**PRESENT:**

His Excellency the Governor.

Mr. Service	Mr. Tucker
Mr. Berry	Mr. Levien
Mr. Gillies	Mr. Sargood.
Mr. Langridge	

**WHEREAS** by the 30th section of the Act No. 446, intituled *An Act to amend the Mining Statute 1865*, it is enacted that the Governor in Council, in the name and on behalf of Her Majesty, upon application made to him for that purpose, may grant leases to any person of mines in, under, or upon lands granted or reserved for railways, waterworks, public parks, places of recreation, or other public purposes, subject to such regulations as may be from time to time passed by the Governor in Council for that purpose, and with the consent of the Board of Land and Works, in whom the said lands are vested: And whereas by virtue of the Act No. 767, intituled *An Act to make better provision for the construction, maintenance, and management of State Railways*, all lands granted or reserved for railways are invested in the Victorian Railways Commissioners: And whereas in pursuance of the powers conferred by the said Act No. 446, regulations were made and passed by the Governor in Council on the 26th day of May 1885: And whereas it is expedient to cancel the same and to substitute other Regulations in lieu thereof: Now therefore I, the Governor of Victoria, with the advice of the Executive Council, do hereby cancel the aforesaid regulations bearing date the twenty-sixth day of May 1885, relating to Mineral Leases of Reserved Lands, and with the advice aforesaid, and in accordance with the provisions of the Act first above-recited do make the regulations following in lieu thereof, that is to say:—

**REGULATIONS RELATING TO MINING LEASES OF RESERVED LANDS.**

**INTERPRETATION CLAUSE.**

1. In construing these regulations the following words and expressions shall have the meanings hereafter assigned to them, except where inconsistent with the context:—

"The Minister" shall mean the responsible Minister of the Crown administering the Act aforesaid.

"The Warden" shall mean a Warden of the Goldfields in and for the colony, or any district thereof, in which the mines or some portion thereof are situated.

"The Clerk" shall mean a Warden's Clerk or a Clerk of Petty Sessions.

The singular number shall include the plural and the plural the singular.

**MANNER IN WHICH LEASES SHALL BE APPLIED FOR.**

2. Any person desiring to obtain a lease of mines in, under, or upon any lands, vested in the Board of Land and Works, or the Victorian Railways Commissioners, which have been granted or reserved for railways, waterworks, public parks, places of recreation, or other public purposes, shall address to the Governor, and leave with the warden, an application, in duplicate, in the form in the schedule hereto, marked A, having attached thereto a plan of the lands in which the mines are situate, showing the situation of the mines and the position and direction of the shafts, drives, and other works proposed to be executed by the applicant for the purpose of mining, and shall,

on the day of his leaving such application with the warden, deposit with the clerk the sum of £5, which shall be appropriated in such manner as the Minister may direct, and shall, within three days after such day, or in the first issue of any such newspaper after the expiration of three days from such day, insert as an advertisement, in a newspaper circulating in the neighborhood of the mines, a copy of such application.

3. On receipt of any such application, the warden shall cause to be entered in a book, kept for the purpose, a note of the application, numbered in order, and the day and hour when the same was left with him, and shall cause to be endorsed a similar note on both such duplicate applications.

4. In cases where more than one application is made for the same land, the first in order of receipt shall be first dealt with.

**OBJECTIONS.**

5. Any person objecting to any application made under these regulations shall, previous to the time appointed for the inquiry by the warden hereinafter provided for, lodge with the warden and leave for the applicant, or, if more than one, for each applicant, at his or their address stated in the said application, a statement in writing of the grounds of his objections, and at the time of leaving his statement with the warden, deposit with the clerk of the warden, or with any other clerk in his office authorized to receive deposits, the sum of £5, which shall be dealt with and appropriated in such manner as the Minister may direct.

**INQUIRY INTO APPLICATIONS AND OBJECTIONS.**

6. The warden shall proceed to hold an inquiry at a time and place to be notified by him to the applicant and all other persons who shall notify, in writing, to such warden that they are interested in the inquiry, and such time shall be not less than fourteen clear days after the publication of such advertisement, and every applicant shall receive not less than seven clear days' notice, and every such other person shall receive the same notice as an applicant, or such notice as the time of his notifying his interest to the warden will allow.

