Mr. Service	Mr. Tucker
Mr. Berry	Mr. Levien
Mr. Kerford	Mr. Sargood
Mr. Gillies	Mr. Campbell.
Mr. Langridge	

WHEREAS by an Act of the Parliament of the Colony of Victoria, passed in the fortieth year of the reign of Her present Majesty Queen Victoria, intitled *The Trade Marks Registration Act 1876*, it was amongst other things enacted, that the Governor-in-Council might from time to time make, and when made, alter, annul, or vary such general rules as to the registry of trade-marks and as to notices to be given by advertisement before the registration of trade-marks, and as to the classification of goods for the purposes of the said Act, and as to the registration of first and subsequent proprietors of trade-marks, and also for the continuance of a trade-mark on the register or otherwise, and as to the removal from the registrar of any trade-mark as to notices, and as to the persons entitled to inspect the register, and as to any proceedings to be taken to obtain the judgment or leave of the court in any matter in which the judgment or leave of the court is required to be obtained under the said Act, and as to the fees to be charged, and generally for the purpose of carrying into effect the said Act as he might deem expedient.

Now therefore His Excellency the Governor, by and with the advice and consent of the Executive Council, doth hereby, in exercise of the powers conferred by the above recited Act, make the following general rules (that is to say):—

1. *Fees.*—The fees specified in the first schedule hereto shall be payable to the registrar-general.

2. *Classification of goods.*—For the purposes of these rules goods are classified in the manner appearing in the second schedule hereto.

3. *Determination of doubt as to classes.*—If any question arise as to the class to which any particular description of goods belongs, the matter shall be determined by the Registrar-General.

4. *Registration of different trade-marks, or trade-marks in different classes.*—A trade-mark may be registered in pursuance of the same application by the same person in respect of all or any goods, subject to the payment of the additional fees specified in the first schedule in respect of the registration of different trade-marks, or the extension of the same trade-marks to goods in different classes.

5. *Application for registration.*—Any person desiring to register a trade-mark shall make application to the Registrar-General in the form of the third or fourth schedule hereto. The application to be on foolscap paper having a margin on the left hand of not less than one inch and a half.

6. *Nature and size of representation of trade-mark.*—A description of a trade-mark shall be given, and shall be accompanied when practicable by a drawing or other representation, in duplicate, not more than three inches square, on foolscap paper, by pasting or otherwise fastening on such paper a specimen of the trade-mark.

When a drawing or other representation or specimen cannot be given in manner aforesaid, a specimen or copy of the trade-mark may be sent either of full size or on a reduced scale. The Registrar-General may, if dissatisfied with the drawing or other representation of a trade-mark, require a fresh drawing or other representation, either before he proceeds with the application or before he registers the trade-mark.

The Registrar-General may also in exceptional cases receive and keep in his office a specimen or copy of any trade-mark which cannot conveniently be placed on his register.

7. *Advertisement of trade-mark application.*—As soon as may be after the receipt of an application, the Registrar-General shall require the applicant to advertise such application in the *Government Gazette*, and in such other newspaper as the Registrar-General may, if he think necessary, direct, during such time, in such form, and generally in such manner as the Registrar-General may determine.

8. *Means of advertising trade-mark to be supplied.*—For the purposes of such advertisement the applicant may be required to furnish the Government Printer, and the printer of such other newspaper, with a wood block or electrotype of the trade-mark, of such dimensions or with such information or means of advertising the trade-mark as may be determined by the Registrar-General.

9. *Notice and proceedings for objection.*—Notice of objection to any application may be given within three months of the publication of such advertisement to the Registrar-General by sending the same in duplicate on foolscap paper, stating the grounds of the objection. The Registrar-General shall send one copy of such notice to the applicant.

Within three weeks after receipt of such notice, or such further time as the Registrar-General may allow, the applicant may send to the Registrar-General a counter statement on foolscap paper, and if he fails to do so his application shall be deemed to be withdrawn.

The Registrar-General, after hearing the applicant and objector, may order costs to be paid by either of them as he may think fit.

10. *Time of registration of trade-mark.*—On the expiration of three months from the date of the first appearance of the advertisement in the *Government Gazette*, the Registrar-General may,

11. *Date of registration.*—When a trade-mark shall be registered, the date on which the application for registration was received by the Registrar-General shall be deemed to be the date of registration.

