Lord Steward,  
Mr. Trevelyan.

WHEREAS by the Extradition Acts 1870 and 1873 it was amongst other things enacted that, where an arrangement has been made with any foreign State with respect to the surrender to such State of any fugitive criminals, Her Majesty may, by Order in Council, direct that the said Acts shall apply in the case of such foreign State; and that Her Majesty may, by the same or any subsequent Order, limit the operation of the Order, and restrict the same to fugitive criminals who are in or suspected of being in the part of Her Majesty's dominions specified in the Order, and render the operation thereof subject to such conditions, exceptions, and qualifications as may be deemed expedient; and that if by any law made after the passing of the Act of 1870 by the Legislature of any British possession, provision is made for carrying into effect within such possession the surrender of fugitive criminals who are in or suspected of being in such British possession, Her Majesty may, by the Order in Council applying the said Acts in the case of any foreign State, or by any subsequent Order suspend the operation within any such British possession of the said Acts, or of any part thereof, so far as it relates to such foreign State, and so long as such law continues in force there, and no longer:

## ARTICULO VI.

En la República Oriental del Uruguay el procedimiento para solicitar y obtener la extradición será el siguiente:—

El Representante Diplomático ó el Cónsul-General de la Gran Bretaña dirigirá al Ministro Secretario de Estado en el Departamento de Relaciones Exteriores de la República, con la demanda de extradición, una copia auténtica y legalizada de la sentencia ó del auto de prision, expedido por autoridad competente, ó otros documentos de la misma fuerza legal contra la persona acusada, manifestando claramente el crimen ó delito por el cual se procede contra el fugitivo. A esos documentos judiciales se acompañarán, si es posible, las señas de la persona reclamada y cualesquiera otras noticias ó datos que puedan ser útiles para identificarla.

Estos documentos serán comunicados por el Ministro de Relaciones Exteriores al Superior Tribunal de Justicia, quien á su vez los pasará al Juez Letrado del Crimen. Este funcionario tendrá poder, autoridad y jurisdicción para, en virtud de la requisición respectiva, expedir la orden formal de arresto de la persona reclamada, á fin de que se le haga comparecer ante sí, y de que en su presencia y oyendo sus descargos, se tomen en

after hearing his defence the proofs of his criminality may be taken into consideration; and if the result of this audience be that the said proofs are sufficient to sustain the charge, he shall be obliged to issue the formal order of delivery, giving notice thereof, by the medium of the Superior Tribunal de Justicia, to the Minister of Foreign Relations, who shall dictate the necessary measures for placing the fugitive at the disposal of the British Agents charged to receive him.

In case the documents furnished by Her Britannic Majesty's Government for the identification of the person claimed, or the information obtained for the same end by the authorities of the Oriental Republic of the Uruguay, be held to be insufficient, notice shall immediately be given of the fact to the Diplomatic Representative or Consular Agent of Great Britain, the person under arrest remaining in custody until the British Government shall have furnished new proofs to establish the identity of such person, or evidence to clear up other difficulties relating to the examination of, and decision upon, the matter.

The arrest above referred to of the person proceeded against for any of the crimes or offences specified in this Treaty shall not be prolonged more than three months. At the expiration of that period, if the Government making the claim shall not have fulfilled the conditions above stated, the prisoner shall be released, and shall not be liable to be rearrested on the same charge.

#### ARTICLE VII.

In the dominions of Her Britannic Majesty, other than the Colonies or foreign Possessions of Her Majesty, the manner of proceeding, in order to demand and obtain extradition, shall be as follows:—

(a.) In the case of a person accused—The requisition for the surrender shall be made to Her Britannic Majesty's Principal Secretary of State for Foreign Affairs by the Diplomatic Representative or Consul-General of the Oriental Republic of the Uruguay. The said demand shall be accompanied by a warrant of arrest or other equivalent judicial document, issued by a Judge or Magistrate duly authorized to take cognizance of the acts charged against the accused in that Republic, and duly authenticated depositions or statements taken on oath before such Judge or Magistrate, clearly setting forth the said acts, and containing a description of the person claimed, and any particulars which may serve to identify him.

