THE following Notices to Mariners, received from the Superintendent, Marine Survey of India, are published for general information.

H. A. ATRINSON.

BAY OF BENGAL—COROMANDEL COAST, MADRAS.

Change in the Anchorage Limits of the Port.

THE Master Attendant of Madras has given notice that, owing to the extension of the harbor works into deep water, it has become necessary to shift the northern and southern port buoys into 8 fathoms of water. These buoys, which are painted half red and half white vertically, should henceforward be looked upon as danger buoys, and commanders of vessels making or leaving the anchorage are hereby warned not to pass in shore of either of these buoys by day, nor to come under 8 fathoms by night, as the rubble bases of both groins extend much further seaward than the walls themselves, and in some places have only 17 feet of water on them.

The middle, or large buoy, which is painted red, is laid down in 6½ fathoms, and marks the western limit of the anchorage for steamers.

All sailing vessels, excepting dhonies, should anchor outside the 8-fathom line of soundings.

RED SEA—HEDJAZ—ARABIAN COAST.

Intended discontinuance of Light at El-Weg (Sherm Wej-h).

THE Egyptian Government has given notice that the Quarantine Station at El-Weg having been removed to Tor, in the Gulf of Suez, the light exhibited on the south side of the entrance to El-Weg Harbor will be discontinued on the 1st October 1879.

BAY OF BENGAL—COAST OF ORISSA.

False Point Light. Interval of Blue Light and Rocket Signals.

WITH reference to this department notice to Mariners, No. 25, dated 19th June 1879, on the intended alteration in False Point light, it has now been decided to exhibit the blue lights and rockets at longer intervals than therein announced.

Notice is hereby given that, during the intended improvements, a blue light, immediately followed by a rocket, will be burnt from the upper part of the lighthouse every half-hour, from sunset to sunrise, commencing on the 1st November 1879, and so continuing for a period of three months from that date.

Further notice, with particulars of the new light, will be given in due course.
