Every license granted under section 119 of *The Land Act 1884* shall be subject to the conditions set forth in the schedule hereto, and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

Under sections 3 and 4 of *The Rabbit Suppression Act Amendment Act 1884*, all licenses under the section for which these licenses will issue are liable for the destruction of rabbits within the boundaries of their licenses.

Conditions :

1. The issue of this license shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of *The Land Act 1884*, except under the 119th section thereof, under which the license is issued, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of *The Land Act 1884*, or for mining purposes.
2. No licensee shall, in case of any resumption, be entitled to any compensation other than the return of such portion of the fee paid by him as the responsible Minister of the Crown for the time being administering Part XI. of *The Land Act 1884* may think fit. This license is also subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine therein, and to erect and occupy mining plant and machinery, without making any compensation for surface or other damage.
3. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this license shall be deemed within its operation.
4. This license entitles the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but does not confer any right to build thereon, or to cultivate, or to fence any portion thereof.
5. If the licensee desire a renewal of this license, notice to that effect must be given to the responsible Minister aforesaid one month prior to the expiration thereof, but nothing herein contained shall be deemed to confer the right to any renewal.
6. The interest in this license may not be transferred without the consent of the Minister aforesaid and the payment of a fee of £1.
7. No claim whatever shall be made or entertained by reason of this license not being renewed or transferred.
8. This license is to be used under and in accordance with the regulations made or to be made under the provisions of the said Act and for the time being in force.
9. This license may be forfeited if the licensee commit a breach of or neglect to comply with any of these conditions.
10. The publication of a notice in the *Government Gazette* purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this license, shall be conclusive evidence that the license is forfeited.

Special Conditions :

1. The period of occupation will be from 1st August 1886 to 31st December 1886.
2. The license fee must be paid in advance. The fee for the period from 1st August 1886 to 31st December 1886—for which the license will be issued—must accompany the tender, or be paid by the successful tenderer or his agent immediately on the declaration of the acceptance of the tender, otherwise the offer of the next highest tenderer who may be prepared to comply with this condition may be accepted.

TENDERS will be received by the Board of Land and Works, up to Noon of Tuesday, 3rd August 1886, for the occupation for Grazing purposes only of the following unappropriated portions of land, subject to the Regulations approved by the Governor in Council and also the subjoined special conditions.

Every license granted under section 119 of *The Land Act 1884* shall be subject to the conditions set forth in the schedule hereto, and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

Under sections 3 and 4 of *The Rabbit Suppression Act Amendment Act 1884*, all licenses under the section for which these licenses will issue are liable for the destruction of rabbits within the boundaries of their licenses.

#### Conditions:

1. The issue of this license shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of *The Land Act 1884*, except under the 119th section thereof, under which the license is issued, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of *The Land Act 1884*, or for mining purposes.

4. This license entitles the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but does not confer any right to build thereon, or to cultivate, or to fence any portion thereof.

5. If the licensee desire a renewal of this license, notice to that effect must be given to the responsible Minister aforesaid one month prior to the expiration thereof, but nothing herein contained shall be deemed to confer the right to any renewal.

7. No claim whatever shall be made or entertained by reason of this license not being renewed or transferred.

8. This license is to be used under and in accordance with the regulations made or to be made under the provisions of the said Act and for the time being in force.

9. This license may be forfeited if the licensee commit a breach of or neglect to comply with any of these conditions.
