The births of 1,458 children, viz., 760 boys and 698 girls, were registered in Greater Melbourne during the month of March. In the month of February 1,323 births were registered, or 135 less than in the month under review. The births were 480 above the average of the month during the previous ten years, but 205 above that average, if allowance be made for the increase of population.

The deaths registered in March numbered 940, viz., 534 of males and 406 of females; the births thus exceeded the deaths by 518, or 55 per cent. The deaths were exactly the same as those in February, and exceeded the average of March during the previous ten years by 320. If, however, allowance be made for the increase of population, they will be found to exceed that average by 146.

To every 1,000 of the population of the district, the proportion of births registered was 3.48, and of deaths registered 2.24.

The highest temperature in the shade recorded at Melbourne Observatory during the month was 96.0° on the 16th, and the lowest was 43.0° on the 1st. The mean atmospheric pressure (30.015 inches) was slightly above the average.

Rain fell on 5 days, the amount of rainfall being 0.237 inches. The average rainfall in March during the previous ten years was 2.20 inches, or 2 inches more than in the month under notice.

Children under 5 years of age contributed 43 per cent. to that mortality, as against 44 per cent. in 1888, 44 per cent. in 1887, 46 per cent. in 1886, 41 per cent. in 1885, 42 per cent. in 1884, 37 per cent. in 1883, 43 per cent. in 1882, 43 per cent. in 1881, and 47 per cent. in 1880 and 1879.

PINE HILLS IRRIGATION AND WATER SUPPLY TRUST.—REGULATIONS FOR THE ELECTION OF COMMISSIONERS.

At the Executive Council Chamber, Melbourne, the twenty-fourth day of April 1889.

PRESENT:

His Excellency the Administrator of the Government.

Mr. Gillies	Mr. Dow
Mr. Deakin	Mr. Nimmo
Mr. Wrixon	Mr. Derham
Mr. Pearson	Mr. Davies.
Sir James Lorimer	

WHEREAS by section 63 of *The Irrigation Act 1886*, No. 898, it is enacted that the Governor in Council may, subject to the provisions of the said Act, from time to time make, alter, and repeal regulations relating to any Irrigation and Water Supply Trust appointed and created under the said Act, for the purposes, among others, following:—

(a) For determining the period for which the commissioners of any trust shall hold office, the time and manner of election, and the order of their retirement from office.

(b) For determining the manner in which elections of such commissioners shall be held, and the manner of voting thereat.

(c) For determining the manner in which any vacancies in the office of any such commissioners shall be filled up; and

(d) For determining questions as to the due election of any such commissioner.

Now therefore His Excellency the Administrator of the Government, acting by and with the advice of the Executive Council, and in pursuance of the said provisions of the now in part recited Act, doth for the purposes aforesaid, so far as these may relate to a certain Irrigation and Water Supply Trust duly appointed and created under the said Act, and known as the Pine Hills Irrigation and Water Supply Trust, make the regulations following, viz:—

1. *Interpretation of terms.*—In these regulations "the Minister" shall mean the Minister of Water Supply; "the trust" or "the said trust" shall mean the Pine Hills Irrigation and Water Supply Trust; and "the district," "the said district," or "the irrigation district" shall mean the lands, as defined by the Order in Council appointing and creating the said trust, wherein the trust shall have authority.

2. *Period for which commissioners shall hold office.*—Subject to the provisions in reference to the first election of commissioners hereinafter contained, for securing the annual retirement of two commissioners, the period during which the commissioners of the said trust shall hold office shall be three years.

3. *Annual retirement of commissioners.*—Two commissioners shall retire annually, but the retiring commissioners shall, subject to the provisions of the said Act, be eligible for re-election.

4. *Term of office of persons elected commissioners at first election.*—At the first election of commissioners two of the persons elected commissioners shall hold office as such commissioners for the term of three years, two others of such persons shall hold office for the term of two years, and the remaining two persons elected as such commissioners shall hold office for the term of one year; and the particular term for which each such person so elected a commissioner shall hold office shall be determined in manner following (that is to say):—

(a) *How term of office is ascertained when no poll taken.*—If the first election is made without a poll, as in the case in these regulations provided, then the particular term for which each candidate elected as a commissioner shall hold office shall, immediately upon such election, be publicly determined by lot by the returning officer, in such manner as to him may seem fit, and the returning officer shall thereupon immediately, and publicly, announce the term for which each individual candidate elected as a commissioner shall hold office as so determined, and shall report the same to the Minister.

