MALACCA STRAIT.

**1. Buoyage and Illumination of Georgetown Road, Penang Island.**

ACCORDING to "Kundm. f. Seef," No. 6/148, Pola, 1886, information is given by the commander of the Austrian man-of-war *Saida*, that two red lights, placed horizontally, are shown from the head of the northern pier and two green lights, placed vertically, from the head of the southern pier.

A light-green iron nun-buoy, supporting a white board with "Cable" on it, is moored one mile E.  $\frac{1}{2}$  N. of the obelisk at Kaloi, and marks the direction of the telegraph cable, N.W. of the Port on the beach.

It is forbidden to anchor near it.

A cheese-shaped, black and white painted, mooring buoy lies in 4  $\frac{1}{2}$  fathoms of water, with—

Obelisk at Kaloi bearing	... W. $\frac{1}{2}$ N.
Flagstaff near the lighthouse bearing	... S. by E. $\frac{1}{2}$ E.
Harbor-mark bearing	... E. $\frac{1}{2}$ N.

In lieu of buoy No. 7 lies a white wooden beacon-boy, serving as leading mark for the large steam vessels, which anchor southward of the Port.

The present obelisks are not to be used as leading marks; the obelisk of Tikoes is only visible when bearing W.S.W. approximate; it has at the underside a white board with "Harbor Limit" painted on it in black letters.

The northernmost of the two obelisks on the main land, marked on the charts, does not exist; in its place a white board with "Harbor Mark" painted on it and supported by two piles is erected.

The southernmost of these two obelisks has been shifted from its last position to the extremity of the left shore of the Try River and is not visible before the Fort is passed.

It was intended from and after 1st January 1886 to mark the "fishing stakes" with four beacons surmounted by great wicker-work balls; they will also be good leading marks.

Vessels entering from northward may pass the "fishing stakes," the position of which is not exactly marked on the charts, without danger at a distance of from 400 to 600 yards.

When passed the easternmost "fishing stakes," vessels will remain in deepest water by steering straight for Port Cornwallis. Bearings true.

SINGAPORE STRAIT.

**2. Beacon on Shoal N.W. of Poeloe Angoep.**

ACCORDING to "Kundm. f. Seef," No. 6/151, Pola, 1886, the commander of the Austrian man-of-war *Nautilus* reports that a stone beacon, with red ball, has been erected on the shoal N.W. of Tree Island (Poeloe-Angoep).

**3. Limit of Singapore Road.**

ACCORDING to "Kundm. f. Seef," No. 6/152, Pola 1886, the commander of the Austrian man-of-war *Saida* reports that a white stone obelisk has been erected on the south-eastern slope of the precipitous hill of Peak Island.

The line drawn from this obelisk to that of Tanjong-Catong marks the eastern limit of the road.

*At the Executive Council Chamber, Melbourne, the thirty-first day of May 1886.*

PRESENT:

His Excellency the Governor.

Mr. Gillies	Mr. Lorimer
Mr. Deakin	Mr. Dow
Mr. Wrixon	Mr. Derham
Mr. Pearson	Mr. Bell

WHEREAS by section 28 of *The Victorian Water Conservation Act 1883*, No. 773, it is enacted that the Governor in Council may, subject to the provisions of the said Act, from time to time make, alter, and repeal regulations relating to any irrigation trust constituted under the said Act, for the purposes, among others, following:—

(a.) For determining the period for which the commissioners of any trust shall hold office, the time and manner of election, and the order of their retirement from office.

(b.) For determining the manner in which elections of any such commissioners shall be held, and the manner of voting thereat.

(c.) For determining the manner in which any vacancies in the office of any such commissioners shall be filled up; and

(d.) For determining questions as to the due election of any such commissioner.

