 20 karooob (7½) per kaffis.

With the exception of the above three articles, all other foreign provisions, such as rice, lentils, beans, and other pulse known by the appellation of "Hashahesh" (dried vegetables), shall pay an import duty not exceeding 8 per cent., but the importer or his agent shall be free to sell such provisions in retail or in any other manner without the payment of any other charge whatsoever.

#### Article XV.

It is understood between the Contracting Parties that the Tunisian Government reserves to itself the faculty and right of issuing a general prohibition against the importation into the Regency of gunpowder, unless Her Majesty's Agent and Consul-General shall think fit to apply for a special license, which license shall, in that case, be granted, provided no valid objection thereto can be alleged.

Gunpowder, when allowed to be imported, shall be subject to a duty not exceeding 8 per cent., and shall be liable to the following regulations:—

1. It shall not be sold by subjects of Her Britannic Majesty in quantities exceeding the quantities prescribed by the local regulations.
2. When a cargo, or a large quantity of gunpowder arrives in a Tunisian port on board a British vessel, such vessel shall be anchored at a particular spot, to be designated by the local authorities, and the gunpowder shall then be conveyed, under the inspection of such authorities, to depôts or fitting places, designated by the Government, to which the parties interested shall have access under due regulations.

Gunpowder imported in contravention of the prohibition, or in the absence of the license aforementioned, shall be liable to confiscation, save and except small quantities of gun-

powder for sporting reserved for private use, which shall not be subject to the regulations of the present Article.

Cannon, arms of war, or military stores, as well as anchors, masts, and chain cables, shall be imported free of duty, provided they are landed at the opened and recognized ports; provided, also, that previous to the landing of cannon the permission of the Government is obtained.

#### Article XVI.

The people of the Contracting Parties shall have the right to establish in each other's country commercial, industrial, and banking companies, co-operative, or mutual or shareholding associations, or any other association, whether between and amongst themselves, or between them and Tunisian subjects or subjects of any other Power: Provided the object of such companies and associations be lawful, and subject always to the laws of the country in which they shall be established.

It is, however, understood that no joint stock companies limited, whose capital is made up of nominal shares to bearer, and no anonymous association shall be established in their respective territories without the authorization of the local Government.

#### Article XVII.

British subjects and Tunisian subjects shall be free to exercise in each other's country any art, profession, or industry; to establish manufactories, and factories, and to introduce steam machinery or machinery moved by any other power, without being subjected to any other formality or to the payment of higher or other taxes and imposts than those prescribed by the laws or municipal regulations, or which are paid by natives.

It is understood that the manufactories and their appurtenances, being immovable property, shall be subject to the provisions of the Convention of the 10th October 1863, relative to the permission granted to British subjects to hold real property in the Regency of Tunis.

#### Article XVIII.

No harbor, pilotage, lighthouse, or quarantine dues, or other local dues, shall be levied upon British vessels, which are not imposed upon Tunisian vessels or upon the vessels of the most favoured nation.

If a British vessel shall enter a Tunisian port from stress of weather and depart, it shall not be subject to the payment of the aforesaid dues, but shall pay only the fee to the pilot, should a pilot be required. Should such vessel, however, visit a Tunisian port for the purpose of procuring water and of purchasing provisions, it shall pay only a portion, not exceeding half, of the harbor, pilotage, lighthouse, and quarantine or other local dues payable at the said port.

In like manner Tunisian vessels which shall visit any of the ports of Her Majesty's dominions shall pay only the harbor, quarantine, and other dues which are levied upon British vessels.

#### Article XIX.

The captains of merchant vessels having goods on board destined for the Regency of Tunis shall, on their arrival at the port where such goods are to be landed, deposit in the Custom-house of such port a true copy of their manifest.

#### Article XX.

If a British subject be detected in smuggling into the regency any description of goods or should be detected in embarking any goods, the produce of Tunis, for which he can exhibit no Custom-house permit, such goods shall be confiscated by the Tunisian Treasury, but a report or *procès-verbal* of the alleged contraband must, as soon as the said goods are seized by the authorities, be drawn up and communicated to the British Consular authorities, and no goods can be confiscated as contraband unless the fraud with regard to them shall be duly and legally proved.