(b) *How term of office ascertained when poll taken.*—If at the first election a poll shall be held as in these regulations provided, then of the six candidates elected as commissioners the two candidates who shall have received the highest number of votes shall hold office as commissioners for the term of three years, and the two candidates who shall have received the next highest number of votes shall hold office for the term of two years, and the remaining two candidates who shall have been elected shall hold office for the term of one year; and if two or more than two candidates elected shall have obtained the same number of votes, then the returning officer shall determine by lot (as hereinafter provided in the case of the first election if decided without ballot) the term or terms of three, two, or one year or years during which such candidates shall respectively hold office. But so that no candidate elected shall hold office for a shorter time than the term during which any other candidate who shall have obtained a less number of votes shall hold office. And the returning officer shall publicly declare the respective terms during which the several candidates shall hold office as so determined, and shall report the same to the Minister.

5. *Extraordinary vacancies, how filled, and term of office.*—Should any vacancy in the office of commissioner be occasioned by death, resignation, removal, disqualification, or any other cause whatever, an election shall forthwith be held to fill such vacancy; and the provisions contained in these regulations as to the nomination of candidates, the manner in which elections shall be held, and the mode of voting thereat, shall apply to any election in respect of such vacancy; and the person elected to fill such vacancy shall hold the office of commissioner during the unexpired portion of the term of office of the commissioner whose seat shall have become vacant.

6. *Date of first election of commissioners.*—Date of ordinary annual election.—The first election of commissioners of the said trust shall be held on the 21st day of May 1889, and the ordinary annual election shall be held on the 21st day of May in each succeeding year. 9. *Voting in respect of lands jointly owned or jointly leased.*—In the case of joint owners of land, or in the case of joint lessees of land, the name of any one of such owners or lessees (as the case may be) shall, subject to the provisions of the said Act and of these regulations, be placed in respect of such land upon the voters' list in like manner as if such land were owned or leased solely by such one owner or lessee, and the owner or lessee so placed upon the said list or lists shall alone be entitled to vote accordingly. Provided always that if such owners or lessees jointly, by notice in writing, desire that the number of votes to which, under the said provisions, any one of such owners or lessees is so entitled to give as aforesaid may be allotted between such owners or lessees in any manner they may jointly indicate, the alteration or alterations so desired to be made in the said list shall, if the same be consistent with the said provisions, be made when the list shall be revised as hereinafter provided, and such owners or lessees shall be entitled to vote accordingly.

Provided always that if such owners or lessees jointly, by notice in writing, desire that the number of votes to which, under the said provisions, any one of such owners or lessees is so entitled to give as aforesaid may be allotted between such owners or lessees in any manner they may jointly indicate, the alteration or alterations so desired to be made in the said list shall, if the same be consistent with the said provisions, be made when the list or lists shall be revised as hereinafter provided, and such owners or lessees shall be entitled to vote accordingly.

19. *Revised and certified list to be voters' roll.*—The list so revised and certified shall be the voters' roll for the purposes of any election (whether ordinary or extraordinary) of trustees of any election to be held within one year from the twenty-first day of May then next, the said day inclusive.

20. *Minister may appoint returning officer for first election.*—Chairman of trust to be returning officer at subsequent elections.—For the purposes of the first such election, the Minister may appoint some fit and proper person to be returning officer; but for every subsequent election (whether ordinary or extraordinary) the chairman of the trust for the time being shall be the returning officer; but if at the time of any election the office of chairman of the trust should be vacant, the commissioners of the trust may, by resolution, appoint one of their number to be returning officer until the office of chairman shall again be filled; and the returning officer may appoint a deputy to assist him or to act in his room at any election, and such deputy may do all or any of the acts or things which the returning officer is hereby authorized or required to do.

And no person who shall not have been so nominated, and by whom or on whose behalf such payment shall not have been so made, shall within the subsequent provisions of these regulations be deemed to be a candidate at any election of commissioners.

22. *Where number of candidates does not exceed number of commissioners to be elected.*—If at the expiration of the time limited as hereinbefore provided for the nominations of candidates the number of persons who have become candidates as aforesaid does not exceed the number of commissioners to be elected, the returning officer shall then declare such candidates to be duly elected, and they shall be deemed to be then duly elected accordingly.