Now, therefore, His Excellency the Governor, acting by and with the advice of the Executive Council, and in pursuance of the said provisions of the now in part recited Act, doth for the purposes aforesaid, so far as these may relate to a certain irrigation trust duly constituted under the said Act, and known as the Benjeroop and Murrabit Irrigation Trust, make the regulations following, namely:—

1. *Interpretation of terms.*—In these regulations "the Minister" shall mean the Minister of Water Supply; "the trust" or "the said trust" shall mean the Benjeroop and Murrabit Irrigation Trust; and "the area," "the said area," or "the irrigation area" shall mean the lands as defined by the Order in Council constituting the said trust wherein the trust shall have authority.

2. *Period for which commissioners shall hold office.*—Subject to the provisions in reference to the first election of commissioners hereinafter contained, for securing the annual retirement of two commissioners, the period during which the commissioners of the said trust shall hold office shall be three years.

3. *Annual retirement of commissioners.*—Two commissioners shall retire annually, but the retiring commissioners shall, subject to the provisions of the said Act, be eligible for re-election.

4. *Term of office of persons elected commissioners at first election.*—At the first election of commissioners two of the persons elected commissioners shall hold office as such commissioners for the term of three years, two others of such persons shall hold office for the term of two years, and the remaining two persons elected as such commissioners shall hold office for the term of one year, and the particular term for which each such person so elected commissioners shall hold office shall be determined in manner following, that is to say:—

(a.) *How term of office is ascertained when no poll taken.*—If the first election is made without a poll, as in the case in these regulations provided, then the particular term for which each candidate elected as a commissioner shall hold office shall immediately upon such election be publicly determined by lot by the returning officer, in such manner as to him may seem fit, and the returning officer shall thereupon immediately and publicly announce the term for which each individual candidate elected as a commissioner shall hold office as so determined, and shall report the same to the Minister.

(b.) *How term of office ascertained when poll taken.*—If at the first election a poll shall be held as in these regulations provided, then of the six candidates elected as commissioners, the two candidates who shall have received the highest number of votes shall hold office as commissioners for the term of three years, and the two candidates who shall have received the next highest number of votes shall hold office for the term of two years, and the remaining two candidates who shall have been elected shall hold office for the term of one year, and if two or more than two candidates elected shall have obtained the same number of votes, then the returning officer shall determine by lot (as hereinbefore provided in the case of the first election if decided without ballot) the term or terms of three, two, or one year, or years, during which such candidates shall respectively hold office. But so that no candidate elected shall hold office for a shorter time than the term during

which any other candidate who shall have obtained a less number of votes shall hold office. And the returning officer shall publicly declare the respective terms during which the several candidates shall hold office as so determined, and shall report the same to the Minister.

5. *Extraordinary vacancies, how filled, and term of office.*—Should any vacancy in the office of commissioner be occasioned by death, resignation, removal, disqualification, or any other cause whatever, an election shall forthwith be held to fill such vacancy, and the provisions contained in these regulations, as to the nomination of candidates, the manner in which elections shall be held, and the mode of voting thereat, shall apply to any election in respect of such vacancy, and the person elected to fill such vacancy shall hold the office of commissioner during the unexpired portion of the term of office of the commissioner whose seat shall have become vacant.

13. *Certified list to be voters' roll.*—The list so revised and certified shall be the voters' roll for the purposes of the first election of commissioners of the trust, but shall also be available for any election in respect of any extraordinary vacancy occurring within twelve months next after the date of the said first election.

14. *Voters' list to be prepared yearly.*—Before the thirty-first day of March in each year the officers of the trust shall prepare a voters' list, in the form of the first schedule hereto, and such list shall contain, in regular numerical sequence, and in alphabetical order of surname, the christian name or names, surname, and address (so far as these may be known) of each owner of not less than ten acres of land within the irrigation area of the said trust, and shall also specify the extent of, and indicate with reasonable certainty, the land of each such owner, and shall state the number of votes to which, under the provisions of the said Act, each such owner is entitled.

