AUSTRALIA—CORAL SEA.
OUTER ROUTE.

Reefs north-westward of Willis Group.

INFORMATION has been received from Commander W. U. Moore: H.M.S. *Dart*, of the existence of two coral reefs lying north-westward of Willis Group, westward of the Outer route to Torres Strait:—

These reefs (Moore Reefs) were passed in the forenoon of 1st January 1885, distant 2 miles, weather bright; they were awash, and from the mast-head appeared to be 3 to 4 miles apart, and to lie from each other in a N. by W. and S. by E. direction. The northern and smaller reef was estimated to be 2 miles long in a north and south direction, with a breadth of one mile.

The north-west extreme of Northern Moore Reef is in lat. 15° 53½' S., long. 149° 9½' E.

NOTE.—At 4 p.m. 21st January 1885, the *Dart*, from a position by observation, in lat. 15° 25' S., long. 149° 4' E., proceeded under steam S.S.W. ¼ W. a distance of 8 miles; thence a south course was steered, passing over the charted position of the south-eastern of the two reefs seen by Bougainville in 1768. The weather at the time was not unfavorable for seeing breakers at a distance of 5 to 7 miles, but no indication of shoal water was discerned from the masthead. Although this tends to disprove the existence of a reef in the position assigned, it will for the present be retained on the Admiralty charts.

(The bearings and courses are magnetic. Variation 6¾° easterly in 1885.)

By command of their Lordships,
W. J. L. WHARTON,
Hydrographer.

Position approximate, lat. 27° 11' 50" S., long. 153° 23' 10" E.

Also, that on the same date, Cowan Cowan Point light, previously obscured eastward of the bearing S. by E. ¼ E., would be visible eastward of that bearing.

DIRECTIONS.—Tangaluma light kept in line with Cowan Cowan Point light leads through Howe Channel in not less than 20 feet at low-water.

Vessels approaching Moreton Bay from the eastward, after rounding Cape Morton and entering the red sector of Yellow Patch light, should keep within its south-western edge until Tangaluma, Cowan Cowan, and Comboyuro Point lights are in sight. When Comboyuro Point light is opened out, which will be the last of the three, the course should be altered to the westward, and after passing the Floating Beacon, bring Tangaluma and Cowan Cowan Point lights in line. Proceed with these lights in line, until Yellow Patch light is obscured, then open Tangaluma light slightly westward of Cowan Cowan Point light, to clear the spit extending south-west of Venus bank, and carry that line, till past Comboyuro Point, when the usual directions should be followed.

Vessels approaching from the northward, should steer for Yellow Patch light, being careful not to come within the north-east edge of the red sector until they have reached the eastern limit of Tangaluma light; when on this eastern limit, they should enter the red sector, and steer along its south-western edge until Comboyuro Point light is opened out, when Tangaluma and Cowan Cowan Point lights can at once be brought in line, as above directed.

CAUTION.—Cowan Cowan Point and Tangaluma lights kept in line do not lead clear of the eastern edge of North Banks.

NEW ZEALAND.

MIDDLE ISLAND—SOUTH COAST.

(2.) Bluff Harbor—Leading Lights on Middle Bank.

THE Government of New Zealand has given notice that, on 1st January 1885, a leading light would be exhibited on each of the two dolphins erected as leading marks on Middle Bank, Bluff Harbor:—

The Eastern or Outer light is a fixed red light; the Western or Inner is a fixed green light.

NOTE.—These lights should be brought in line when abreast the perch buoy off Te Waewae Point, and kept so until the two red lights on the main wharf come in line, when the course may be altered either for the wharf, or to an anchorage off it. Middle Bank lights are exhibited for the purpose of enabling vessels to enter the harbor at night, and lead through the worst part of the entrance channel—that is, from abreast the perch buoy to a cable's length above the light-vessel. Their line of direction will give, between the positions above-mentioned, 30 to 33 feet at low-water. The lights are not intended to be used for any other part of the harbor or entrance.

(The bearing is magnetic. Variation 8¾° easterly in 1885.)

