Department of Trade and Customs,
Melbourne, 21st January 1882.

JAMES H. GRAVES,
Commissioner of Trade and Customs.

AT THE COURT AT WINDSOR, THE 15TH DAY OF JULY 1881. PRESENT, THE QUEEN'S MOST EXCELLENT MAJESTY IN COUNCIL.
WHEREAS by *The Foreign Deserters Act 1852*, it is provided that whenever it is made to appear to Her Majesty that due facilities are or will be given for recovering and apprehending seamen who desert from British merchant ships in the territories of any foreign power, Her Majesty may, by Order in Council, stating that such facilities are or will be given, declare that seamen, not being slaves, who desert from merchant ships belonging to a subject of such Power when within Her Majesty's dominions shall be liable to be apprehended and carried on board their respective ships, and may limit the operation of such Order, and may render the operation thereof subject to such conditions and qualifications, if any, as may be deemed expedient.

And whereas it hath been made to appear to Her Majesty that due facilities for recovering and apprehending seamen (not being Danish subjects) who desert from British merchant ships in territories belonging to His Majesty the King of Denmark, will be given under an agreement between the Governments of Great Britain and Denmark, signed at London on the 21st of June 1881.

Now, therefore, Her Majesty, by virtue of the powers vested in Her by the said *Foreign Deserters Act 1852*, and by and with the advice of Her Privy Council, is pleased to order and declare, and it is hereby ordered and declared, that from and after the publication hereof in the *London Gazette*, seamen, not being slaves (and not being British subjects), who desert from merchant ships belonging to subjects of the King of Denmark within Her Majesty's dominions, shall be liable to be apprehended and carried on board their respective ships: Provided always, that if any such deserter has committed any crime in Her Majesty's dominions he may be detained until he has been tried by a competent Court, and until his sentence (if any) has been fully carried into effect.

And Her Majesty, by virtue of the powers vested in Her by the said *Foreign Deserters Act 1852*, and by and with the advice of Her Privy Council, is further pleased to order and declare that upon and after the publication hereof in the *London Gazette* the Order in Council relating to seamen who desert from the merchant ships belonging to the subjects of the King of Denmark made, by virtue of the said Act, on the 13th day of June 1853, and published in the *London Gazette* on the 14th day of June 1853, shall be revoked, and the same is hereby revoked accordingly.

And the Secretary of State for the Home Department, the Secretary of State for the Colonies, and the Secretary of State for India in Council, are to give the necessary directions herein accordingly.

AGREEMENT BETWEEN THE GOVERNMENTS OF GREAT BRITAIN AND DENMARK RELATIVE TO MERCHANT SEAMEN DESERTERS.

Signed at London, June 21, 1881.

The Government of Her Majesty the Queen of the United Kingdom of Great Britain and Ireland, and the Government of His Majesty the King of Denmark, being desirous, for the benefit of the commerce of the two countries, to facilitate the discovery, apprehension, and surrender of seamen who may desert from merchant vessels of either country, on the basis of a full and entire reciprocity, have agreed as follows:—

It is mutually agreed that if any seamen or apprentices, not being slaves, should desert from any ship belonging to a subject of either of the contracting parties, within any port in the territories or in the possessions or colonies of the other contracting party, the authorities of such port and territory, possession or colony, shall be bound to give every assistance in their power for the apprehension and sending on board of such deserters, on application to that effect being made to them by the Consul of the country to which the ship of the deserter may belong, or by the deputy or representative of the Consul.

It is understood that the preceding stipulations shall not apply to subjects of the country where the desertion shall take place.

Each of the two high contracting parties reserves to itself the right of terminating this Agreement at any time, on giving to the other a year's notice of its wish to that effect.

In witness whereof the undersigned, duly authorized for that purpose, have signed the present Agreement, and have affixed thereto the seal of their arms.

Every license granted under subdivision vii. of section 47 of *The Land Act* 1869 shall be subject to the conditions set forth in the schedule hereto, and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized on that behalf.

Schedule.

1. This license shall not be deemed to prevent the land comprised therein or any part or parts thereof from being sold, leased, or licensed under any of the provisions of parts i., ii., or iii. of *The Land Act* 1869, except subdivision vii. of the 47th section thereof, or proclaimed a common, or occupied by virtue of any miner's right or business license, or alienated or dealt with under the authority of *The Land Act* 1869, or any other Act now or hereafter to be in force, otherwise than for pastoral or depasturing purposes, or resumed by order of the

Governor, acting by and with the advice of the Executive Council, for railways, roads, telegraph lines, dams, reservoirs, races, catchwater drains, pipe-tracks, quarries, or other public purposes; and no licensee shall in any such case be entitled to compensation other than the return of such portion of the fee paid by him as the Minister may think fit.

