## TREATY OF FRIENDSHIP, COMMERCE, AND NAVIGATION BETWEEN HER MAJESTY AND THE PRINCE OF MONTENEGRO.

Signed at Cetinje, January 21, 1882.

[Ratifications exchanged at Cetinje, May 14, 1882.]

HER Majesty the Queen of the United Kingdom of Great Britain and Ireland, and His Highness the Prince of Montenegro, being desirous of placing on a satisfactory footing the commercial relations between the two States, have with this object determined to conclude a Treaty of Friendship, Commerce, and Navigation, and they have accordingly appointed their respective Plenipotentiaries, that is to say :

Her Majesty the Queen of the United Kingdom of Great Britain and Ireland, William Kirby Green, Esquire, Companion of the Most Distinguished Order of Saint Michael and Saint George, Her Majesty's Chargé d'Affaires at the Court of Montenegro ;

And His Highness the Prince of Montenegro, the Voivode Stanko Radonich, Knight Grand Cross of the Most Distinguished Order of Danilo the First, his Minister for Foreign Affairs ;

Who, having communicated to each other their respective full powers, found in good and due form, have agreed upon and concluded the following Articles :—

### ARTICLE I.

British subjects who reside temporarily or permanently in Montenegro, and Montenegrin subjects who reside temporarily or permanently in the United Kingdom of Great Britain and Ireland, shall enjoy therein with respect to residence, and the exercise of commerce and trade, the same rights as, and shall not be subject to any higher or other imposts or taxes, whether general, municipal, or local, than natives, or the subjects of any other country, the most favored in this respect, by either of the Contracting Parties.

British subjects in Montenegro, and the Montenegrin subjects in the United Kingdom of Great Britain and Ireland, shall enjoy the same treatment as natives, or as is now granted, or may hereafter be granted to the subjects of any other country the most favored in this respect, with regard to the acquisition, the holding, and the disposal of real property, and all charges on it ; with regard to access to courts of law, and in the prosecution and defence of their rights ; and in regard to domiciliary visits to their dwellings, manufactories, warehouses, or shops.

No. 91.—SEPTEMBER 8, 1882.—1.

SA Majesté la Reine du Royaume-Uni de la Grande Bretagne et d'Irlande, et Son Altesse le Prince de Monténégro, désirant placer sur une base satisfaisante les relations commerciales entre les deux Etats, ont, dans ce but, résolu de conclure un Traité d'Amitié, de Commerce, et de Navigation, et ont, à cet effet, nommé pour leurs Plénipotentiaires respectifs, savoir :

Sa Majesté la Reine du Royaume-Uni de la Grande Bretagne et d'Irlande, Monsieur William Kirby Green, Compagnon de l'Ordre Très-Distingué de Saint-Michel et de Saint-George, son Chargé d'Affaires près la Cour du Monténégro ;

Et Son Altesse le Prince de Monténégro, le Voivode Stanko Radonich, Grand Cordon de l'Ordre Très-Distingué de Danilo Premier, son Ministre des Affaires Etrangères ;

Lesquels, après s'être communiqué leurs pleins pouvoirs, trouvés en bonne et due forme, sont tombés d'accord et ont arrêté les Articles suivants :—

### ARTICLE I.

Les sujets Britanniques qui résident d'une manière soit temporaire soit permanente en Monténégro ; et les sujets Monténégro qui résident d'une manière soit temporaire soit permanente dans le Royaume de la Grande Bretagne et d'Irlande, y jouiront par rapport à la résidence, et à l'exercice du commerce et de l'industrie, des mêmes droits, et ne seront assujettis à aucun impôt ou taxe, général, municipal, ou local, autre ou plus élevé que les nationaux, ou les sujets de toute autre Puissance la plus favorisée sous ce rapport, par les Parties Contractantes.

