MORNINGTON SHIRE.
PROPOSED RE-SUBDIVISION.

IN pursuance of the provisions of the *Local Government Act 1890* (No. 1112, section 43), the substance and prayer of a Petition in accordance with the 10th section of Act 1243 and the 41st section of Act 1112, which has been presented to His Excellency the Governor in Council, are published, viz.:—

The petitioners purport to be at least one-fourth of the persons whose names are for the time being on the municipal roll of the Shire of Mornington.

Petitioners state that they are desirous that the Shire of Mornington should be re-subdivided into three ridings, to be named as follows:—

East Riding,
 North Riding,
 Centre Riding.

The petitioners state that the shire has three separate villages, viz., Frankston (in the North Riding), Hastings (in the East Riding), and Somerville, at present divided through the centre by the joint boundary of the two ridings; that the North Riding has been represented in the council for several years past by three councillors to the detriment of the centre portion of the shire; that the East Riding is represented by two councillors, thus leaving only one councillor to represent the central portion of shire; that in their opinion the council would be much improved by being composed of nine instead of six councillors, thus removing any chance of an equal division in a full council.

The petitioners therefore pray that His Excellency in Council may be pleased to re-subdivide the shire as desired.

Notices for the petitioners may be served on Mr. E. McGurk, Somerville.

PROCLAMATION

By His Excellency the Right Honorable John Adrian Louis, Earl of Hopetoun, Viscount Aithrie, and Baron Hope, in the Peerage of Scotland; Baron Hopetoun of Hopetoun, and Baron Niddry of Niddry Castle, in the Peerage of the United Kingdom; Knight Grand-Cross of the Most Distinguished Order of Saint Michael and Saint George; Governor and Commander-in-Chief in and over the Colony of Victoria and its Dependencies, &c., &c., &c.

WHEREAS by the *Land Act 1890* it is amongst other things enacted that the Governor in Council may, by Proclamation to be published in the *Government Gazette*, from time to time increase or diminish the area of land comprised in any of the classes mentioned in section 6 of Part I. of the said Act, except increasing lands which may be sold by auction: And whereas by the *Land Act 1891* it is amongst other things further enacted that where any portion of Crown lands not exceeding twenty acres, and not contiguous or adjacent to any other Crown lands, is so situated as to make it desirable in the opinion of the Governor in Council that the same should be sold, or where any portion of Crown lands not exceeding three acres is required for a site for a church or for any charitable purpose for which land cannot legally be reserved, the Governor in Council may direct the sale of such portion of Crown lands, and for such purpose may increase the area of land described in the Second Schedule to the *Land Act 1890* as lands which may be sold by auction by adding such portion thereto: Now therefore I, the Governor of Victoria, by and with the advice of the Executive Council thereof, do hereby increase or diminish (as the case may be) the areas of Crown lands comprised in Classes 2, 3, 4, and 7 of section 6 of the *Land Act 1890* aforesaid to the extent set forth in the subjoined Schedules respectively, that is to say:—

TENDERS FOR UNIFORM CLOTHING FOR THE PERMANENT FORCE.

TENDERS will be received until Eleven o'clock a.m. on Friday, the 13th October, from persons willing to supply Uniform Clothing as may be ordered by the Victorian Government to the 30th June, 1896.

Schedules, giving an estimate of the articles required, and printed forms of tender may be obtained from the Secretary to the Tender Board, or the Controller, Naval and Military Stores, by whom also the samples will be shown and any information or explanation afforded to persons tendering.

The total amount of tender must be stated in words as well as in figures.

Tenders having alterations or erasures therein will not be entertained.

Tenders must be accompanied by a preliminary deposit of Five pounds in bank notes, or a bank draft in favour of the Secretary of the Tender Board (cheques will in no case be received), which will be returned within ten days to unsuccessful tenderers. Such deposit to be forfeited in the event of the successful tenderer failing to complete the security within the prescribed period.

Security will be required either in Government debentures or cash deposit, as the tenderer may elect.

The security must be completed and contract signed within three days of acceptance of the tender, failing which the contract may be again advertised or another tender accepted.

The Government will not necessarily accept the lowest or any tender.

Persons failing to take up their contracts will be disqualified from tendering for Government supplies for a period of twelve months.

Tenders, enclosed in an envelope, and having the words "Tender for Uniform Clothing for the Permanent Force" written thereon, must be deposited in the Tender-box at the Pay Office, Treasury, Melbourne.

CONDITIONS OF CONTRACT.

1. The Government will not be bound to order from the contractor all the articles enumerated in the schedules, but only those articles, and such quantities of those articles, as it may be found necessary to order. Should the Government, however, require a larger supply of any article than the quantity stated in the schedules, the contractor will nevertheless be bound to supply the same at contract rates.