The said Principal Secretary of State shall transmit such documents to Her Britannic Majesty's Principal Secretary of State for the Home Department, who shall then, by order under his hand and seal, signify to some Police Magistrate in London that such requisition has been made, and require him, if there be due cause, to issue his warrant for the apprehension of the fugitive. On the receipt of such order from the Secretary of State, and on the production of such evidence as would, in the opinion of the Magistrate, justify the issue of the warrant if the crime had been committed in the United Kingdom, he shall issue his warrant accordingly.

When the person claimed shall have been apprehended, he shall be brought before the Magistrate who issued the warrant, or some other Police Magistrate in London. If the evidence to be then produced shall be such as to justify, according to the law of England, the committal for trial of the prisoner, if the crime of which he is accused had been committed in the United Kingdom, the Police Magistrate shall commit him to prison to await the warrant of the Secretary of State for his surrender, sending immediately to the Secretary of State a certificate of the committal and a report upon the case.

After the expiration of a period from the committal of the prisoner, which shall never be less than fifteen days, the Secretary of State shall, by order under his hand and seal, order the fugitive criminal to be surrendered to such person as may be duly authorized to receive him on the part of the Oriental Republic of the Uruguay.

(b.) In the case of a person convicted—The course of proceeding shall be the same as above indicated, except that the warrant to be transmitted by the Diplomatic Representative or Consul-General of the Oriental Republic of the Uruguay in support of his requisition shall clearly set forth the crime or offence of which the person claimed has been convicted, and state the place and date of his conviction.

The evidence to be produced before the Police Magistrate shall be such as would, according to the law of England, prove that the prisoner was convicted of the crime charged.

(c.) Persons convicted by judgment in default or *arrêt de contumace* shall be, in the matter of extradition, considered as persons accused, and, as such, be surrendered.

(d.) After the Police Magistrate shall have committed the accused or convicted person to prison to await the order of a Secretary of State for his surrender, such person shall have the right to apply for a writ of *habeas corpus*; if he should so apply, his surrender must be deferred until after the decision of the Court upon the return to the writ, and even then can only take place if the decision is adverse to the applicant. In the latter case the Court may at once order his delivery to the person authorized to receive him, without the order of a Secretary of State for his surrender, or commit him to prison to await such order.

#### ARTICLE VIII.

Warrants, depositions, or statements on oath, issued or taken in the dominions of either of the two High Contracting Parties, and copies thereof, and certificates of or judicial documents stating the fact of conviction, shall be received in evidence in proceedings in the dominions of the other, if purporting to be signed or certified by a Judge, Magistrate, or officer of the country where they were issued or taken, provided such warrants, depositions, statements, copies, certificates, and judicial documents are authenticated by the oath of some witness, or by being sealed with the official seal of the Minister of Justice, or some other Minister of State.

consideracion las pruebas de criminalidad, y si de esta audiencia resultase que dichas pruebas son suficientes para sostener la acusacion, estará obligado á expedir la orden formal de entrega, avisandolo por intermedio del Superior Tribunal de Justicia al Ministro de Relaciones Exteriores, quien dictará las medidas conducentes á fin de poner el fugitivo á disposicion de los Agentes Británicos encargados de recibirlo.

En caso de que los documentos suministrados por el Gobierno de Su Magestad Británica para la identificacion de la persona reclamada, ó de que los datos obtenidos por las autoridades de la República Oriental del Uruguay con el mismo fin se considerasen insuficientes, se dará inmediatamente aviso de ello al Representante Diplomático ó Agente Consular de la Gran Bretaña, quedando Detenida la persona arrestada hasta que el Gobierno Británico haya suministrado nuevas pruebas para establecer la identidad de aquella ó para esclarecer cualquiera otra dificultad relativa al examen y resolucion del asunto.

El arresto á que se ha hecho referencia anteriormente de la persona perseguida por alguno de los crímenes ó delitos especificados en este Tratado no podrá prolongarse mas de tres meses. Vencido este plazo, si el Gobierno reclamante no ha llenado aquella condicion, el preso será puesto en libertad y no podrá ser detenido nuevamente por la misma causa.