The births of 999 children, viz., 509 boys and 490 girls, were registered in Melbourne and suburbs during the month of April. In the month of March 1,047 births were registered, or 48 more than in the month under review. The births were 270 above the average of the previous ten years, but 142 above that average, if allowance be made for the increase of population.

The deaths registered in April numbered 565, viz., 302 of males, and 263 of females; the births thus exceeded the deaths by 434. The deaths were fewer than those in March by 65, but exceeded the average of April during the previous ten years by 81. If, however, allowance be made for the increase of population, they will be found to have been 4 less than that average.

To every 1,000 of the population of the district the proportion of births registered was 3·09, and of deaths registered 1·75.

The highest temperature in the shade recorded at Melbourne Observatory during the month was 83·6° on the 4th, and the lowest was 49° on the 30th. The mean temperature of the month (57·2°) was nearly 1½ degrees below the average. The greatest range of the thermometer in any one day (34·9°) took place on the 3rd, viz., from a maximum of 79·9° to a minimum of 45·0°. The least range (2·4°) was on the 15th, viz., from a maximum of 56·9° to a minimum of 54·5°. The mean daily range was 16·97. The mean atmospheric pressure (30·148 inches) was a fraction above the average.

Rain fell on 9 days, the amount of rainfall being a little more than 2½ inches.

Males contributed 53 per cent., and females 47 per cent., to the mortality of the month. Children under 5 years of age contributed 39 per cent. to that mortality, as against 40 per cent. in April 1884; 33 per cent. in April 1883; 41 per cent. in April 1882; 36 per cent. in April 1881; 40 per cent. in April 1880; 43 per cent. in April 1879; 38 per cent. in April 1878; 40 per cent. in April 1877 and 1876; and 47 per cent. in April 1875.

The deaths of persons who had attained or exceeded the age of 75 years numbered 23, viz.:—Those of 2 females, each aged 75, a farmer, aged 79, a carpenter, aged 82, and a laborer, aged 83, who died of heart disease; a mason, aged 75, of jaundice; a stone-breaker, aged 77, and a female, aged 80, of pneumonia; a gentleman, aged 79, of malignant disease of the liver; a female, aged 77, of peritonitis; a female, aged 81, of disease of brain; 2 females, aged 83 and 98 respectively, of bronchitis; 2 females, each aged 75, a female, aged 83, a laborer, aged 84, 2 females, each aged 85, a female, aged 86, a female, aged 89, a female, aged 90, and a female, aged 92, of old age.

NOTE.—The fee for the period from 1st July 1885 to 31st December 1885 must accompany each tender.

TENDERS will be received by the Board of Land and Works up to Noon of Monday, 29th June 1885, for the occupation for Grazing purposes only of the following unappropriated portions of land, subject to the Regulations approved by the Governor in Council and also the subjoined special conditions.

Every license granted under section 119 of *The Land Act 1884* shall be subject to the conditions set forth in the schedule hereto, and to such special conditions and payment in advance of such fees as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

Under sections 3 and 4 of *The Rabbit Suppression Act Amendment Act 1884*, all licenses under the section for which these licenses will issue are liable for the destruction of rabbits within the boundaries of their licenses.

Conditions:

1. The issue of this license shall not prevent the land comprised therein or any part or parts thereof being sold, leased, licensed, alienated, or dealt with under any of the provisions of *The Land Act 1884*, except under the 119th section thereof, under which the license is issued, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of *The Land Act 1884*, or for mining purposes.

2. No licensee shall, in case of any resumption, be entitled to any compensation other than the return of such portion of the fee paid by him as the responsible Minister of the Crown for the time being administering Part XI. of *The Land Act 1884* may think fit. This license is also subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold and to mine therein, and to erect and occupy mining plant and machinery, without making any compensation for surface or other damage.

3. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this license shall be deemed within its operation.

4. This license entitles the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but does not confer any right to build thereon, or to cultivate, or to fence any portion thereof.

5. If the licensee desire a renewal of this license, notice to that effect must be given to the responsible Minister aforesaid one

month prior to the expiration thereof, but nothing herein contained shall be deemed to confer the right to any renewal.

6. The interest in this license may not be transferred without the consent of the Minister aforesaid and the payment of a fee of £1.