Les sujets Britanniques au Monténégro, et les sujets Monténégro dans le Royaume-Uni de la Grande Bretagne et d'Irlande, jouiront du même traitement que les nationaux, ou les sujets de la nation la plus favorisée, sous le rapport de l'acquisition, la possession, et l'aliénation d'immeubles, et de toute charge sur ces immeubles ; sous le rapport de l'accès aux Tribunaux, de la poursuite, et de la défense de leurs droits ; et en ce qui regarde les visites domiciliaires à leurs domiciles, leurs fabriques, leurs magasins, ou leurs boutiques.

They shall be exempted from billeting, and from all compulsory military service, whether in the army, navy, national guards, or militia. They shall be likewise exempted from all contributions whether pecuniary or in kind, imposed as a compensation for billeting, and personal service; and finally, from forced loans, and military exactions or requisitions, as well as from all judicial or municipal functions whatever, other than those imposed by the laws relating to juries.

## ARTICLE II.

The produce and manufactures of, as well as all goods coming from the United Kingdom of Great Britain and Ireland, which are imported into Montenegro; and the produce or manufactures of, as well as all goods coming from, Montenegro, which are imported into the United Kingdom of Great Britain and Ireland, whether intended for consumption, warehousing, re-exportation, or transit, shall be treated in the same manner as, and in particular, shall be subject to no higher or other duties or surcharges, whether general, municipal, or local, than the produce, manufactures, and other goods of any third country the most favored in this respect, except as regards such special facilities, as have been, or may hereafter be, conceded on the part of Montenegro to the neighboring States, with respect to the traffic in local produce and manufactures between their conterminous frontier districts. No other or higher duties shall be levied in Montenegro, on the exportation of any goods to the United Kingdom of Great Britain and Ireland; or in the United Kingdom of Great Britain and Ireland, on the exportation of any like goods, to any third country the most favored in this respect.

Neither of the Contracting Parties shall establish a prohibition of importation, exportation, or transit, against the other, which shall not under like circumstances be applicable to any third country the most favored in this respect. In like manner, all that relates to local dues, customs' formalities, brokerage, patterns or samples, introduced by commercial travellers, and all other matters connected with trade, British subjects in Montenegro, and Montenegrin subjects in the United Kingdom of Great Britain and Ireland, shall enjoy the most-favored-nation treatment.

## ARTICLE III.

All British produce or manufactured goods shall be imported into Montenegro free of all duties or charges, with the exception only of such dues as shall be levied for custom-house portage, public weighing, and for the maintenance and improvement of quays and custom-house buildings.

And any reduction in these dues, granted to the goods or manufactures of any third Power, shall be at once and unconditionally extended to British produce or manufactured goods.

The Montenegrin Government reserves, however, the right of levying an import duty on British manufactures and produce, when it shall deem it expedient. Nevertheless the Montenegrin Government binds itself to give the British Government previous notice of such decision, six months before the measure is put in force, and engages further that such rate of duty shall not exceed 8 per cent. *ad valorem*.

The Montenegrin Government engages, moreover, not to levy any such duties except when they are also applicable to the like manufactures and products of all other foreign countries.

The following articles are excepted from the right of free importation into Montenegro, viz. :—

- Arms of all kinds.
- Gunpowder and other explosives.
- Munitions of war.
- Salt.
- Saltpetre.
- Sulphur.
- Spirits.
- Tobacco.
- Wines.

The above products shall be subject in Montenegro to the same conditions as the like products of any third Power, the most favored in this respect.

## ARTICLE IV.

The duties *ad valorem* which may hereafter be levied in Montenegro, on British produce or manufactured goods, shall be calculated on the value at the place of production or fabrication of the article imported, with the addition of the cost of transport, insurance, or commission, necessary for its importation into Montenegro, as far as the port of discharge or place of entry.

