## MCIVOR AND GOULBURN SHIRES.

## PROPOSED SEVERANCE OF AREA.

IN pursuance of the provisions of *The Local Government Act 1874* (No. 506, sec. 46), the substance and prayer of a Petition, in accordance with the 44th section of the said Act, which has been presented to His Excellency the Governor, are published, viz.:—

The petitioners purport to constitute a majority of the rate-payers in the portion of the Shire of McIvor which is described in their petition, and they desire that the area so described may be severed from the said Shire of McIvor and annexed to the Tabilk riding of the Shire of Goulburn.

Area described in the petition:—

"The Parish of Mitchell."

Petitioners state that they have no interests whatever in common with the Shire of McIvor; that they have no communication with it or its chief township, being separated therefrom by a distance of 20 miles of forest; that the Shire Council take no interest in such an outlying district; that they have never had an opportunity to vote on municipal matters, and have never to their knowledge been visited by a candidate or a councillor; that although the amount of rates annually paid by them is £40, yet the sum total ever expended in the area is only about £120; that they have repeatedly asked for assistance to enable them to communicate across the river to the Goulburn Valley Railway; that all their interests are in the Goulburn Shire.

Petitioners therefore pray:—

"That your Excellency, in Council, will sever the area described from the Shire of McIvor and annex it to the Tabilk riding of the Shire of Goulburn."

Notices for the petitioners may be served upon Mr. Roulston, Mitchellstown, *vid* Tabilk.

We have to report that we have audited the books and accounts of the Melbourne Permanent Building Society for the year ending 17th August 1885, and have examined the vouchers for all payments and the securities (including the policies of insurance against fire) held for loans on mortgage, and find them correct. We believe the balance-sheet to be a full and fair balance-sheet, and properly drawn up so as to exhibit a true and correct view of the society's affairs.