15. *Voting in respect of lands jointly owned.*—In the case of joint owners of land, the name of any one of such owners shall, subject to the provisions of the said Act and of these regulations, be placed in respect of such land upon the voters' list in like manner as if such land were owned solely by such one owner, and the owner so placed upon the said list shall alone be entitled to vote accordingly. Provided always that if such owners jointly, by notice in writing, desire that the number of votes to which, under the said provisions, any one of such owners is so entitled to give as aforesaid may be allotted between such owners in any manner they may jointly indicate, the alteration or alterations so

16. *Copy of list to be available for inspection.*—*Third Schedule.*—A copy of such voters' list shall be available for inspection, without payment of any fee or charge, at all reasonable hours in the day time, at some convenient place within or near to the irrigation area of the trust, for a period of seven clear days; and a notice in the form or to the like effect of the Third Schedule hereto shall be published in some newspaper ordinarily circulating within the said area; and such notice shall state that all objections to the said list must be forwarded in writing to the chairman of the trust within the time mentioned in the said notice.

17. *Grounds of objections to list to be forwarded in writing to the chairman of trust.*—All objections to the said list shall be forwarded in writing to the chairman of the trust within the time mentioned in the said notice, and the ground or grounds of objection must be clearly set forth.

18. *Special meeting of trust to be held to revise list.*—*List to be certified.*—In the month of May in each year a special meeting of the trust shall be held for the purpose of revising the said list, and all objections which may have been forwarded to the chairman under the preceding clause shall be considered by the commissioners then present, and the chairman may make such alterations and amendments in the said list as the commissioners or a majority of the commissioners present may determine to be just and necessary, or such as by these regulations are required to be made; and the list, when so revised, altered, and amended, shall be certified as correct under the hand of the chairman, and no objection to the list when so certified shall be allowed.

19. *Revised and certified list to be voters' roll.*—The list so revised and certified shall be the voters' roll for the purposes of any election (whether ordinary or extraordinary) of trust commissioners to be held within one year from the eighteenth day of June then next, the said day inclusive.

20. *Minister may appoint returning officer for first election.*—*Chairman of trust to be returning officer at subsequent elections.*—For the purposes of the first such election, the Minister may appoint some fit and proper person, not being an owner of land within the irrigation area, to be returning officer; but for every subsequent election, whether ordinary or extraordinary, the chairman of the trust for the time being shall be the returning officer; but if at the time of any election the office of chairman of the trust should be vacant, the commissioners of the trust may, by resolution, appoint one of their number to be returning officer until the office of chairman shall again be filled; and the returning officer may appoint a deputy to assist him or to act in his room at any election, and such deputy shall do all or any of the acts or things which the returning officer is hereby authorized or required to do.

21. *Notice of election.*—*Nomination of candidates.*—*Fourth schedule.*—Fourteen clear days before any election of commissioners under these regulations the returning officer shall give public notice of such election by advertisement inserted in some newspaper generally circulating in the said area, and by such notice shall require all candidates at such election to be nominated at some place within the said area, to be named in such notice, in manner hereinafter mentioned, between the hours of ten o'clock in the forenoon and four o'clock in the afternoon on some day before a day (hereinafter called the day of nomination) not less than four nor more than seven days after the time of giving such notice, and named therein; and any person desirous of nominating a candidate shall before four o'clock in the afternoon of the day next preceding the nomination day cause to be delivered at the place aforesaid, to the returning officer, a nomination paper in the form of the Fourth Schedule, or to the like effect, stating therein the christian name and surname of such candidate, together with the other particulars required in and by the said schedule; and such nomination paper shall be signed by not less than two persons duly qualified to vote at such elections, and also signed by the person named therein as a candidate, in token of his assent to being so named.

22. *Where number of candidates does not exceed number of commissioners to be elected.*—If at the expiration of the time limited as hereinbefore provided for the nominations of candidates the number of persons who have become candidates as aforesaid does not exceed the number of commissioners to be elected, the returning officer shall then declare such candidates to be duly elected, and they shall be deemed to be then duly elected accordingly.