#### ARTICULO VII.

En los Estados de Su Magestad Británica, con concepcion de las Colonias ó Posesiones extranjeras, el procedimiento para pedir y obtener la extradicion será el siguiente:—

(a.) En el caso de una persona acusada, la demanda será dirigida al Principal Secretario de Estado de Su Magestad Británica por los Negocios Estrangeros por el Representante Diplomático ó el Cónsul-General de la República Oriental del Uruguay. A dicha demanda acompañará un auto de prision ó otro documento judicial equivalente expedido por un Juez ó Magistrado competentemente autorizado para conocer en la causa formada al acusado en esta República, y las deposiciones ó declaraciones bajo juramento ante dicho Juez ó Magistrado, manifestando claramente el crimen ó delito de que se le acusa, y por último, si es posible, la seña de la persona reclamada, y cualesquiera otros datos que puedan ser útiles para establecer su identidad.

Dicho Principal Secretario de Estado transmitirá los documentos enunciados al Principal Secretario de Estado de Su Magestad Británica para los Negocios Interiores ("Home Department"), quien, por una orden de su puño y provista de su sello, someterá la demanda de extradicion á un Magistrado de Policia de Londres, requiriendole que espida, si ha lugar, un mandato de prision contra la persona reclamada. Este Magistrado expedirá el mandato requerido si las pruebas presentadas fuesen en su opinion bastantes á justificar igual medida en el supuesto de haberse cometido el crimen ó delito en el Reino Unido. Verificada la aprehension de la persona reclamada se la conducirá ante el Magistrado que dictó el auto de prision ó ante cualquier otro Magistrado de Policia de Londres. Si las pruebas presentadas justificasen, con arreglo á la ley de Inglaterra, la formacion de causa al detenido, en el caso de que el acto por el cual se le acusa hubiese sido cometido en el Reino Unido, el Magistrado de Policia ordenará su prision, hasta que el Secretario de Estado espida la orden para que la extradicion se verifique, y dirigirá inmediatamente á esta certificacion de que así lo ha hecho juntamente con un informe sobre el asunto.

A la terminacion de un plazo no menor de quince dias desde que se ordenó la prision y sujecion á juicio del preso, el Secretario de Estado mandará, por medio de una orden de su puño y provista de su sello, que sea aquel entregado al comisionado autorizado para recibirlo por el Gobierno de la República Oriental del Uruguay.

(b.) En el caso de una persona condenada, el procedimiento será el mismo que queda indicado, salvo que el auto ó mandato que haya de ser presentado por el Representante Diplomático ó Consul-General de la República Oriental del Uruguay en apoyo de la demanda de extradicion expresará claramente el crimen ó delito por el que la persona reclamada haya sido condenado, mencionando al mismo tiempo el lugar y la fecha de la sentencia.

La prueba que en ese caso deberá ser presentada al Magistrado de Policia ha de ser tal naturaleza que establezca que, según la ley de Inglaterra, el detenido ha sido condenado por la infraccion de que se le acusa.

(c.) Los sentenciados en rebeldia ó en contumacia se considerarán para los efectos de la extradicion como acusados y serán entregados en este concepto.

(d.) Despues de verificada por mandato del Magistrado de Policia la prision de la persona acusada ó condenada, hasta que el Secretario de Estado espida la orden de extradicion, dicha persona tendrá el derecho de reclamar un mandato de *habeas corpus*. Si hiciere uso de este derecho, la extradicion se diferirá hasta que el Tribunal falle sobre el incidente, y no podrá llevarse á cabo sino cuando el fallo sea adverso al reclamante. En este caso el Tribunal podrá mandar, sin la orden de un Secretario de Estado, la inmediata entrega del acusado al comisionado autorizado para hacerse cargo de él, ó mantenerle en prision hasta que dicha orden del Secretario de Estado sea expedida.

#### ARTICULO VIII.

Los autos, mandatos, declaraciones juradas, expedidas ó tomadas en los Estados de una de las Altas Partes Contratantes, las copias de esos documentos, así como las certificaciones ó documentos judiciales en que se funde la acusacion ó la condena, serán recibidos como pruebas en el procedimiento de los Estados de la otra, si están provistos de la firma ó certificacion de un Juez, de un Magistrado ó de un funcionario del pais en que hallan sido expedidos ó tomados, y siempre que dichos autos, mandatos, declaraciones, copias, certificaciones, ó documentos judiciales sean certificados por el juramento de un testigo ó por el sello oficial del Ministro de Justicia ó algun otro Ministro de Estado.