For the levying of these dues, the importer shall make a written declaration at the custom-house, stating the value and description of the goods imported. If the custom-house authorities are of opinion that the declared value is insufficient, they shall be at liberty to take the goods on paying to the importer the price declared, namely, the value at the place of production or fabrication of the article imported, with the addition of the cost of transport, insurance, and commission necessary for importation into Montenegro, as far as the port of discharge or place of entry, with an addition of 5 per cent.

This payment, together with the restitution of any duty which may have been levied upon such goods, shall be made within fifteen days following the declaration.

Goods unaccompanied by the above-mentioned declaration, will not be entitled to the benefit of paying the *ad valorem* duties stipulated in the present Treaty, but shall be subject to the specific or other duties imposed by the Montenegrin Government.

En outre, ils seront dispensés de fournir des logements aux troupes, et de tout service militaire obligatoire, dans l'armée, la marine, la garde nationale, ou la milice. Ils seront de même exempts de toute contribution en argent, ou en matière, imposée comme compensation pour le logement de troupes, ou pour le service personnel; et, en dernier lieu, d'emprunts forcés, et de prestations, et réquisitions militaires, ainsi que de toutes fonctions judiciaires ou municipales quelconques, à l'exception des fonctions qui sont imposées par les lois en ce qui concerne les jurys.

## ARTICLE II.

Les produits et manufactures, ainsi que toutes les marchandises provenant du Royaume-Uni de la Grande Bretagne et d'Irlande, qui sont importés au Monténégro, et les produits et manufactures, ainsi que toutes les marchandises provenant du Monténégro, qui sont importés dans le Royaume-Uni de la Grande Bretagne et d'Irlande, destinés à la consommation, l'entrepôt, la réexportation, ou le transit, seront traités de la même manière, et spécialement, ne seront assujettis à aucuns droits ou taxes additionnelles, généraux, municipaux, ou locaux, autres, ou plus élevés, que les produits, les manufactures, et les marchandises de toute tierce Puissance la plus favorisée sous ce rapport, excepté en ce qui concerne les facilités spéciales, qui ont été, ou qui pourront être, concédées plus tard par le Monténégro, aux États voisins, par rapport au trafic en manufactures et produits locaux entre leurs districts frontières limitrophes. Aucun droit autre, ou plus élevé, ne sera prélevé dans le Royaume-Uni de la Grande Bretagne et d'Irlande, sur l'exportation d'aucune marchandise au Monténégro, ni en Monténégro, sur l'exportation d'aucune marchandise au Royaume-Uni de la Grande Bretagne et d'Irlande, que ceux qui pourront être perçus sur l'exportation des mêmes marchandises dans un tiers pays le plus favorisé sous ce rapport.

Aucune des Parties Contractantes n'établira à l'égard de l'autre une prohibition contre l'importation, l'exportation, ou le transit, qui dans les mêmes circonstances ne sera pas applicable à tout tiers pays le plus favorisé sous ce rapport.

De même, pour tout ce qui concerne les droits locaux, les formalités de Douane, le courtage, les dessins de fabrique, ou les échantillons introduits par les commisvoyageurs, ainsi que toutes les autres affaires commerciales, les sujets Britanniques au Monténégro, et les sujets Monténégrins dans le Royaume-Uni de la Grande Bretagne et d'Irlande, jouiront du traitement de la nation la plus favorisée.

## ARTICLE III.

Toutes les marchandises d'origine ou de manufacture Britannique seront importées au Monténégro libres de tout droit ou taxe, à l'exception seulement des droits qui seront perçus pour le factage, quand ce service est fait par les employés de la Douane, ou pour le pesage public, ou pour le maintien et l'amélioration des quais ou des bâtiments de la Douane.

Et toute réduction de ces taxes additionnelles qui pourra être accordée aux produits ou manufactures de toute tierce Puissance, sera étendue immédiatement, et sans conditions, aux mêmes articles d'origine ou de manufacture Britannique.