It is stipulated that vessels navigating under the British flag shall submit to the regulations of the port; that such vessels, spononars, boats, and the like craft shall not serve as depôts for merchandize; and that whenever their detention in the Tunisian ports shall exceed eight calendar months they shall, when required to do so, give satisfactory explanations to the British Consular authority and to the local authorities in regard to the motive for their detention in such ports. Should such explanations be deemed unsatisfactory, the Custom-house may, with the consent of Her Majesty's Agent and Consul-General, place a guard on board for the prevention of fraud, the expenses for such guard being at the charge of the vessel.

#### Article XXI.

Should British subjects desire to embark in, or discharge goods from any vessel, they can employ the Tunisian Custom-house boats, paying the usual charges for the use of such boats. They are free, however, to discharge their merchandize without using the Custom-house boats, in which case they will apprise the Administration of the Customs of it in writing, taking care to mention, on the arrival of each steamer or vessel having goods on board, to their consignment, that they will present themselves, or be represented by their agents, to assist at the discharge of said goods. In case of their absence, however, the Custom-house will proceed to discharge their goods, rendering itself responsible as heretofore, unless in a case of "force majeure." No sort of claim can be preferred by the consignee against the Custom-house on the plea that it had not the right to discharge his goods, seeing that the discharge is made with the sanction of the master of the vessel, and not with that of the Custom-house.

Every consignee who discharges his goods after making the demand in writing will provide himself with a Custom-house officer, who will accompany him to the vessel and return with him to the Custom-house. The fee to the Custom-house officer shall be paid by the merchant.

#### Article XXII.

Whenever the Tunisian Government shall temporarily prohibit the exportation of wheat, barley, cattle, or any other article of native produce, such prohibition shall not come into operation until three months after official notification shall have been given, and shall apply only to the specific article or articles mentioned in the Decree enacting the prohibition.

#### Article XXIII.

No British subject, nor any person under British protection shall, in the Regency of Tunis, be made liable to pay a debt due from another person of his nation unless he shall have made himself responsible or guarantee for the debtor by a valid document. Neither shall any British subject be compelled to sell anything to or to buy anything from a Tunisian without his own free will. The seller shall be obliged to deliver up to the purchaser only that portion of the goods which he voluntarily sold to him, and the purchaser shall have no claim or right upon the remaining portion of such goods or merchandize.

In like manner no Tunisian subject in the Dominions of the Queen of Great Britain shall be made liable to pay a debt due from another person of his nation to a British subject, unless he shall have made himself responsible or guarantee for the debtor by a valid document.

#### Article XXIV.

In all criminal cases and complaints where the prosecutor and prisoner are British subjects, and in all civil differences, disputes, or litigation which may occur between British subjects exclusively, the Agent and Consul-General, Consul, or other British authority, shall be sole judge or arbiter. No one shall interfere, but they shall be amenable to the British Consular Courts only.

All civil differences, disputes, or litigations between British subjects and the subjects of any foreign country other than Great Britain, shall be decided solely in the Tribunals of the foreign Consuls, according to the usages heretofore established or which may hereafter be arranged between such Consuls, without the interference of the Tunisian Courts or Government.

#### Article XXV.

Disputes and differences arising between a British and a Tunisian subject, whether the British subject is plaintiff or defendant, of a commercial or civil nature (criminal and correctional excepted), shall be settled by His Highness the Bey or his delegate, in the presence and with the concurrence of the British Consul-General or Consul.

It is likewise agreed that, should any new procedure differing from the above be adopted and applied at present or in future in the treatment of any other nation, the British subjects, without exception, shall be entitled to the enjoyment thereof whenever Her Majesty's Government shall request it.

It is, however, understood that if Mixed Courts should be at any time established in Tunis with the assent and approval of Her Majesty's Government, in that case all civil and commercial suits and pursuits arising between British and Tunisian subjects shall be heard and determined by such Mixed Courts and Tribunals, according to the rules and procedure that may be agreed upon between the Contracting Parties.

