OMEQ HOSPITAL.—PETITION FOR INCORPORATION.

The substance and prayer of a petition to the Governor in Council, signed by not less than twenty-five contributors within the meaning of Part I. of the Act 54 Vict. No. 1099 to the institution called the Omeo Hospital, are published hereunder, pursuant to an order of the Governor in Council made on the 9th day of September, 1891, under the provisions of section 4 of the Act aforesaid.

JAMES MUNRO,
For the Chief Secretary.

Chief Secretary's Office,
Melbourne, 9th September, 1891.

The memorial of the undersigned subscribers to the Omeo Hospital respectfully sheweth—

That your memorialists are residents of a district in which there are nearly four thousand inhabitants and the central town of which is situated 76 miles from the nearest hospital.

That a large proportion of the inhabitants consists of miners and other working classes who are at all times liable to sudden and severe accidents.

That there are at present no facilities for affording injured persons the relief which humanity demands with exception of taking them to an hotel, the inconvenience of which is felt both by the patient and the publican.

3. Subject to these conditions, the licensee shall be entitled to use the land for the purposes for which the licence has been granted, until notice has been given in the *Government Gazette* that such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid; and immediately upon such notice being given, all the interest of the licensee in the licensed land described in such notice shall cease and be determined, and any person entitled to occupy the licensed land, or any part thereof, may lawfully make entry upon and hold the same, without the permission or sanction of the licensee or any one claiming under her, him, or then.

4. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

5. This licence entitles the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but does not confer any right to build thereon, or to cultivate, or to fence any portion thereof.

6. If the licensee desire a renewal of this licence, notice to that effect must be given to the responsible Minister aforesaid one month prior to the expiration thereof, but nothing herein contained shall be deemed to confer the right to any renewal.

7. The interest in this licence may not be transferred without the consent of the Minister aforesaid and the payment of a fee of £1.

8. No claim whatever shall be made or entertained by reason of the licence not being renewed or transferred.

9. This licence is to be used under and in accordance with the regulations made or to be made under the provisions of the said Act and for the time being in force.

10. This licence may be forfeited if the licensee commit a breach of or neglect to comply with any of these conditions.

11. The publication of a notice in the *Government Gazette*, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.

12. The ring-barking of the timber upon the land by the licensee is expressly forbidden, nor is he entitled to destroy or cut and take away any such timber; and should he be found destroying, felling, or removing live or dead timber without a licence authorizing him so to do, he will be prosecuted according to law.

DIRECTORS' REPORT.

THE Board of Management have great pleasure in presenting to the shareholders the First Annual Report and Balance-sheet of the Yarra Yarra Starr-Bowkett Building Society, with the fullest confidence that the result will be deemed eminently satisfactory.

In consequence of the rapidity with which the shares were taken up (the total number, 5,000, having been sold in about five weeks), the success of the society was assured from its very inception, as the Board of Management were enabled to commence the real business of the society, viz., the granting of loans, within one week after the first pay day, and since then the monthly meetings for ballots and sales have taken place with the greatest regularity. During the year members have obtained appropriations amounting to £7,500. Of these, appropriations to the extent of £5,000 were carried through, and others to the amount of £2,500 were in the course of completion at the close of the society's books.

The amount of £6,450 has been sold at premiums amounting in cumulo to £4,133. Of these advances by sale, loans to the extent of £4,850 were completed, and the remaining loans, to the extent of £1,600, were in the course of completion at the close of the financial year. They have since been completed.

Your Board are glad to report that in every case they hold first-class properties in security for the moneys advanced by them on mortgage.

It will, therefore, be seen that your Board have, during the year ending 18th July, 1891, granted loans to the extent of £13,950, of which securities amounting to £4,100 were in the course of completion at the beginning of the audit of the society's books.

In estimating the value of properties accepted as securities, the Board of Management have only had regard to the present saleable prices, and not to the prices which the various properties might fairly be expected to realize in better times. It is also satisfactory to state that none of the society's securities were in any way affected by the recent disastrous floods, and that all the borrowers are making their repayments with great regularity.

As will be observed from a glance at the Supplementary Statement appended to the balance-sheet, the total profits accruing from the past year's transactions, which will in the ordinary course be available for distribution among the members at the termination of the society, amount to the handsome sum of £4,156 0s. 1d.

In conclusion, the Board of Management think that, considering the universal depression in all branches of trade which has existed in the colony during the past year, the wonderful success of the society justifies their opinion that the members may look forward with confidence to the prospect of a still more lucrative business being done in the future.

The retiring members of the board are Messrs. Beazley, Owen, and Fawcett, who, being eligible, offer themselves for re-election.

Signed on behalf of the Board of Management,
W. D. BEAZLEY, Chairman of Directors.
GEORGE A. S. GRIFFIN, Secretary.