Le Gouvernement Monténégrin se réserve, cependant, la faculté de prélever un droit d'entrée sur les produits du Royaume-Uni et d'Irlande, lorsqu'il jugera le moment opportun. Toutefois le Gouvernement Monténégrin s'oblige à donner avis préalable au Gouvernement Britannique de cette décision six mois avant son entrée en vigueur, et s'engage en outre que le montant d'un tel droit n'excédera pas 8 pour cent *ad valorem*.

De même le Gouvernement Monténégrin s'engage de ne pas percevoir de pareilles droits que quand ils sont aussi applicables aux manufactures et produits similaires de tout autre pays étranger.

Les articles suivants sont exceptés du droit de libre entrée dans le Monténégro, savoir :—

- Armes de toute espèce.
- Poudre à canon, et autres matériaux explosibles.
- Munitions de guerre.
- Le sel.
- Le salpêtre.
- Le soufre.
- Les alcools.
- Le tabac.
- Les vins.

Les produits sus-mentionnés seront assujettis au Monténégro aux mêmes conditions que les produits similaires de toute autre tierce Puissance la plus favorisée sous ce rapport.

## ARTICLE IV.

Les droits *ad valorem* qui pourraient être prélevés au Monténégro sur la marchandise d'origine ou de manufacture du Royaume-Uni de la Grande Bretagne et d'Irlande, seraient calculés sur la valeur de l'objet importé, au lieu de production, ou de fabrication, en y ajoutant les frais de transport, d'assurance, et de commission nécessaires pour l'importation au Monténégro, jusqu'au port de décharge ou lieu d'entrée.

Pour la perception de ces droits, l'importateur remettra à la Douane une déclaration écrite indiquant la valeur et la nature des marchandises importées. Si la Douane émet d'avis que la valeur déclarée est insuffisante, elle pourrait garder les marchandises en payant à l'importateur le prix déclaré, c'est-à-dire la valeur de l'objet importé, au lieu de production ou de fabrication, augmentée des frais de transport, d'assurance, et de commission nécessaires à l'importation au Monténégro, jusqu'au port de décharge ou lieu d'entrée, et de 5 pour cent additionnels.

Ce paiement, ainsi que le remboursement de tout droit acquittés par les dites marchandises, auront lieu dans les quinze jours qui suivraient la déclaration.

Les marchandises non accompagnées de la dite déclaration ne seront pas admises au paiement des droits *ad valorem*, stipulés par le présent Traité mais seraient assujetties aux droits spécifiques ou autres décrétés par le Gouvernement Monténégrin.

## ARTICLE V.

The Montenegro Government reserves to itself the right, after an understanding with Her Majesty's Legation, to limit to certain places, the custom-houses through which goods charged *ad valorem* may enter Montenegro.

The Montenegro Government likewise reserves to itself the right to require that the importer shall produce, together with his declaration of value on the entry of the goods into Montenegro, one or other, at his option, of the following documents, namely:—

1. A declaration of value made before the magistrate at the place of manufacture or production.
2. A certificate of value from the Chamber of Commerce at the place of production; or
3. A declaration of value made before the nearest Montenegrin Consul. The fee of such consul on certifying this declaration shall not exceed 5s.

## ARTICLE VI.

The Montenegro Government opens to the produce and manufactures of the United Kingdom of Great Britain and Ireland, and to the produce and manufactures of British Colonies and foreign possessions, all its ports, harbors, and all landing-places, or quays on its rivers or other waters, where merchandise is permitted to be landed, and all custom-houses, free of all custom-house duties and charges, but without prejudice to the stipulations of Articles III, VIII, and XII of this present treaty.

## ARTICLE VII.

If one of the Contracting Parties shall impose an excise tax, that is to say, an inland duty, upon any article of home production or manufacture, an equivalent compensatory duty may be imposed on articles of the same description on their importation from the territories of the other Power, provided that the said equivalent duty is levied on like articles on their importation from all foreign countries.

