Port Adelaide, Semaphore Anchorage—Leading Lights.

REFERRING to Notice No. 12 of 1888, as to the removal of the *Beatrice*, mariners are now hereby informed that, on and after the 1st of December 1888, two Red Lights will be exhibited ashore, one from the time-ball tower, and the other from the flagstaff at the shore end of Semaphore jetty.

These lights in line, bearing S.E. $\frac{1}{4}$ S., lead through the deepest water in the semaphore anchorage, and up to the ocean steamers' mooring buoy.

DIRECTIONS.

By Night.—Vessels approaching the anchorage should not bring the Port Adelaide light to the north of N.E. until the above lights are in line, then steer in on that line with the lead going until the requisite water is found, or the mooring buoy is picked up. When the red light, east of the lighthouse, is just closing with the bright light on No. 11 Beacon, the vessel will be close to the mooring buoy.

The leading lights will not show south of the bell buoy on the Wonga Shoal, so that vessels of suitable draught, which do not intend to use the mooring buoy, may steer in for any part of the anchorage as soon as the two red lights are visible.

By Day.—Keep the lighthouse on the same bearing until the time-ball tower and the water tower are in line, then proceed as above.

By direction,
THOS. N. STEPHENS,
Secretary Marine Board.

WESTERN WIMMERA IRRIGATION AND WATER SUPPLY TRUST—ELECTION OF COMMISSIONERS.

At the Executive Council Chamber, Melbourne, the twelfth day of November 1888.

PRESENT:

His Excellency the Governor.
Mr. Gillies Mr. Wrixon
Mr. Deakin Sir James Lorimer.

WHEREAS by section 63 of *The Irrigation Act 1886*, No. 888, it is enacted that the Governor in Council may, subject to the provisions of the said Act, from time to time make, alter, and repeal regulations relating to any irrigation and water supply trust appointed and created under the said Act, for the purposes, among others, following:—

- (a) For determining the period for which the commissioners of any trust shall hold office, the time and manner of election, and the order of their retirement from office;
- (b) For determining the manner in which elections of any such commissioners shall be held, and the manner of voting thereat;
- (c) For determining the manner in which any vacancies in the office of any such commissioners shall be filled up; and
- (d) For determining questions as to the due election of any such commissioner.

Now therefore His Excellency the Governor, acting by and with the advice of the Executive Council, and in pursuance of the said provisions of the now in part recited Act, doth for the purposes aforesaid, so far as these may relate to a certain irrigation and water supply trust duly appointed and created under the said Act, and known as the Western Wimmera Irrigation and Water Supply Trust, make the regulations following, viz. :—

1. *Interpretation of terms.*—In these regulations “the Minister” shall mean the Minister of Water Supply; “the trust” or “the said trust” shall mean the Western Wimmera Irrigation and Water Supply Trust; and “the district,” “the said district,” or “the irrigation district” shall mean the lands, as defined by the Order in Council appointing and creating the said trust, wherein the trust shall have authority.

2. *Period for which commissioners shall hold office.*—Subject to the provisions in reference to the first election of commissioners hereinafter contained, for securing the annual retirement of four commissioners, the period during which the commissioners of the said trust shall hold office shall be three years.

3. *Annual retirement of commissioners.*—Four commissioners shall retire annually, but the retiring commissioners shall, subject to the provisions of the said Act, be eligible for re-election.

4. *Term of office of persons elected commissioners at first election.*—At the first election of commissioners four of the persons elected commissioners shall hold office as such commissioners for the term of three years, four others of such persons shall hold office for the term of two years, and the remaining four persons elected as such commissioners shall hold office for the term of one year; and the particular term for which each such person so elected a commissioner shall hold office shall be determined in manner following (that is to say):—

(a.) *How term of office is ascertained when no poll taken.*—If the first election is made without a poll, as in the case in these regulations provided, then the particular term for which each candidate elected as a commissioner shall hold office shall, immediately upon such election, be publicly determined by lot by the returning officer, in such manner as to him may seem fit, and the returning officer shall thereupon immediately, and publicly, announce the term for which each individual candidate elected as a commissioner shall hold office as so determined, and shall report the same to the Minister.