7. At such inquiry the warden shall take evidence in relation to the application and the objections thereto (if any); and shall within seven days after termination of the inquiry forward to the Minister the application, together with the objections thereto (if any) and the evidence taken by him and his opinion thereon.

8. The warden shall have power to adjourn the hearing to any other time or place.

9. Any applicant or objector shall be permitted to take a copy of the application and the evidence, and any other documents produced at the inquiry, at any time before the same shall have been forwarded to the Minister.

**LEASES.**

10. Upon receiving from the warden any such application the Minister shall, if he think fit, cause the same and the documents accompanying it to be submitted to the Governor in Council and the Board of Land and Works, and to the Victorian Railways Commissioners, who shall determine—

Whether to grant such application subject to any and what covenants, clauses, stipulations, restrictions, and conditions, or whether to refuse such application, and to determine what sum of money (if any) ought to be paid by the applicant as compensation for damage to the lands on which the mines are situate, and what security (if any) shall be given by the applicant to make good any damage that may result from his mining beyond that for which such sum to be paid as aforesaid shall be a sufficient compensation.

11. Whenever the Governor in Council shall order a lease to issue under these regulations, the Minister shall cause such lease to be prepared and submitted to the Board of Land and Works, and to the Victorian Railways Commissioners, for their approval, and the rent reserved by every such lease shall be such as the Governor in Council shall determine.

**MISCELLANEOUS RULES.**

12. If any applicant shall make default in proceeding in accordance with these regulations, or if he neglect to execute and take delivery of the lease within sixty days after a notice properly addressed has been sent to him through the post office that the lease is ready for execution, the Minister may, by an order under his hand, declare the application abandoned, and cause to be published in the *Government Gazette* a notice to that effect, and after the publication of any such notice such applicant shall not be entitled to proceed with his application or to execute or accept delivery of any such lease: Provided that, in any case where an applicant appears at an inquiry by an agent, or gives sufficient reasons in writing on or before the day on which the inquiry is to be holden why he cannot appear, his application shall be proceeded with at such times and places as the warden may think fit.

13. Before executing any lease the applicant shall pay to the Receiver and Paymaster of the district within which the mines lie the cost of the preparation of the lease; and also the first half-year's rent reserved in the lease, and any sum to be paid by him by way of compensation, and shall give any security that may be required of him, as hereinbefore provided, and he shall produce receipts for such payments and such other payments as under the provisions of the Act he may have been required to make before executing the lease; and he shall not be permitted to execute the lease and the same shall not be delivered to him until such receipts have been produced and such security has been given.

14. If the lease shall be refused a notice to that effect shall be published in the *Government Gazette*, and all proceedings in relation to the application shall be stopped; but the applicant, or any other person, may make a fresh application for the same mine, and such application shall in all respects be dealt with as the Act and these regulations prescribe.

15. Any applicant may at any time withdraw his application by giving notice in writing to the Minister; and in like manner

any objector may, before or during the inquiry held by the warden, withdraw his objections.

16. Any applicant or objector may proceed under these regulations by his attorney, provided that such attorney be constituted by the execution of a power-of-attorney for that purpose in such form as shall be approved of by the Minister.

17. Any person or persons being the holder of a lease granted under these regulations, except any person who by operation of law shall be entitled to sell or dispose of such lease for the benefit of creditors, in which case no license shall be necessary, may apply to the Minister for a license under the hand and seal of the Governor to transfer, underlet, mortgage, or otherwise dispose of or encumber such lease, or the mines or premises comprised therein, or any part thereof, and it shall be lawful for the Governor to grant or refuse such license. Every such application must be accompanied with a remittance of £1, which will be returned if the license be not granted. The Minister shall determine the form of the license to be granted.