2. If the licensee, or any person claiming an interest through or under the licensee in the land comprised in this license, shall, at any time during the period for which the license has been issued, employ any person to apply for a license of an allotment under *The Land Act* 1869, contrary to the true intent of the provisions thereof, or shall make or cause to be made any agreement or contract, or shall give or take, or cause to be given or taken, any negotiable security for the purpose of defeating or evading the provisions of, or shall in any way whatsoever, directly or indirectly, commit or be privy to a fraud upon the said Act, this license shall be void.

This license entitles the holder thereof during the period therein specified to use the land in respect of which the same is granted for depasturing purposes only, and does not confer any right to build thereon, or to cultivate, or fence any portion thereof; but if the holder thereof desire such use of the land beyond such period, notice to that effect must be given by him to the Minister one month prior to expiry thereof.

5. The interest in this license may not be transferred without the consent of the Minister and payment of a fee of One pound (£1), and upon sanction of transfer thereof a new license will issue to the transferee.

12. Any councillor desirous of making a motion, or amendment, or taking part in discussion thereon, shall rise and address the chairman, and shall not be interrupted unless called to order, when he shall sit down until the councillor (if any) calling to order shall have been heard thereon, and the question of order disposed of, when the councillor in possession of the chair may proceed with the subject.

13. Any councillor desirous of proposing an original motion or amendment must state the nature of the same, before he addresses the council thereon.

14. No motion or amendment shall be withdrawn without the leave of the council.

15. No motion or amendment shall be discussed or put to the vote of the council unless it be seconded; but a councillor may however require the enforcement of any standing order of the council, by directing the mayor's or chairman's attention to the infraction thereof.

16. A councillor moving a motion shall be held to have spoken thereon, but a councillor merely seconding a motion shall not be held to have spoken upon it.

17. The councillors in meeting of council shall designate each other by their official titles, namely, that of mayor, president, chairman, or councillor, as the case may require.

18. If two or more councillors rise to speak at the same time, the chairman shall decide which is entitled to priority.

19. The chairman shall rise in addressing the council to discuss any question, and shall not leave the chair on such occasions.

20. No councillor shall speak a second time on the same question, unless entitled to reply, or in explanation when he has been misrepresented or misunderstood.

21. The chairman, when called upon to decide on points of order or practice, shall state the provision, rule, or practice which he deems applicable to the case, without discussing or commenting on the same, and his decision as to order or explanation in each case shall be final.

22. No councillor shall digress from the subject-matter of the question under discussion, or comment upon the words used by any other councillor in a previous debate; and all imputations of improper motives, and all personal reflections on councillors shall be deemed highly disorderly.

23. Whenever any councillor shall make use of any expression disorderly, or capable of being applied offensively to any other councillor, the councillor so offending shall be required by the chairman to withdraw the expression, and to make a satisfactory apology to the council.

24. A councillor called to order shall sit down, unless permitted to explain.

25. Any councillor using offensive or disorderly language, and having been twice called to order or to withdraw, and to apologise for such conduct, and refusing so to do, shall be guilty of an offence.

26. Any person not being a councillor who shall, having been admitted to any meeting of the council, be guilty thereof of any improper or disorderly conduct, or who shall not leave

when lawfully requested by the chairman so to do, may be forthwith removed by him, and shall be deemed guilty of an offence.

27. Any councillor not attending in compliance with an order for a call of the whole council, without reasonable excuse to the satisfaction of the majority thereof, shall be guilty of an offence.

28. Any councillor may of right demand the production of any of the documents of the council applying to the question under discussion.

29. The council shall vote by show of hands, and any councillor present and not voting, not being disabled by law from so doing, shall be guilty of an offence.

30. The chairman shall, in taking the sense of the council, put the question first in the affirmative, then in the negative, and the result thereof shall be recorded in the minutes.

31. At every meeting of the council all motions, whether original motions or amendments, shall be reduced into writing, signed by the mover, and delivered to the chairman immediately on their being moved and seconded.

32. No second or subsequent amendment, whether upon an original proposition or on an amendment, shall be taken into consideration until the previous amendment is disposed of.

33. If any words of an original question be rejected, the insertion of other proposed words shall form the next question, whereupon any further amendment to insert other words may be moved.

34. If an amendment be negatived, then a second may be moved to the question to which the first mentioned amendment was moved; but only one amendment shall be submitted to the council for discussion at a time.

