NEW SILVER AND BRONZE COIN.

BY direction of His Excellency the Governor, the subjoined letter from the Lords Commissioners of H.M. Treasury, dated the 12th February 1879, relative to the supply of new Silver and Bronze Coin, is published for general information.

W. COLLARD SMITH,
Treasurer.
Treasury,
Melbourne, 11th June 1879.

The Treasury to the Colonial Office.

(Copy.)—1846/79. Treasury Chambers,
12th February 1879.

SIR,—I am commanded by the Lords Commissioners of Her Majesty's Treasury to request you to call the attention of the Secretary of State to the correspondence* which passed between the Treasury and the Colonial Office in 1873, on a memorial from the banks of Melbourne, praying that token silver coins might be struck at the Melbourne Branch of the Royal Mint.

2. It will be in your recollection that my Lords at that time declared their readiness to entertain favorably suggestions for maintaining the silver coinage of the colony in good condition, adding that, while they considered it necessary in the interest of all concerned that tokens should be issued by the Imperial Government alone, they attached no value to the small amount of profit which the reservation of the right entailed.

3. My Lords have now received from the Master of the Mint a copy of a further memorial from the Associated Banks of Melbourne complaining that the token silver circulating in that colony is deficient in quality and quantity, and representing that the cost of obtaining fresh supplies must prevent the banks from undertaking that duty.

4. Under the regulations communicated to the Colonial Office on the 14th June 1871, token coins are supplied to Colonial Governments on payment of the full nominal value, and of all expenses connected with their shipment to the colony concerned. Up to the present time, the Colonial Governments generally have accepted the conditions thus laid down; and there can be no doubt that the state of the coinage in the colonies has materially improved.

5. But, on full consideration, my Lords have come to the conclusion that the application of the Banks at Melbourne is in itself reasonable, and in accordance, therefore, with the policy announced in their letter of 8th December 1873, above-mentioned, they have revised the Regulations of the 14th June 1871.

6. I am to forward you a copy of them as revised, and I am to ask that you will lay them before the Secretary of State. Sir Michael Hicks Beach will perceive that the Mint will from henceforth defray all expenses connected with the shipment of silver and bronze coin to the port in the colony agreed on between the Master of the Mint and the Agent of the colony in London, including packing, freight, insurance, and shipping charges.

7. This bronze coin is now for the first time included in the Regulations, and the colonies using Imperial token coin will, in all cases, be supplied with such amounts as they require on the mere payment of its nominal value.

8. I am to request that the Secretary of State, if he approves of the proposed arrangement, will cause copies of the amended Regulations to be sent to the Governors of all colonies using the Imperial system of coinage, and to the Agents of those Governments in London.

9. It will be observed that it is not necessary to require that application for supplies of coin should any longer be made to the Mint through the Colonial Office and the Treasury.

10. The petitioning banks request that the Branch Mint at Melbourne may be entrusted with a supply of silver coin for issue to the public. This is already the rule with respect to bronze coin, and my Lords have much pleasure in extending it to silver.

11. It will be desirable, therefore, that separate communications should be addressed to the Governors of New South Wales and Victoria, stating that, as there are branches of the Royal Mint at Sydney and Melbourne, the Deputy Masters at those places have been authorized to apply for consignments of new silver coin, to be held by them for issue to applicants, and have been instructed to give public notice, with the Governor's approval, of the conditions under which the coin be issued. The Deputy Masters will be instructed to comply with all demands for the coins in question, unless there should be any special reason for refusal, in which event they will take the pleasure of the Governors.

12. My Lords trust that the Secretary of State will point out to the Governors of the colonies affected by the Regulations that, as the conditions of supply have now been made so favorable, it is incumbent on them to secure that the silver coinage is kept in proper condition, by the systematic withdrawal of worn coin.

I am, &c.,
(Signed) WILLIAM LAW.

The Assistant Under Secretary of State
for the Colonies.

* (Colonial Office letter, dated 18th Sept. 1873. Treasury reply, dated 8th Decr. 1873.)

REGULATIONS FOR THE SUPPLY OF BRITISH SILVER AND BRONZE COINAGE TO THE COLONIES.

New silver and bronze coin (half-crowns, florins, shillings, sixpences, and threepences, and pence, halfpence, and farthings) can be supplied to Colonial Governments from the Royal Mint on the following conditions—

1. On receiving an application from the Agent of the Colonial Government in London, the Master of the Mint will cause to be packed, and held to his order, such an amount of silver or bronze coin as may be required on behalf of the colony.

2. The Master of the Mint will undertake the payment of all expenses, including packing, freight, insurance, and shipping charges, connected with the shipment of silver and bronze coin to the port in the colony agreed upon by the Master of the Mint and the Agent of the colony in London.

3. The Agent of the Colonial Government will be required to pay to the account of the Master of the Mint, at the Bank of England, on or before the delivery of the coin, the sum representing the nominal value of the new silver or bronze coin ordered.

4. The Colonial Government will be required to make such arrangements as may be deemed necessary for the withdrawal of worn silver coin from circulation, and to cause the coin so withdrawn to be forwarded to the Mint or one of its branches (at Sydney or Melbourne) for recoinage. The Master of the Mint will defray all expenses, including freight, insurance, and shipping charges, incurred in the transmission of worn coin to London, Sydney, or Melbourne, from a port of shipment to be agreed upon by the Master of the Mint, or the Deputy Master at Sydney or Melbourne, and the Agent of the colony.