(b.) *How term of office ascertained when poll taken.*—If at the first election a poll shall be held as in these regulations provided, then of the twelve candidates elected as commissioners the four candidates who shall have received the highest number of votes shall hold office as commissioners for the term of three years, and the four candidates who shall have received the next highest number of votes shall hold office for the term of two years, and the remaining four candidate who shall have been elected shall hold office for the term of one year; and if two or more than two candidates elected shall have obtained the same number of votes then the returning officer shall determine by lot (as hereinbefore provided in the case of the first election if decided without ballot) the term or terms of three, two, or one year or years during which such candidates shall respectively hold office. But so that no candidate elected shall hold office for a shorter time than the term during which any other candidate who shall have obtained a less number of votes shall hold office. And the returning officer shall publicly declare the respective terms during which the several candidates shall hold office as so determined, and shall report the same to the Minister.

5. *Extraordinary vacancies, how filled, and term of office.*—Should any vacancy in the office of commissioner be occasioned by death, resignation, removal, disqualification, or any other cause whatever, an election shall forthwith be held to fill such vacancy, and the provisions contained in these regulations, as to the nomination of candidates, the manner in which elections shall be held, and the mode of voting thereat, shall apply to any election in respect of such vacancy, and the person elected to fill such vacancy shall hold the office of commissioner during the unexpired portion of the term of office of the commissioner whose seat shall have become vacant.

6. *Date of first election of commissioners.—Date of ordinary annual election.*—The first election of commissioners of the said trust shall be held on the 5th day of December 1888, and the ordinary annual election shall be held on the 5th day of December

in each succeeding year. Provided that whenever such date may fall upon a Sunday, or upon any day set apart as a public holiday, such election shall be held upon the day next following.

7. *Voters' lists to be prepared.*—For the purposes of the first election of commissioners of the said trust, a voters' list shall be prepared by the person holding the office of secretary to the Shire of Wimmera Waterworks Trust, and the said voters' list shall be forwarded to the Minister.

8. *Form of voters' list.—First Schedule.*—Such voters' list shall be in the form of the First Schedule hereto, and shall contain in regular numerical sequence, and alphabetical order of surname, the christian name or names, surname, and address, so far as these may be known, of each person entitled to vote under the provisions of *The Irrigation Act 1886*, or under the provisions of any Act amending the said *Irrigation Act 1886*, and shall also specify the extent of, and indicate with reasonable certainty, the land of each such person, and shall state the number of votes to which, under the provisions of the said Act, each such person is entitled.

9. *Voting in respect of lands jointly owned.*—In the case of joint owners of land, or in the case of joint lessees of Crown lands, the name of any one of such owners or lessees (as the case may be) shall, subject to the provisions of the said Act and of these regulations, be placed in respect of such land upon the voters' list in like manner as if such land were owned or leased solely by such one owner or lessee respectively, and the owner or lessee so placed upon the said list or lists shall alone be entitled to vote accordingly. Provided always that if such owners or lessees jointly, by notice in writing, desire that the number of votes to which, under the said provisions, any one of such owners or lessees (as the case may be) is so entitled to give as aforesaid may be allotted between such owners or lessees in any manner they may jointly indicate, the alteration or alterations so desired to be made in the said list shall, if the same be consistent with the said provisions, be made when the list shall be revised as hereinafter provided, and such owners or lessees (as the case may be) shall be entitled to vote accordingly.

10. *Copies of voters' list to be available for inspection.—Second Schedule.—Objections to list to be in writing, and forwarded to Minister.*—Copies of such voters' list shall be available for inspection, without payment of any fee or charge, at all reasonable hours in the day time, in some convenient places within or near to the district of the trust for a period of six clear days; and a notice in the form, or to the like effect, of the Second Schedule hereto, setting forth the times and place at which such voters' list may be so inspected, shall be published in some newspaper ordinarily circulating within the said district, and such notice shall state that all objections to the said list must be forwarded in writing to the Minister within the time mentioned in the said notice.

11. *Grounds of objection to be stated.*—All objections to the said list shall be forwarded in writing to the Minister within nine days after the first day of the publication of such notice, and the ground or grounds of objection must be clearly set forth.

12. *Minister to revise and certify list.*—The Minister shall revise the said list, and consider all objections thereto, and make such alterations and amendments therein as to him may seem just, and shall certify the list under his hand as correct; and no objections to the list when so certified shall be allowed.

13. *Certified list to be voters' roll.*—The list so revised and certified shall be the voters' roll for the purposes of the first election of commissioners of the trust, but shall also be available for any election in respect of any extraordinary vacancy occurring within twelve months next after the date of the said first election.