23. *Where number of candidates exceeds number of commissioners to be elected.*—*Fifth schedule.*—*Notice of poll.*—*Hours of polling.*—If at the expiration of the time limited for the nomination of candidates, the number of candidates exceeds the number of commissioners to be elected, then the returning officer shall forthwith cause ballot papers to be printed, with the christian names and surnames of all the candidates in full, in the form of the Fifth Schedule hereto, and shall also forthwith give public notice by advertisement in some newspaper generally circulating in the irrigation area, stating the names of the persons so nominated and that a poll will be taken for the election of such commissioners upon the day named in such notice, at such place within the said area as the returning officer shall in and by such notice appoint, and such poll shall take place accordingly, and shall commence at twelve o'clock noon and close at three o'clock in the afternoon.

24. *Retirement of candidates before polling day.*—If at any election after a poll shall have been appointed as aforesaid any candidate for such election, and two of the persons having signed the paper nominating him as aforesaid, are desirous that he should retire from such candidature, such candidate and the persons aforesaid may sign and deliver to the returning officer, not later than four clear days before the day of polling, a notice in the form of the Sixth Schedule hereto, stating that such can-

didate so retires; and the said candidate or his agent shall thereupon publish in some newspaper generally circulating in the irrigation area a copy of such notice, and the returning officer, on sufficient proof of such publication as aforesaid, if the number of candidates is by such retirement reduced to the number of persons to be elected at such election, shall on the day appointed for the election declare the remaining candidates duly elected, and if the said number is not so reduced shall omit the name of the person so retiring from the ballot-papers to be used at the said election, and if such papers are already printed shall erase such name therefrom, and such person shall not be capable of being elected at such election.

25. *Polling-booth may be hired.*—At such election the returning officer shall provide a suitable place for taking a poll, and may, if necessary, cause to be hired and used as a polling-booth any room which he may deem to be suitable at the place appointed for taking the poll, and may divide such room into compartments as to him may seem most convenient.

26. *Returning officer to preside at polling-booth.*—The returning officer or his deputy shall preside at the polling-booth for taking the poll.

27. *Scrutineers may be appointed.*—Each candidate shall be entitled to appoint in writing one scrutineer to be present in the polling-booth, and the said returning officer or his deputy, and the said scrutineers and any voters, not exceeding four in number, actually engaged in voting, shall alone be permitted at any one time to enter or remain in the polling-booth.

28. *Pencils to be provided.*—The returning officer or his deputy shall provide pencils in the polling-booth for the use of the voters, and also a locked box, to be called the ballot-box, with a cleft or opening therein capable of receiving the ballot-papers; and such box shall be opened and exhibited to the scrutineers before the polling begins; and the box shall then be locked, and shall stand on a table opposite the returning officer, or deputy returning officer, who shall keep the key of such box.

29. *Mode of voting.—Where voter is illiterate.*—The returning officer shall deliver to every voter who requires the same a ballot-paper, or if such voter appears by the roll to be entitled to give more votes than one, then so many ballot-papers as may be equal to the number of votes which such voter so appears to be entitled to give, such ballot-papers being in the form of Schedule Five hereto, and initialled by the returning officer; and every such voter shall, without leaving the booth, strike out from all or any of such papers the name of every candidate for whom he does not intend to vote. And in case any voter is unable to read or write, the returning officer or his deputy, if so required, shall, in view of such one of the scrutineers as the voter may desire, strike out the name or names of such candidate or candidates as such voter may designate; and after such name or names have been so struck out the ballot-paper or ballot-papers, as the case may be, shall forthwith be deposited in the said box. Provided that all the ballot-papers to which any person may be entitled at the polling-booth shall be demanded and received by him at one and the same time; and no person, having once demanded and received any such ballot-paper or papers, and voted by the same, shall at the same election receive any further ballot-papers, or exercise any further right of voting.

