DISTRICTS WHERE PUBLICANS' LICENSES MAY BE SPECIALLY GRANTED.

PROCLAMATION

By His Excellency The Most Honorable George Augustus Constantine, Marquis of Normanby, Earl of Mulgrave, Viscount Normanby, and Baron Mulgrave of Mulgrave, all in the County of York, in the Peerage of the United Kingdom; and Baron Mulgrave of New Ross, in the County of Wexford, in the Peerage of Ireland; a Member of Her Majesty's Most Honorable Privy Council; Knight Grand Cross of the Most Distinguished Order of Saint Michael and Saint George, Governor and Commander in Chief in and over the Colony of Victoria and its Dependencies, &c., &c., &c.

WHEREAS by *The Licensing Act 1876* (No. 506, section 44) it was amongst other things enacted that notwithstanding the provisions thereinbefore contained it should be lawful for the Governor in Council from time to time to proclaim any place or district a place or district where, owing to a sudden increase of population or otherwise, the necessity for the immediate grant of publicans' licenses exists, to be a place or district wherein publicans' licenses might be specially granted, and from time to time to revoke any such proclamation: Now therefore I, the Governor of Victoria, with the advice of the Executive Council, do hereby proclaim the localities hereinafter mentioned to be districts where publicans' licenses may be specially granted under the provisions of the 44th section of the said Act, that is to say:—

By His Excellency's Command,

JOHN MADDEN,

GOD SAVE THE QUEEN!

POLLING-PLACE FOR THE ELECTORAL DISTRICT OF OVENS.

At the Executive Council Chamber, Melbourne, the fourteenth day of June 1880.

PRESENT :

His Excellency the Governor.

Mr. Service	Mr. Ramsay
Mr. Anderson	Dr. Madden.
Mr. Kerferd	

IN pursuance of the provisions contained in the 73rd section of *The Electoral Act 1865*, His Excellency the Governor, with the advice of the Executive Council, doth by this present Order appoint

DRY CREEK (within the division)

to be a Polling-place for the Wodonga division of the Electoral District of Ovens.

And the Honorable Robert Ramsay, Her Majesty's Chief Secretary for Victoria, shall give the necessary directions herein accordingly.

ROB. WADSWORTH,
Clerk of the Executive Council.

SHIRES OF BENALLA AND SHEPPARTON.

TRANSFER OF AREA.

IN pursuance of the provisions of *The Local Government Act 1874* (No. 506, § 46), the substance and prayer of a petition in accordance with the 39th and 44th sections of the said Act, which has been presented to His Excellency the Governor, are published, viz.:-

The petitioners are one hundred and nine in number, and purport to constitute a majority of the ratepayers in the portion of the Shire of Benalla, which is described in their petition, and they desire that the area so described may be severed from the Shire of Benalla, and attached to that of Shepparton.

Area described in the petition :-

"Commencing at the north-east corner of the parish of Pine Lodge, in the county of Moira; thence south by the eastern boundary of the last-named parish to its south-east corner, being a point on the Broken River; thence westerly down the said river to the present south-east corner of the Shire of Shepparton; thence northerly by the boundary of the last-named shire to M. Conway's selection, in the parish of Congupna; thence east by the southern boundary of the last-named parish and the northern boundary of the parish of Pine Lodge to the commencing point."

Petitioners state that they are convinced that it will be greatly to their advantage to become connected with the recently established Shire of Shepparton, inasmuch as they have no interests in common with the people of Benalla or the district connected therewith, their business and other relations being hitherto with Shepparton, which is so much nearer and more accessible to them; and, in consequence of the construction of the railway to Shepparton, your petitioners' interests have become, if possible, more identified than previously with the said township, although even before and independently of such railway construction your petitioners have from geographical and commercial considerations been necessarily connected with the district and people now comprised in the Shire of Shepparton, while almost alien to the people and district comprised in the Shire of Benalla.

That your petitioners have been awaiting the proclamation of the said Shire of Shepparton, with the intention of petitioning for the severance and annexation now prayed for, and they have taken the earliest opportunity of presenting their petition in that behalf.

"Your petitioners therefore pray that Your Excellency in Council may be pleased to exercise the powers conferred on you by sub-section 5 of section 19 of *The Local Government Act 1874*, by severing the above area from the shire of Benalla, and attaching the same to the Shire of Shepparton."

Notices intended to be served on petitioners may be served on Mr. James M. Nickinson, Shire Secretary, Shepparton, or posted to the said address.

THOS. BENT,
Commissioner of Public Works.

TENDERS FOR GRAZING LANDS.

NOTE.—The full fee for six months must accompany the tender.

TENDERS will be received by the Board of Land and Works up to Noon of Wednesday, 30th June 1880, for the occupation for Grazing purposes only of the following unappropriated portions of land, subject to the Regulations approved by the Governor in Council, and published in the *Government Gazette* of 11th February 1876, as under, and also the subjoined special conditions.