ARTICLE IX.

A fugitive criminal may be apprehended under a warrant issued by any Police Magistrate, Justice of the Peace, or other competent authority in either country, on such information or complaint, and such evidence, or after such proceedings as would, in the opinion of the authority issuing the warrant, justify the issue of a warrant if the crime had been committed or the person convicted in that part of the dominions of the two Contracting Parties in which the Magistrate, Justice of the Peace, or other competent authority exercises jurisdiction: Provided, however, that in the United Kingdom the accused shall, in such case, be sent as speedily as possible before a police magistrate in London. He shall in accordance with this article be discharged, as well in the United Kingdom as in the Oriental Republic of the Uruguay, if within the term of thirty days a requisition for extradition shall not have been made by the Diplomatic or Consular Agent of his country in accordance with the stipulations of this Treaty.

The same rule shall apply to the cases of persons accused or convicted of any of the crimes or offences specified in this Treaty, and committed on the high seas on board any vessel of either country which may come into a port of the other.

ARTICLE X.

The stipulations of the present Treaty shall be applicable to the Colonies and foreign Possessions of Her Britannic Majesty.

The requisition for the surrender of a fugitive criminal who has taken refuge in any of such Colonies or foreign Possessions shall be made to the Governor or chief authority of such Colony or Possession by the Chief Consular Officer of the Oriental Republic of the Uruguay in such Colony or Possession.

Such requisition may be disposed of, subject always, as nearly as may be, to the provisions of this Treaty, by the said Governor or chief authority, who, however, shall be at liberty either to grant the surrender or to refer the matter to his Government.

Her Britannic Majesty shall, however, be at liberty to make special arrangements in the British Colonies and foreign Possessions for the surrender of Uruguayan criminals who may take refuge within such Colonies and foreign Possessions, on the basis, as nearly as may be, of the provisions of the present Treaty.

ARTICLE XI.

The claim for extradition shall not be complied with if the individual claimed has been already tried for the same offence in the country whence the extradition is demanded, or if, since the commission of the acts charged, the accusation or the conviction, exemption from prosecution or punishment, has been accorded by lapse of time, according to the laws of that country.

ARTICLE XII.

If the individual claimed by one of the two High Contracting Parties in pursuance of the present Treaty should be also claimed by one or several other powers, on account of other crimes or offences committed upon their respective territories, his extradition shall be granted to that State whose demand is earliest in date.

ARTICLE XIII.

If the individual claimed should be under prosecution, or have been condemned for a crime or offence committed in the country where he may have taken refuge, his surrender may be deferred until he shall have been discharged in due course of law.

In case he should be proceeded against or detained in such country, on account of obligations contracted towards private individuals, the extradition shall nevertheless take place.

ARTICLE XIV.

Every article found in the possession of the individual claimed at the time of his arrest shall, if the competent authority so decide, be delivered up with his person at the time when the extradition takes place. Such delivery shall not be limited to the property or articles obtained by stealing or by fraudulent bankruptcy, but shall extend to everything that may serve as proof of the crime or offence, and shall take place even when the extradition, after having been granted, cannot be carried out by reason of the escape or death of the individual claimed.

The rights of third parties with regard to the said property or articles are nevertheless reserved.

ARTICLE XV.

The High Contracting Parties renounce any claim for the reimbursement of the expenses incurred by them in the arrest and maintenance of the person to be surrendered, and his conveyance as far as the frontier; they reciprocally agree to bear such expenses themselves.

ARTICLE XVI.

The present Treaty shall be ratified, and the ratifications shall be exchanged at Monte Video as soon as possible.

It shall come into operation ten days after its publication, in conformity with the laws of the respective countries, and each of the Contracting Parties may at any time terminate the Treaty on giving to the other six months' notice of its intention to do so.

In witness whereof the respective Plenipotentiaries have signed the same, and have affixed thereto the seals of their arms.

Done at Monte Video, the twenty-sixth day of March in the year of our Lord One thousand eight hundred and eighty-four.