12. *Assignment.*—When a trade-mark has been assigned, any person claiming to be registered as assignee shall send to the Registrar-General an application in the form of the fifth schedule hereto, and shall forward therewith an assignment by deed duly executed.

13. *Transmissions.*—When a trade-mark is transmitted by operation of law, the person applying to be registered as the transmittee shall send to the Registrar-General an application in the form of the fifth schedule hereto, and shall produce to the Registrar-General such evidence as he may desire in support of such application.

14. *Removal of trade-mark after seven years, unless fees paid.*—At the expiration of seven years from the date of registration, or within six months thereafter, unless the fees prescribed for continuance be paid, the trade-mark may be removed from the register.

15. *Payment of additional fee after expiration of seven years.*—If before the expiration of the said six months the registered proprietor pays the said fee together with the additional prescribed fee, the Registrar-General may, without removing such trade-mark from the register, accept the said fee as if it had been paid before the expiration of the said seven years.

16. *Power of Registrar-General to restore trade-mark.*—When a trade-mark has been so removed from the register, the Registrar-General may, if he is satisfied that it is just so to do, restore such trade-mark to the register on payment of the additional fee prescribed and compliance with such conditions as he may think fit.

17. *Trade-mark like one removed not to be registered for five years.*—When a trade-mark has been removed from the register for non-payment of the fee or otherwise, such trade-mark shall nevertheless for five years after the date of such removal be deemed, for the purpose of section 8 of the Act No. 539, to be a trade-mark which is already registered.

18. *Publication of rectification or alteration of register.*—Whenever the register is rectified or altered in any particular, the Registrar-General shall, if he consider that such rectification or alteration should be made public, publish at the expense of any person interested, by advertisement or otherwise, the circumstances attending such rectification or alteration.

19. *Notice to Registrar-General of opposition in any matter.*—When any person objects to the registration of any assignee or transmittee, or to any rectification or alteration of the register, the Registrar-General shall give to the applicant or his agent for such registration, rectification, or alteration, the like notice. The Registrar-General in such case may, if he think fit, require the parties interested to submit their claims to the Supreme Court.

20. *Submission to court of conflicting claims.*—Where the Registrar-General refuses to comply with the claims of any persons until their rights have been determined by the Supreme Court, the manner in which the rights of such claimants may be submitted to the Supreme Court by the Registrar-General, or by the claimants, if the Registrar-General so require, shall, unless the Court otherwise order, be by a special case or statement of questions of fact without pleadings, and the same shall be filed and proceeded with in like manner as in the case of any other special case or statement of questions of fact without pleadings submitted to the Supreme Court.

21. The special case or statement of questions of fact may be agreed to by the parties, and, if they differ, may be settled by the Registrar-General.

22. Applications, statements, notices, and documents, required by the Act No. 539, or by these rules, to be served or sent, shall be in writing or print, or partly in writing and partly in print, and may be delivered personally or sent by post, and if sent by post shall be deemed to have been served and received respectively at the time when the letter containing the same would be delivered in the ordinary course of post; and in proving such service or sending it shall be sufficient to prove that the letter containing the notice was prepaid, duly stamped, and put into the post properly stamped.

PROCLAMATION

By His Excellency Sir HENRY BROUGHAM LOCH, Knight, Commander of the Most Honorable Order of the Bath, Governor and Commander-in-Chief in and over the Colony of Victoria and its Dependencies, &c., &c., &c.

WHEREAS by *The Registration of Births, Deaths, and Marriages Statute 1865* (23 Vict. No. 246, sec. 5) it was amongst other things enacted that the Governor in Council might, by Proclamation in the *Government Gazette*, divide the colony of Victoria into districts and assign the said colony and districts to the Registrar-General and Deputy-Registrars respectively, or to so many of them as he might think fit, and might define the limits of such districts, and from time to time revoke, vary, and alter such division and the limits of such districts. And whereas by a Proclamation under the hand of the Governor and the Seal of the Colony, bearing date the eighteenth day of November One thousand eight hundred and seventy-eight, the limits of the Collingwood District were newly defined. And whereas by another Proclamation under the hand of the Governor and the Seal of the Colony, bearing date the twenty-eighth day of January One thousand eight hundred and seventy-nine, the boundaries of the Fitzroy North Registration District were redefined. And whereas it is expedient to alter the boundaries of the said districts and to divide the same into three districts: Now therefore I, the Governor of Victoria, with the advice of the Executive Council, in pursuance of the provisions and for the purposes of the said Act, do hereby revoke by this Proclamation the said Districts of Collingwood and North Fitzroy, and do divide the limits thereof into three districts, the designations and boundaries of which said districts are hereunder set forth, that is to say:—

Commencing at the intersection of Johnston and Nicholson streets; thence along Nicholson street to its intersection with Park street east; thence along Park street east to Bennie street; thence by Bennie, Falconer, and Delbridge streets to the Heidelberg road; thence by the Heidelberg road to Smith street; thence along Smith street to its intersection with Johnston street; thence along Johnston street to the commencing point.