14. *Voters' list to be prepared yearly.*—Before the first day of November in each year the officers of the trust shall prepare a voters' list in the form of the First Schedule hereto, and such list shall contain, in regular numerical sequence, and in alphabetical order of surname, the christian name or names, surname, and address (so far as these may be known) of each person entitled to vote under the provisions of *The Irrigation Act 1886*, or under the provisions of any Act amending the said *Irrigation Act 1886*, and shall also specify the extent of, and indicate with reasonable certainty, the land of each such person, and shall state the number of votes to which, under the provisions of the said Act, each such person is entitled.

15. *Voting in respect of lands jointly owned.*—In the case of joint owners of land, or in the case of joint lessees of Crown lands, the name of any one of such owners or lessees (as the case may be) shall, subject to the provisions of the said Act and of these regulations, be placed in respect of such land upon the voters' list in like manner as if such land were owned or leased solely by such one owner or lessee respectively, and the owner or lessee so placed upon the said list shall alone be entitled to vote accordingly. Provided always that if such owners or lessees jointly, by notice in writing, desire that the number of votes to which, under the said provisions, any one of such owners or lessees (as the case may be) is so entitled to give as aforesaid may be allotted between such owners or lessees in any manner they may jointly indicate, the alteration or alterations so desired to be made in the said list shall, if the same be consistent with the said provisions, be made when the list or lists shall be revised as hereinafter provided, and such owners or lessees (as the case may be) shall be entitled to vote accordingly.

16. *Copies of list to be available for inspection.—Third Schedule.*—Copies of such voters' list shall be available for inspection, without payment of any fee or charge, at all reasonable hours in the day time, at some convenient places within or near to the district of the trust for a period of fourteen clear days; and a notice in the form, or to the like effect, of the Third Schedule hereto shall be published in some newspaper ordinarily circulating within the said district; and such notice shall state that

all objections to the said list must be forwarded in writing to the chairman of the trust within the time mentioned in the said notice.

17. *Grounds of objections to list to be forwarded in writing to the chairman of trust.*—All objections to the said list shall be forwarded in writing to the chairman of the trust within the time mentioned in the said notice, and the ground or grounds of objection must be clearly set forth.

18. *Special meeting of trust to be held to revise list.*—List to be certified.—In the month of November in each year a special meeting of the trust shall be held for the purpose of revising the said list, and all objections which may have been forwarded to the chairman under the preceding clause shall be considered by the commissioners then present; and the chairman may make such alterations and amendments in the said list as the commissioners or a majority of the commissioners present may determine to be just and necessary, or such as by these regulations are required to be made; and the list, when so revised, altered, and amended, shall be certified as correct under the hand of the chairman, and no objection to the list when so certified shall be allowed.

19. *Revised and certified list to be voters' roll.*—The list so revised and certified shall be the voters' roll for the purposes of any election (whether ordinary or extraordinary) of trust commissioners to be held within one year from the sixth day of December then next, the said day inclusive.

20. *Minister may appoint returning officer for first election.*—*Chairman of trust to be returning officer at subsequent elections.*—For the purposes of the first such election, the Minister may appoint some fit and proper person, not being an owner of land within the district, to be returning officer; but for every subsequent election (whether ordinary or extraordinary) the chairman of the trust for the time being shall be the returning officer; but if at the time of any election the office of chairman of the trust should be vacant, the commissioners of the trust may, by resolution, appoint one of their number to be returning officer until the office of chairman shall again be filled; and the returning officer whether appointed by the Minister or otherwise may appoint a deputy or deputies to assist him or to act in his room at any election, and such deputy may do all or any of the acts or things which the returning officer is hereby authorized or required to do.

21. *Notice of election.*—*Nomination of candidates.*—*Fourth Schedule.*—Twenty-one clear days before any election of commissioners under these regulations the returning officer shall give public notice of such election by advertisement inserted in some newspaper generally circulating in the said district, and by such notice shall require all candidates at such election to be nominated at some place within the said district, to be named in such notice, in manner hereinafter mentioned, between the hours of ten o'clock in the forenoon and four o'clock in the afternoon on some day before a day (hereinafter called the day of nomination) not less than four nor more than seven days after the time of giving such notice, and named therein; and any person desirous of nominating a candidate shall, before four o'clock in the afternoon of the day next preceding the nomination day, cause to be delivered at the place aforesaid, to the returning officer, a nomination paper in the form of the Fourth Schedule, or to the like effect, stating therein the christian name and surname of such candidate, together with the other particulars required in and by the said Schedule; and such nomination-paper shall be signed by not less than six persons duly qualified to vote at such election, and also signed by the person named therein as a candidate, in token of his assent to being so named, and such candidate or some person on his behalf shall, at the time when such nomination-paper is delivered to the returning officer, pay into the hands of such returning officer the sum of Twenty pounds, to be dealt with as by law provided. And no person who shall not have been so nominated, or by whom or on whose behalf such payment shall not have been so made, shall within the subsequent provisions of these regulations be deemed to be a candidate at any election of commissioners.