(L.S.) EDMUND MONSON,  
(L.S.) MANL. HERRA. Y OBES.

And whereas the ratifications of the said Treaty were exchanged at Monte Video on the thirteenth day of December One thousand eight hundred and eighty-four;

Now, therefore, Her Majesty, by and with the advice of Her Privy Council, and in virtue of the authority committed to Her by the said recited Acts, doth order, and it is hereby ordered, that from and after the twentieth day of March One thousand eight hundred and eighty-five, the said Acts shall apply in the case of Uruguay, and of the said Treaty with the Oriental Republic of the Uruguay.

Provided always, and it is hereby further ordered, that the operation of the said Acts shall be suspended within the Dominion of Canada, so far as relates to the Oriental Republic of the Uruguay and to the said Treaty, and so long as the provisions of the Canadian Acts aforesaid continue in force, and no longer.

ARTICULO IX.

Todo criminal fugitivo podrá ser detenido por mandato de cualquier Magistrado de Policía, Juez de Paz ó Municipal u otra autoridad competente en cada uno de los Estados espedito en virtud de informe, demanda, prueba ó todo otro acto de procedimiento que en opinión de la autoridad que espidiese el mandato fuese bastante á justificar este, si el crimen ó delito hubiese sido cometido ó la persona hubiese sido condenada en la parte de los Estados de ambos Contratantes en que el Magistrado, Juez de Paz ó otra autoridad competente ejercen jurisdicción: á condición, sin embargo, en el Reino Unido de que se haga comparecer al acusado tan pronto como sea posible, ante un Magistrado de Policía de Londres. Así en la República Oriental como en el Reino Unido, el detenido, con arreglo á este Artículo, será puesto en libertad si en un término de treinta dias no ha sido formulada demanda de extradición por el Representante Diplomático ó Consular de su país, con arreglo á las estipulaciones de este Tratado. La misma regla se aplicará á los casos de personas acusadas ó condenadas por cualquiera de los crímenes ó delitos especificados en este Tratado, y cometidos en alta mar á bordo de un buque de uno de los dos países que llegase á un puerto del otro.

ARTICULO X.

Las estipulaciones del presente Tratado serán aplicables á las Colonias y Posesiones extranjeras de Su Magestad Británica.

La demanda de extradición de criminal fugitivo que se hubiese refugiado en cualesquiera de esas Colonias ó Posesiones extranjeras se dirigirá al Gobernador ó á la autoridad superior de dicha Colonia ó Posesion por el Agente Superior Consular de la República Oriental del Uruguay en esa Colonia ó Posesion.

Esos pedidos se harán, siempre sujetándolos en cuanto sea posible á las disposiciones del presente Tratado, por el espresado Gobernador ó autoridad superior; pero se reserva á estos la facultad de conceder la extradición ó de someter la resolución del caso al Gobierno de Su Magestad Británica.

Su Magestad tendrá la libertad de hacer arreglos especiales en las Colonias Británicas y Posesiones extranjeras para la entrega de los criminales que se refugiaren en las espresadas Colonias y Posesiones extranjeras, bajo las bases, en cuanto sea posible, de las disposiciones del presente Tratado.

ARTICULO XI.

No se dará curso á la demanda de extradición cuando la persona reclamada hubiese sido juzgada por el mismo crimen ó delito en el Estado al cual aquella demanda se dirija; ni tampoco cuando, despues de los actos que constituyen el crimen ó delito de que se les acusa despues de la acusación ó despues de la condena, tenga el derecho al beneficio de la prescripción segun las leyes de dicho Estado.

ARTICULO XII.

Quando la persona reclamada por una de las Altas Partes Contratantes, en virtud del presente Tratado, fues reclamada asimismo por uno ó varios otros Estados á causa de crímenes ó delitos cometidos en sus territorios respectivos, su extradición será concedida al Estado cuya demanda sea de fecha anterior.

ARTICULO XIII.

Quando la persona reclamada estuviese encausada, ó hubiese sido condenada por un crimen ó delito cometido en el Estado en que se hubiese refugiado, su extradición podrá diferirse hasta que haya sido puesta en libertad con arreglo á las leyes.