#### Article XXVI.

The cognizance of crimes committed by British subjects in the Tunisian territory, as well as all contraventions of the police, and other regulations, shall devolve upon the Consul-General or Consul; and the punishment thereof shall be applied by the said Consul-General or Consul, in concurrence with His Highness the Bey. In case the criminal or offender should escape from the consular, or other prison, the Consul-General or Consul shall not be held responsible in any manner whatsoever.

#### Article XXVII.

No quitance or receipt presented by a British subject to a Court, purporting to be a discharge of a debt which he has contracted towards a Tunisian subject, shall be held as a legal and a valid discharge, unless he can show that such quitance or receipt is under the handwriting, seal, or signature of the Tunisian subject, or duly executed by native notaries, and attested by the Cadi or the Governor of the place. And in like manner no quitance or receipt presented by a Tunisian subject, purporting to be a discharge of a debt which he has contracted towards a British subject, shall be held as a legal and valid discharge of his debt, unless he can show that such quitance or discharge is under the handwriting, signature, or mark of the British subject, duly attested by the Consul, or unless the discharge is drawn up by two notaries and attested by the British Consul.

#### Article XXVIII.

Should any Tunisian subject be found guilty before the Tunisian Courts of procuring false evidence to the injury or prejudice of a British subject, he shall be severely punished by the Tunisian Government. In like manner, the competent British Consular authorities shall severely punish, according to English law, any British subject who may be convicted of the same offence against a Tunisian subject.

#### Article XXIX.

If, at any time, Her Majesty's Agent and Consul-General, Consul, Vice-Consul, or Consular Agent, should require the assistance of soldiers, guards, armed boats, or other aid for the purpose of arresting or transporting any British subject, the Tunisian authorities shall immediately comply with the demand, on payment of the usual fees given on such occasions, by Tunisian subjects.

#### Article XXX.

If a ship belonging to the Queen of Great Britain, or to any of Her subjects, should be wrecked or stranded on any part of

the coast of the Regency of Tunis, the Tunisian authorities within whose jurisdiction the accident may occur shall, in accordance with the rules of friendship, respect her and assist her in all her wants. They shall allow and enable the master to take such steps as he may think necessary or desirable, and shall take immediate steps for the protection of her crew and of her cargo, and of any goods, papers, or other articles which may be saved from her at the time of the wreck or afterwards; and, moreover, they shall lose no time in informing the nearest British authority of the accident. They shall deliver over to him, without exception or loss, all the cargo, goods, papers, and articles which have been saved and preserved from the wreck, and they shall likewise furnish the master and the crew of the wrecked ship with such victuals and provisions as they may require, for which they shall receive payment. For their friendly aid and services in protecting, saving, preserving, and restoring to the British Consular authorities the goods and contents saved through their exertions from the wrecked vessel, or any portion thereof, they shall be entitled to such an amount of salvage as Her Majesty's Agent and Consul-General and the Chief Tunisian authority on the spot shall judge a fair compensation for their services. The master and crew shall be at liberty to proceed to any place they please, and at any time they may think proper, without any hindrance.

In like manner, the ships of His Highness the Bey, or of Tunisian subjects, shall be assisted and protected in the dominions of the Queen of Great Britain as though they were British ships, and shall be subject only to the same lawful charges of salvage to which British ships, under similar circumstances, are liable.

#### Article XXXI.

Should, however (which God forbid), the crew or any portion of the crew of a wrecked or stranded British vessel be murdered by the natives, or its cargo, or any part of its cargo or contents, be stolen by them, the Tunisian Government binds itself to take the most prompt and energetic measures for seizing the marauders or robbers, in order to proceed to their severe punishment. It, moreover, engages to make the most diligent search for the recovery and restitution of the stolen property; and whatever compensation for the damage done to individuals or to their effects, under similar circumstances, is granted, or may hereafter be granted to the subjects of the most favoured nation, or the equivalent of it, shall be also accorded to the subjects of the Queen of Great Britain.