22. *Where number of candidates does not exceed number of commissioners to be elected.*—If at the expiration of the time limited as hereinbefore provided for the nominations of candidates the number of persons who have become candidates as aforesaid does not exceed the number of commissioners to be elected, the returning officer shall then declare such candidates to be duly elected, and they shall be deemed to be then duly elected accordingly.

23. *Where number of candidates exceeds number of commissioners to be elected.*—*Fifth Schedule.*—*Notice of poll.*—*Hours of polling.*—If at the expiration of the time limited for the nomination of candidates the number of candidates exceeds the number of commissioners to be elected, then the returning officer shall forthwith cause ballot-papers to be printed, with the christian names and surnames of all the candidates in full, in the form of the Fifth Schedule hereto, and shall also forthwith give public notice, by advertisement in some newspaper generally circulating in the district, stating the names of the persons so nominated, and that a poll will be taken for the election of such commissioners upon the day named in such notice, at such place within the said area as the returning officer shall in and by such notice appoint, and such poll shall take place accordingly, and shall commence at nine o'clock in the forenoon, and close at four o'clock in the afternoon.

24. *Retirement of candidates before polling day.*—If at any election after a poll shall have been appointed as aforesaid any candidate for such election, and two of the persons having signed the paper nominating him as aforesaid are desirous that he should retire from such candidature, such candidate and the persons aforesaid may sign and deliver to the returning officer, not later than four clear days before the day of polling, a notice in the form of the Sixth Schedule hereto, stating that such candidate so retires; and the said candidate or his agent shall thereupon publish in some newspaper generally circulating in the district a copy of such notice, and the returning officer, on

sufficient proof of such publication aforesaid, if the number of candidates is by such retirement reduced to the number of persons to be elected at such election, shall on the day appointed for the election declare the remaining candidates duly elected, and, if the said number is not so reduced, shall omit the name of the person so retiring from the ballot-papers to be used at the said election, and if such papers are already printed shall erase such name therefrom, and such person shall not be capable of being elected at such election.

25. *Polling-booth may be hired.*—At such election the returning officer shall provide suitable places for taking a poll, and may, if necessary, cause to be hired and used as polling-booths any rooms which he may deem to be suitable at the places appointed for taking the poll, and may divide such rooms into compartments, as to him may seem most convenient.

26. *Returning officer to preside at polling-booth.*—The returning officer, or his deputy, shall preside at each polling-booth for taking the poll.

27. *Scrutineers may be appointed.*—Each candidate shall be entitled to appoint, in writing, one scrutineer to be present in each polling-booth, and the said returning officer, or his deputy, and the said scrutineers, and any voters, not exceeding four in number, actually engaged in voting, shall alone be permitted at any one time to enter or remain in any polling-booth.

28. *Pencils to be provided.*—The returning officer, or his deputy, shall provide pencils in each polling-booth for the use of the voters, and also a locked box, to be called the ballot-box, with a cleft or opening therein capable of receiving the ballot-papers; and such box shall be opened and exhibited to the scrutineers in each booth before the polling begins; and the box shall then be locked, and shall stand on a table opposite the returning officer, or deputy returning officer, who shall keep the key of such box.

29. *Mode of voting.*—*Where voter is illiterate.*—The returning officer shall deliver to every voter who requires the same a ballot-paper, or if such voter appears by the roll to be entitled to give more votes than one then so many ballot-papers as may be equal to the number of votes which such voter so appears to be entitled to give, such ballot-papers being in the form of Schedule Five hereto, and initialed by the returning officer; and every such voter shall, without leaving the booth, strike out from all or any of such papers the name of every candidate for whom he does not intend to vote. And in case any voter is unable to read or write, the returning officer, or his deputy, if so required, shall, in view of such one of the scrutineers as the voter may desire, strike out the name or names of such candidate or candidates as such voter may designate; and after such name or names have been so struck out the ballot-paper or ballot-papers (as the case may be) shall forthwith be deposited in the said box. Provided that all the ballot-papers to which any person may be entitled at the polling-booth shall be demanded and received by him at one and the same time; and no person, having once demanded and received any such ballot-paper or papers, and voted by the same, shall at the same election receive any further ballot-papers, or exercise any further right of voting.

