NAVAL CADETSHIPS.

THE Governor has directed the subjoined Despatch and Enclosure to be published for general information.

By His Excellency's command,

BRYAN O'LOGHLEN,
Treasurer.

Treasury,
Melbourne, 27th March 1882.

[Circular.]

Downing street, 20th January 1882.

SIR,—I have the honor to transmit to you, for information in the colony under your government, copies of revised Regulations respecting the examination and entry of Naval Cadets, which will come into force for the examination taking place in June next.

I have been requested by the Lords Commissioners of the Admiralty to call attention to the alteration made in Paragraph 9, whereby Colonial Cadets will in future be required to obtain five-tenths of the marks in arithmetic, instead of four-tenths, as heretofore.

I have, &c.,
KIMBERLEY.

The Officer Administering the
Government of Victoria.

REGULATIONS RESPECTING NAVAL CADETS.

For the Information of Candidates.

1. Appointments to naval cadetships will be made by limited competition, with the undermentioned exceptions:—

Four cadetships given annually to sons of gentlemen in the colonies, on the recommendation of the Secretary of State for the Colonies.

Service cadetships, the total number of which is not to exceed five in any one year. Service cadets will be selected by the Board of Admiralty from the sons of officers of the Army, Navy, or Marines who have been killed in action, or who have been lost at sea on active service, or killed on duty, or who have died of wounds received in action or injuries received on duty within six months from the date of such action or injury.

Applications for Service Cadetships should be addressed to the Military Secretary, Horse Guards, if the candidate is the son of an officer of the Army; to the Secretary of the Admiralty, if the candidate is the son of an officer of the Navy or Marines; and to the Military Secretary, India Office, if the candidate is the son of an officer of the Indian Army.

Colonial and Service Cadets will be entered on passing the test examination specified in paragraph 8, and will in all other respects be subject to these Regulations.

The examination of candidates nominated to compete, and also of Service Cadets, will be conducted by the Civil Service Commissioners. A fee of ten shillings will be required from each candidate.

2. Except in special circumstances not more than one-third of the number of candidates actually presenting themselves for examination at the Royal Naval College will be entered.

3. Nominations for Naval Cadetships will take place half-yearly as soon as convenient after the report of the last examination has been received.

4. Examinations of the young gentlemen who have obtained nominations will be held at the Royal Naval College, Greenwich, commencing on the second Wednesday in June and the last Wednesday in November in each year, and the appointments will date from the 15th July and 15th January following respectively.

5. No candidate will be eligible for examination in June whose age will not be within the following limits on the 15th July following, viz., not less than twelve nor more than thirteen and a half years of age, nor in November whose age will not be within those limits on the 15th January following.

6. Every candidate must be in good health, and free from any physical defect of body, impediment of speech, defect of sight or hearing, and also from any predisposition to constitutional or hereditary disease or weakness of any kind, and in all respects well developed and active in proportion to his age. Before being examined at the Royal Naval College, Greenwich, he will be required to pass the medical examination according to the prescribed regulations, and must have been found physically fit for the Navy; rejection at such examination will finally exclude him from the Navy.

7. The candidate will be required to produce (1) a certificate of the date of his birth,* or a declaration thereof made before a magistrate; (2) a certificate of good conduct from the masters of the school or schools at which he may have been educated during the two previous years, or, if educated at home, from his tutor or the clergyman of the parish in which he resides; and (3) a certificate of good health.

8. The candidates will be tested by examination in the following subjects:—

	Marks.
(1.) Arithmetic: including proportion, vulgar and decimal fractions	250
(2.) Algebra: including fractions and simple equations of one unknown quantity	175
(3.) Geometry: definitions, postulates, axioms, and subjects of the first twenty-six propositions of Euclid's Elements	175
(4.) English: writing from dictation with intelligence, and parsing easy sentences	100
(5.) French: translating, by aid of a dictionary, French into English, and English into French; reading, parsing, and speaking	200
(6.) Scripture history	100

Candidates will be further examined in any two of the following subjects they may select:—

Elementary mathematics: Miscellaneous questions in arithmetic, algebra (including quadratic equations), and geometry to the end of the first book of Euclid's Elements	300
Latin: Reading, parsing, and translating, by aid of a dictionary, Latin into English, and English into Latin	300
Geography and English History	300

The final order of merit will be determined by the sum of the marks obtained in the test, as well as in the further examination.