In the event of the reduction or suppression of excise taxes, that is to say, inland duties, a corresponding reduction or suppression shall at the same time be made in the equivalent compensatory duty on manufactures of British or Montenegrin origin, as the case may be.

## ARTICLE VIII.

Every favor or immunity which has been or may hereafter be granted by one of the Contracting Parties to the subjects or commerce of a third Power, shall be granted simultaneously and unconditionally to the other, except as regards such special facilities as have been, or may hereafter be, conceded on the part of Montenegro to the neighboring States with respect to the local traffic between their contiguous frontier districts.

## ARTICLE IX.

British subjects in Montenegro, and Montenegrin subjects in the United Kingdom of Great Britain and Ireland, shall enjoy the same rights as natives or as are now granted, or may hereafter be granted, to the subjects of any third Power the most favored in this respect, in everything relating to the property in trade-marks, or trade-labels or tickets, as well as in patterns or designs for manufactures.

It is understood that any person who desires to obtain the aforesaid protection must fulfil the formalities required by the laws of the respective countries.

## ARTICLE X.

Each of the Contracting Parties may appoint Consuls-General, Consuls, Vice-Consuls, Pro-Consuls, and Consular Agents to reside respectively in the towns and ports of the Contracting Parties where the Consular officers of these different classes of the most favored nation have received or may receive authorization to reside. Such Consular officers, however, shall not enter upon their functions until after they shall have been approved and admitted in the usual form by the Government to which they are sent. They shall exercise whatever functions, and enjoy whatever privileges, exemptions, and immunities are, or may hereafter may be, granted there to Consular officers of the most favored nation.

## ARTICLE XI.

It is agreed that, as regards freights and all other facilities, British goods conveyed over Montenegrin railways or publicly constructed high roads, and Montenegrin goods conveyed over British railways, shall be treated in exactly the same manner as the goods of any other nation the most favored in that respect.

## ARTICLE XII.

British ships and their cargoes shall in Montenegro, and Montenegrin ships and their cargoes in the United Kingdom of Great Britain and Ireland, from whatever place arriving, and whatever may be the place of origin or destination of their cargoes, shall be treated in every respect as national ships and their cargoes.

The preceding stipulation applies to local treatment, dues, and charges in the ports, basins, docks, roadsteads, harbors, and rivers of the two countries, pilotage, and generally to all matters connected with navigation, without prejudice to the rules and Regulations of the Maritime and Sanitary Police and of the Maritime Code in force in Montenegro.

Every favor or exemption in these respects, or any other privilege in matters of navigation, which either of the Contracting Parties shall grant to a third Power shall be extended immediately and unconditionally to the other Party.

## ARTICLE V.

Le Gouvernement Monténégrin se réserve le droit de limiter, d'accord avec la Légation de Sa Majesté Britannique, à certaines localités, les douanes par lesquelles les marchandises assujetties aux droits *ad valorem* pourraient être introduites au Monténégro.

Le Gouvernement Monténégrin se réserve de même le droit d'exiger de l'importateur, qu'il produise à l'introduction au Monténégro des marchandises, outre la déclaration de valeur, un des documents suivants, laissé à son choix:—

1. Une déclaration de valeur dressée par devant le magistrat du lieu de production de la marchandise.
2. Un certificat de valeur délivré par la Chambre de Commerce du lieu de production;
3. Une déclaration de valeur dressée par devant le Consul Monténégrin du lieu le plus proche. La taxe à percevoir par le dit Consul pour la délivrance de cette pièce ne pourrait excéder 5s. (2 fl. 50 kr.)

## ARTICLE VI.

Le Gouvernement Monténégrin ouvre aux produits et manufactures du Royaume-Uni de la Grande Bretagne et d'Irlande, et aux produits et manufactures des Colonies et des possessions étrangères de Sa Majesté Britannique, tous ses ports et ses havres, et tous les débarcadères et quais de ses rivières et autres eaux, où le débarquement de la marchandise est permis; et toutes ses douanes, libres de tout droit ou impôt de douane, mais sans porter atteinte aux stipulations des Articles III., VIII., et XII. de ce Traité.