SHIRES OF KYNETON AND NEWHAM.

PROPOSED SEVERANCE OF AREA.

IN pursuance of the provisions of *The Local Government Act 1874* (No. 506, sec. 46), the substance and prayer of a Petition, in accordance with the 44th section of the said Act, which has been presented to His Excellency the Governor, are published, viz.:-

The petitioners purport to constitute a majority of the rate-payers in the portion of the Shire of Kyneton which is described in their petition, and they desire that the area so described may be severed from the said Shire of Kyneton and annexed to the Shire of Newham as a separate riding, to be called the Campaspe Riding.

Area described in the petition :-

Commencing on the Campaspe River, at the north-east angle of allotment 113, parish of Tylden; thence westerly along the three-chain Tylden main road to the north-west angle of the same allotment; thence southerly by a Government surveyed road as far as the road has been surveyed; thence by a line due south to the Great Dividing Range; thence easterly and northerly along the Great Dividing Range to the south-west angle of the Shire of Newham; thence by the south-west boundary of the Shire of Newham to the north-east angle of allotment 108 F of the parish of Woodend; thence westerly along a surveyed road forming the south boundary of the Shire of Newham to the Campaspe River, terminating at the north-west angle of allotment 111 A, parish of Woodend.

Petitioners state that the area proposed to be severed adjoins the Shire of Newham on two sides, and that all their interests are identical with that shire, and that all their interests are nearest railway station to the most of them, and nearly all their business transactions are with Woodend; that the greater part of their rates has been spent on the Blue Mountain and other roads in the Tylden and Trentham Riding, from which they do not receive any benefit, while the roads from which they would derive benefit have been almost wholly neglected, to their great loss and injury, and the depreciation in value of their property; that they are directly opposed to the proposal of the Council of the Kyneton Shire to raise a loan, or to increase the rate per £, as they are certain they would derive no benefit from the expenditure of the money, whilst they would be taxed to repay the loan.

Petitioners therefore pray :-

"That Your Excellency in Council will sever the area described from the Shire of Kyneton, and annex it to the Shire of Newham as a separate riding, to be called 'The Campaspe Riding.'"

Notices for the petitioners may be served upon Mr. J. C. Roger, C.E., Woodend.

BRIGHT SHIRE.

PROPOSED SEVERANCE OF AREA AND CONSTITUTION OF NEW SHIRE.

IN pursuance of the provisions of *The Local Government Act 1874* (No. 506, sec. 46), the substance and prayer of a Petition, in accordance with the 44th section of the said Act, which has been presented to His Excellency the Governor, are published, viz.:-

The petitioners purport to constitute a majority of the rate-payers in the portion of the Shire of Bright which is described in their petition, and they desire that the area so described may be severed from the shire of Bright and constituted a new shire, under the name or title of "The Shire of Myrtleford."

Area described in the petition :-

Commencing at the junction of the Barwidgee Creek (or Myrtle Creek) with the Ovens River; thence by the said Barwidgee Creek to its source; thence by the ranges forming the watershed of the Ovens and Kiewa rivers to the source of the One-mile Creek; thence by the said One-mile Creek to its junction with the Ovens River; thence by a line west to the Buffalo Ranges; thence by the said range, forming the watershed of the Buffalo and Buckland rivers southerly to the dividing range forming the southern boundary of the Shire of Bright; thence by the said dividing range to the source of the Buffalo River to its junction with the Ovens River; and thence by the said Ovens River to the commencing point.

Petitioners state that the post-town of Myrtleford, within the proposed new shire, is distant about 22 miles from the township of Bright, where the offices of the Bright Shire are situated and the municipal business transacted to the inconvenience of the councillors of the north riding and inhabitants of Myrtleford and its vicinity; that the agricultural interests of Myrtleford are not adequately represented in the present council; that the terminus of the railway from Everton is now situated in Myrtleford, tending to increase and concentrate its business.