In arithmetic the candidate will be required to obtain five-tenths, and in each of the other subjects of the test examination four-tenths of the marks allotted thereto.

9. Colonial and Service Cadets will be appointed on passing the test examination; they must, however, obtain 600 marks in the aggregate; as well as five-tenths in arithmetic and four-tenths in each of the other subjects.

10. A candidate who passes the test examination, but does not succeed in the competition, will be entitled to compete at the next examination, provided he is within the regulations as to limits of age at that time. No candidate will be allowed to compete more than twice. A candidate who fails to pass the test will not be entitled to another trial, but he will be allowed to compete at the next examination if he receives a fresh nomination and is still within the limits of age.

11. A candidate who, owing to illness, fails to appear at the examination for which he has obtained his nomination may receive a second nomination, provided he is still within the limits of age.

12. For all Cadets entered under these regulations, the payment will be at the rate of £70 per annum for the period in the *Britannia*, to be paid half-yearly in advance to the Accountant-General of the Navy. But the Lords Commissioners of the Admiralty reserve the power of selecting, from among the Cadets entered at each half-yearly examination, a number, not to exceed 10, being sons of Officers of the Navy, Army, or Marines, or of Civil Officers under the Board of Admiralty, with respect to whom the annual payment will be £40 only. In this selection their Lordships will have regard solely to the pecuniary circumstances of the Cadets.

13. The period of training on board the *Britannia* will be four terms; there will be two terms in each year. The first term of each year will be from February to July, the second from September to December.

The vacations will be five weeks at Christmas, two weeks at Easter, and six weeks at Midsummer.

14. There will be examinations in Seamanship and Study at the end of each term.

Cadets who pass unsatisfactory examinations, or who are reported for unsatisfactory conduct, will be "warned," and they will be liable to be discharged at the end of the following or any subsequent term, should they again be reported as failing to attain the proper number of marks at the examinations, or for unsatisfactory conduct.

If a Cadet is reported for unsatisfactory conduct during his final term he will be discharged without being allowed to present himself at the examination for passing out of the *Britannia*.

Any Cadet who shall appear to their Lordships for any reason to be unfit for the Service will be removed from the *Britannia*.

15. It is to be distinctly understood that the period of training on board the *Britannia* is a time of probation, and the parent or guardian of every Cadet will be required to sign a declaration (on the admission of the Cadet to the *Britannia*) to the effect that he shall be immediately withdrawn on the receipt of an official intimation of his being considered unfit for the Navy.

16. Cadets will, on passing out of the *Britannia*, rank according to the amount of sea time they obtain at their final examination, and those who obtain equal amounts of sea time will rank in the order of merit in which they pass out of the *Britannia*.

17. The parent or guardian of every Cadet will be required to provide outfit under the regulations in force.

18. Pay and pocket-money will not be allowed by Government to Cadets entered in and after June 1881.

By command of their Lordships,

E. N. SWAINSON.

Admiralty, 3rd January 1882.

* A Certificate of Baptism will not be accepted.

ORDER OF THE SHIRE COUNCIL CONFIRMED.

THE Minister of the Crown administering *The Local Government Act 1874* (38 Vict. No. 506), on the thirty-first day of March 1882, confirmed the Order hereinafter referred to, in pursuance of the 358 section of the said Act, viz. :-

Order of the Council of the Shire of Mount Rouse, made on the eighth day of March 1882 for opening a new road in the parishes of Caramut and Nareeb Nareeb, as described in notice published in the *Government Gazette* of 17th June 1881.

SHIRE OF RUTHERGLEN.

PROPOSED RE-SUBDIVISION.