30. *Ballot-papers to be numbered.*—Before delivering any ballot-paper to the voter, the returning officer or his deputy shall write upon the back of each such ballot-paper, as near as practicable to the lower edge thereof, the number set opposite to the voter's name in the roll; and shall thereupon, upon a copy of such roll, check off such voter's name as having voted, and mark against such name the number of ballot-papers delivered to such voter.

31. *Informal ballot-papers.*—If any voter suffer to remain upon his ballot-paper a greater number of names not struck out than the number of commissioners to be elected, the vote given on and by such paper shall be void and of no effect.

32. *What question may be asked.*—At any election of commissioners, the returning officer may if he see fit, or if required to do so by any candidate or scrutineer, shall put to any person tendering his vote the question or any of the questions following:—

1. "Are you the person whose name appears as (A. B.) in the roll now in force for this trust, being enrolled therein in respect of land in the parish of _____, being (here specify land as described in the roll)?"

2. "Have you already voted at the present election?"

And no other question shall be put to any person tendering his vote; and no person who shall refuse to answer such questions, or who shall not answer the first of such questions absolutely in the affirmative, and the second of such questions absolutely in the negative, shall receive a ballot-paper or be permitted to vote.

33. *False answer, polling twice, and personation.*—Every person who shall wilfully make a false answer to either the question aforesaid, or who shall poll more than once or offer to poll more than once at the same election, or who shall depart or attempt to depart from any polling-booth after having received a ballot-paper without having deposited the same in the ballot-box as hereinbefore provided, or who shall personate any other person for the purpose of polling at such election, shall be guilty of a breach of these regulations; but nothing contained in this clause shall apply to any person only by reason of his exercising the right of voting as often as it appears by the roll he is entitled so to do.

34. *Result of polling, how ascertained.*—*Returning officer to have casting vote.*—Immediately upon the close of the poll, the returning officer or his deputy shall, in the presence of and subject to the inspection of so many of the scrutineers of the candidates as please to be present, proceed to ascertain the number of votes for each candidate; and such returning officer or his deputy shall abstain from inspecting the number written as aforesaid on any ballot-paper, and take care that the same is not seen by any person before being sealed up as herein provided; and the returning officer shall seal up the ballot-papers deposited in the booth; and as soon as conveniently may be on or after the day of the poll the returning officer shall publicly declare the candidates, not exceeding the number of vacancies to be filled up, who have received the greatest number of votes to have been duly elected commissioners of the

trust; and if two or more candidates have received an equal number of votes, the returning officer shall in each case have the casting vote.

35. *Ballot-papers, how disposed of.*—The returning officer shall, in the case of the said first election of commissioners, forthwith after the declaration of the poll endorse with a description of the contents thereof and sign the sealed parcel of ballot-papers and forward the same to the Minister, who shall as soon as may be after the first meeting of trust commissioners shall have been held forward such sealed packet to the secretary of the trust, to be by him safely and secretly kept for six months then next ensuing, and then by him caused to be destroyed in the presence of three commissioners of the trust; but in all subsequent elections the parcel of ballot-papers so sealed, endorsed, and signed shall be delivered by the returning officer to the said secretary, to be by him safely and secretly kept for six months after such delivery, and then by him caused to be destroyed in the presence of three of the commissioners of the trust.

36. *Minister to determine questions arising upon first election.*—If any question arise as to the due election of any commissioner at the first election, the returning officer shall, at the request of any voter or candidate, submit such question in writing to the Minister, who shall decide the same, and such decision shall be final and binding.

37. *Questions arising upon subsequent elections to be determined by trust.*—If any question arise as to the due election of any commissioner at any subsequent election (whether ordinary or extraordinary), such question shall be determined by the commissioners of the trust at the first ordinary meeting held after the election; but no commissioner in respect of whose election such question shall have arisen shall act as a commissioner at such meeting, or be entitled to take any part in the proceedings thereof, or in any manner or at any time to act as a commissioner until such question shall have been so determined; and the majority of the commissioners whose election is not in dispute shall form a quorum.

