| Mr. Wixson  | Mr. Patterson |
| Dr. Pearson | Mr. Balfour.  |
| Mr. Derham  |               |

WHEREAS by *The Water Conservation Act 1887*, No. 946, it was amongst other things enacted that, at the expiration of two months after the notice of any application should have been first advertised in the *Government Gazette*, the Minister, if satisfied that the provisions of the now in part recited Act have been substantially complied with, should submit such application, and the general plan and description therein referred to, and all petitions which have been received in respect of such application, to the Governor in Council, together with any recommendations as to the granting of the application or as to any alterations or additions he might think desirable in the proposed waterworks; and the Governor in Council might thereupon approve of the construction of such proposed waterworks, with or without any alterations or additions in the general plan and description thereof, or might disapprove of the construction of such waterworks, and should make an Order in Council

And whereas by an Order in Council, bearing date the 3rd July, 1882, a Waterworks Trust, known and incorporated as the Loddon United Water Trust, was duly constituted; and the boundaries of the lands comprising the Waterworks District of the said Trust were, in and by the said Order in Council, defined and limited.

### FORAGE AND TRAVELLING EXPENSES TO POLICE MAGISTRATES.

THE Governor, with the advice of the Executive Council, has rescinded, from the 30th June instant, the Order, bearing date the 4th August, 1886, on the subject of allowances for Forage and Travelling Expenses to Police Magistrates, when travelling on duty, and has substituted in lieu thereof the Regulations relating thereto following, to take effect from and inclusive of 1st July proximo, that is to say:—

Clause 1.—Police Magistrates shall travel by railway whenever possible, and will be supplied with forms of requisition for the necessary tickets.

Whenever railway communication is not available, they shall be repaid the actual cost of the necessary means of conveyance for the performance of their official duties, or they may cause the claims for coach fare, or horse, or buggy hire to be sent to the Crown Law Offices for payment.

Clause 2.—Police Magistrates shall, in addition to the above, be entitled to the following allowances for personal expenses and livery of horses, that is to say:—

|  |                          |        |
|--|--------------------------|--------|
| (a) For every day on which a Police Magistrate necessarily travels on duty within his district a journey of fifteen and less than thirty miles, returning the same day to his head quarters...   | £ s. d.                  | 0 6 0  |
| (b) The like thirty miles and over, or for every full day on which a Police Magistrate is necessarily absent on duty at any place within his district other than his head quarters and does not return to his head quarters the same day ... |                          | 0 10 0 |
| (c) For every occasion on which, in travelling on duty within his district, a Police Magistrate necessarily stays the night at an hotel ...  |                          | 0 10 0 |
| (d) And actually and necessarily puts up his horse or horses at a livery-stable, or purchases forage for the night; ...  | The amount actually paid |        |
| (e) Or necessarily baits his horse or horses during the daytime  |                          |        |

Clause 3.—The Relieving Police Magistrate, or any other Police Magistrate who is required to perform duty temporarily outside his own district, shall in addition to the foregoing be paid an allowance of Ten shillings for each full day during which such Relieving or other Police Magistrate is doing relieving duty or licensing duty in, or in charge of, or in travelling to and from the district or districts other than his own.

Such daily allowance shall not be paid for any day for which leave of absence may be granted, or for any other day which the Minister may think proper to except, nor to the Relieving Police Magistrate for relieving duty performed in a Melbourne or suburban district.

Claims under this clause for travelling on licensing duty to an adjourned court, or other meeting of the members of the court, held at a place not being the place at which such court usually assembles, must be supported by a report from the chairman, informing the Minister of the special circumstances rendering such adjournment or meeting necessary.

Clause 4.—In a mountainous district, where horses cannot be easily hired, the Minister may, if he thinks fit, authorize a commuted allowance for the keep of one or two horses.

If the Police Magistrate of such district is absent from duty either on leave or through illness, for any period over a fortnight, such portion only of such commuted allowance shall be paid as the Minister may direct.

Clause 5.—Claims for refund of money paid for coach fares (unless where there is a published and regular rate of fares) for horse or buggy hire, or for livery of horses, or purchase of forage for the night, must be supported by vouchers.

Clause 6.—When the distance travelled or the state of the roads necessitates the use of two horses, a special report of the same must accompany the account.

Clause 7.—These regulations shall not apply to a Police Magistrate travelling on duty (with the consent of the Minister) for any other department, when the expenses are paid by such other department.

Clause 8.—All questions as to the interpretation and intention of these regulations shall be decided by the Minister.

HENRY CUTHBERT,  
Minister of Justice.

Approved by the Governor in Council

Under sections 3 and 4 of *The Rabbit Suppression Act Amendment Act 1834*, all licensees under the section for which these licences will issue are liable for the destruction of rabbits within the boundaries of their licences.

**Conditions:**

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of *The Land Act 1834*, except under the 119th section thereof, under which the licence is issued, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of *The Land Act 1834*, or for mining purposes.

The following table shows the results of the experiment. The first column is the number of trials, the second column is the number of correct responses, and the third column is the percentage of correct responses. The data shows that the percentage of correct responses increases as the number of trials increases, indicating that the subject is learning the task.

| Number of Trials | Number of Correct Responses | Percentage of Correct Responses |
|------------------|-----------------------------|---------------------------------|
| 10               | 5                           | 50%                             |

| 50               | 30                          | 60%                             |
| 60               | 35                          | 58.3%                           |
| 70               | 40                          | 57.1%                           |
| 80               | 45                          | 56.25%                          |
| 90               | 48                          | 53.3%                           |
| 100              | 50                          | 50%                             |

The results of the experiment show that the subject's performance is stable, with a consistent level of accuracy around 50-60%. This suggests that the subject has reached a plateau in learning the task.