#### Article XXXII.

It is agreed and covenanted that if any of the crew of Her Majesty's ships of war or of British merchant-vessels, of whatever nationality they may be, borne on the papers of said ships, shall desert within any port in the Regency of Tunis, the authorities of such port or territory shall be bound to give every assistance in their power for the apprehension of such deserters, on the application of the British authority. In like manner, if any of the crew of the ships of His Highness the Bey, or of Tunisian merchant-vessels, not being slaves, shall desert in any of the ports or harbors, within the dominions of Her Majesty the Queen of Great Britain, the authorities of such ports or harbour shall give every assistance in their power for the apprehension of such deserters on the application of the Commanding Officer, Captain, or any other Tunisian authority, and no person whatsoever shall protect or harbor such deserters.

#### Article XXXIII.

The ships of war belonging to Her Majesty the Queen, and the ships belonging to His Highness the Bey, shall have free liberty to use the ports of each country for washing, cleansing, and repairing any of their defects, and to buy for their use any sort of provisions alive or dead, or any other necessaries, at the market price, without paying custom to any officer.

And it is moreover agreed that, whenever any of Her Majesty's ships of war shall arrive in the Bay of Tunis, and shall fire a salute of twenty-one guns, the Castle of the Goletta, or the Tunisian ships of war, shall return the same number of guns as the Royal salute to Her Majesty's colors, according to ancient usage.

#### Article XXXIV.

The Government of the Queen of the United Kingdom of Great Britain and Ireland, in consideration of the sincere friendship that has at all times existed between Her Majesty and His Highness the Bey, agrees that Tunisian ships and cargoes shall be received at the ports and harbours of the British dominions upon the same footing as British vessels and cargoes.

#### Article XXXV.

British vessels arriving in any of the Tunisian ports for the purpose of trade or by reason of stress of weather, or to repair damages, shall not be compelled to discharge their cargoes or any portion of their cargoes, and they shall not be made to change their destination or to receive any passengers on board unless it be with their own free will, but they shall be respected, and they shall be allowed to depart without any hindrance. Should they be compelled to land their cargoes, or a portion thereof, in order to effect repairs, they shall also be permitted to re-embark such goods free of any duty or charge whatsoever.

Tunisian vessels shall receive the like friendly treatment in ports and harbours in the British dominions.

#### Article XXXVI.

If any British subject should die in any place or territory appertaining to His Highness the Bey, no Governor or other Tunisian officer shall, on any pretence whatsoever, take possession or dispose of, or interfere with the goods and property of the deceased, but such goods and property, of whatever

description, may be taken possession of by his heirs, or by the British Consular authority, without any hindrance or impediment whatsoever on the part of such Governor or Tunisian officer.

If, however, a British subject should die at a place where there is no British Consul, or whilst travelling, in such a case the Tunisian authorities of the place where he died shall be bound to preserve and protect his goods and effects: they shall make, with the assistance of notaries, a faithful inventory of them, which inventory they shall lose no time in sending to the nearest Governor of a place where an English Consul resides.

Should the deceased British subject leave behind him debts due from him to a native, the Consul-General or his deputy shall assist the creditor in the recovery of his claim upon the estate of the deceased; and, likewise, if the deceased should leave behind debts due to him from Tunisians, the Governor, or those who have such power, shall compel the debtors to pay what is due by them to the Consul-General, or his deputy, for the benefit of the estate of the deceased.

#### Article XXXVII.

The British Government and His Highness the Bey, moved by sentiments of humanity and having regard to the free institutions which, under Providence, their respective countries happily enjoy, mutually engage to do all in their power for the suppression of slavery. Whilst, on the one part, the British Government engage not to relax their efforts with friendly powers for the prevention of the barbarous traffic in human beings, and for the emancipation of slaves, His Highness the Bey especially engages, on the other, to cause the Declaration of Moharem, 1262 (23rd January 1846), abolishing for ever slavery in the Regency, to be obeyed and respected, and to use his utmost efforts to discover and punish all persons within his Regency who contravene or act contrary thereto.