## ARTICLE VII.

Si l'une des Parties Contractantes établit un droit d'accise, c'est-à-dire, un droit intérieur, sur un produit quelconque du sol et de l'industrie nationale, un droit compensateur équivalent pourra être perçu sur les produits similaires importés du territoire de l'autre Puissance, pourvu que le dit droit compensateur soit perçu sur les produits similaires à leur importation de tout autre pays étranger.

Dans le cas de réduction ou suppression des droits d'accise—c'est-à-dire, droits intérieurs—une réduction équivalente ou suppression sera en même temps opérée sur le droit compensateur prélevé sur les produits d'origine Britannique ou Monténégrine, selon le cas.

## ARTICLE VIII.

Tout faveur et immunité qui a été, ou qui pourra être, accordé par l'une des Parties Contractantes aux sujets ou au commerce d'une tierce Puissance, sera accordée simultanément, et sans conditions, à l'autre, excepté en ce qui concerne les facilités spéciales qui ont été, ou qui pourront être, accordés plus tard par le Monténégro aux Etats voisins, par rapport au trafic local entre leurs districts frontières limitrophes.

## ARTICLE IX.

Les sujets Britanniques en Monténégro, et les sujets Monténégrins dans le Royaume-Uni de la Grande Bretagne et d'Irlande, jouiront des mêmes droits que les nationaux, ou de ceux qui sont présentement accordés, ou qui pourront être accordés à l'avenir, aux sujets de toute tierce Puissance la plus favorisée sous ce rapport, pour tout ce qui concerne la propriété, soit des marques de commerce, ou autres marques particulières indiquant l'origine ou la qualité des marchandises, soit des modèles ou dessins de fabrication.

Il est entendu que toute personne qui veut obtenir la dite protection doit se conformer aux formalités demandées par les lois des pays respectifs.

## ARTICLE X.

Chacun des Parties Contractantes pourra nommer des Consuls-Généraux, Consuls, Vice-Consuls, Pro-Consuls, et Agents Consulaires pour résider dans les villes et ports des Puissances Contractantes où les Agents Consulaires de ces diverses dénominations de la nation la plus favorisée ont obtenu ou pourront obtenir l'autorisation de résider. Ces Agents Consulaires n'entreprendront cependant pas en fonctions avant d'avoir été reconnus et admis dans la forme habituelle par le Gouvernement auprès duquel ils sont accrédités. Ils auront le droit d'exercer les mêmes fonctions, et ils jouiront des mêmes privilèges, exemptions, et immunités, qui sont, ou qui seront à l'avenir, accordés aux Agents Consulaires de la nation la plus favorisée.

## ARTICLE XI.

Il est convenu que, en ce qui regarde les frais de transport et toute autre facilité, les marchandises Britanniques transportées sur les chemins de fer Monténégrins ou sur les chaussées construites par l'Etat en Monténégro, et les marchandises Monténégrines transportées sur les chemins de fer Britanniques, seront traitées exactement de la même manière que les marchandises de toute autre nation la plus favorisée sous ce rapport.

## ARTICLE XII.

Les navires Britanniques et leurs cargaisons au Monténégro, et les navires Monténégrins et leurs cargaisons dans le Royaume-Uni de la Grande Bretagne et d'Irlande, à leur arrivée d'un port quelconque, et quel que soit le lieu d'origine ou de destination de leur cargaison, jouiront, sous tous les rapports, du même traitement que les navires nationaux et leurs cargaisons.

La stipulation précédente se réfère au traitement local, aux droits, et aux frais dans les ports, les bassins, les docks, les rades, les havres, et les rivières des deux pays, au pilotage, et en général à tout ce qui se rapporte à la navigation, sans porter atteinte aux Règlements de la Police Maritime et Sanitaire et du Code Maritime en vigueur au Monténégro.

