AGRICULTURAL STATISTICS

OF THE

COLONY OF VICTORIA

FOR THE

YEAR ENDED 1ST MARCH, 1891.

AGRICULTURAL STATISTICS OF THE COLONY OF VICTORIA FOR THE YEAR ENDED 1st MARCH, 1891.

MEMORANDUM.—The delay which has taken place since the publication of the approximate returns last April has occurred in consequence of difficulties having arisen in obtaining the returns of the Shire of St. Arnaud and the newly-formed Shire of Borung from the municipal authorities, and its having been found necessary to get much of the information by direct correspondence with the farmers. This having been at length received, the present figures are final. The yields of Hops, Tobacco, and Vines, which are not collected with the other returns, have been received, and will be published immediately.
