BOUNDARIES OF BRITISH AND GERMAN POSSESSIONS IN NEW GUINEA.

THE accompanying despatch, dated 10th June, from the Right Honorable the Secretary of State for the Colonies to His Excellency the Governor, forwarding a copy of a Telegram respecting the settlement of the boundaries of the British and German Possessions in New Guinea, is published for general information.

By His Excellency's Command,
JAMES SERVICE,
Premier.

Premier's Office,
11th August 1885.

[Circular.]

Downing street, 10th June 1885.

Sir,—I have the honor to transmit to you a copy of a telegram dated May 1885, which has been sent to you, through the Governor of South Australia, respecting the settlement of the boundaries of the British and German Possessions in New Guinea.

I have to request that you will publish this arrangement in the *Government Gazette* of your colony.

From a separate despatch which I am about to transmit to you, you will learn the nature of the negotiations which have taken place between Her Majesty's Government and the German Government in regard to New Guinea.

I take this opportunity of observing that, simultaneously with these negotiations, a prospect has been secured of obtaining the co-operation of Germany in maintaining order, and enforcing salutary regulations in regard to the labor traffic, purchase of land, &c., in the Western Pacific. The negotiations on this subject are not yet sufficiently advanced to enable me at present to enter upon details; but I have every reason to hope that an understanding based on sound principles, and making satisfactory provision for many matters of interest to the colonies, will shortly be arrived at.

I have, &c.,
DERBY.

The Officer Administering the Government of
Victoria.

The Right Honorable the Earl of Derby, K.G., to Sir W. C. F. Robinson (South Australia), 25th May 1885.

[Telegraphic.]

Transmit following telegram to Governor New Zealand and other Australian Colonies, and Scratchley:—Her Majesty's Government have agreed with Germany following boundary New Guinea:—Starting on the coast near Mitre Rock on eighth parallel, following this parallel to degree 147 east longitude; thence straight line to the north-west, to where sixth parallel cuts degree 144; thence west-north-west, to where fifth parallel cuts degree 141. This line calculated to approximate watershed and divide territory nearly equally.

Every license granted under section 119 of *The Land Act 1884* shall be subject to the conditions set forth in the schedule hereto, and to such special conditions and payment in advance of such fees as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

Under sections 3 and 4 of *The Rabbit Suppression Act Amendment Act 1884*, all licenses under the section for which these licenses will issue are liable for the destruction of rabbits within the boundaries of their licenses.

Conditions:

1. The issue of this license shall not prevent the land comprised therein or any part or parts thereof being sold, leased, licensed, alienated, or dealt with under any of the provisions of *The Land Act 1884*, except under the 119th section thereof, under which the license is issued, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of *The Land Act 1884*, or for mining purposes.

2. 4. This license entitles the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but does not confer any right to build thereon, or to cultivate, or to fence any portion thereof.

5. If the licensee desire a renewal of this license, notice to that effect must be given to the responsible Minister aforesaid one month prior to the expiration thereof, but nothing herein contained shall be deemed to confer the right to any renewal.

6. The interest in this license may not be transferred without the consent of the Minister aforesaid and the payment of a fee of £1.

7. No claim whatever shall be made or entertained by reason of the license not being renewed or transferred.

8. This license is to be used under and in accordance with the regulations made or to be made under the provisions of the said Act and for the time being in force.

9. This license may be forfeited if the licensee commit a breach of or neglect to comply with any of these conditions.

10. The publication of a notice in the *Government Gazette* purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this license shall be conclusive evidence that the license is forfeited.