WHEREAS by section 17 of *The Victorian Water Conservation Act 1884* it is enacted that any municipal council may, with the consent of the Governor in Council, from time to time apply any portion of the municipal fund towards the payment of interest on and the creation of a sinking fund for the liquidation of any moneys borrowed by any Waterworks Trust: And whereas the Municipal Council of the Shire of St. Arnaud is desirous of applying a portion of the municipal fund of the said shire—that is to say, a sum of Seven hundred and forty-seven pounds ten shillings and elevenpence sterling—for the purpose of paying interest (from the 1st day of January 1884 to the 30th day of June 1885) on certain moneys borrowed by the St. Arnaud Shire Waterworks Trust.

I therefore recommend His Excellency the Governor in Council to consent to the said sum of Seven hundred and forty-seven pounds ten shillings and elevenpence sterling being applied by the said Municipal Council of the said Shire of St. Arnaud from the municipal fund thereof for the purpose aforesaid.

PROPOSED RE-SUBDIVISION.

IN pursuance of the provisions of *The Local Government Act 1874* (No. 506, sec. 46), the substance and prayer of a Petition, in accordance with the 39th and 44th section of the said Act, which have been presented to His Excellency the Governor in Council, are published, viz. :—

The Petitioners purport to be at least one fourth of the persons whose names are for the time being on the municipal roll of the Shire of Goulburn, and state that they are desirous that the said shire be re-subdivided into three Ridings, viz. :—

- The North Riding.
- The Central Riding.
- The Eastern Riding.

Petitioners state that the Ridings, as existing, are unequal and that the proposed re-subdivisions have been agreed to by the Council and ratepayers.

They therefore pray that the necessary steps may be taken to re-subdivide the municipality as described.

Notices on behalf of the petitioners may be served on Mr. T. Howard, Secretary of the Shire of Goulburn, Nagambie.

SHIRE OF BULN BULN.

THE Minister of the Crown administering *The Local Government Act 1874* (38 Vict. No. 506), on the fifteenth day of October 1885, confirmed the Order hereinafter referred to, in pursuance of the 35th section of the said Act, viz. :—

Order of the Council of the Shire of Buln Buln, made on the eighth day of May 1885, for opening a new road through the south-eastern portion of the selection of Daniel Hick, being portion of allotment 98, parish of Longwarry, as described in notice published in the *Government Gazette* of the twenty-seventh day of April 1885.

Commissioner of Public Works.

(Roads and Bridges Branch), Melbourne.

BOROUGHS OF BRUNSWICK AND ESSENDON.

PROPOSED SEVERANCE OF AREA.

IN pursuance of the provisions of *The Local Government Act 1874* (No. 506, sec. 46), the substance and prayer of a Petition, in accordance with the 44th section of the said Act, which has been presented to His Excellency the Governor, are published, viz. :—

The petitioners purport to constitute a majority of the ratepayers in the portion of the Borough of Brunswick which is described in their petition, and they desire that the area so described may be severed from the Borough of Brunswick and annexed to the Borough of Essendon.

Area described in the petition :—

Commencing at a point in Albion street, West Brunswick, seventy chains from Sydney road, at a street known as Trenowith street in a straight line passing north through the property of Mr. Andrew Hamilton to Moreland road, westward along Moreland road to the Moonee Ponds Creek, along Moonee Ponds Creek to Dawson street, along Dawson street eastward to the line of Grant street, passing along Grant street to Albion street, and eastwards along Albion street to the point of commencement.

Petitioners state that being part of Brunswick is detrimental to the progress of Moonee Valley, that the roads in the area are altogether neglected, and are dangerous to the public, that wandering cattle constantly graze on said roads, doing great damage to fences and gardens; that they view with alarm a project by the council of the said borough to borrow a large amount of money in which they would be involved in the payment of interest and liquidation for thirty years without deriving any advantage; that they are regarded as outside the Borough of Brunswick, being so far from the centre of management, that they are more convenient to the municipal chambers and district of Essendon, their properties being really part of that district.

Petitioners therefore pray—

“That your Excellency, in Council, will sever the area described from the Borough of Brunswick and annex it to the Borough of Essendon.”

