And they pray as follow, viz. :-

"Your petitioners therefore pray that Your Excellency will be pleased to exercise the powers conferred upon Your Excellency by sub-section v. of section 19, and sub-section iii. of section 31 of *The Local Government Act 1874*, by severing from the Shire of Waranga the area above described, and annexing the same as a new subdivision to the Shire of Echuca, under the name of the South-Eastern Riding of the Shire of Echuca."

The person on whom, and the address at which, notices may be served on petitioners, is W. T. Webb, J.P., Rochester.

1. Tenders are required to be written on a form, printed copies of which may be had gratuitously on application at any post office in the colony, and may be forwarded (if by post, prepaid) addressed to the Honorable the Postmaster-General, with the words "Tender for the Conveyance of Mails" endorsed on the cover, or placed in the tender-box at the General Post Office.
  2. Tenders are requested to describe by their numbers as below the mail services for which they tender. Such numbers to be stated in the tender itself and endorsed on the cover enclosing the tender.

  4. Every tender must bear the *bonâ fide* signatures, and addresses of the tenderer and of two responsible persons willing to become bound for the fulfilment of the same in such sum as the Government may direct, not exceeding the gross amount of the contract.

NOTE.—The fee for eight months must accompany the tender.

TENDERS will be received by the Board of Land and Works up to Noon of Wednesday, 30th April 1879, for the occupation for Grazing purposes only of the following unappropriated portions of land, subject to the Regulations approved by the Governor in Council, and published in the *Government Gazette* of 11th February 1876, as under, and also the subjoined special conditions.

Every license granted under subdivision VII. of section 47 of *The Land Act 1869* shall be subject to the conditions set forth in the schedule hereto, and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized on that behalf.

#### SCHEDULE.

1. This license shall not be deemed to prevent the land comprised therein or any part or parts thereof from being sold, leased, or licensed under any of the provisions of parts I., II., or III. of *The Land Act 1869*, except subdivision VII. of the 47th section thereof, or proclaimed a common, or occupied by virtue of any miner's right or business license, or alienated or dealt with under the authority of *The Land Act 1869*, or any other Act now or hereafter to be in force, otherwise than for pastoral or depasturing purposes, or resumed by order of the Governor, acting by and with the advice of the Executive Council, for railways, roads, telegraph lines, dams, reservoirs, races, catchwater drains, pipe-tracks, quarries, or other public purposes; and no licensee shall in any such case be entitled to compensation other than the return of such portion of the fee paid by him as the Minister may think fit.
2. If the licensee, or any person claiming an interest through or under the licensee in the land comprised in this license, shall, at any time during the period for which the license has been issued, employ any person to apply for a license of an allotment under *The Land Act 1869*, contrary to the true intent of the provisions thereof, or shall make or cause to be made any agreement or contract, or shall give or take, or cause to be given or taken, any negotiable security for the purpose of defeating or evading the provisions of, or shall in any way whatsoever, directly or indirectly, commit or be privy to a fraud upon the said Act, this license shall be void.
3. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this license shall be deemed within the operations of this license.
4. This license entitles the holder thereof during the period therein specified to use the land in respect of which the same is granted for depasturing purposes only, and does not confer any right to build thereon, or to cultivate or fence any portion thereof; but if the holder thereof desire such use of the land

beyond such period, notice to that effect must be given by him to the Minister one month prior to expiry thereof.

5. The interest in this license may not be transferred without the consent of the Minister and payment of a fee of One pound (£1), and upon sanction of transfer thereof a new license will issue to the transferee.

6. No claim whatsoever shall be made or entertained by reason of this license not being renewed or transferred.

#### Special Conditions.

1. The period of occupation will be, in the first instance, from 1st May 1879 to 31st December 1879.
  2. The license fee must be paid every year in advance, if renewed. The fee for eight months—for which the first license will be issued—must accompany the tender or be paid by the successful tenderer or his agent immediately on the declaration of the acceptance of the tender, otherwise the offer of the next highest tenderer who may be prepared to comply with this condition may be accepted.
  3. Tenders to be for so much per block per annum separately.