23. *Where number of candidates exceeds number of commissioners to be elected.*—Fifth Schedule.—Notice of poll.—Hours of polling.—If at the expiration of the time limited for the nomination of candidates the number of candidates exceeds the number of commissioners to be elected, then the returning officer shall forthwith cause ballot-papers to be printed, with the christian names and surnames of all the candidates, in full, in the form of the Fifth Schedule hereto, and shall also forthwith give public notice by advertisement in some newspaper generally circulating in the district stating the names of the persons so nominated, and that a poll will be taken for the election of such commissioners upon the day named in such notice, at such place within the said area as the returning officer shall in and by such notice appoint; and such poll shall take place accordingly, and shall commence at Ten o'clock in the forenoon and close at Four o'clock in the afternoon.

24. *Retirement of candidates before polling-day.*—If at any election after a poll shall have been appointed as aforesaid any candidate for such election and two of the persons having signed the paper nominating him as aforesaid are desirous that he should retire from such candidature, such candidate and the persons aforesaid

may sign and deliver to the returning officer, not later than four clear days before the day of polling, a notice, in the form of the Sixth Schedule hereto, stating that such candidate so retires; and the said candidate or his agent shall thereupon publish in some newspaper generally circulating in the district a copy of such notice, and the returning officer, on sufficient proof of such publication aforesaid, if the number of candidates is by such retirement reduced to the number of persons to be elected at such election, shall on the day appointed for the election declare the remaining candidates duly elected, and, if the said number is not so reduced, shall omit the name of the person so retiring from the ballot-papers to be used at the said election, and if such papers are already printed shall erase such name therefrom; and such person shall not be capable of being elected at such election.

25. *Polling-booth may be hired.*—At such election the returning officer shall provide a suitable place for taking a poll, and may, if necessary, cause to be hired and used as a polling-booth any room which he may deem to be suitable at the place appointed for taking the poll, and may divide such room into compartments as to him may seem most convenient.

26. *Returning officer to preside at polling-booth.*—The returning officer, or his deputy, shall preside at the polling-booth for taking the poll.

27. *Scrutineers may be appointed.*—Each candidate shall be entitled to appoint, in writing, one scrutineer to be present in the polling-booth, and the said returning officer, or his deputy, and the said scrutineers, and any voters, not exceeding four in number, actually engaged in voting, shall alone be permitted at any one time to enter or remain in the polling-booth.

28. *Pencils to be provided.*—The returning officer, or his deputy, shall provide pencils in the polling-booth for the use of the voters, and also a locked box, to be called the ballot-box, with a cleft or opening therein capable of receiving the ballot-papers; and such box shall be opened and exhibited to the scrutineers before the polling begins; and the box shall then be locked, and shall stand on a table opposite the returning officer, or deputy returning officer, who shall keep the key of such box.

29. *Mode of voting.*—Where voter is illiterate.—The returning officer shall deliver to every voter who requires the same a ballot-paper, or if such voter appears by the roll to be entitled to give more votes than one then so many ballot-papers as may be equal to the number of votes which such voter so appears to be entitled to give, such ballot-papers being in the form of Schedule Five hereto, and initialed by the returning officer; and every such voter shall, without leaving the booth, strike out from all or any of such papers the name of every candidate for whom he does not intend to vote. And in case any voter is unable to read or write, the returning officer, or his deputy, if so required, shall, in view of such one of the scrutineers as the voter may desire, strike out the name or names of such candidate or candidates as such voter may designate; and after such name or names have been so struck out the ballot-paper or ballot-papers (as the case may be) shall forthwith be deposited in the said box. Provided that all the ballot-papers to which any person may be entitled at the polling-booth shall be demanded and received by him at one and the same time; and no person, having once demanded and received any such ballot-paper or papers, and voted by the same, shall at the same election receive any further ballot-papers, or exercise any further right of voting.

30. *Ballot-papers to be numbered.*—Before delivering any ballot-paper to the voter, the returning officer, or his deputy, shall write upon the back of each such ballot-paper, as near as practicable to the lower edge thereof, the number set opposite to the voter's name in the roll; and shall thereupon, upon a copy of such roll, check off such voter's name as having voted, and mark against such name the number of ballot-papers delivered to such voter.

