NORTHERN (CARLTON) LICENSING DISTRICT.—POLL OF ELECTORS.

PURSUANT to the provisions of section 30 of the *Licensing Act 1890* (No. 1111), it is hereby notified that the Governor in Council has ordered a Poll of the Electors in the Northern (Carlton) Licensing District to be taken by ballot, on Friday, the 28th day of November next, to determine whether or not the existing number of Victuallers' Licences in that district shall be increased.

ALFRED DEAKIN,

Chief Secretary's Office,

LOCAL OPTION POLL FOR THE NORTHERN (CARLTON) LICENSING DISTRICT.

I CHARLES SHUTER, a member of the Licensing Court for the Northern (Carlton) Licensing District do hereby notify that, under the provisions of the *Licensing Act 1890*, I have been ordered by His Excellency the Governor in Council to take a Poll of the Electors of the said Licensing District, on Friday, the 28th day of November, 1890, for the purpose of ascertaining the determination of the said Electors as to the increase or otherwise of the number of Victuallers' Licences in the said District, and that I shall proceed to take such poll accordingly at the place undermentioned, viz:—

At North Carlton.

The poll will open at Eight a.m. and close at Five p.m.—
Dated this 21st day of October, 1890.

C. SHUTER,

TRIENNIAL GENERAL RENEWAL OF ELECTORS' RIGHTS.

SPECIAL NOTICE TO ELECTORS.

IT is hereby notified that holders of electors' rights bearing date on or before the 1st December, 1889, must obtain renewed rights in lieu thereof, in order to have their names placed upon the new General Lists to be made up on the 1st December next.

Neglect of this precaution will result in the omission of the names of the persons so neglecting from the new Lists.

The old right must in every case be delivered up to the Registrar, but the renewed right will be equally available for any election that may take place before the coming into force of the new Rolls.

Intending applicants for electors' rights are cautioned to apply early to the Registrar. The law requires the prescribed questions as to an applicant's qualification to be answered in writing; therefore, if application be postponed until the last day allowed for the purpose, as is too frequently the case, much inconvenience will be occasioned, with the possible result that many will be deprived of the opportunity of enrolment.

Intending applicants are further cautioned to carefully ascertain whether they are fully qualified under the law; inasmuch as a penalty on conviction is imposed upon persons knowingly and wilfully obtaining electors' rights when not qualified.

No person whose name is on, or entitled to be on, any Roll of Ratepaying Electors for any division of a Province may obtain an elector's right for such Province, and no person whose name is already on any Roll of Ratepaying Electors for any division of an Electoral District may obtain an elector's right for such District.

T. R. WILSON,
Under-Secretary.
Chief Secretary's Office,
Melbourne, 10th October, 1890.

GOD SAVE THE QUEEN!

TRARALGON SHIRE.

PROPOSED SEVERANCE OF AREA AND CONSTITUTION OF A NEW MUNICIPALITY.

IN pursuance of the provisions of the *Local Government Act 1890* (No. 1112, section 43), the substance and prayer of a Petition, in accordance with the 41st section of the said Act, which has been presented to His Excellency the Governor, are published, viz.:-

The petitioners purport to constitute a majority of the rate-payers in the portion of the Shire of Traralgon which is described in their Petition, and they desire that the area so described may be severed from the Shire of Traralgon and constituted a new municipality, under the name or title of "The Shire of Morwell."

Area described in Petition :-

Commencing at a point where the Tyers River intersects the north boundary of the shire; thence southerly by that river to the River La Trobe; thence easterly by the latter river to a point opposite the north-east angle of allotment 29, being the selection of John Lindsay, parish of Maryvale; thence southerly to the north-west corner of Joseph Smith's selection, same parish; thence south to the old Melbourne and Sale road; thence east by the said road to the west boundary of the parish of Traralgon; thence following that boundary southerly to the north boundary of the parish of Jerraling; thence east by that boundary to the road leading to the west boundary of Allan Walker's selection; thence southerly by said road or continuation thereof to the shire boundary; thence south-westerly, westerly, northerly, and north-easterly by the shire boundary to the commencing point.

Petitioners state that the interests of the district urgently demand that a new shire should be formed. That the valuation of the area proposed to be severed is £17,463; the number of persons assessed being 621, holding upwards of 116,850 acres.

Petitioners therefore pray that His Excellency in Council may be pleased to sever the said area from the Shire of Traralgon, and constitute it a separate municipality, under the name and title of the "Shire of Morwell"; that it be not subdivided; and that the council consist of six (6) members.

Notice for the petitioners may be served on Mr. William Murdoch, Morwell.

WHITE PILE LIGHT, PORT JACKSON.

ON and after the night of Monday, the 17th of November, a fixed white light will be exhibited from the platform erected in 22 feet of water on the N.E. extremity of the shoal extending from Shark Island.

This light will be visible from the fairway of the harbour between Shark Point to the N.E. and Point Piper to the S.W., and will be so bright as to be easily distinguished from ordinary lights.

Vessels bound down the harbour are recommended to pass south of Fort Denison, and keep this light on the port bow until Bradley's Head bears abeam. A course can then be steered for passing through the eastern channel to sea.

Vessels bound up the harbour should give the light a good berth, and round Bradley's Head reasonably close.

TENDERS will be received by the Board of Land and Works up to Noon of Friday, 21st November, 1890, for the occupation for Grazing purposes only of the following unappropriated portions of land, subject to the Regulations approved by the Governor in Council and also the subjoined special conditions.

Every licence granted under section 123 of the *Land Act 1890* shall be subject to the conditions set forth in the schedule hereto, and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

Under section 7 of the *Vermin Destruction Act 1890*, all licensees under the section for which these licences will issue are liable for the destruction of rabbits within the boundaries of their licences.

Conditions :

- The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the *Land Act 1890*, except under the 123rd section thereof, under which the licence is issued, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of the *Land Act 1890*, or for mining purposes.
- In case the said land, or any part or parts thereof, shall be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than the return of such portion of his licence-fee paid by him as the responsible Minister of the Crown for the time being administering Division II. of the *Land Act 1890* may think fit. This licence is also subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine therein, and to erect and occupy mining plant and machinery, without making any compensation for surface or other damage.
- Subject to these conditions, the licensee shall be entitled to use the land for the purposes for which the licence has been granted, until notice has been given in the *Government Gazette* that such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid; and, immediately upon such notice being given, all the interest of the licensee in the licensed land described in such notice shall cease and be determined, and any person entitled to occupy the licensed land, or any part thereof, may lawfully make entry upon and hold the same, without the permission or sanction of the licensee or any one claiming under her, him, or them.
- No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.
- This licence entitles the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but does not confer any right to build thereon, or to cultivate, or to fence any portion thereof.
- If the licensee desire a renewal of this licence, notice to that effect must be given to the responsible Minister aforesaid one month prior to the expiration thereof, but nothing herein contained shall be deemed to confer the right to any renewal.

- No claim whatever shall be made or entertained by reason of the licence not being renewed or transferred.
- This licence is to be used under and in accordance with the regulations made or to be made under the provisions of the said Act and for the time being in force.
- This licence may be forfeited if the licensee commit a breach of or neglect to comply with any of these conditions.
- The publication of a notice in the *Government Gazette* purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence shall be conclusive evidence that the licence is forfeited.