Every license granted under subdivision VII. of section 47 of *The Land Act 1869* shall be subject to the conditions set forth in the schedule hereto, and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized on that behalf.

Schedule.

1. This license shall not be deemed to prevent the land comprised therein or any part or parts thereof from being sold, leased, or licensed under any of the provisions of parts I., II., or III. of *The Land Act 1869*, except subdivision VII. of the 47th section thereof, or proclaimed a common, or occupied by virtue of any miner's right or business license, or alienated or dealt with under the authority of *The Land Act 1869*, or any other Act now or hereafter to be in force, otherwise than for pastoral or depasturing purposes, or resumed by order of the Governor, acting by and with the advice of the Executive Council, for railways, roads, telegraph lines, dams, reservoirs, races, catchwater drains, pipe-tracks, quarries, or other public purposes; and no licensee shall in any such case be entitled to compensation other than the return of such portion of the fee paid by him as the Minister may think fit.

2. If the licensee, or any person claiming an interest through or under the licensee in the land comprised in this license, shall, at any time during the period for which the license has been issued, employ any person to apply for a license of an allotment under *The Land Act 1869*, contrary to the true intent of the provisions thereof, or shall make or cause to be made any agreement or contract, or shall give or take, or cause to be given or taken, any negotiable security for the purpose of defeating or evading the provisions of, or shall in any way whatsoever, directly, or indirectly, commit or be privy to a fraud upon the said Act, this license shall be void.

3. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this license shall be deemed within the operations of this license.

4. This license entitles the holder thereof during the period therein specified to use the land in respect of which the same is granted for depasturing purposes only, and does not confer any right to build thereon, or to cultivate, or fence any portion thereof; but if the holder thereof desire such use of the land beyond such period, notice to that effect must be given by him to the Minister one month prior to expiry thereof.

5. The interest in this license may not be transferred without the consent of the Minister and payment of a fee of One pound (£1), and upon sanction of transfer thereof a new license will issue to the transferee.

6. No claim whatsoever shall be made or entertained by reason of this license not being renewed or transferred.

Special Conditions.

1. The period of occupation will be, in the first instance, from 1st July 1880 to 31st December 1880.

2. The license fee must be paid every year in advance, if renewed. The fee for six months—for which the first license will be issued—must accompany the tender or be paid by the successful tenderer or his agent immediately on the declaration of the acceptance of the tender, otherwise the offer of the next highest tenderer who may be prepared to comply with this condition may be accepted.

3. Tenders to be for so much per block per annum separately.

4. Tenders to be endorsed "Tender for Block 5," or "13," or "19," &c., as the case may be.

5. The highest or any tender not necessarily accepted.

6. Tenderers must give their full name and ordinary postal address.

7. The areas are in all cases given as more or less, and all appropriated, alienated, or licensed land (if any) within the boundaries is excluded.

Every license granted under subdivision vii. of section 47 of *The Land Act 1869* shall be subject to the conditions set forth in the schedule hereto, and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized on that behalf.

Schedule.

1. This license shall not be deemed to prevent the land comprised therein or any part or parts thereof from being sold, leased, or licensed under any of the provisions of parts I., II., or III. of *The Land Act 1869*, except subdivision vii. of the 47th section thereof, or proclaimed a common, or occupied by virtue of any miner's right or business license, or alienated or dealt with under the authority of *The Land Act 1869*, or any other Act now or hereafter to be in force, otherwise than for pastoral or depasturing purposes, or resumed by order of the Governor, acting by and with the advice of the Executive Council, for railways, roads, telegraph lines, dams, reservoirs, races, catchwater drains, pipe-tracks, quarries, or other public purposes; and no licensee shall in any such case be entitled to compensation other than the return of such portion of the fee paid by him as the Minister may think fit.

2. If the licensee, or any person claiming an interest through or under the licensee in the land comprised in this license, shall, at any time during the period for which the license has been issued, employ any person to apply for a license of an allotment under *The Land Act 1869*, contrary to the true intent of the provisions thereof, or shall make or cause to be made any agreement or contract, or shall give or take, or cause to be given or taken, any negotiable security for the purpose of defeating or evading the provisions of, or shall in any way whatsoever, directly, or indirectly, commit or be privy to a fraud upon the said Act, this license shall be void.

3. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this license shall be deemed within the operations of this license.

4. This license entitles the holder thereof during the period therein specified to use the land in respect of which the same is granted for depasturing purposes only, and does not confer any right to build thereon, or to cultivate, or fence any portion thereof; but if the holder thereof desire such use of the land beyond such period, notice to that effect must be given by him to the Minister one month prior to expiry thereof.

5. The interest in this license may not be transferred without the consent of the Minister and payment of a fee of One pound (£1), and upon sanction of transfer thereof a new license will issue to the transferee.

6. No claim whatsoever shall be made or entertained by reason of this license not being renewed or transferred.