5. The Imperial Government will pay to the Colonial Government, or its Agent, the nominal value of the worn coin so withdrawn from circulation, as soon as it is received at the Royal Mint or one of its branches.

SHIRE OF BENALLA AND PROPOSED NEW SHIRE OF EUROA.

IN pursuance of the provisions of *The Local Government Act 1874* (No. 506, § 46), the substance and prayer of a Petition, in accordance with the 44th section of the said Act, which has been presented to His Excellency the Governor in Council, are published, viz. :—

The petitioners are two hundred and seventy-six in number, and purport to be inhabitant householders having ratable property within the area described in the south-west riding of the Shire of Benalla, which area they desire to be severed and be constituted a new shire, to be called the "Shire of Euroa," the boundaries whereof are thus described, viz. :—

Commencing at a point on the Goulburn River, being the north-west corner of the parish of Kialla, thence easterly by the north boundaries of the parishes of Kialla, Caniambo and Gowangardie; thence south and east by the west and south sides of the parish of Upotipotpon to the parish of Warrenbayne; thence south by the west side of that parish to the south-west angle of allotment 66 of it; thence east by the southern boundaries of allotments 66, 67, 82, 83, 109, 108, and north of allotment 111; thence south by the east side of allotments 111, 112, 115, 116, 120 and 121 of the said parish of Warrenbayne; thence by a line bearing true south to the north boundary of the Shire of Mansfield; thence westerly and north-westerly by the boundaries of that shire and the shires of Alexandra and Goulburn to the Goulburn River; thence down that river to the commencing point.

The petitioners state that Benalla Shire contains about 2000 square miles, and that the area proposed to be severed is about 600 square miles; that the subdivisions of the shire meet in centre of the town of Benalla; and that the councillors repre-

senting the subdivisions reside at or near Benalla; that the expenditure on works has been very largely in the interest of the shire town to the neglect of the remote parts of the shire; that the road requirements of the proposed new shire are not identical with the interests of Benalla Shire. The petitioners further desire the said area to be subdivided into three ridings to be named the North, Central and South Ridings; and that the council shall consist of nine members; and they estimate the revenue of the proposed new shire at £1500 annually on a rate of One shilling in the pound on the annual value of the ratable property within such area, and they pray as follows:—

"Your petitioners therefore pray that your Excellency in Council may be pleased to make the following order, viz. :—To sever the area as shown on the plan (marked No. 1) accompanying the petition from the Shire of Benalla, and to constitute the area so severed into a new shire, to be called the Shire of Euroa, as hereinbefore described, and shown on plan No. 2, also accompanying the petition; and that the council of the said Shire of Euroa consist of nine members."

The petitioners desire that the new shire be subdivided into three ridings as, per plan No. 2, hereinbefore mentioned, viz. :—

THE NORTH RIDING,
THE CENTRAL RIDING,
THE SOUTH RIDING.

Every license granted under subdivision VII. of section 47 of *The Land Act* 1869 shall be subject to the conditions set forth in the schedule hereto, and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized on that behalf.

SCHEDULE.

1. This license shall not be deemed to prevent the land comprised therein or any part or parts thereof from being sold, leased, or licensed under any of the provisions of parts I., II., or III. of *The Land Act* 1869, except subdivision VII. of the 47th section thereof, or proclaimed a common, or occupied by virtue of any miner's right or business license, or alienated or dealt with under the authority of *The Land Act* 1869, or any other Act now or hereafter to be in force, otherwise than for pastoral or depasturing purposes, or resumed by order of the Governor, acting by and with the advice of the Executive Council, for railways, roads, telegraph lines, dams, reservoirs, races, catchwater drains, pipe-tracks, quarries, or other public purposes; and no licensee shall in any such case be entitled to compensation other than the return of such portion of the fee paid by him as the Minister may think fit.

2. If the licensee, or any person claiming an interest through or under the licensee in the land comprised in this license, shall, at any time during the period for which the license has been issued, employ any person to apply for a license of an allotment under *The Land Act* 1869, contrary to the true intent of the provisions thereof, or shall make or cause to be made any agreement or contract, or shall give or take, or cause to be given or taken, any negotiable security for the purpose of defeating or evading the provisions of, or shall in any way

whatsoever, directly or indirectly, commit or be privy to a fraud upon the said Act, this license shall be void.

3. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this license shall be deemed within the operations of this license.

4. This license entitles the holder thereof during the period therein specified to use the land in respect of which the same is granted for depasturing purposes only, and does not confer any right to build thereon, or to cultivate or fence any portion thereof; but if the holder thereof desire such use of the land beyond such period, notice to that effect must be given by him to the Minister one month prior to expiry thereof.

5. The interest in this license may not be transferred without the consent of the Minister and payment of a fee of One pound (£1), and upon sanction of transfer thereof a new license will issue to the transferee.

6. No claim whatsoever shall be made or entertained by reason of this license not being renewed or transferred.

Special Conditions.