7. No claim whatever shall be made or entertained by reason of the license not being renewed or transferred.

8. This license is to be used under and in accordance with the regulations made or to be made under the provisions of the said Act and for the time being in force.

9. This license may be forfeited if the licensee commit a breach of or neglect to comply with any of these conditions.

10. The publication of a notice in the *Government Gazette* purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this license shall be conclusive evidence that the license is forfeited.

Special Conditions:

1. The period of occupation will be from 1st July 1885 to 31st December 1885.

2. The license fee must be paid in advance. 81. If any boat licensed as aforesaid shall be lost or be under necessary repair, it shall be lawful for the council having granted the license by endorsement thereon under the hand of the municipal clerk to transfer such license to some other boat, if the council after inspection had of such boat shall be satisfied of the like matters concerning such boat and the tackle and gear thereof and in the like manner respectively as is herein required with respect to the grant of a license for a boat; and such license shall on such endorsement cease to be in force with respect to the boat previously licensed thereby, and shall be deemed for all purposes to be a license according to the tenor of such endorsement for the boat to which the transfer is made until the council shall, as they are herein empowered to do if it shall seem fit on application of the owner of the boat previously licensed not being lost, and being satisfied of the matters and in the manner aforesaid touching such boat, cause the said endorsement to be erased or defaced, whereupon and not before the license shall be in force for such last-mentioned boat and cease to be in force for the boat to which the transfer was made: Provided that in every such endorsement the number of passengers to be carried by the boat to which such transfer is made shall be stated.

82. No person shall act as a boatman in any boat plying for hire in any such water or to or from or alongside any such landing place as aforesaid, such boat not being at the time within any other municipal district, whether or not he be the owner of such boat, without having a license so to act from the council; and if any person desiring to obtain such license shall make written application for the same and produce to the council a certificate signed by five ratepayers of the borough that the applicant is a person of good character and of proper skill and fitness for being so licensed, the council if satisfied of the truth of the matters contained in the said certificate and if it shall seem fit may grant such license upon payment by the applicant to the council of such sum not exceeding ten shillings as shall have been appointed by some regulation in that behalf, and every such license and certificate may be in the appointed forms respectively; and every such license shall be signed by the municipal clerk, and be registered together with the particulars therein contained by him in a registry book to be kept for that purpose.

84. Every licensed boatman shall when required by any constable or by any person wishing to hire or having hired any boat in which such boatman shall be plying, or by any passenger or person intending to be a passenger or having immediately before been a passenger in or by such boat, produce for the inspection of such person the license of such boatman, and also a copy of the table of fares and charges appointed as herein provided; and every such boatman who shall on being so required refuse or neglect so to produce such license or copy, and every boatman plying for hire with any boat who uses any abusive or insulting language to any person who wishes to hire or has hired such boat, or to any passenger or person intending to be a passenger or having immediately before been a passenger in or by such boat, shall forfeit a sum not exceeding five pounds.

85. The council having granted any license under this subdivision may at any time if it shall be proved to their satisfaction that any owner of the boat thereby licensed or any person thereby licensed to act as a boatman (as the case may be) has been convicted of any offence against this bye-law, or in respect of any property entrusted to him as such owner or boatman respectively, suspend for any stated time, or on the like proof of a second such conviction or of any two such convictions suspend for any stated time or revoke as seems to them fit, such license; and no license while suspended either under this section or otherwise or when revoked shall be deemed to be of any force or virtue hereunder.

86. The council may from time to time make regulations for all or any of the purposes following (that is to say):—

For appointing the several sums to be paid for licenses for boats and for boatmen:

For regulating the conduct of owners of licensed boats and of licensed boatmen in the exercise of their several employments, and for determining whether they wear any and what badges:

38. If a debate on any motion moved and seconded be interrupted by the number of the councillors present becoming sufficient for the transaction of business, such debate may be resumed at the point where it was so interrupted on motion upon notice.

39. If a debate on any order of the day be interrupted by such insufficiency of number as aforesaid happening, such order may be restored to the notice-book for a future day on motion upon notice, and then such debate shall be resumed at the point where it was so interrupted.