38. *Appeal to Minister from determination of trust.*—In event of any voter or candidate feeling aggrieved by the determination of the trust with reference to any such question as last aforesaid, he may appeal therefrom to the Minister within fourteen days from the date upon which the commissioners shall have determined the question, and the Minister may make such inquiry as to the merits of the question as may appear to him to be necessary, and determine such question in such manner as to him may appear just, and such determination of the Minister shall be final and binding.

39. *Failure to elect deemed to create extraordinary vacancies.*—If at any election of commissioners no vacancies or a number of vacancies less than the whole number which should have been filled up at such election are filled up, then the vacancies which are not so filled up shall severally be deemed extraordinary vacancies and to have occurred on the day appointed for such election. Provided always that the commissioners eventually elected to fill such vacancies shall go out of office as if elected at such election.

40. *Expenses of election to be paid by trust.*—The expenses incurred by the returning officer, or under his direction, in connexion with any election shall be defrayed by the trust.

41. *Penalty for breach of regulations.*—These regulations shall also be deemed to be regulations under section 250 of *The Irrigation Act 1886*, and any person guilty of a breach of any of the provisions of these regulations shall be liable to a penalty not exceeding Ten pounds, to be recovered in a summary manner before justices of the peace.

42. *Interpretation.*—In these regulations words importing the masculine gender shall be deemed and taken to include females, unless there is something in the context repugnant to or inconsistent with this interpretation.

And whereas an Order in Council, dated the fifteenth day of May One thousand eight hundred and eighty-eight, was made, authorizing the construction of a tramway from Kerang to Koon-drook, within the Shire of Swan Hill; and whereas the Council of the Shire of Swan Hill has made a tramway rate in accordance with the provisions of the said Act, sufficient to repay the advance hereinafter ordered, together with interest at Four pounds per centum per annum, within a period not exceeding thirty years; and whereas the Governor in Council has determined, upon the request of the said Council of the said Shire of Swan Hill, to order an advance to be made to the said Council for the construction of the said tramway, out of the said Country Tramways Trust Fund, of Twenty-seven thousand eight hundred and twenty-five pounds (£27,825), which sum does not exceed on an average Two thousand pounds for every mile of the length of the said tramway, such moneys, with interest at Four pounds per centum per annum, to be fully repaid within a period of thirty years, by instalments, in manner hereinafter ordered, such instalments being at a rate as required in the Act of not less than Two pounds per centum upon the amount of the said loan in every year; the repayment of such moneys and interest to be secured by a mortgage to the Board of Land and Works by the Council of the said tramway, and of the said tramway rate, in accordance with the Second Schedule of the *Local Government Amendment Act 1883*, and with section eight of the said Act No. 915.

Now therefore His Excellency the Governor by and with the advice of the Executive Council and in pursuance of the provisions of the said Act No. 915, doth for the purpose aforesaid make the order following, that is to say:—

That the sum of Twenty-seven thousand eight hundred and twenty-five pounds (£27,825)—such sum being an amount not exceeding on an average Two thousand pounds for every mile of the said tramway—be advanced out of the said Country Tramways Trust Fund to the said council of the shire of Swan Hill, for the construction of the said tramway, authorized by the said Order in Council of the fifteenth day of May, One thousand eight hundred and eighty-eight, and doth further order that the repayment of the said loan with interest thereon at Four pounds per centum per annum shall be made in the manner following, that is to say:—The said Council shall repay to the said Board the amount of the said advance of £27,825, with interest at the rate of Four pounds per centum per annum, calculated on the balance from time to time remaining unliquidated by fifty-five equal half-yearly instalments of such principal monies and interest of Eight hundred and thirty-five pounds fifteen shillings (£835 15s.) each payable on the fourteenth day of May, and the fourteenth day of November in each succeeding year, the first of such payments to be made on the fourteenth day of May, One thousand eight hundred and eighty-nine, with a final payment of Three hundred and ninety-six pounds eighteen shillings (£396 18s.) on the sixth day of August in the year One thousand nine hundred and sixteen, and doth further order that repayment of such principal monies and interest by the instalments as hereinbefore ordered shall be secured by a mortgage of the said tramway and of the said tramway rate by the said council to the said board in accordance with the Second Schedule of the *Local Government Amendment Act 1883*, and with section eight of the said Act No. 915, and doth further order that so much of the said instalments as consists of interest shall on collection form part of the Consolidated Revenue, and so much of the said instalments as consists of principal shall be placed to the credit of the Country Tramways Trust Fund.