31. *Informal ballot-papers.*—If any voter suffer to remain upon his ballot-paper a greater number of names not struck out than the number of commissioners to be elected, the vote given on and by such paper shall be void and of no effect.

32. *What question may be asked.*—At any election of commissioners, the returning officer may, if he see fit, or if required to do so by any candidate or scrutineer, put to any person tendering his vote the question following:

“Are you the person whose name appears as (A. B.) in the roll now in force for this trust, being enrolled therein in respect of land in the parish of _____, being _____, (here specify land as described in the roll)?”

And no other question shall be put to any person tendering his vote; and no person who shall refuse to answer such question, or who shall not answer the same absolutely in the affirmative, shall receive a ballot-paper or be permitted to vote.

33. *False answer, polling twice, and personation.*—Every person who shall wilfully make a false answer to the question aforesaid, or who shall poll more than once or offer to poll more than once at the same election, or who shall depart or attempt to depart from any polling-booth after having received a ballot-paper without having deposited the same in the ballot-box as hereinbefore provided, or who shall personate any other person for the purpose of polling at such election, shall be guilty of a breach of these regulations; but nothing contained in this clause shall apply to any person only by reason of his exercising the right of voting as often as it appears by the roll he is entitled so to do.

34. *Result of polling, how ascertained.*—Returning officer to have casting vote.—Immediately upon the close of the poll, the returning officer shall, in the presence of and subject to the inspection of so many of the scrutineers of the candidates as please to be present, proceed to ascertain the number of votes for each candidate; and such returning officer shall abstain from inspecting the number written as aforesaid on any ballot-paper, and take care that the same is not seen by any person before being sealed up as herein provided; and the returning officer shall seal up the

ballot-papers deposited in the booth; and as soon as conveniently may be on or after the day of the poll publicly declare the candidates, not exceeding the number of vacancies to be filled up, who have received the greatest number of votes to have been duly elected commissioners of the trust; and if two or more candidates have received an equal number of votes, the returning officer shall in each case have the casting vote.

35. *Ballot-papers, how disposed of.*—The returning officer shall, in the case of the said first election of commissioners, forthwith, after the declaration of the poll, endorse with a description of the contents thereof and sign the sealed parcel of ballot-papers, and forward the same to the Minister, who shall, as soon as may be after the first meeting of trust commissioners shall have been held, forward such sealed packet to the secretary of the trust, to be by him safely and secretly kept for six months then next ensuing, and then by him caused to be destroyed in the presence of three commissioners of the trust; but in all subsequent elections the parcel of ballot-papers so sealed, endorsed, and signed shall be delivered by the returning officer to the said secretary, to be by him safely and secretly kept for six months after such delivery, and then by him caused to be destroyed in the presence of three of the commissioners of the trust.

36. *Minister to determine questions arising upon first election.*—If any question arise as to the due election of any commissioner at the first election, the returning officer shall, at the request of any voter or candidate, submit such question in writing to the Minister, who shall decide the same, and such decision shall be final and binding.

37. *Questions arising upon subsequent elections to be determined by trust.*—If any question arise as to the due election of any commissioner at any subsequent election (whether ordinary or extraordinary), such question shall be determined by the commissioners of the trust at the first ordinary meeting held after the election; but no commissioner in respect of whose election such question shall have arisen shall act as a commissioner at such meeting, or be entitled to take any part in the proceedings thereof, or in any manner or at any time to act as a commissioner until such question shall have been so determined; and the majority of the commissioners whose election is not in dispute shall form a quorum.

38. *Appeal to Minister from determination of trust.*—In event of any voter or candidate feeling aggrieved by the determination of the trust with reference to any such question as last aforesaid, he may appeal therefrom to the Minister within fourteen days from the date upon which the commissioners shall have determined the question, and the Minister may make such inquiry as to the merits of the question as may appear to him to be necessary, and determine such question in such manner as to him may appear just, and such determination of the Minister shall be final and binding.

39. *Failure to elect deemed to create extraordinary vacancies.*—If at any election of commissioners no vacancies or a number of vacancies less than the whole number which should have been filled up at such election are filled up, then the vacancies which are not so filled shall severally be deemed extraordinary vacancies and to have occurred on the day appointed for such election. Provided always that the commissioners eventually elected to fill such vacancies shall go out of office as if elected at such election.