Notices for the petitioners may be served upon Mr. Fredk. Thos. Cadman, of Albion street, West Brunswick.

Commissioner of Public Works.

TENDERS will be received by the Board of Land and Works, up to Noon of Monday, 28th December 1885, for the occupation for Grazing purposes only of the following unappropriated portions of land, subject to the Regulations approved by the Governor in Council and also the subjoined special conditions.

Every license granted under section 119 of *The Land Act 1884* shall be subject to the conditions set forth in the schedule hereto, and to such special conditions and payment in advance of such fees as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

Under sections 3 and 4 of *The Rabbit Suppression Act Amendment Act 1884*, all licenses under the section for which these licenses will issue are liable for the destruction of rabbits within the boundaries of their licenses.

#### Conditions:

1. The issue of this license shall not prevent the land comprised therein or any part or parts thereof being sold, leased, licensed, alienated, or dealt with under any of the provisions of *The Land Act 1884*, except under the 119th section thereof, under which the license is issued, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of *The Land Act 1884*, or for mining purposes.

2. No licensee shall, in case of any resumption, be entitled to any compensation other than the return of such portion of the fee paid by him as the responsible Minister of the Crown for the time being administering Part XI. of *The Land Act 1884* may think fit. This license is also subject to the rights of the holders

3. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this license shall be deemed within its operation.

4. This license entitles the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but does not confer any right to build thereon, or to cultivate, or to fence any portion thereof.

5. If the licensee desire a renewal of this license, notice to that effect must be given to the responsible Minister aforesaid one month prior to the expiration thereof, but nothing herein contained shall be deemed to confer the right to any renewal.

6. The interest in this license may not be transferred without the consent of the Minister aforesaid and the payment of a fee of £1.

7. No claim whatever shall be made or entertained by reason of this license not being renewed or transferred.

8. This license is to be used under and in accordance with the regulations made or to be made under the provisions of the said Act and for the time being in force.

9. This license may be forfeited if the licensee commit a breach or neglect to comply with any of these conditions.

10. The publication of a notice in the *Government Gazette* purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this license shall be conclusive evidence that the license is forfeited.

TENDERS will be received by the Board of Land and Works, up to Noon of Monday, 2nd November 1885, for the occupation for Grazing purposes only of the following unappropriated portions of land, subject to the Regulations approved by the Governor in Council and also the subjoined special conditions.

Every license granted under section 119 of *The Land Act 1884* shall be subject to the conditions set forth in the schedule hereto, and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

Under sections 3 and 4 of *The Rabbit Suppression Act Amendment Act 1884*, all licenses under the section for which these licenses will issue are liable for the destruction of rabbits within the boundaries of their licenses.

#### Conditions :

1. The issue of this license shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of *The Land Act 1884*, except under the 119th section thereof, under which the license is issued, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of *The Land Act 1884*, or for mining purposes.

2. No licensee shall, in case of any resumption, be entitled to any compensation other than the return of such portion of the

fee paid by him as the responsible Minister of the Crown for the time being administering Part XI. of *The Land Act 1884* may think fit. This license is also subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine therein, and to erect and occupy mining plant and machinery, without making any compensation for surface or other damage.

3. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this license shall be deemed within its operation.

4. This license entitles the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but does not confer any right to build thereon, or to cultivate, or to fence any portion thereof.

5. If the licensee desires a renewal of this license, notice to that effect must be given to the responsible Minister aforesaid one month prior to the expiration thereof, but nothing herein contained shall be deemed to confer the right to any renewal.

6. The interest in this license may not be transferred without the consent of the Minister aforesaid and the payment of a fee of £1.

7. No claim whatever shall be made or entertained by reason of this license not being renewed or transferred.

8. This license is to be used under and in accordance with the regulations made or to be made under the provisions of the said Act and for the time being in force.

9. This license may be forfeited if the licensee commit a breach or neglect to comply with any of these conditions.

10. The publication of a notice in the *Government Gazette* purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this license, shall be conclusive evidence that the license is forfeited.