#### Article XXXVIII.

The British Government and His Highness the Bey engage to do all in their power for the suppression of piracy; and His Highness especially engages to use his utmost efforts to discover and punish all persons on his coasts or within his territory who may be guilty of that crime, and to aid the British Government in so doing.

#### Article XXXIX.

Privateering is now and for ever abolished: His Highness the Bey being desirous to maintain inviolable the neutrality of the Regency of Tunis, it has been established and agreed that, in case of war or hostilities, he shall not permit the enemies of Her Majesty the Queen of Great Britain to fit out privateers in the ports of the Regency, or sail from them to prey upon the ships and commerce of her subjects; and it is moreover established that His Highness shall not permit or tolerate in the Regency of Tunis the sale of any prize whatsoever which shall have belonged or may belong to the belligerents.

The Queen of Great Britain will cause to be observed the same rules of neutrality towards Tunisian ships and subjects in all the seaports of Her Majesty's dominions.

#### Article XL.

In order that the two Contracting Parties may have the opportunity of hereafter treating and agreeing upon such other arrangements as may tend still further to the improvement of their mutual intercourse, and to the advancement of the interests of their respective people, it is agreed that at any time after the expiration of seven years from the date of the present Convention of Commerce and Navigation, either of the High Contracting Parties shall have the right to call upon the other to enter upon a revision of the same; but until such revision shall have been accomplished by common consent, and a new convention shall have been concluded and put into operation, the present Convention shall continue and remain in full force and effect.

#### Article XLI.

If any doubt should arise with regard to the interpretation or the application of any of the stipulations of the present Convention, it is agreed that in Tunis the interpretation the most favourable to British subjects shall be given, and in Her Majesty's dominions that most favourable to Tunisians. It is not pretended by any of the foregoing Articles to stipulate for more than the plain and fair construction of the terms employed, nor to preclude in any manner the Tunisian Government from the exercise of its rights of internal Administration where the exercise of those rights does not evidently infringe upon the privileges accorded by the present Convention to British subjects or British commerce.

#### Article XLII.

The stipulations of the present Convention shall come into immediate operation and shall be substituted for the stipulations of all preceding Treaties between Great Britain and Tunis, with the exception of the Convention of the 10th of October, 1833, already referred to in Article XVII. preceding, which is renewed and confirmed.

This Convention has been written in triplicate, consisting in forty-two Articles, besides the introduction, and contained in the preceding forty-three pages, to be signed by both parties, and to be executed in the manner explained and clearly set forth in its several provisions, having for object the duration, confirmation, and maintenance of amity between them.

Dated Monday, the sixteenth day of Gumad-el-Thany, 1292 of the Hegira, corresponding to the nineteenth of July, 1875.

## LIMITS AND BOUNDARIES OF PORTS IN VICTORIA.

## PROCLAMATION

By His Excellency SIR GEORGE FERGUSON BOWEN, Knight Grand Cross of the Most Distinguished Order of Saint Michael and Saint George, Governor and Commander-in-Chief in and over the Colony of Victoria and its Dependencies, and Vice-Admiral of the same, &c., &c., &c.

WHEREAS by *The Passengers, Harbors, and Navigation Statute 1865* it was amongst other things enacted that the Governor in Council might, by Proclamation published in the *Government Gazette*, from time to time define the limits and boundaries of ports in Victoria, and also in like manner alter, amend, or repeal any such limits and boundaries, and substitute others in their stead: Now therefore I, the Governor of Victoria, with the advice of the Executive Council, do hereby repeal the limits and boundaries of ports as heretofore proclaimed, and do hereby define the limits and boundaries of ports in Victoria in manner following, that is to say:—

## PORT PHILLIP.

The port of Port Phillip shall consist of all inlets, rivers, bays, and harbors within a line drawn from Point Lonsdale to Point Nepean, and not included in the ports of Melbourne and Geelong respectively.

## MELBOURNE.

The port of Melbourne shall consist of all inlets, rivers, bays, and harbors contained within a line drawn from the southernmost part of Gellibrand's Point to Point Ormond.

