### EXAMINATIONS FOR THE CIVIL SERVICE OF INDIA.

THE subjoined Regulations are published for general information.

By His Excellency's Command,  
J. M. GRANT,  
Chief Secretary.

Chief Secretary's Office,  
Melbourne, 29th December 1882.

[Circular.] Downing street, 2nd November 1882.

SIR,—I have the honor, at the request of the Civil Service Commissioners, to transmit to you the enclosed Regulations, &c., for an Examination of Candidates for the Civil Service of India, which is to be held in 1883.

I have, &c.,  
KIMBERLEY.

The Officer administering the  
Government of Victoria.

#### REGULATIONS FOR THE OPEN COMPETITION OF JUNE 1883.

N.B.—The Regulations are liable to be altered in future years.

1. On the 1st June 1883, and following days, an examination, open to all qualified persons, will be held in London.<sup>1</sup> Not fewer than \_\_\_\_\_ persons will be selected, if so many shall be found duly qualified, viz. :— for the Lower Provinces of Bengal (including Assam); for the Upper Provinces of Bengal (including the Punjab and Oudh); for Burma; for Madras, and for Bombay.<sup>2</sup>

2. No person will be deemed qualified who shall not satisfy the Civil Service Commissioners :—

(i.) That he is a natural-born subject of Her Majesty.  
(ii.) That his age will be above seventeen years and under nineteen years on the 1st January 1883. [N.B.—In the case of natives of India this must be certified by the Government of India or of the Presidency or Province in which the candidate may have resided.]

(iii.) That he has no disease, constitutional affection, or bodily infirmity unfitting him, or likely to unfit him, for the Civil Service of India.

(iv.) That he is of good moral character.

(v.) That he has paid the fee of £5, prescribed under the provisions of the Order in Council of the 22nd March 1879.<sup>3</sup>

3. Should the evidence upon the above points be *prima facie* satisfactory to the Civil Service Commissioners, the candidate will be admitted to the examination. The Commissioners may, however, in their discretion, at any time prior to the grant of the certificate of qualification hereinafter referred to, institute such further inquiries as they may deem necessary; and if the result of such inquiries, in the case of any candidate, should be unsatisfactory to them in any of the above respects, he will be ineligible for admission to the Civil Service of India; and if already selected will be removed from the position of a Probationer.

4. The examination will take place only in the following branches of knowledge :—

	Marks.
English Composition ... ..	300
History of England—including a period selected by the candidate <sup>4</sup> ... ..	300
English Literature—including books selected by the candidate <sup>4</sup> ... ..	300
Greek ... ..	600
Latin ... ..	800
French ... ..	500
German ... ..	500
Italian ... ..	400
Mathematics (pure and mixed) <sup>5</sup> ... ..	1,000
Natural Science: that is the elements of any two of the following sciences, viz.: Chemistry, 500; Electricity and Magnetism, 300; Experimental Laws of Heat and Light, 300; Mechanical Philosophy, with Outlines of Astronomy, 300.	
Logic ... ..	300
Elements of Political Economy ... ..	300

Arabic <sup>6</sup> ... ..	500

Candidates are at liberty to name any or all of these branches of knowledge. No subjects are obligatory.

<sup>1</sup> An order for admission to the examination will be sent to each candidate on the 18th of May.

<sup>2</sup> The numbers will be announced hereafter.

<sup>3</sup> The fee will be £5, payable by means of a special stamp according to instructions which will be communicated to candidates.

<sup>4</sup> A considerable portion of the marks for English History and Literature will be allotted to the works selected by the candidate. See notice respecting the examination in the History of England and English Literature. In awarding marks for this, regard will be had partly to the extent and importance of the periods or books selected, but chiefly to the thoroughness with which they have been studied.

<sup>5</sup> The examination will range from Arithmetic, Algebra, and Elementary Geometry, up to the elements of the differential and integral calculus, including the lower portions of applied Mathematics.

<sup>6</sup> The standard of marking in Sanskrit and Arabic will be determined with reference to a high degree of proficiency, such as may be expected to be reached by a native of good education.

5. The merit of the persons examined will be estimated by marks; and the number set opposite to each branch in the preceding regulation denotes the greatest number of marks that can be obtained in respect of it.

6. The marks assigned to candidates in each branch will be subject to such deduction as the Civil Service Commissioners may deem necessary, in order to secure that "a candidate be allowed no credit at all for taking up a subject in which he is a mere smatterer."