En el caso de que dicha persona reclamada se hallase acusada ó detenida en el país en que se hubiese refugiado por obligaciones contraídas respecto de personas particulares, la extradición se llevará sin embargo á cabo.

ARTICULO XIV.

Wool to the Williamstown or Port Melbourne piers may be consigned direct from country stations, provided that the name of the vessel it is intended for be given on the consignment note. If the vessel is not at the pier or not ready to ship the bales on their arrival, then the trucks may be brought back to Melbourne and unloaded there, all at the cost and risk of the owner.

Wool consigned from country stations to Melbourne, and then reconsigned to Williamstown or Port Melbourne without being removed from the sheds or trucks, will be charged 4d. per bale for warehousing in addition to the storage charges mentioned underneath.

† NOTE.—This rate is net cash without discount. Vessels loading will be required to take wool or other cargo from trucks in preference to lighters or other craft. If from delay in this respect, or from any cause not due to the Commissioners, the vessel is not ready to receive wool or general cargo within twelve hours after the arrival of the trucks, demurrage will be strictly enforced at the rate of 10s. per truck per diem until the trucks are unloaded by the consignee, or until the Commissioners, at the cost and risk of the consignee, unload the trucks and send the goods to store. Wool consigned for shipment, and requiring to be dumped, will be deliverable at the Dumping Sheds, where a receipt must be given on behalf of the ship.

## GENERAL CONDITIONS.

Bales over 4 cwt. will be charged 25 % additional upon the rate for a 4 cwt. bale for every cwt. or portion of a cwt. in excess.

The above rates are subject to minimum charges, as per Bye-law 8, dated 20th June, 1884.

Twelve hours will be allowed for the removal of wool after arrival of the trucks. From that time storage will be charged, and strictly enforced, at the rate of One penny per bale per diem until the wool is removed by the consignee, or sent to store by the Commissioners at the consignee's cost and risk. All wool is carried at owner's risk as to condition, and will be signed for accordingly. If detailed weight lists are furnished by the Commissioners for the use of consignees, the charge for weighing will be Fourpence per bale; if weighed by the owners, One penny per bale will be charged for the use of the scales. Consignors requiring weight lists must pay for same at sending station. Unless rebate sheets are rendered within two months of date on which wool is consigned no claim will be recognised.

His Excellency the Governor.

Mr. Service	Mr. Tucker
Mr. Berry	Mr. Levien
Mr. Kerferd	Mr. Sargood
Mr. Langridge	Mr. Campbell

WHEREAS by the 30th section of the Act No. 446, intituled *An Act to amend the Mining Statute 1862*, it is enacted that the Governor in Council, in the name or on behalf of Her Majesty, upon application made to him for that purpose, may grant leases to any person of mines on, under, or upon lands granted or reserved for railways, waterworks, public parks, places of recreation, or other public purposes, subject to such regulations as may be from time to time passed by the Governor in Council for that purpose, and with the consent of the Board of Land and Works, in whom the said lands are vested: And whereas in pursuance of the powers conferred by the said Act regulations were made and passed by the Governor in Council on the 10th March 1873: And whereas it is now deemed expedient to make other regulations in lieu of those above-mentioned: Now therefore I, the Governor of Victoria, with the advice of the Executive Council, do hereby, in accordance with the provisions of the above-recited Act, cancel the order of the 10th March 1873, published in the *Government Gazette* of the 21st March 1873, pages 490 and 491, making regulations relating to Gold Mining Leases on Reserved Lands, and in lieu thereof do make the regulations following, that is to say:—

REGULATIONS RELATING TO MINING LEASES ON RESERVED LANDS.

[INTERPRETATION CLAUSE.]

1. In construing these regulations the following words and expressions shall have the meanings hereafter assigned to them, except where inconsistent with the context:—

"The Minister" shall mean the responsible Minister of the Crown administering the Act aforesaid.

"The Warden" shall mean a Warden of the Gold-fields in and for the colony, or any district thereof, in which the mines or some portion thereof are situated.

MANNER IN WHICH LEASES SHALL BE APPLIED FOR.