Toute faveur ou exemption sous ces rapports, ou tout autre privilège en fait de navigation, que l'une des Parties Contractantes accordera à une tierce Puissance, sera immédiatement, et sans conditions, étendu à l'autre Partie.

All vessels which, according to British law, are to be deemed British vessels, and all vessels which, according to the laws in force in Montenegro, are to be deemed Montenegrin vessels, shall, for the purposes of this Treaty, be respectively deemed British or Montenegrin vessels.

ARTICLE XIII.

The Consuls-General, Consuls, Vice-Consuls, Pro-Consuls, and Consular Agents of each of the Contracting Parties residing in the dominions and possessions of the other shall receive from the local authorities such assistance as can by law be given to them for the recovery of deserters, not being slaves, from the merchant vessels of their respective countries.

ARTICLE XIV.

Protocol of the 21st January 1882.

The Undersigned, Plenipotentiaries of Her Majesty the Queen of the United Kingdom of Great Britain and Ireland and His Highness the Prince of Montenegro, having met in conference, have taken into consideration the following subject :—

They have directed their attention to the fact that, although, by Article III. of the Treaty signed this day between Her Britannic Majesty and the Prince of Montenegro, all British produce or manufactured goods shall be imported into Montenegro free of all duties or charges, with the exception only of such dues as shall be levied for custom-house portorage, public weighing, and for the maintenance and improvement of quays and custom-house buildings, yet that British goods and manufactures are actually subjected to a tax of Four per cent., through the levying of the existing interior duty to this amount on all sales of foreign goods. They have, consequently, resolved to declare that, whenever the Montenegrin Government puts in force its reserved right, contained in paragraph 3 of Article III. of the Treaty, of levying an import duty not exceeding eight per cent. *ad valorem* on British produce and manufactures, the above-mentioned interior tax of Four per cent. on sales effected in the Principality shall at once cease to be leviable.

They further declare that the said existing interior tax on sales of foreign goods and manufactures shall not be raised above four per cent., and that any reduction in this tax granted to the goods and manufactures of any third Power shall at once and unconditionally be extended to British produce or manufactures.

The other provisions of Article III remain in force, as they have been agreed upon in the Treaty.

This Protocol shall be regarded and acted upon as forming part of the Treaty in question, and shall be ratified with it at one and the same time.

In witness whereof the Undersigned have drawn up the present Protocol, to which they have affixed the seals of their office.

Done at Cetinje, the twenty-first day of the month of January, one thousand eight hundred and eighty-two.

Protocole du 21 Janvier 1882.

Les Soussignés, Plénipotentiaires de Sa Majesté la Reine du Royaume Uni de la Grande Bretagne et d'Irlande et de Son Altesse le Prince de Monténégro, s'étant réunis en conférence, ont pris en considération ce qui suit :—

Ils ont pris note du fait que, quoiqu'il en soit par l'Article III. du Traité signé aujourd'hui entre Sa Majesté Britannique et le Prince de Montenegro, toutes les marchandises d'origine ou de manufacture Britannique seront importées au Monténégro libres de tout droit ou taxe, à l'exception seulement des droits qui seront perçus pour le factage quand ce service est fait par les employés de la Douane, ou pour le pesage public, ou pour le maintien et l'amélioration des quais ou des bâtiments de la Douane, néanmoins les produits et manufactures Britanniques sont actuellement assujettis à une taxe de quatre pour cent par la perception du droit intérieur, déjà existant, de quatre pour cent sur toute vente de produit étranger. Conséquemment ils ont décidé d'affirmer que, aussitôt que le Gouvernement Monténégrin met en vigueur le droit réservé, contenu dans l'alinéa 3 de l'Article III. du Traité, savoir, de prélever un droit d'entrée qui n'excède pas huit pour cent *ad valorem* sur les produits et manufactures Britanniques, la susdite taxe intérieure de 4 pour cent sur les ventes réalisées dans la Principauté cessera immédiatement d'être perceptible.