## GEELONG.

The port of Geelong shall consist of all inlets, rivers, bays, and harbors contained within Corio Bay, and contained within a line from Point Richards to Point Wilson.

## PORTLAND.

The port of Portland shall consist of all inlets, rivers, and bays contained within a line running due north from Point Danger to the opposite shore.

## BELFAST.

The port of Belfast shall consist of all inlets, rivers, and bays contained within a line running north-east from the eastern point of Rabbit Island to the opposite shore.

## WARRNAMBOOL.

The port of Warrnambool shall consist of all bays, rivers, and inlets contained within a line running from the outer end of the reef lying off Saddle Island to the entrance of the Hopkins River.

## WESTERN PORT.

The port of Western Port shall consist of all inlets, rivers, and bays contained within a line from Blackhead to Point Grant, and from Cape Woolamai to Point Griffiths.

## CORNER INLET.

The port of Corner Inlet shall consist of all inlets, rivers, and bays contained within a line from Entrance Point to north end of La Trobe Island, thence due north to the main land.

## PORT ALBERT.

The port of Port Albert shall consist of all inlets, rivers, and bays contained within a line from the easternmost part of Shallow Inlet to the south end of La Trobe Island, thence due north to the main land.

## RIVERS.

The word "rivers" in the foregoing definitions must be understood to include all rivers and streams navigable for vessels and boats from the mouth up to the point where by reason of any natural obstruction in the bed or stream, as for instance a bar or fall, or of the shallowness of the water, they cease to be so navigable. The encircling boundary of the above-mentioned ports, within the respective lines above mentioned, is intended in each case to be the coast up to high-water mark, except in those parts where any navigable river runs further inland.

NOTE.—The mouth of the Yarra is defined by a Proclamation of the Governor in Council dated 6th July 1874, by a line drawn from the end of the Railway Pier, Williamstown, north-west (magnetic bearing) to the Red Beacon Light at the entrance to the River Yarra; and from thence north three-quarters west (magnetic bearing) to a post on the north or Sandridge shore.

Given under my Hand and the Seal of the Colony, at Melbourne, this twenty-fifth day of January, in the year of our Lord One thousand eight hundred and seventy-six, and in the thirty-ninth year of Her Majesty's reign.

NOTICES TO MARINERS.—QUEENSLAND AND  
NEW SOUTH WALES.

TORRES STRAITS.

THE following information respecting dangers in Torres  
Straits and the Inner Route was obtained during the recent  
expedition to New Guinea, and is supplied by Captain Ed-  
wards of the *Chevert*.—

A shoal was found to the southwards of Poll Islet, with  
apparently 2½ or 3 fathoms water over it. From its western  
edge—

Poll Islet bore N. by E. ¼ E.  
Sandbank, S.E. ¼ E.

A coral reef, with sandbank upon it awash at or near low  
water, and nearly a mile in length N.W. and S.S.E., lies  
W.N.W. 2½ miles from the north end of Warrior Island.

The reef to the northwards of Warrior Island does not exist  
as shown on the charts. A narrow reef lies in the position of  
its eastern edge N. by E. and S. by W. 2½ miles long.

A small rock, nearly awash, was found in the following  
position, viz.:—

Lat. 9° 40' 20" S.  
142° 56' 40" E.

Also another rock, nearly awash, in—

Lat. 9° 38' 15" S.  
142° 57' 35" E.

A rocky shoal, upon which the *Chevert* touched while draw-  
ing 15 feet, extends some 2 miles south-westwards from the  
sandbank marked on the chart, in—

Lat. 9° 15' 40" S.  
Long. 143° 3' 30" E.

A series of coral reefs, dry at low water springs, and  
sunken banks, with channels between them, was found between  
this sandbank and the coast of New Guinea.

Casts of 7 and 4 fathoms were obtained upon a rocky shoal,  
the centre bearing N.E. ¼ N. from the dry sandbank to the  
north-eastward of Darnley Island, and lying in—

Lat. 9° 24' 40" S.  
Long. 143° 55' 20" E.

This foul ground extends for some 2 miles N.W. by N. and  
S.E. by S., but is less than a quarter of a mile in width.