2. Any person desiring to obtain a lease of mines in, under, or upon any lands, vested in the Board of Land and Works, which have been granted or reserved for waterworks, public parks, places of recreation, or other public purposes, shall address to the Governor, and leave with the warden, an application, in duplicate, in the form in the schedule hereto, marked A, having attached thereto a plan of the lands in which the mines are situated, showing the situation of the mines and the position and direction of the shafts, drives, and other works proposed to be executed by the applicant for the purpose of mining, and shall, on the day of his leaving such application with the warden, deposit with the clerk the sum of £5, which shall be appropriated in such manner as the Minister may direct, and shall, within three days after such day, or in the first issue of any such newspaper after the expiration of three days from such day, insert as an advertisement, in a newspaper circulating in the neighborhood of the mines, a copy of such application.

3. On receipt of any such application, the warden shall cause to be entered in a book, kept for the purpose, a note of the application, numbered in order, and the day and hour when the same was left with him, and shall cause to be endorsed a similar note on both such duplicate applications.

4. In cases where more than one application is made for the same land, the first in order of receipt shall be first dealt with.

**OBJECTIONS.**

5. Any person objecting to any application made under these regulations shall, previous to the time appointed for the inquiry by the warden hereinafter provided for, lodge with the warden and leave for the applicant, or, if more than one, for each applicant, at his or their address stated in the said application, a statement in writing of the grounds of his objections, and at the time of leaving his statement with the warden deposit with the clerk of the warden, or with any other clerk in his office authorized to receive deposits, the sum of £5, which shall be dealt with and appropriated in such manner as the Minister may direct.

**INQUIRY INTO APPLICATIONS AND OBJECTIONS.**

6. The warden shall proceed to hold an inquiry at a time and place to be notified by him to the applicant and all other persons who shall notify, in writing, to such warden that they are interested in the inquiry, and such time shall be not less than fourteen clear days after the publication of such advertisement, and every applicant shall receive not less than seven clear days' notice, and every such other person shall receive the same notice as an applicant, or such notice as the time of his notifying his interest to the warden will allow.

7. At such inquiry the warden shall take evidence in relation to the application and the objections thereto (if any); and shall within seven days after termination of the inquiry forward to the Minister the application, together with the objections thereto (if any) and the evidence taken by him and his opinion thereon.

8. The warden shall have power to adjourn the hearing on any other time or place.

9. Any applicant or objector shall be permitted to take a copy of the application and the evidence, and any other documents produced at the inquiry, at any time before the same shall have been forwarded to the Minister.

**LEASES.**

10. Upon receiving from the warden any such application the Minister shall, if he think fit, cause the same and the documents accompanying it to be submitted to the Governor in Council and the Board of Land and Works, who shall determine—

Whether to grant such application subject to any and what covenants, clauses, stipulations, restrictions, and conditions, or whether to refuse such application, and to determine what sum of money (if any) ought to be paid by the applicant as compensation for damage to the lands on which the mines are situate, and what security (if any) shall be given by the applicant to make good any damage that may result from his mining beyond that for which such sum to be paid as aforesaid shall be a sufficient compensation.

11. Whenever the Governor in Council shall order a lease to issue under these regulations, the Minister shall cause such lease to be prepared and submitted to the Board of Land and Works for their approval, and the rent reserved by every such lease shall be such as the Governor in Council shall determine.

**MISCELLANEOUS RULES.**

12. If any applicant shall make default in proceeding in accordance with these regulations, or if he neglect to execute and take delivery of the lease within sixty days after a notice properly addressed has been sent to him through the post office that the lease is ready for execution, the Minister may, by an order under his hand, declare the application abandoned, and cause to be published in the *Government Gazette* a notice to that effect, and after the publication of any such notice such applicant shall not be entitled to proceed with his application or to execute or accept delivery of any such lease: Provided that, in any case where an applicant appears at an inquiry by an agent, or gives sufficient reasons in writing on or before the day on which the inquiry is to be held why he cannot appear, his application shall be proceeded with at such times and places as the warden may think fit.