2. The supplies are to be the same as sample where so stated, and of the particular manufacture indicated in the schedule of tenders. In the case of different makers' goods, the contractor will be required to supply the kind ordered. In other cases the supplies are to be the best quality of their several kinds or manufacture. A preference will, however, be given to goods of Victorian manufacture, provided the quality is equal to the particular manufacture indicated in the schedule.

3. The value of all packages, cases, casks, &c., whether bulk be broken or not, must be included in the prices stated in the contractor's tender; all such packages, &c., to be considered the property of the Government, and no charges or expenses whatsoever beyond the price tendered and set out in the schedule will be allowed to the contractor for any articles or packages, cases, casks, &c. The net weight or quantity only will be paid for. Contractors must provide, without extra charge, whatever labour may be required in the packing of stores.

4. All orders for supplies will emanate from the departments requiring the goods. The goods shall be delivered as may be directed by the officer ordering the supply. At the time of delivering the supplies the contractor shall produce the order for the same to the officer authorized to accept delivery, and such officer shall acknowledge thereon the receipt of the stores accepted, and shall return the order to the contractor.

5. Supplies ordered for delivery in Melbourne and Williamstown districts are to be delivered free of all charges (whether cartage, freight, &c.), and, for the purposes of these contracts, Melbourne district will include a radius of six miles from the General Post Office; and Williamstown district will include the town of Williamstown, Hobson's Bay, and the River Yarra.

6. Arrangements as to time of delivery and inspection of goods will be made by the officers ordering the goods.

7. Orders must receive prompt execution; and, in the event of the goods not being delivered within forty-eight hours after the contractor shall have received the order, or within such other time as the order may specify for delivery, it will be competent for the officers named in Condition 6, or the head of the department to whom the goods are to be supplied, on giving the contractor twenty-four hours' notice, to purchase the supplies, or any like supplies that are suitable for the service, at the contractor's risk, and the extra expense incurred over and above the contract price (if any) will be deducted from the contractor's account or from the security money.

8. The contractor will be required to furnish his account in the prescribed form as soon as possible after delivery of the full quantities of goods ordered, the account being accompanied by the receipted delivery orders on which it is based. The prices quoted in the orders cannot be increased.

9. The acceptance of the supplies shall be subject to the approval of the officer authorized to take delivery of the stores, or such other officer as shall be named in the conditions. The contractor may, however, claim a survey on any goods objected to; but in that case he must, within twenty-four hours after objection is made, give notice thereof in writing to the officer rejecting the goods. If, after the delivery of the supplies has been taken, any deficiency or defect is discovered therein, such stores may be returned to the contractor.

10. When a contractor is required to make delivery of goods at a railway station for transmission by rail, he shall obtain a receipt for the goods in duplicate on the Stores and Transport consignment note, at the same time handing in a triplicate of the form as an authority for the carriers to act as agent for and charge the freight to the Stores and Transport Department. He shall as soon as possible, and not later than twenty-four hours thereafter, deliver at the Tender Board Offices the original, the duplicate to be retained by himself. Should the goods thus forwarded be rejected, the contractor must bear the cost of replacing such goods, for which service the departmental consignment note is not to be used. Any infringement of this condition may subject the contractor to such mulct as the Tender Board may recommend under clause 13 of these conditions.

11. Delivery will not be deemed to have been made until the goods have been approved of. In case of the rejection or return of any supplies, the contractor shall bear the whole cost of replacing the supplies rejected or returned, otherwise purchases will be effected at the contractor's risk, and the extra expense deducted as in Condition 7.

12. The members of boards of survey will be appointed by the Treasurer of the colony for the time being, and the decision of the board is to be considered as final. If the board shall decide that the article is not of proper quality, it must be immediately replaced by the contractor, failing which it, or any like supply that is suitable for the service, will be procured elsewhere, and the survey fees and extra expense (if any) will be charged as in Condition 7.

13. A repetition of irregularity in the quantity or quality of the supplies, or of delay in delivering or replacing them when required, will subject the contractor, upon report from the Tender Board, to such mulct, not exceeding Fifty pounds, as the said Treasurer may direct, and the amount may be deducted as in Condition 7. It will also be in the power of the said Treasurer, upon such repetition, to terminate the contract forthwith and forfeit the whole or any portion of the security money.

14. In the event of the contractor failing to carry on the contract, the contract security money will in that case be absolutely forfeited; and, in addition, the contractor will be held liable for any loss which the Government may sustain in consequence of such failure.

15. Contractors are not at liberty to transfer their contracts under cover of power-of-attorney, coupled with an interest or otherwise, and no such transfer will be recognised by the Government.

16. It will be competent either for the contractor on his own behalf, or for the Secretary of the Tender Board on behalf of the Government, to terminate the contract, by giving three full calendar months' notice, in writing, to the opposite party, it being understood that such notice can only be given from the first day of the month, and within the period for which the contract is made, and under no other circumstances will a contractor be permitted to abandon his contract.
