**TENDERS INVITED FOR MOUNT ARAPILES TIMBER RESERVE, PARISH OF ARAPILES, SHIRE OF WIMMERA, UNDER GRAZING LICENSE, WITH BONUS FOR DESTRUCTION OF RABBITS.**

**NOTICE.**—Tenders are hereby invited from persons desirous of taking out a grazing license for the above land, subject to a bonus being paid by this Department for the destruction of rabbits thereon. Area about 3,000 acres.

1. The license will be issued under section 119 of *The Land Act 1884*, and be subject to the following conditions:—

Conditions:

(a.) The issue of this license shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of *The Land Act 1884*, except under the 119th section thereof, under which the license is issued, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of *The Land Act 1884*, or for mining purposes.

(b.) No licensee shall, in case of any resumption, be entitled to any compensation other than the return of such portion of the fee paid by him as the responsible Minister of the Crown for

the time being administering Part XI. of *The Land Act 1884* may think fit. This license is also subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine therein, and to erect and occupy mining plant and machinery, without making any compensation for surface or other damage.

(c.) No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this license shall be deemed within its operation.

(d.) This license entitles the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but does not confer any right to build thereon, or to cultivate any portion thereof.

(e.) The interest in this license may not be transferred without the consent of the Minister aforesaid and the payment of a fee of £1.

(f.) This license is to be used under and in accordance with the regulations made or to be made under the provisions of the said Act and for the time being in force.

(g.) This license may be forfeited if the licensee commit a breach of or neglect to comply with any of these conditions.

(h.) The publication of a notice in the *Government Gazette* purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this license shall be conclusive evidence that the license is forfeited.

2. The licensee must carefully protect all growing timber on the land, and is prohibited from ringing, felling, or in any way destroying same.

3. The term for which the land will be let is seven years from 1st January 1887.

4. The annual rent will be £20 payable yearly in advance.

5. The successful tenderer will be the licensee, and as such entitled to fence the land with a rabbit-proof fence, and to graze cattle, sheep, or horses over the said land; and liable under the provisions of the Rabbit Suppression Acts to all the pains and penalties thereof.

6. The tenderer must state the sum per annum for which he will undertake to destroy the rabbits on the land, and to keep the whole of the said land clear of the pests to the satisfaction of the Shire Council's Rabbit Inspector and the Inspector appointed by the Minister of Lands and Agriculture.

7. The Department will pay, annually, 75 per cent. of the annual amount of the contract only on the certificate of the Shire Council's Rabbit Inspector and the Inspector appointed by the Minister of Lands and Agriculture that the provisions of *The Rabbit Suppression Act* have been strictly carried out during the year, and the pests satisfactorily destroyed; the balance of the amount of the contract will be paid on termination of the seven years, subject to certificates from before-mentioned persons that the contract has been satisfactorily carried out and completed.

8. In the event of the licensee failing to destroy the pests and keep the land clear to the satisfaction of the two inspectors before mentioned, the licensee will be liable to immediate revocation, and the licensee to forfeit all rents paid, and all claim to the annual amount, or part thereof, which would have been payable had he satisfactorily carried out the conditions of tender.

9. In the event of any holder of adjoining land making complaint to this Department that the rabbits are not being satisfactorily destroyed, or the land cleared of the pests, and that the complainant's land is suffering any damage from rabbits coming from this reserve owing to the negligence of the licensee, or the insufficient means adopted by him to clear the land, the said licensee will be notified of such complaint, and called upon to prove to the satisfaction of the before-mentioned inspectors that he has faithfully complied with the conditions of this tender. If he fail to do this, he may be allowed a period of three months from the date of the above inspectors' report in which to complete the work satisfactorily, or if, in the opinion of the said inspectors, he is not deserving of this concession, the license may be at once revoked, and the rent paid and portion of bonus forfeited, same as provided for in latter part of condition 8.

10. Before any tender is finally accepted, the tenderer must furnish this Department with satisfactory evidence of his *bona fides*, and that he is in a position to comply with the condition of tender.

11. No restriction as to the means to be adopted or the materials to be used for the destruction of the rabbits, or for the clearing of the land from the pests, will be insisted on.

12. In the event of the licensee erecting a rabbit-proof fence around the land, the Department reserves to itself the right either to allow the licensee to remove the said fence on the termination of the contract, or to purchase the same at a price to be agreed upon.

13. The amount (£20) of the first year's license fee, together with 5s. for preparation of the license, must be forwarded within seven days from the notification that tender has been accepted.

14. The lowest or any tender will not necessarily be accepted.

15. The tenders will be received up to Noon on Tuesday the 30th November 1886, and must be addressed to the Secretary for Lands, Lands Department, Melbourne, and endorsed "Tender for right to graze the Mount Arapiles Timber Reserve."

16. The successful tenderer will be notified by letter of the acceptance of his tender.

17. The following undertaking must be signed by the successful tenderer:—