30. *Ballot-papers to be numbered.*—Before delivering any ballot-paper to the voter, the returning officer or his deputy shall write upon the back of each such ballot-paper, as near as practicable to the lower edge thereof, the number set opposite to the voter's name in the roll; and shall thereupon upon a copy of such roll check off such voter's name as having voted, and mark against such name the number of ballot-papers delivered to such voter.

31. *Informal ballot-papers.*—If any voter suffer to remain upon his ballot-paper a greater number of names not struck out than the number of commissioners to be elected, the vote given on and by such paper shall be void and of no effect.

32. *What question may be asked.*—At any election of commissioners, the returning officer may if he see fit, or if required to do so by any candidate or scrutineer, put to any person tendering his vote the question following:—

And no other question shall be put to any person tendering his vote; and no person who shall refuse to answer such question, or who shall not answer the same absolutely in the affirmative, shall receive a ballot-paper or be permitted to vote.

33. *False answer, polling twice, and personation.*—Every person who shall wilfully make a false answer to the question aforesaid, or who shall poll more than once, or offer to poll more than once at the same election, or who shall depart or attempt to depart from any polling-booth after having received a ballot-paper without having deposited the same in the ballot-box as hereinbefore provided, or who shall personate any other person for the purpose of polling at such election, shall be guilty of a breach of these regulations; but nothing contained in this clause shall apply to any person only by reason of his exercising the right of voting as often as it appears by the roll he is entitled so to do.

34. *Result of polling how ascertained.*—Returning officer to have casting vote.—Immediately upon the close of the poll, the returning officer shall in the presence of and subject to the inspection of so many of the scrutineers of the candidates as please to be present, proceed to ascertain the number of votes for each candidate; and such returning officer shall abstain from inspecting the number written as aforesaid on any ballot-paper, and take care that the same is not seen by any person before being sealed up as herein provided; and the returning officer shall seal up the ballot-papers deposited in the booth, and as soon as conveniently may be on or after the day of the poll publicly declare the candidates, not exceeding the number of vacancies to be filled up, who have

received the greatest number of votes, to have been duly elected commissioners of the trust; and if two or more candidates have received an equal number of votes, the returning officer shall in each case have the casting vote.

35. *Ballot-papers how disposed of.*—The returning officer shall in the case of the said first election of commissioners forthwith after the declaration of the poll endorse with a description of the contents thereof and sign the sealed parcel of ballot-papers, and forward the same to the Minister, who shall as soon as may be after the first meeting of trust commissioners shall have been held forward such sealed packet to the secretary of the trust, to be by him safely and secretly kept for six months then next ensuing, and then by him caused to be destroyed in the presence of three commissioners of the trust; but in all subsequent elections the parcel of ballot-papers so sealed, endorsed, and signed shall be delivered by the returning officer to the said secretary, to be by him safely and secretly kept for six months after such delivery, and then by him caused to be destroyed in the presence of three of the commissioners of the trust.

36. *Minister to determine questions arising upon first election.*—If any question arise as to the due election of any commissioner at the first election, the returning officer shall at the request of any voter or candidate submit such question in writing to the Minister, who shall decide the same, and such decision shall be final and binding.

37. *Questions arising upon subsequent elections to be determined by trust.*—If any question arise as to the due election of any commissioner at any subsequent election, whether ordinary or extraordinary, such question shall be determined by the commissioners of the trust at the first ordinary meeting held after the election; but no commissioner in respect of whose election such question shall have arisen shall act as a commissioner at such meeting, or be entitled to take any part in the proceedings thereof, or in any manner, or at any time, to act as a commissioner until such question shall have been so determined; and the majority of the commissioners whose election is not in dispute shall form a quorum.

38. *Appeal to Minister from determination of trust.*—In event of any voter or candidate feeling aggrieved by the determination of the trust with reference to any such question as last aforesaid, he may appeal therefrom to the Minister within fourteen days from the date upon which the commissioners shall have determined the question, and the Minister may make such enquiry as to the merits of the question as may appear to him to be necessary, and determine such question in such manner as to him may appear just, and such determination of the Minister shall be final and binding.

