DECLARATIONS BETWEEN THE BRITISH AND FRENCH GOVERNMENTS RELATIVE TO COMMERCIAL TREATIES.

THE Governor has directed the subjoined Declarations, received from the Right Honorable the Secretary of State, to be published for general information.

By His Excellency's Command,
J. M. GRANT,
Chief Secretary.

Chief Secretary's Office,
Melbourne, 28th April 1882.

DECLARATION BETWEEN THE BRITISH AND FRENCH GOVERNMENTS PROLONGING TO THE 8TH OF FEBRUARY 1882 THE COMMERCIAL TREATIES BETWEEN GREAT BRITAIN AND FRANCE.

Signed at Paris 21st September 1881.

THE Government of Her Britannic Majesty and the Government of the French Republic, animated by an equal and sincere desire of arriving at the conclusion of a Commercial Convention;

Considering that the negotiations, commenced in London on the 26th May last, have resulted in determining the points on which it was proper to establish a preliminary understanding;

Considering that the correspondence exchanged during the last three months between the two Governments leaves no doubt as to the possibility of concluding, in the course of the present negotiations, Treaties of Commerce and of Navigation equally satisfactory to the two countries;

Considering that it is of the highest importance to put an end forthwith to the state of uncertainty in which the commerce of Great Britain and France is situated as to the system to which the commercial and maritime relations of the two countries will be subjected at the expiration of the existing Treaties;

Agree to prolong for a further period of three months, that is to say, from the 8th November next to the 8th February 1882, the Treaties of Commerce and Navigation in force between Great Britain and France.

The benefit of this prolongation will apply to the Conventional Acts hereinafter enumerated, that is to say:—

1. Treaty of Commerce of the 23rd January 1860;
2. Additional Article of the 25th February 1860;
3. Second Additional of the 27th June 1860;

6. Treaty of Commerce and Navigation of the 23rd July 1873;
7. Supplementary Convention of the 24th January 1874;
8. Declaration of the 24th January 1874.

In witness whereof, the undersigned, acting in the name of their respective Governments, have drawn up the present Declaration, and have affixed thereto the seal of their arms.

Done in duplicate, at Paris, the 21st day of September 1881.

(L.S.) B. ST. HILAIRE.

Le Gouvernement de Sa Majesté Britannique et le Gouvernement de la République Française, animés d'un égal et sincère désir d'arriver à la conclusion d'un Convention Commerciale:

Considérant que les négociations entamées à Londres, le 26 Mai dernier, ont eu pour résultat de déterminer les points sur lesquels il y avait eu lieu d'établir une entente préalable;

Considérant que la correspondance échangée depuis trois mois entre les deux Gouvernements ne laisse aucun doute sur la possibilité de conclure dans le cours des présentes négociations des Traités de Commerce et de Navigation également satisfaisants pour les deux pays;

Considérant qu'il importe au plus haut degré de mettre fin, dès à présent, à l'état d'incertitude où se trouve le commerce de la Grande Bretagne et de la France en ce qui concerne le régime auquel les relations commerciales et maritimes des deux pays seront soumises à l'expiration des Traités existants;

Conviennent de proroger pour une nouvelle période de trois mois, du 8 Novembre prochain au 8 Février 1882, les Traités de Commerce et de Navigation en vigueur entre la Grande Bretagne et la France.

Le bénéfice de cette prorogation s'appliquera aux Actes Conventionnels énumérés ci-après, savoir:—

1. Traité de Commerce du 23 Janvier 1860;

6. Traité de Commerce et de Navigation du 23 Juillet 1873;
7. Convention Supplémentaire du 24 Janvier 1874;
8. Déclaration du 24 Janvier 1874.

En foi de quoi, les Soussignés, agissant au nom de leurs Gouvernements respectifs, ont dressé la présente Déclaration et y ont apposé le cachet de leurs armes.

Fait à Paris en double exemplaire, le 21 Septembre 1881.

Signed at Paris, 4th February 1882.

THE Government of Her Britannic Majesty and the Government of the French Republic considering that the Treaty of Commerce now in course of negotiation cannot be definitively concluded between the two countries before the 8th of this month, the date fixed for the expiration of the Treaties in force,

Agree to prolong to the 1st March, in all its effects and parts, the Declaration signed at Paris on the 21st September 1881, between the United Kingdom of Great Britain and Ireland and France.