They therefore pray :-

"That the area above described may be severed from the Shire of Bright and constituted a separate municipality, to be called the Shire of Myrtleford; and that the number of the councillors be six (6); and that it be subdivided into two ridings, to be called 'The North Riding and South Riding.'"

Notices for the petitioners may be served upon Mr. Joseph Edwards, contractor, Clyde street, Myrtleford.

MOORABBIN SHIRE.

PROPOSED SEVERANCE OF AREA AND CONSTITUTION OF NEW SHIRE.

IN pursuance of the provisions of *The Local Government Act 1874* (No. 506, sec. 46), the substance and prayer of a Petition, in accordance with the 44th section of the said Act, which has been presented to His Excellency the Governor, are published, viz.:-

The petitioners purport to constitute a majority of the rate-payers in the portion of the Shire of Moorabbin which is described in their petition, and they desire that the area so described may be severed from the Shire of Moorabbin and constituted a new shire, under the name or title of "The Shire of Sandringham."

Area described in the petition :-

Commencing on the shore of Port Phillip Bay opposite the north boundary of allotment one, parish of Moorabbin, county of Bourke; thence east to and by said boundary and to the Melbourne and Point Nepean road at the north-east angle of allotment thirty-eight, parish aforesaid; thence south-easterly along Point Nepean road to the Mordialloc Creek; thence to the shore of the bay and northward by the shore to the starting point.

Petitioners state that the area proposed to be severed has more revenue than the other two ridings; that latterly it has been much built upon, and is now advancing by greater strides than formerly; that the interests of the ratepayers in the area described and the other portion of the shire are not in harmony, and it is believed are antagonistic; that miles of streets have recently been made in the area described, and such area is fully ample and of sufficient importance to justify its being made a shire; that the ratepayers of such part have endeavored and will endeavor to make the same a suburb of Melbourne by expending large sums of money in improvements, and that unless the petition is granted their efforts in the future will be greatly impeded.

They therefore pray :-

"That the area above described may be constituted a separate municipality, to be called 'The Shire of Sandringham.'"

Notices for the petitioners may be served upon Mr. Edward Dixon, Phoenix Chambers, Market street, Melbourne.

SWAN HILL SHIRE.

PROPOSED SEVERANCE OF AREA AND CONSTITUTION OF NEW SHIRE.

IN pursuance of the provisions of *The Local Government Act 1874* (No. 506, sec. 46), the substance and prayer of a Petition, in accordance with the 44th section of the said Act, which has been presented to His Excellency the Governor, are published, viz.:-

The petitioners purport to constitute a majority of the rate-payers in the portion of the Shire of Swan Hill which is described in their petition, and they desire that the area so described may be severed from the Shire of Swan Hill and constituted a new shire, under the name or title of "The Shire of Gordon."

Commencing at the junction of the northern boundary of the parish of Jeruk with the Avoca River; thence by the said northern boundary of the parish of Jeruk and the northern boundary of the parish of Marmal to the south-east corner of the parish of Quambatook; thence by the south boundary of the parish of Gredgwin to the south-east corner of said parish of Gredgwin; thence by the eastern boundary of the said parish of Gredgwin to the north-west corner of the parish of Leaghur; thence by the northern boundary of the parish of Leaghur to the Loddon River; thence by the Loddon River to the north-west corner of the parish of Loddon; thence by the northern boundaries of the parishes of Loddon and Mincha West to Pyramid Creek; thence by Pyramid Creek to Box Creek; thence by Box Creek to Kow Swamp; thence by the northern and eastern sides of Kow Swamp to Mount Hope Creek; thence by Mount Hope Creek to its intersection with the southern boundary of the county of Gunbower; thence west by the said southern boundary to the Loddon, at the north-west angle of the parish of Jarlink; thence further west in a direct line to the Avoca River; and thence by the Avoca River to the commencing point.

Petitioners state that the Shire of Swan Hill is in extent the largest shire in the colony, its area being upwards of eleven thousand square miles; that since the constitution of said shire the population has increased to an enormous extent; that the revenue of the shire up to the year 1869 did not exceed £700, but has since increased to upwards of £18,000 per annum; that the enormous extent of the shire and the rapid increase of its municipal business has necessitated the employment of a larger staff of highly salaried officers; that by reason of the largeness of area and the extent of the business of said shire the duties of the officers are, in many instances, neglected or performed in a perfunctory manner by assistants; that by reason of the distance of the shire offices and the consequent expense of attending to the duties of a councillor they are unable to obtain adequate representation in the council.