40. *Expenses of election to be paid by trust.*—The expenses incurred by the returning officer, or under his direction, in connexion with any election shall be defrayed by the trust.

41. *Penalty for breach of regulations.*—These regulations shall also be deemed to be regulations under section 250 of *The Irrigation Act 1883*, and any person guilty of a breach of any of the provisions of these regulations shall be liable to a penalty not exceeding Ten pounds, to be recovered in a summary manner before justices of the peace.

The orders will be issued by the departments requiring the supplies; and should an order not be complied with within forty-eight hours, it will be competent for the department concerned to purchase at the contractor's risk, and to deduct from the contractor's account the extra expense (if any) over and above the contract price.

3. The contractor will be bound to weigh the coal on delivery at such establishments as are provided with weighbridges. In other cases the tickets of the public weighbridges are to be accepted as the weight to be charged for. Coal to be delivered in the places set apart therefor.

4. As soon as the orders shall have been completed, the contractor will be required to furnish his account in the prescribed form, with the order attached thereto, to the department supplied. Accounts will be payable at the Treasury, Melbourne, Ballarat, or Geelong, as the contractor may require.

5. In the event of a difference of opinion between the contractor and the officer receiving the supply as to the quality, the same is to be decided by a board of survey, composed of persons named by the head of the department, and the decision of the board is to be considered final.

6. If the board shall decide that the article is not of proper quality, it must be immediately replaced by the contractor, failing which it will be procured elsewhere, and the extra expense (if any) will be deducted from the contractor's account.

7. If from any cause injury would accrue to the public service by waiting for a board of survey, the head of the department, or officer in charge of station, will have the power to reject such articles as are obviously of inferior quality, it being understood that he will be responsible to the Government for so doing; and the contractor must take back the rejected article, and supply good in its stead, failing which it will be procured elsewhere, and the extra expense (if any) will be charged, as in condition 6.

8. A repetition of irregularity in the quality or quantity of the supplies, or of delay in delivering or replacing them when required, or of refusal to execute orders, will subject the contractor to such mulct, not exceeding £50, as the Treasurer of the colony for the time being may direct. It will also be in the power of the said Treasurer, upon such repetition, to terminate the contract forthwith.

9. Contractors are not at liberty to transfer their contracts under cover of power-of-attorney, coupled with an interest or otherwise; and no such transfer will be recognised by the Government.

10. Under no circumstances will a contractor be permitted to abandon his contract. In the event of the contractor failing to carry on the contract, the contract security money will in that case be absolutely forfeited, and in addition the contractor will be held liable for any loss which the Government may sustain in consequence of such failure.

11. In the event of a general strike occurring at the collieries, any contract entered into under these conditions after the expiry of one calendar month from the commencement of such strike may be suspended, such contract to come into full force and effect again ten (10) days after such strike shall be discontinued.

12. In the event of any alteration in the tariff affecting any of the items included in these contracts, the Government will neither claim any decrease upon the contract price, nor entertain any application from a contractor for any increase to it.

Every license granted under section 119 of *The Land Act 1884* shall be subject to the conditions set forth in the schedule hereto, and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

Under sections 3 and 4 of *The Rabbit Suppression Act Amendment Act 1884*, all licensees under the section for which these licenses will issue are liable for the destruction of rabbits within the boundaries of their licenses.

Conditions :

1. The issue of this license shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of *The Land Act 1884*, except under the 119th section thereof, under which the license is issued, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of *The Land Act 1884*, or for mining purposes.

2. In case the said land, or any part or parts thereof, shall be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than the return of such portion of his license fee paid by him

as the responsible Minister of the Crown for the time being administering Part XI. of *The Land Act 1884* may think fit. This license is also subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine therein, and to erect and occupy mining plant and machinery, without making any compensation for surface or other damage.

4. This license entitles the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but does not confer any right to build thereon, or to cultivate, or to fence any portion thereof.

5. If the licensee desire a renewal of this license, notice to that effect must be given to the responsible Minister aforesaid one month prior to the expiration thereof, but nothing herein contained shall be deemed to confer the right to any renewal.

7. No claim whatever shall be made or entertained by reason of the license not being renewed or transferred.

8. This license is to be used under and in accordance with the regulations made or to be made under the provisions of the said Act and for the time being in force.

9. This license may be forfeited if the licensee commit a breach of or neglect to comply with any of these conditions.