In witness whereof the undersigned, acting in the name of their respective Governments, have drawn up the present Declaration, and have affixed thereto their seals.

MILITARY CADETSHIPS—MEDICAL EXAMINATION
OF CANDIDATES.

THE Governor has directed the subjoined Despatch and Enclosures to be published for general information.

By His Excellency's command,

J. M. GRANT,
Chief Secretary.

Chief Secretary's Office,
Melbourne, 29th April 1882.

Victoria, No. 16.

Downing street, 9th March 1882.

MY LORD,—With reference to my Despatch, No. 47, of the 30th of June last, respecting the nomination by chartered colonial universities of candidates for cadetships, at the Royal Military College at Sandhurst, I have the honor to transmit to C. O. to W. O., you the enclosed copies of a correspondence with 24 Feb. 1882. The War Office, from which you will perceive that the Secretary of State for War has acquiesced in a W. O. to C. O., suggestion, made by the Governor of South Australia, relating to the medical examination of candidates from those colonies in which no imperial troops are stationed.

I have, &c.,

KIMBERLEY.

Governor, The Most Honorable
The Marquis of Normanby, G.C.M.G.,
&c., &c., &c.

[Enclosure 1.]

Sir W. F. D. Jervois to the Earl of Kimberley.

South Australia, No. 2.

Government House,
Adelaide, 6th January 1882.

MY LORD,—In paragraph 6 of Your Lordship's Despatch, No. 33, of 30th June 1881, respecting the nominations by chartered colonial universities of cadets to the Royal Military College at Sandhurst, it is stated that "it will be necessary for the nominated candidate to be examined by a military or naval medical officer at the Australian Colonies, and a certificate stating that he is in all respects physically fit for military service, should accompany the certificates of age and character."

2. There are, however, no troops quartered at the Australian Colonies, and the visits of Her Majesty's ships of war are very occasional. The authorities of the University therefore enquire whether a certificate granted by a medical officer of the local military force will satisfy the rule above quoted.

3. I would suggest that under the circumstances the certificate of the surgeon-major of the South Australian Local Forces would be a full guarantee for a candidate's physical fitness, and should this view be agreed to by the War Office, I have the honor to request that I may be authorized to inform the authorities of the University of Adelaide to that effect.

I have, &c.,

WM. F. DRUMMOND JERVOIS.

The Rt. Honble. the Earl of Kimberley,
&c., &c., &c.

[Enclosure 2.]

The Colonial Office to the War Office.

Downing street, 24th February 1882.

SIR,—With reference to previous correspondence respecting the nomination by chartered colonial universities of cadets to the Royal Military College at Sandhurst, I am directed by the Earl of Kimberley to transmit to you, to be laid before Mr. Secretary Childers a copy of a despatch from the Governor of South Australia, suggesting that a certificate granted by the surgeon-major of the South Australian Local Forces should be accepted as a guarantee of a candidate's physical fitness.

Lord Kimberley presumes that this concession, if granted in the case of South Australia will also be extended to New South Wales, Victoria, and New Zealand, being the other colonies where no Imperial troops are stationed, to whom your letter of the 8th June (092/385) was communicated.

I am, &c.,

J. BRAMSTON.

The Under-Secretary of State, War Office.

[Enclosure 3.]

The War Office to the Colonial Office.

092
389 Horse Guards, War Office, S.W.,
28th February 1882.

SIR,—With reference to your letter of the 24th instant, forwarding a copy of a despatch from the Governor of South Australia, I am directed by the Secretary of State for War to acquaint you, for the Earl of Kimberley's information, that, in the case of South Australia and other colonies where no Imperial troops are stationed, a certificate from the Surgeon-Major of the local Forces will be accepted as sufficient evidence of the physical fitness for the army of members of the chartered colonial universities, who have been nominated to cadetships at the Royal Military College, in lieu of a certificate from a Military or Naval Medical Officer as originally required.

I have, &c.,

RALPH THOMPSON.

The Under-Secretary of State, Colonial Office.

CONDITIONS OF CONTRACT.