13. Before executing any lease the applicant shall pay to the Receiver and Paymaster of the district within which the mines lie the cost of the preparation of the lease; and also the first half-year's rent reserved in the lease, and any sum to be paid by him by way of compensation, and shall give any security that may be required of him, as hereinbefore provided, and he shall produce receipts for such payments and such other payments as under the provisions of the Act he may have been required to make before executing the lease, and he shall not be permitted to execute the lease and the same shall not be delivered to him until such receipts have been produced and such security had been given.

14. If the lease shall be refused a notice to that effect shall be published in the *Government Gazette*, and all proceedings in relation to the application shall be stopped; but the applicant, or any other person, may make a fresh application for the same mine, and such application shall in all respects be dealt with as the Act and these regulations prescribe.

15. Any applicant may at any time withdraw his application by giving notice in writing to the Minister; and in like manner any objector may, before or during the inquiry held by the warden, withdraw his objections.

16. Any applicant, or objector, may proceed under these regulations by his attorney, provided that such attorney be constituted by the execution of a power-of-attorney for that purpose in such form as shall be approved of by the Minister.

17. Any person or persons being the holder of a lease granted under these regulations, except any person who by operation of law shall be entitled to sell or dispose of such lease for the benefit of creditors, in which case no license shall be necessary, may apply to the Minister for a license under the hand and seal of the Governor, to transfer, underlet, mortgage, or otherwise dispose of or encumber such lease, or the mines or premises comprised therein, or any part thereof, and it shall be lawful for the Governor to grant or refuse such license. Every such application must be accompanied with a remittance of £1, which will be returned

if the license be not granted. The Minister shall determine the form of the license to be granted.

NOTICE is hereby given that the fees for the right to graze under section 67 of *The Land Act 1884*, on the lands described below, have been fixed at the amounts set opposite each block.

Premiums by persons wishing to obtain a license for any of these lands under the above section are invited, such premiums to be lodged in the tender box of the Lands Department, Melbourne, not later than 12 noon of Monday 1st June 1885. The highest or any premium not necessarily accepted.

The licenses will continue in force for one year from the date of issue, but may be renewed annually at the option of the licensees for a period of four years from the expiration of the first year.

The license will be issued subject to the conditions hereunder specified.

CONDITIONS.

1. Nothing in this license shall be deemed in any manner to affect the right of any person to enter upon the land specified in the said license for the purpose of searching for, digging, taking, and carrying away of gold, silver, and other minerals, or to dig, take, and carry away the same, and to erect and occupy mining plant and machinery thereon.

2. Such license shall not be deemed to prevent the said land from being licensed under Part IV. of *The Land Act 1884*, or of being proclaimed a common, or of being occupied by virtue of any miner's right or business license.

3. The issue of this license shall not prevent the land comprised therein, or any part or parts thereof, being dealt with under any of the provisions of *The Land Act 1884*, or being resumed by the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under the 10th section of *The Land Act 1884*, such land to be set out by the said Governor or Administrator with the advice aforesaid.

4. No licensee shall, in case of any resumption, be entitled to any compensation other than the return of such portion of the rent paid by him as the responsible Minister of the Crown for the time being administering *The Land Act 1884* may think fit. This license is also subject to the rights of the holders of miners' rights or of mining leases.

5. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this license shall be deemed within its operation.

6. This license entitles the holder thereof, during the period for which it is granted, to use the land therein comprised for grazing purposes only, but does not confer any right to build thereon or to cultivate any portion thereof.

7. If the licensee desire a renewal of this license, notice to that effect must be given to the said Minister one calendar month prior to the expiration thereof or of any renewal thereof.

8. The interest in this license, or any part thereof, shall not be transferred or parted with without the consent of the said Minister and the payment of a fee of £1.

9. This license is to be used under and in accordance with the regulations made or to be made under the provisions of the said Act.

10. The license may be forfeited if the licensee commit a breach of or neglect to comply with any of these conditions.

11. The publication of a notice in the *Government Gazette* purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this license, shall be conclusive evidence that the license is forfeited.

Special Conditions.

1. The license fee must be paid in advance. The amount of the premium offered must accompany the tender, or be paid by

the successful tenderer or his agent immediately on the declaration of the acceptance of the premium, otherwise the offer of the next highest tenderer who may be prepared to comply with this condition may be accepted.

2. Tenders to be endorsed "Premium for Block" "S71" or "S72," as the case may be.