And the Honorable Duncan Gillies, Her Majesty's Treasurer for Victoria, shall give the necessary directions herein accordingly.

WARANGA SHIRE.

PROPOSED SEVERANCE OF AREA AND CONSTITUTION OF NEW SHIRE.

IN pursuance of the provisions of the *Local Government Act 1874* (No. 506, sec. 46), the substance and prayer of a Petition, in accordance with the 44th section of the said Act, which has been presented to His Excellency the Governor, are published, viz.:—

The petitioners purport to constitute a majority of the rate-payers in the portion of the Shire of Waranga which is described in their petition, and they desire that the area so described may be severed from the Shire of Waranga, and constituted a new shire under the name or title of "The Shire of Campaspe."

Area described in the petition:—

Commencing at a point on the River Campaspe intersected by the south boundary of the Echuca Shire; thence following that boundary due east to a point on the western boundary of the United Echuca and Waranga Water Trust's area; thence following that boundary to its junction with the southern boundary of the said area; thence following the said southern boundary bearing east until its intersection with the Cornelia Creek; thence by the centre of the said creek southerly to the northern boundary of the Shire of McIvor; thence following the said northern boundary in a westerly direction to the centre of the River Campaspe; thence by the centre of the said river northerly to the commencing point.

Petitioners state that there is no community of interests between the eastern and western portions of the shire; that they are too far removed from Rushworth, where the Shire Hall is situated, and are put to great inconvenience in having to go there on shire business; and that the western riding is not fairly represented in the council.

They therefore pray—

"That the area above described may be constituted a separate municipality, that the number of the councillors be nine (9), and that it be subdivided into three (3) ridings."

Notice for petitioners may be served on Mr. Joseph Revell, Campaspe Hotel, Kynnymede, near Elmore.

Commissioner of Public Works.

Every license granted under section 119 of *The Land Act 1884* shall be subject to the conditions set forth in the schedule hereto, and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

Under sections 3 and 4 of *The Rabbit Suppression Act Amendment Act 1884*, all licensees under the section for which these licenses will issue are liable for the destruction of rabbits within the boundaries of their licenses.

Conditions :

1. The issue of this license shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of *The Land Act 1884*, except under the 119th section thereof, under which the license is issued, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of *The Land Act 1884*, or for mining purposes.

2. In case the said land, or any part or parts thereof, shall be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than the return of such portion of his license fee paid by him as the responsible Minister of the Crown for the time being administering Part XI. of *The Land Act 1884* may think fit. This license is also subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine therein, and to erect and occupy mining plant and machinery, without making any compensation for surface or other damage.

2A. Subject to these conditions, the licensee shall be entitled to use the land for the purposes for which the license has been granted, until notice has been given in the *Government Gazette* that such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid; and, immediately upon such notice being given, all the interest of the licensee in the licensed land described in such notice shall cease and be determined, and any person entitled to occupy the licensed land, or any part thereof, may lawfully make entry upon and hold the same, without the permission or sanction of the licensee, or any one claiming under her, him, or them.

4. This license entitles the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but does not confer any right to build thereon, or to cultivate, or to fence any portion thereof.

5. If the licensee desire a renewal of this license, notice to that effect must be given to the responsible Minister aforesaid one month prior to the expiration thereof, but nothing herein contained shall be deemed to confer the right to any renewal.

6. The interest in this license may not be transferred without the consent of the Minister aforesaid and the payment of a fee of £1.

7. No claim whatever shall be made or entertained by reason of the license not being renewed or transferred.

8. This license is to be used under and in accordance with the regulations made or to be made under the provisions of the said Act and for the time being in force.

9. This license may be forfeited if the licensee commit a breach of or neglect to comply with any of these conditions.

10. The publication of a notice in the *Government Gazette* purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this license, shall be conclusive evidence that the license is forfeited.

Special Conditions :

2. The license fee must be paid in advance. The fee for the period from 1st January 1889 to 31st December 1889 for which the license will be issued—must accompany the tender, or be paid by the successful tenderer or his agent immediately on the declaration of the acceptance of the tender, otherwise the offer of the next highest tenderer who may be prepared to comply with this condition may be accepted.

3. Tenders to be for so much per lot and block per annum.

4. Separate tenders must be lodged for each block.
