It will stand on an eminence about 70 feet high on the south side of Currie Harbor, in latitude 39° 56' 45" S., longitude 143° 51' E.

Light.—Is of the first order, dioptric, holophotal, revolving, with flashes every 12 seconds, viz., 5 flashes and eclipses alternately in a minute, and will illuminate an arc of 180°, viz., from New Year's Islands on the north to Point Cataraque on the south. The light is 150 feet above the sea level, and will be seen in ordinary weather at a distance of 17 or 18 miles.

WHEREAS by *The Passengers Harbors and Navigation Statute 1865* it was amongst other things enacted, that the Governor in Council, by proclamation published in the *Government Gazette*, might from time to time define the limits and boundaries of ports in Victoria, and frame rules and regulations for the governance and preservation of the said ports respectively, and for the regulation of shipping in the same; and also for the due protection and preservation, and the good government and management of all public wharfs; and might appoint officers to carry out and enforce such rules and regulations; and any such limits, boundaries, rules, and regulations might from time to time be in like manner altered, amended, or repealed, and others substituted in their stead: Now therefore I, the Governor of Victoria, with the advice of the Executive Council, do hereby frame the clause hereinafter numbered 3a as an additional Port and Harbor Regulation:—

Every license granted under subdivision VII. of section 47 of *The Land Act 1869* shall be subject to the conditions set forth in the schedule hereto, and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized on that behalf.

Schedule.

1. This license shall not be deemed to prevent the land comprised therein or any part or parts thereof from being sold, leased, or licensed under any of the provisions of parts I., II., or III. of *The Land Act 1869*, except subdivision VII. of the 47th section thereof, or proclaimed a common, or occupied by virtue of any miner's right or business license, or alienated or dealt with under the authority of *The Land Act 1869*, or any other Act now or hereafter to be in force, otherwise than for pastoral or depasturing purposes, or resumed by order of the Governor, acting by and with the advice of the Executive Council, for railways, roads, telegraph lines, dams, reservoirs, races, catchwater drains, pipe-tracks, quarries, or other public purposes; and no licensee shall in any such case be entitled to compensation other than the return of such portion of the fee paid by him as the Minister may think fit.

2. If the licensee, or any person claiming an interest through or under the license in the land comprised in this license, shall, at any time during the period for which the license has been issued, employ any person to apply for a license of an allotment under *The Land Act 1869*, contrary to the true intent of the provisions thereof, or shall make or cause to be made any agreement or contract, or shall give or take, or cause to be given or taken, any negotiable security for the purpose of defeating or evading the provisions of, or shall in any way whatsoever, directly or indirectly, commit or be privy to a fraud upon the said Act, this license shall be void.

3. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this license shall be deemed within the operations of this license.

4. This license entitles the holder thereof during the period therein specified to use the land in respect of which the same is granted for depasturing purposes only, and does not confer any right to build thereon, or to cultivate or fence any portion thereof; but if the holder thereof desire such use of the land beyond such period, notice to that effect must be given by him to the Minister one month prior to expiry thereof.

5. The interest in this license may not be transferred without the consent of the Minister and payment of a fee of One pound (£1), and upon sanction of transfer thereof a new license will issue to the transferee.

6. No claim whatsoever shall be made or entertained by reason of this license not being renewed or transferred.

Special Conditions.

1. The period of occupation will be, in the first instance, from 1st November 1879 to 31st December 1879.

2. The license fee must be paid every year in advance, if renewed. The fee for two months—for which the first license

will be issued—must accompany the tender or be paid by the successful tenderer or his agent immediately on the declaration of the acceptance of the tender, otherwise the offer of the next highest tenderer who may be prepared to comply with this condition may be accepted.

3. Tenders to be for so much per block per annum separately.

No. 3199 FRANCIS CRAWFORD, Sheriff's Officer.

To JOHN WOOD GEESON, formerly of Bottesford, in the county of Leicester in England, but last heard of at the "Lead Mines, Melbourne," in the colony of Victoria.

TAKE notice that on the 5th day of April 1879 an order was made in the Chancery division of the High Court of Justice in England in a certain action of Benjamin Cort Ogden and others, plaintiffs, and the Stamford, Spalding, and Boston Banking Company and others, defendants, 1878 O. No. 61, whereby it was ordered that an inquiry be made who were the persons interested in the hereditaments in the plaintiffs' statement of claim in that action mentioned, and in what shares and proportions and for what estates and interests, and whether they were parties to the said action; and if it should be certified that all the persons interested in the said hereditaments were parties to the said actions, and that the plaintiffs were interested to the extent of one moiety or upwards in the said hereditaments, it was ordered that the said hereditaments should be sold with the approbation of the judge, and that the money to arise from such sale to be paid into court to the credit of "Ogden v. The Stamford, Spalding, and Boston Banking Company, 1878 O. No. 61, proceeds of sale of real estate devised by the will of Augustin Pridmore deceased to Ann Geeson for life, with remainder to her children." But if it should appear that any of the persons interested were not parties to the said action, then it was ordered that any of the parties interested collectively or individually to the extent of one moiety or upwards in the said hereditaments were to be at liberty, when it should have been certified that the persons who ought to be served with notice of the said judgment had been so served, to apply to the judge, at chambers, for a sale of the said hereditaments. And also take notice that on the same day another order was made in the same division of the said court in a certain other action of Benjamin Cort Ogden and others, plaintiffs, and the Stamford, Spalding, and Boston Banking Company and others, defendants, 1878 O. No. 62, whereby it was ordered that an inquiry be made who were the persons interested in the hereditaments in the statement of claim in that action mentioned, and in what shares and proportions, and for what estates and interests, and whether they were parties to the said action; and if it should be certified that all the persons interested in the said hereditaments were parties to the said action, and that the plaintiffs were interested to the extent of one moiety or upwards in the hereditaments, it was ordered that the said hereditaments should be sold with the approbation of the judge, and that the money to arise from such sale be paid into court to the credit of "Ogden v. The Stamford, Spalding, and Boston Banking Company, 1878 O. No. 62, proceeds of sale of messuage and land in the parish of Spalding devised by the will of Augustin Pridmore deceased." But if it should appear that any of the persons interested were not parties to the said action, then it was ordered that any of the persons interested collectively or individually to the extent of one moiety or upwards in the said hereditaments should be at liberty, when it should have been certified that the persons who ought to be served with notice of the said judgment had been so served, to apply to the judge, at chambers, for a sale of the said hereditaments.

And also take notice that by an order of the same division dated the 6th day of August 1879 it was ordered that service of the said orders, both dated the 5th day of April 1879, by inserting this notice thereof three times in the "Victoria Gazette" and three times in the "Melbourne Argus" newspapers, should be deemed good service upon you of the said orders.
