37. *Mover of motion to have right of reply.*—The mover of every original proposition, but not of any amendment, shall have a right of reply, immediately after which the question shall be put from the chair; but no other member shall be allowed to speak more than once on the same question unless permission be given to explain or the attention of the chair be called to a point of order.

38. *No discussion on motion for adjournment of Trust.*—No discussion shall be allowed on any motion for an adjournment of the Trust; but if, on the question being put, the motion be negatived, the subject then under consideration, or the next on the notice-paper, shall be discussed, or any other that may be allowed precedence, before any subsequent motion for adjournment shall be entertained; but if the motion for adjournment be carried, the debates on motions moved and seconded, or any other order of the day may be resumed at the next adjourned meeting of the Trust at the point at which it was so interrupted.

39. *Protests.*—Any member may protest against any resolution of the Trust, and notice of intention to protest shall in every case be given forthwith on the adoption of the resolution protested against; and the protest shall specify the reasons for protesting, and shall be entered three days at least before the next ordinary meeting of the Trust by the protesting member in a book to be kept for that purpose in the office

of the secretary, and signed by such member, and shall also be entered in the minutes of the meeting at which notice of the intention to protest shall have been given previously to the confirmation thereof; but such protest may be expunged from the minutes if declared by a majority of the Trust to be not in accordance with truth, or in its terms disrespectful to the Trust.

40. *Lapsed questions.*—If a debate on any motion moved and seconded be interrupted by the number of the members present becoming insufficient for the transaction of business, such debate may be resumed at the point where it was so interrupted.

41. *Lapsed order of the day may be restored.*—If a debate on any order of the day be interrupted by such insufficiency of number as aforesaid happening, such order may be restored to the notice-paper for a future day on motion upon notice, and then such debate shall be resumed at the point where it was so interrupted.

42. *Committees.*—Minutes of all proceedings of committees shall be entered in the committee's minute-book, and, being signed by the chairman of committee, shall be presented to the Trust.

44. *Petitions.*—No petitions shall be presented after the Trust shall have proceeded to the orders of the day. And every member presenting a petition to the Trust shall acquaint himself with its contents and ascertain that it does not contain language disrespectful to the Trust, and that its contents do not violate any regulation herein contained, and shall write his name at the beginning of the said petition.

Where the number of candidates are in excess of the number required the Trust may reduce the same by ballot.

50. *Salaries of officers, &c.*—The salary or allowance attached to all offices and places at the disposal of the Trust shall, in all cases, be fixed before they proceed to appoint any person to fill the same, and before the advertisement inviting applications as aforesaid, and shall be specified in such advertisement.