To vessels entering the Straits from the eastward and  
making Bramble Cay late in the day, Captain Edwards recom-  
mends the anchorage under the Cay, in preference to standing  
on in the dark to anchor under Stephens Island, where the  
water is deeper and the bottom not so good.

Melanie Rock, eastward of the Pipon Islands, is about ½ mile  
in extent, and half-moon shaped. A good mark for clearing  
this danger when working down is to keep the peak of North  
Bay Point to the eastward, or outside of the peak near Cape  
Bowen, and marked on the chart as 1,662 feet in height.

NEW LIGHTS, SUGAR LOAF POINT.

"All Bearings are Magnetic."

Adverting to the notice issued from this office on the 11th  
August last: It is hereby notified that the range of the green  
or danger light on Sugar Loaf Point extends from south to  
S. 82 E. (or S.E. by E. ¼ E. nearly) to a distance of about three  
miles, including the Seal Rocks and adjacent dangers, with the  
exception of the Edith Breaker, which is considered out of the  
fairway, and from which the green light cannot be seen.

Ships standing towards or rounding Sugar Loaf Point are  
therefore cautioned against getting into the range of the  
green light.

#### REGULATIONS FOR A COMMON.

THE Governor in Council has approved of the subjoined Regulations for a Common.

D. GILLIES,

Commissioner of Crown Lands and Survey.

Lands and Survey Office,  
Melbourne, 24th January 1876.

#### REGULATIONS FOR THE MANAGEMENT OF THE GOLDFIELDS COMMONS, AND THE UNITED GOLDFIELDS COMMON OF LINTON, BROWNS, SPRINGDALLAH, HAPPY VALLEY, LUCKYWOMANS, AND ITALIAN GULLY, WITHIN THE MINING DISTRICT OF BALLARAT.

At a meeting of the Mining Board of the Mining District of Ballarat, begun and holden at Ballarat, in the said district, on the 20th day of December 1875, it is ordained by the said board as follows, that is to say:—

That the following regulations shall be deemed and taken to be the regulations for the management of the Goldfields Commons within the Mining District of Ballarat, and all persons entitled under *The Land Act 1869* to depasture cattle upon a goldfields common shall (subject to the conditions, restrictions, and limitations hereinafter set forth) be permitted to depasture cattle upon any such common.

1. Any holder of a miner's right or business license shall be permitted to depasture upon the goldfields common nearest to which he shall reside so many head of cattle, &c., as in the schedule hereto relating to such common is prescribed, on payment to the managers of such common therefor the fees prescribed in the scale of fees relating to such commons.

2. That it shall be lawful for the manager of any goldfields commons, when and so often as they shall deem fit, to grant to butchers, slaughtermen, dairymen, and others a special license, in accordance with the provisions of *The Land Act*, to depasture on said common any number of cattle not exceeding 30 head, and to charge for such special license a fee in accordance with the scale of fees relating to such common.

3. That it shall be lawful for the managers of any goldfields common, if they think fit so to do, to permit goats to be depastured upon such common, on payment of the fees prescribed in the scale of fees relating to such common; provided always that no one person shall be entitled to depasture more than four goats, unless a greater number be prescribed in the schedule relating to such common.

4. That no bulls or entire horses shall be depastured on any goldfields common without the sanction of the managers of said common; but the managers may, when and so often as they may please, grant special licenses for the depasturing of bulls and entire horses.

5. That all young cattle the progeny of cattle upon any goldfields common may, while under six (6) months old, be depastured on such common free of charge, but all such cattle over six (6) months shall be charged for at the rate prescribed in the scale of fees relating to such common; provided always that no young bulls nor entire colts over twelve months old shall be permitted to remain on any goldfields common without the express sanction of the managers thereof.

6. That the managers of a goldfields common shall be empowered to appoint some suitable person as herdsman, and such herdsman at any time to suspend, remove, or dismiss and to allow such herdsman such salary or remuneration from and out of the common fund, provided always that the salary of the herdsman shall be a charge upon the common fund only and not upon the managers personally, nor upon this board.