They therefore pray :-

"That the area above described may be constituted a separate municipality, and that the number of the councillors be nine (9)."

Notices for the petitioners may be served upon Mr. William F. Sheridan, of Durham Ox.

RULES AND REGULATIONS.

At a meeting of the trustees of the above cemetery, held on the 29th Jan. 1885, the following Rules and Regulations were adopted:—

1. All charges must be paid when orders are given, or before the ground or vault is opened.

2. By the 19th section of *The Cemeteries Statute 1864* any person making a vault, or erecting or placing a monument in the cemetery by and with the permission of the trustees, under these rules and upon payment of the charges therein mentioned, is entitled to have, maintain, and keep a vault, monument, or tombstone, according to the terms of such permission, to and for the sole and separate use of such person or persons and their representatives for ever.

3. Applications for such permission to be made at the office of the trustees. A certificate of permission will be granted to the party applying for such permission, on payment of the proper charges.

4. The charges will be remitted on the burial of any person in such cemetery upon an order signed by a justice under the Act of the Parliament of Victoria numbered 310, or on a certificate of a minister of religion, or other evidence proving to the satisfaction of the trustees that such person was a pauper, or that the relations and friends of the deceased are unable to pay the charges.

5. Orders for interments must be given at the office of the trustees during the day previous to that on which it is intended to take place.

6. The trustees will cause all common graves to be dug if requested, but parties wanting brick graves or vaults, or the friends of indigent or other persons who wish to dig the graves themselves, are required to construct them under the directions of the trustees; and, in case interment is to be made in any private grave or vault, the consent, in writing, of the party entitled thereto must be left with the order.

7. The name, age, late place of residence, and probable cause of the death of the deceased must be stated at the time of giving the orders.

8. No graves will be allowed to be reopened for a further interment at a shorter interval than twelve years, unless the grave has been originally sunk to a depth sufficient to admit of such interment.

9. The time fixed for the funeral to be the time when the procession is to be at the cemetery, and the same must be punctually observed.

10. Until otherwise ordered the hours fixed for the performance of funerals will be from 10 a.m. to 6 p.m. in the months of September to April inclusive, and from 10 a.m. to 4 p.m. in the other four months.

11. All monuments, vaults, graves, and gravestones, will be kept in proper condition and repairs, by the trustees, at the expense of the owners.

12. Every coffin in a vault or brick grave to be bricked in, cemented, and covered by a slab of stone, slate, iron, or redgum.

13. A drawing of every stone, tomb, pedestal, or tablet proposed to be erected, and a copy of every epitaph or inscription, must be submitted to the trustees for approval, who are required, by the 18th section of the Act, to determine and fix the position of any objectionable monument, according to the description, size, and character thereof, having reference to the general plan for ornamenting the cemetery. In the erection of tablets, copper cramps must be used.

14. No servant or other person employed by or engaged in any duty on behalf of the trustees will be permitted to receive any gratuity for the discharge thereof.

15. The cemetery will be open daily to the public from sunrise to sunset.

16. The keeper has orders to turn out any person who shall behave indecorously or commit any trespass or injury to the trees, flowers, gravestones, or erections, or otherwise infringe the Act of Parliament relating to cemeteries, or regulation for protection of this cemetery; and such person shall be proceeded against and prosecuted according to law.

17. No dogs, horses, or cattle will be allowed in the cemetery; nor will smoking, nor the lighting of fires be allowed therein without the permission of the trustees.

18. The owners of any and all cattle, or any other animals which may be discovered or known to have been trespassing on or damaging the cemetery or fences, or any part thereof, or any erection whatsoever within the fence, will be prosecuted according to law.

19. A plan of the cemetery, showing the position of the purchased and other graves, is kept at the office, and may be inspected, and registers of all grants are kept by the secretary.

20. By *The Cemeteries Statute 1864*, any person who shall wantonly destroy or do or cause to be done any damage to any monument, vault, tombstone, building, erection, fence, shrubbery, tree, or plant, in the said cemetery, is guilty of a misdemeanor, and, being convicted thereof, will be liable, for every such offence, to a penalty not exceeding Twenty pounds, or, at the discretion of the justices, to imprisonment for any