7. The examination will be conducted on paper and *visà voce*, as may be deemed necessary.

8. The marks obtained by each candidate, in respect of each of the subjects in which he shall have been examined, will be added up, and the names of the several candidates who shall have obtained, after the deduction above mentioned, a greater aggregate number of marks than any of the remaining candidates, will be set forth in order of merit, and such candidates shall be deemed to be selected candidates for the Civil Service of India, provided they appear to be in other respects duly qualified. Should any of the selected candidates become disqualified, the Secretary of State for India will determine whether the vacancy thus created shall be filled up or not. In the former case, the candidate next in order of merit, and in other respects duly qualified, shall be deemed to be a selected candidate. A selected candidate declining to accept the appointment which may be offered to him will be disqualified for any subsequent competition.

9. Selected candidates, before proceeding to India, will be on probation for two years, during which time they will be examined periodically, with a view of testing their progress in the following subjects :—<sup>7</sup>

	Marks.
1. Law ... ..	1,250
2. Classical Languages of India—	
Sanskrit ... ..	500
Arabic ... ..	400
Persian ... ..	400
3. Vernacular Languages of India (each) ... ..	400
4. The History and Geography of India ... ..	350
5. Political Economy ... ..	350

In these examinations, as in the open competition, the merit of the candidates examined will be estimated by marks, and the number set opposite to each subject denotes the greatest number of marks that can be obtained in respect of it at any one examination. The examination will be conducted on paper and *visà voce*, as may be deemed necessary. The last of these examinations will be held at the close of the second year of probation, and will be called the "Final Examination," at which it will be decided whether a selected candidate is qualified for the Civil Service of India. At this examination candidates will be permitted to take up any one of the following branches of Natural Science, viz. :—Botany, Geology, or Zoology, for which 350 marks will be allowed.

10. Any candidate who, at any of the periodical examinations, shall appear to have wilfully neglected his studies, or to be physically incapacitated for pursuing the prescribed course of training, will be liable to have his name removed from the list of selected candidates.

11. The selected candidates who, at the final examination, shall be found to have a competent knowledge of the subjects specified in Regulation 9, and who shall have satisfied the Civil Service Commissioners of their eligibility in respect of nationality, age, health, and character, shall be certified by the said Commissioners to be entitled to be appointed to the Civil Service of India, provided they shall comply with the regulations in force, at the time, for that service.

12. Persons desirous to be admitted as candidates must apply on forms which may be obtained from "The Secretary, Civil Service Commission, London, S.W." at any time after the 1st December 1882. The forms must be returned so as to be received at the office of the Civil Service Commissioners on or before 31st March 1883.<sup>8</sup>

The Civil Service Commissioners are authorized by the Secretary of State for India in Council to make the following announcements :—

1. Selected candidates will be permitted to choose, according to the order in which they stand in the list resulting from the open competition, so long as a choice remains, the Presidency (and in Bengal the Division of the Presidency) to which they shall be appointed; but this choice will be subject to a different arrangement, should the Secretary of State, or the Government of India, deem it necessary.<sup>9</sup>

2. The probationers, having passed the necessary examinations, will be required to report their arrival in India within such period after the grant of their certificate of qualification as the Secretary of State may in each case direct.

3. The seniority in the Civil Service of India of the selected candidates shall be determined according to the order in which they stand on the list resulting from the final examination.

<sup>7</sup> Marks assigned in English Composition and Mathematics will be subject to no deduction.

<sup>8</sup> Full instructions as to the course of study to be pursued will be issued to the successful candidates as soon as possible after the result of the open competition is declared.

<sup>9</sup> These forms should be accompanied by evidence on the first four of the points mentioned in Regulation 2, and by a list of the subjects in which the candidate desires to be examined. Evidence of health and character must bear date not earlier than 1st March 1883. Applications for leave to alter or add to the list of subjects named will not be entertained unless received on or before the 5th of May.

<sup>10</sup> This choice must be exercised immediately after the result of the open competition is announced, on such day as may be fixed by the Civil Service Commissioners.

4. An allowance amounting to £300 will be given to all candidates who pass their probation at one of the universities or colleges which have been approved by the Secretary of State, viz. :—The Universities of Oxford, Cambridge, Glasgow, Edinburgh, St. Andrew's, and Aberdeen; Trinity College, Dublin; University College, London; and King's College, London; provided such candidates shall have passed the required examinations to the satisfaction of the Civil Service Commissioners, and shall have complied with such rules as may be laid down for the guidance of selected candidates.

5.