1. The Postmaster-General will not be bound to issue orders upon the contractors for all the articles enumerated in the schedule, but only for such articles, and such quantities of those

articles, as the Postmaster-General may order from time to time; neither will the Postmaster-General be bound to take from the contractors any larger supply of any of the articles than may be shown upon the orders which have been issued during the year, nor will he be bound to take any of the articles enumerated in the schedules for which orders have not been issued. Should the Postmaster-General require a larger supply of any article than the quantity stated in the schedules, the contractor will be bound to supply the same at the contract rate.

2. The supplies are to be according to sample, and of the particular manufacture indicated in the schedule of tenders. In the case of different makers' goods, the contractor will be required to supply the kind ordered. In other cases the supplies are to be the best quality of their several kinds or manufacture. A preference will, however, be given to goods of Victorian manufacture, provided the quality be equal to the particular manufacture indicated in the schedule.

3. All orders must accompany the goods on delivery, otherwise the goods will not be received. Delivery as a rule is to be of the full quantity ordered.

4. Supplies ordered for delivery in Melbourne and Williamstown districts are to be delivered free of all charges (whether cartage, freight, &c.), and for the purposes of these contracts, Melbourne district will include a radius of six miles from the General Post Office; and Williamstown district will include the town of Williamstown, Hobson's Bay, and the River Yarra.

5. Arrangements as to time of delivery and inspection of goods will be made by the Controller of Stores, General Post Office.

6. Orders must receive prompt execution; and in the event of the goods not being delivered within forty-eight hours after the contractor shall have received the order, or within such other time as the order may specify for delivery, it will be competent for the officer named in condition 5, or the head of the department, on giving the contractor twenty-four hours' notice, to purchase the supplies at the contractor's risk, and the extra expense incurred over and above the contract price (if any) will be deducted from the contractor's account.

7. The contractor will be required to furnish his account in the prescribed form simultaneously with delivery of the full quantities of goods ordered, the account being rendered with order to which it relates. The prices quoted in the orders cannot be increased.

8. The acceptance of the supplies shall be subject to the approval of the officer named in condition 5. The contractor may, however, claim a survey on any goods objected to; but in that case he must within twenty-four hours after objection is made give notice thereof in writing to the officer rejecting the goods.

9. Delivery will not be deemed to have been made until the goods have been approved of. All articles rejected must be immediately replaced by the contractor, otherwise purchases will be effected at the contractor's risk and the extra expense deducted as in condition 6.

10. The members of boards of survey will be appointed by the Government, and the decision of the board is to be considered as final. If the board shall decide that the article is not of proper quality, it must be immediately replaced by the contractor, failing which it will be procured elsewhere, and the survey fees and extra expense (if any) will be charged as in condition 6.

11. A repetition of irregularity in the quantity or quality of the supplies, or of delay in delivering or replacing them when required, will subject the contractor, upon report, to such mulct, not exceeding Fifty pounds, as the Postmaster-General may direct, and the amount may be deducted as in condition 6, or from the contractor's security. It will also be in the power of the Postmaster-General, upon such repetition, to terminate the contract forthwith.

12. Contractors are not at liberty to transfer their contracts under cover of power-of-attorney, coupled with an interest or otherwise, and no such transfer will be recognized.

13. It will be competent either for the contractor on his own behalf, or for the Postmaster-General, to terminate the contract by giving notice in writing of three full calendar months to the opposite party; it being understood that such notice can only be given from the first day of a month, and within the period for which the contract is made.

14. In the event of any alteration in the Tariff affecting any of the items included in these contracts, the Postmaster-General or the contractor, as the case may be, will make a proportionate allowance by way of deduction from, or increase to, the price of the item so affected.

15. The contracts entered into under this notice are not to be considered as being broken, infringed, or vitiated by the importation of stores for the Electric Telegraph Service, or by any contracts made by the Imperial Commissariat or the Agent-General for Victoria, or by any contracts or agreements made for any works or supplies by the Department of Public Works, or the Tender Board, or on account of other Governments; or by any article being made at and supplied for the use of any Government establishment; or by the consumption of the surplus stock of any Government establishment.

15. Tenderers for services in connection with any Railway Stations are to state a sum for the number of trips specified in the call and a rate per trip for additional trips, or as a basis for reduction in the number of trips as above.