39. *Failure to elect deemed to create extraordinary vacancies.*—If at any election of commissioners no vacancies or a number of vacancies less than the whole number which should have been filled up at such election are filled up, then the vacancies which are so not filled shall severally be deemed extraordinary vacancies and to have occurred on the day appointed for such election. Provided always that the commissioners eventually elected to fill such vacancies shall go out of office as if elected at such election.

40. *Expenses of election to be paid by trust.*—The expenses incurred by the returning officer, or under his direction, in connection with any election, shall be defrayed by the trust.

41. *Penalty for breach of regulations.*—These regulations shall also be deemed to be regulations under section 95 of *The Victorian Water Conservation Act 1881*, and any person guilty of a breach of any of the provisions of these regulations shall be liable to a penalty not exceeding Ten pounds, to be recovered in a summary manner before justices of the peace.

42. *Interpretation.*—In these regulations words importing the masculine gender shall be deemed and taken to include females, unless there is something in the context repugnant to or inconsistent with this interpretation.

#### CONDITIONS OF CONTRACT.

1. The services are to be performed upon an order signed either by a Justice or by a member of the Police Force. Under 31 Victoria No. 310, section 9, cemetery fees are not payable in the cases of paupers buried upon an order signed by a Justice, and in such cases the contractor's account for the burial will be correspondingly reduced.

2. The funerals are to be of the most economical description consistent with propriety. A plain hearse for an adult, and a covered, plain, suitable four-wheeled vehicle for a child under seven years of age, to be provided. The body shall be taken direct to the cemetery, and no more than one body shall be carried in the hearse at a time.

3. Coffins to be sufficiently long, deep, and wide for the corpse to lie extended at full length, and to be fastened down with screws. The contractor shall provide two inches of sawdust for the bottom of the coffin; a small block of wood to keep the head of the deceased in position, and sufficient white calico to cover the body. Coffins to be properly lowered into the graves, and the graves filled up again.

4. The graves to be dug of the proper depth, and in conformity with the Cemetery Regulations.

5. In the event of the contractor failing to attend punctually to the order, the work will be otherwise performed, and the extra expense, if any, incurred will be charged to the contractor.

6. When burials are required to take place on Sunday, no delay must take place in complying therewith, and any additional fees charged by the cemetery authorities will be repaid to the contractor.

7. The attendance of a minister of the denomination named in the order for the burial must, if practicable, be provided, and the contractor must inform the Police of the hour when the funeral service will take place, so that the friends of the deceased may attend at the cemetery if they wish. Such order to be produced at the cemetery when the contractor gives the order for interment. The contractor must pay the minister's fee for reading the burial service should it be claimed, and he will be reimbursed, on producing the minister's receipt, which must specify that the burial service was duly and properly performed, and that he received the fee for so doing; the receipt must also specify the name, age, and denomination of deceased, the name and denomination of the minister who performed the burial service, and the hour when the service was performed.

8. The account is to be rendered monthly to the officer ordering the service for payment at the Treasury, Melbourne. The charge for the minister's fee should be included in the account for the funeral.

9. In the event of any charge of impropriety or neglect in conducting the funerals being established against the contractor, the Government may for the first offence deduct from the security money, by way of fine, £5; and for the second offence a similar amount, and, in addition thereto, may forthwith cancel the contract.

10. In the event of the contractor failing to carry on the contract, the security money will in that case be absolutely forfeited.

11. Contractors are not at liberty to transfer their contracts under cover of power-of-attorney, coupled with an interest or otherwise; and no such transfer will be recognized by the Government.

12. The contract will be terminable by three months' notice either from the Secretary to the Tender Board on the part of the Government, or from the contractor; such notice to date from the first day of a month.

5. If the licensee desire a renewal of this license, notice to that effect must be given to the responsible Minister aforesaid one month prior to the expiration thereof, but nothing herein contained shall be deemed to confer the right to any renewal.
