I HAVE the honor, in accordance with section 12 of *The Scab Act*, to hand this my report of the district for the quarter ending with the year on the 31st ultimo, and am glad to be able to report the district as well as the colony free from scab.

The absurd report of scab near Ballarat turned out on enquiry to be nothing, but newspaper editors should be more cautious in spreading such reports, as it might alarm people who know nothing of the nature of the disease.

During the quarter I have given certificates for 1,105 rams, 43,540 ewes, and 2,400 lambs, mixed sexes, to cross into New South Wales; 61 ewes to Western Australia; and 3,312 sheep, mixed sexes, into South Australia; or a total of 50,418 sheep, all from the Geelong district.

Schedule.

1. This license shall not be deemed to prevent the land comprised therein or any part or parts thereof from being sold, leased, or licensed under any of the provisions of parts I., II., or III. of *The Land Act 1869*, except subdivision VII. of the 47th section thereof, or proclaimed a common, or occupied by virtue of any miner's right or business license, or alienated or dealt with under the authority of *The Land Act 1869*, or any other Act now or hereafter to be in force, otherwise than for pastoral or depasturing purposes, or resumed by order of the Governor, acting by and with the advice of the Executive Council, for railways, roads, telegraph lines, dams, reservoirs, races, catchwater drains, pipe-tracks, quarries, or other public purposes; and no licensee shall in any such case be entitled to compensation other than the return of such portion of the fee paid by him as the Minister may think fit.