De plus, les soussignés Plénipotentiaires déclarent que la dite taxe intérieure qui existe déjà sur la vente des produits et manufactures étrangères, ne pourra jamais excéder quatre pour cent, et que toute réduction qui pourra être accordée aux produits ou manufactures de toute tierce Puissance, sera étendue immédiatement et sans conditions aux articles d'origine ou de manufacture Britannique.

Les autres stipulations de l'Article III restent en vigueur telles qu'elles étaient réglées dans le Traité.

Ce Protocole sera considéré et mis en opération comme partie intégrale du susdit Traité, et sera ratifié en même temps que le Traité.

En foi de quoi, les Soussignés ont dressé le présent Protocole, qu'ils ont revêtu du sceau de leurs Chancelleries.

Fait à Cetinje, le vingt et unième jour du mois de Janvier, de l'an mil huit cent quatre-vingt-deux.

## ANNEX TO CONTRACT NO. 1428.

Philip Bevan.

## FITTINGS AND CONNECTIONS FOR THE DIAMOND DRILLS.

The contractor must provide all necessary tools and labor, and also all material where so specified in the schedule, for fully completing all work which may be ordered, and he shall deliver such work at the nearest railway station, or at any other place not exceeding a distance of one mile from his workshop, which may be indicated by the officer in charge. Each delivery must be accompanied by an invoice or delivery note. Delivery will not be deemed to have been made until the goods shall have been approved of.

The contractor will be required to furnish his account in the prescribed form, monthly, accompanied by the orders for the goods, and receipts from the persons to whom the same have been delivered.

The contract will be for such articles or repairs as may be ordered until the 30th June 1883, whether such articles or repairs are set forth in this schedule or not. All material and workmanship in connection with this contract are to be of the very best description, and to be to the entire satisfaction of any officer who may be authorized by the Minister of Mines or Secretary for Mines and Water Supply to act on behalf of the Department of Mines in connection with this contract, and such officer (herein designated the officer in charge) shall have full power to reject any articles he may deem to be not satisfactory or not in every way suitable.

When any order shall have been given to the contractor, he must use every despatch in getting the work done; if he do not, or if the work or material be not to the entire satisfaction of the officer in charge, it shall be optional with such officer in charge to cancel such order and get the work required done wherever he shall think fit, at the contractor's risk and expense; and any extra expense so incurred over the contract price will be deducted from any moneys due to the contractor. The officer in charge shall be the sole judge as to whether the contractor is using all necessary despatch in getting the work done, and as to whether the work or material is of the very best description. On the

contractor receiving any machinery or tool for repairs or otherwise from any of the drills, he must, in every case, send a receipt for the same to the Secretary for Mines, so that an order for the repairs may be sent him.

When any work is ordered that is not enumerated in the schedule, the contractor must give his price in writing for the same before commencing it, and if the price shall appear to be excessive to the officer in charge, such officer shall be at liberty to get prices from other persons and get the work done by whomsoever he may think fit, without in any way infringing this contract.

The screw-threads exceeding one inch in diameter (except bolts and nuts) are most of them flat (not V) threads. The department will lend the gauge-taps and nuts to the contractor for fourteen days, when the contractor must return them to the department, having first made gauge-taps and dies for his own use. The department will require the contractor to make standard gauges for all necessary work. These gauges must be properly stamped, and will be the property of the Government. They will be paid for at prices to be agreed on. The contractor must also make duplicate gauges for his own use and at his own expense.

When goods shall be ordered of a size not exceeding one-eighth of an inch over the sizes mentioned in the schedule, the price for such goods shall not be more than that quoted in the schedule. In cases, however, where the size required shall be more than one-eighth of an inch over the sizes mentioned in the schedule, the price specified in the schedule for the next larger size will be paid to the contractor.
