Two white lights are placed, one on Flying Fish Point, the other on the shore on the further side of the light of the river, which, when in line on a W. by N. bearing, lead across the outer bar.

At the pilot station are placed a red and a white light, which, when in line on a S.W. by W. bearing, lead across the flats between Flying Fish and Coquette Points.

Directions.—To enter at night, cross the bar with the two leading lights in line on a W. by N. bearing, and when the water deepens haul up for the green light on the rocks, and pass it at a distance of 50 feet; then follow along the Flying Fish Point shore, and bring the red and white lights in line, crossing the flats towards Coquette Point. **LEADING LIGHTS, SOUTH ENTRANCE TO HINCHINBROOK
CHANNEL.**

NOTICE is hereby given, that on and after this date the following Lights will be exhibited at the south entrance to Hinchinbrook Channel, to enable vessels to cross the bar and enter the channel at night, viz.:—

Two white lights leading S.W. ¼ W. half a cable south of the Fairway Buoy. The outer light is placed one mile south from Point Lucinda (the point of land on the south side of the entrance to Hinchinbrook Channel), and stands 10 feet above high-water level. The back light stands 690 feet from the front light, and at an elevation of 36 feet.

One white light is placed at Point Lucinda at an elevation of 10 feet, and shows between the bearings of S. by E. ¼ E. and S.E., or between the third red and third black buoys.

Two lights, the front light red, at a similar elevation, and the back white, at a distance of 537 feet W. by S., and at an elevation of 33 feet. The red light is obscured on a S.W. ¾ W. bearing, and is again visible through a small red sector between the bearings of S.E. by S. ¼ S., in a line with the black buoy at the anchorage, and S.E. ¼ S.

Directions.—Vessels intending to cross the bar must bring the two white lights in line bearing S.W. ¼ W. before Hillock Point is to the northward of N.N.W. Keep these white lights in a line until the red and white are nearly in one; a vessel will then be about ¾ of a cable from the second red buoy. Keep the red and white lights in line W. by S. until the white light on Point Lucinda opens out on a S. by E. ¼ E. bearing, when a vessel will be a cable's distance from the third red buoy. Then, if proceeding up the channel, steer N.W. by W. ¼ W. for the Bluff. If going to the anchorage off Dungeness, steer W.N.W., being careful to keep within the white sector from Point Lucinda (the southern limit which bears S.E.) until the small red sector from the front light at the Pilot Station is opened out on a S.E. by S. ¼ S. bearing, when a vessel may bring up in 3½ fathoms, the water deepening further to the northward and westward to 7 fathoms. While within this red sector vessels are clear of the Banks off the mouth of the Enterprize Channel.

Portmaster.

THE VICTORIA GOVERNMENT GAZETTE.

SUBSCRIPTIONS.—The Subscription, including Postage, is £1 6s. per annum, or 6s. 6d. per quarter, payable in advance.

Subscribers do not receive the Acts of Parliament with the Gazette. Subscriptions are required to commence and terminate with a month.

A less period than three months cannot be subscribed for. ADVERTISEMENTS are charged at the rate of Sixpence per line throughout.

The Title (£5 Reward, Dissolution of Partnership, &c.) forms one or more lines, as a heading.

On an average, ten words make a line, but for the description of a brand consisting of more than one letter, &c., placed perpendicularly, thus, B, each additional letter under the first is charged as a line.

Every Signature must likewise be counted as a line.

The final words of a paragraph, though only a portion of a line, must be counted as one line.

Signatures (in particular) and Proper names must be written very plainly in the text: ONE SIDE ONLY of each slip of paper should be WRITTEN UPON.

ALL DOCUMENTS illegibly written will be returned unpublished, and where brands occur unprovided for by the ordinary letters of the alphabet, a worded explanatory description must be furnished.

POSTAGE STAMPS cannot in any case be received in payment unless ONE SHILLING EXTRA IN THE POUND IS ADDED, as commission, without which the Post Office will not cash them.

The GOVERNMENT GAZETTE is published on FRIDAY EVENING in each week, and Notices for insertion must be received by the Government Printer on or before Two o'clock of the day preceding the day of publication.

Single copies of the GOVERNMENT GAZETTE are Sixpence each (if paid in stamps, Sixpence half-penny).