IN pursuance of the provisions of *The Local Government Act 1874* (No. 506, § 46) the substance and prayer of a petition, in accordance with the 44th section of the said Act, which has been presented to His Excellency the Governor in Council, are published, viz. :-

The petitioners purport to be one-fourth of the persons whose names are for the time being on the municipal roll of the Shire of Rutherglen, and state that they are desirous that the said municipal district shall consist of four ridings, the present South Riding being subdivided into two.

The ridings to be named as follows :-

East Riding
West Riding
Central Riding
South Riding.

Petitioners state that the area and revenue of the South Riding is greater than the area and revenue of the East and West Ridings combined, the voting power in the Council is unequal and unfair to the South Riding, and the expenditure of its revenue is not justly dealt with.

They therefore pray "that the shire may be re-subdivided into four ridings."

Notices for the petitioners may be addressed to Mr. Robert McPherson, Springhurst.

CHARLES YOUNG,
Commissioner of Public Works.

TENDERS FOR GRAZING LANDS.

NOTE.—The fee for eight months must accompany the tender.

TENDERS will be received by the Board of Land and Works up to Noon of Monday, 1st May 1882, for the occupation for Grazing purposes only of the following unappropriated portions of land, subject to the Regulations approved by the Governor in Council, and published in the *Government Gazette* of 11th February 1876, as under, and also the subjoined special conditions.

Every license granted under subdivision vii. of section 47 of *The Land Act 1869* shall be subject to the conditions set forth in the schedule hereto, and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

Schedule.

1. This license shall not be deemed to prevent the land comprised therein or any part or parts thereof from being sold, leased, or licensed under any of the provisions of parts i., ii., or iii. of *The Land Act 1869*, except subdivision vii. of the 47th section thereof, or proclaimed a common, or occupied by virtue of any miner's right or business license, or alienated or dealt with under the authority of *The Land Act 1869*, or any other Act now or hereafter to be in force, otherwise than for pastoral or depasturing purposes, or resumed by order of the Governor, acting by and with the advice of the Executive Council, for railways, roads, telegraph lines, dams, reservoirs, races, catchwater drains, pipe-tracks, quarries, or other public purposes; and no licensee shall in any such case be entitled to compensation other than the return of such portion of the fee paid by him as the Minister may think fit.

2. If the licensee, or any person claiming an interest through or under the licensee in the land comprised in this license, shall, at any time during the period for which the license has been issued, employ any person to apply for a license of an allotment under *The Land Act 1869*, contrary to the true intent of the provisions thereof, or shall make or cause to be made any agreement or contract, or shall give or take, or cause to be given or taken, any negotiable security for the purpose of defeating or evading the provisions of, or shall in any way whatsoever, directly or indirectly, commit or be privy to a fraud upon the said Act, this license shall be void.

3. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this license shall be deemed within the operations of this license.

4. This license entitles the holder thereof during the period therein specified to use the land in respect of which the same is granted for depasturing purposes only, and does not confer any right to build thereon, or to cultivate, or fence any portion thereof; but if the holder thereof desire such use of the land beyond such period, notice to that effect must be given by him to the Minister one month prior to expiry thereof.

5. The interest in this license may not be transferred without the consent of the Minister and payment of a fee of One pound (£1), and upon sanction of transfer thereof a new license will issue to the transferee.

6. No claim whatsoever shall be made or entertained by reason of this license not being renewed or transferred.

Special Conditions.

1. The period of occupation will be from 1st May 1882 to 31st December 1882.

2. The license fee must be paid in advance. The fee for eight months—for which the license will be issued—must accompany the tender, or be paid by the successful tenderer or his agent immediately on the declaration of the acceptance of the tender, otherwise the offer of the next highest tenderer who may be prepared to comply with this condition may be accepted.

3. Tenders to be for so much per block per annum separately.

4. Tenders to be endorsed "Tender for Block 66," or "141," &c., as the case may be.

5. The highest or any tender not necessarily accepted.