7. That it shall be lawful for the managers to impose upon the herdsman all such duties, obligations, responsibilities, and restrictions as shall be or appear to them necessary to secure to the commoners the full benefit of the common, and to invest him with all such powers as they themselves possess, and to bind such herdsman by such instrument in writing as to them shall appear necessary, and to take from such herdsman such security as shall to them appear necessary to insure the faithful discharge and exercise of the duties and powers vested in him.

8. That all fees collected by the managers of any goldfields common in respect of cattle, &c., depastured upon such common shall be by them paid to a fund to be called the common fund, and they may disburse such fund for the purposes of such common, but for no other purpose without the express sanction of this board.

9. That the managers of each goldfields common shall appoint certain times and places for the registering and branding of cattle, shall give due notice thereof, and shall by themselves or the herdsman attend at such times and places for the purposes aforesaid, and all persons desirous of depasturing cattle upon the common shall be in attendance with their cattle at the time and place appointed for the purpose of giving a full and correct description of such cattle and assisting to brand the same, and shall pay the prescribed fees for such cattle before the same shall be branded or registered, and the managers shall cause all cattle, &c., in respect of which the fees shall have been so paid to be registered in proper books to be by them kept for that purpose, and to be branded with the common brand.

10. That the fees for cattle depasturing upon any goldfields common shall be paid by the owners of such cattle half-yearly or quarterly in advance; that the quarters shall commence respectively upon the first Monday in the months of January, April, July, and October in each year; that the fee for the quarter then next ensuing shall be deemed to be due on the first Monday aforesaid, and any person neglecting to pay the said fees within fourteen days from and after the day on which the same shall have become so due shall be proceeded against by the managers according to law.

11. That all cattle, pigs, goats, or sheep found upon any goldfields common without the common brand shall be deemed to be trespassing thereon, and shall be forthwith impounded by the herdsman.

12. That no person will be permitted to remove any cattle from any goldfields common without having first given notice to, and obtained permission of, the managers or herdsman in charge of such common.

13. That the managers in charge of a goldfields common shall not be held responsible for any loss or injury of or to any cattle depasturing upon such common, but shall by their herdsman take every possible care of such cattle, and in the event of loss or injury shall give to the owners of such cattle every information and assistance.

14. That the managers shall cause to be removed from the common under their control all diseased cattle, or all cattle which may by a competent person be declared to be diseased, and dangerous to the health of the other stock on the common, and may require the owner thereof to keep such cattle off the common, and should the owner refuse or neglect so to do, the managers may cause such diseased cattle to be forthwith destroyed, and the owner of such cattle shall not be entitled to compensation therefor.

15. That it shall be lawful for persons travelling with cattle to encamp with such cattle upon any goldfields common for a space of twenty-four hours free of charge, but should such cattle remain upon the common after the expiration of the said twenty-four hours, they shall be deemed to be trespassing thereon, and shall be impounded accordingly: provided always that the managers may, if they think fit, grant permission for such cattle to remain upon the common on payment in advance being made to them or to the herdsman, of the fees following, that is to say:—For horses, threepence (3d.) per head per day; for horned cattle, one and a half penny (1½d.) per head per day.

16. The managers of any goldfields common may destroy any goats found upon the common under their control, unless such goats are branded with the common brand, and the fees for the depasturing of such goats be duly paid.

17. That any person who shall infringe any of these regulations, or who shall wilfully injure or destroy or unnecessarily disturb any cattle depasturing upon any goldfields common, shall be proceeded against by the managers of such common under the Land Act, and will be liable to be fined for the first offence £5, and for any subsequent offence £20.

18. That it shall be lawful for the managers of any goldfields common to frame and adopt rules (not inconsistent with these regulations or with any Act or bye-law relating to or affecting goldfields commons in this district) for fixing the times and places of their meetings, for regulating the proceedings at such meetings, and for regulating the conduct and defining the duties of their officers and servants; but no such rules framed or adopted by the managers shall in any way affect or interfere with the number of cattle to be depastured upon any such common, nor with the fees to be paid for depasturing such cattle thereon.