35. The mover of every original proposition, but not of any amendment, shall have a right to reply, immediately after which the question shall be put from the chair; but no councillor shall be allowed to speak more than once on the same question, unless permission be given to explain, or the attention of the chair be called to a point of order.

36. No discussion shall be allowed on any motion for adjournment of the council; but if, on the question being put, the motion be negatived, the subject then under consideration or the next on the notice-paper shall be discussed, or any other that may be allowed precedence, before any subsequent motion for adjournment be made.

37. Any councillor may protest against any resolution of the council, and notice of intention to protest shall in every case be given forthwith on the adoption of the resolution protested against; and the protest shall specify the reasons for protesting, and shall be entered three days at least before the next ordinary meeting of the council by the protesting councillor in a book to be kept for that purpose in the office of the municipal clerk, and signed by such councillor, and shall be also entered in the minutes of the meeting at which notice of the intention to protest shall have been given previously to the confirmation thereof; but such protest may be expunged from the minutes if declared by a majority of the council to be not in accordance with truth, or in its terms disrespectful to the council.

38. If a debate on any motion moved and seconded be interrupted by the number of the councillors present becoming insufficient for the transaction of business, such debate may be resumed at the point where it was so interrupted on motion upon notice.

39. If a debate on any order of the day be interrupted by such insufficiency of number as aforesaid happening, such order may be restored to the notice-book for a future day on motion upon notice, and then such debate shall be resumed at the point where it was so interrupted.

40. Minutes of all proceedings of committees, as well as of their reports, numbered in consecutive order, shall be entered in the committee's minute-book, and being signed by the chairman of the committee, shall be presented to the council; and the municipal clerk, when practicable, shall attend all meetings of committees.

41. The town clerk shall convene every committee within ten days of its first appointment, or at any other time thereafter, by order of the council, or on the written order of the chairman of the committee, or of any two members of the committee.

42. No petition shall be presented after the council shall have proceeded to the orders of the day.

43. It shall be incumbent on every councillor representing a petition to acquaint himself with the contents thereof, and to ascertain that it does not contain language disrespectful to the council, and that the contents do not violate any bye-law or any provision hereof.

44. Every councillor presenting a petition to the council shall write his name at the beginning thereof.

45. Every petition shall be in writing, and not printed or lithographed, and shall contain the prayer of the petitioners at the end thereof, and be signed by at least one person on every skin or sheet on which it is written.

46. Every petition shall be signed by the persons whose names are appended thereto by their names or marks, and by no one else, except in cases of incapacity by sickness.

47. No letters, affidavits, or other documents shall be attached to any petition.

48. Every councillor presenting a petition to the council shall confine himself to a statement of the persons from whom it comes, of the number of signatures attached to it, of the material allegations contained in it, and to the reading of the prayer thereof.

49. No appointment to any permanent office at the disposal of the council shall take place until seven clear days' public notice shall have been given by advertisement in one or more newspapers circulating in the borough, inviting applications from qualified candidates for the same.

50. The salary or allowance attached to all offices and places at the disposal of the council shall in all cases be fixed before

they proceed to appoint any person to fill the same, before the advertisement inviting applications as aforesaid, and shall be specified in such advertisement.

51. No councillor or officer of the council, and no assessor or auditor of the municipality shall be received as a surety for any officer appointed by the council, or for any work to be done for the council.

52. In all cases of security being given for the faithful performance of any duty or contract, the expense of preparing such security shall be borne by the person providing the same.

53. All the plans and specifications for any public work shall be laid before the council at least six days prior to the same being considered and ordered upon, and be open for inspection by any ratepayer during that time.

54. It shall be lawful for the treasurer of the municipality, from time to time, on the written order of the municipal clerk, to disburse such moneys as shall have been appropriated by the council for the purposes of this clause, and as shall be required for any necessary occasion, not exceeding in the whole in any interval between two ordinary meetings of the council the sum of Five pounds.

55. The common seal of the municipality shall be kept in a box having two locks, of one of which locks each councillor shall have a key, and of the other of which locks the key shall be kept by the municipal clerk; and the corporate seal shall not be affixed to any document unless the chairman of the municipality and one other member of the council, or, in the absence of such chairman, unless two councillors be present.

56. Any one or more of the rules or regulations contained in this subdivision may be suspended for a special purpose, on motion upon notice duly given, and shall not otherwise be suspended except by a unanimous vote of the council.

57. If any person shall be guilty of any wilful offence or misfeasance, or wilful or negligent commission or omission contrary to any provision contained in this subdivision, he shall forfeit a sum not exceeding Five pounds.
