TRIENNIAL GENERAL RENEWAL OF ELECTORS' RIGHTS.

SPECIAL NOTICE TO ELECTORS.

IT is hereby notified that holders of electors' rights bearing date on or before the 1st December, 1892, must obtain renewed rights in lieu thereof, in order to have their names placed upon the new General Lists to be made up on the 1st December next.

Neglect of this precaution will result in the omission of the names of the persons so neglecting from the new lists.

The old right must in every case be delivered up to the registrar, but the renewed right will be equally available for any election that may take place before the coming into force of the new rolls.

The Electoral Registrars and Deputy Electoral Registrars will keep open their offices for the issue of rights until Ten o'clock p.m. each night from the 27th November to the 1st December inclusive.

Intending applicants for electors' rights are cautioned to apply early to the registrar. The law requires the prescribed questions as to an applicant's qualification to be answered in writing; therefore, if application be postponed until the last day allowed for the purpose, as is too frequently the case, much inconvenience will be occasioned, with the possible result that those who so delay will be deprived of the opportunity for enrolment.

Each applicant should provide himself with the stamp (6d.) necessary for payment for the right.

Intending applicants are further cautioned to carefully ascertain whether they are fully qualified under the law; inasmuch as a penalty on conviction is imposed upon persons knowingly and wilfully obtaining electors' rights when not qualified.

No person whose name is on, or entitled to be on, any roll of ratepaying electors for any division of a province may obtain an elector's right for such province, and no person whose name is already on any roll of ratepaying electors for any division of an electoral district may obtain an elector's right for such district.

Foreigners, who desire to obtain electors' rights, must, if not already naturalized in Victoria, obtain from the Chief Secretary letters of naturalization before doing so, or before the sitting of the Revision Courts appointed to be held during February next if they desire enrolment as Ratepaying Electors.

In pursuance of the powers vested in them, the Trustees of the Melbourne General Cemetery rescind the Rules and Regulations published in the *Government Gazette* of the 4th day of December, 1874, and make the following Rules and Regulations, that is to say:—

1. That all fees and charges payable to the trustees shall be paid when applications are made or orders given.

2. That any person desiring ground in the cemetery for a private grave, vault, tomb, monument, cenotaph, or tombstone, or for any other purpose, shall apply to the trustees therefor. If approved, the trustees, on the payment of the required fees, shall issue to such person so applying a certificate of right of burial in the form specified in Schedule A.

3. That any person desiring to construct, add to, alter, or amend a brick grave, vault, or tomb, or to erect, add to, or amend a monument, tombstone, cenotaph, wall, fence, or any other construction or erection in any part of the cemetery, shall apply, in writing, to the trustees for permission to do so, and at the same time submit, in writing, a statement, plan, design, or drawing of the same, with full particulars, and shall obtain such permission in writing before proceeding with the work.

4. That all applications for interment shall be made at the cemetery at least six working hours prior to the time fixed for the burial, otherwise an extra charge shall be made. No free interment shall be allowed, unless applications therefor be made at least six working hours prior to the time fixed for same.

5. That the name, age, late place of residence, probable cause of death of the deceased, and other particulars mentioned in Schedule C, shall be furnished at the time of giving the order.

6. That the trustees shall cause all ordinary graves to be dug, but any person wanting a brick grave or vault shall be permitted to construct the same, under directions of the surveyor, on payment of the required fees, and every coffin placed therein shall be bricked in, cemented, and covered by a slab of stone, slate, or iron.

7. That every coffin shall have on the lid a lead or copper plate with the name of the deceased stamped thereon.

8. That every grave shall be at least 7 feet deep, and no interment shall be allowed in any grave with a less depth than 3 feet from the top of the coffin to the original surface of the ground after such interment.

9. That no interment shall be permitted in any private grave or vault, without the production of the certificate of right of burial or other satisfactory evidence that the person desiring to bury therein is entitled to do so, except as provided for in the next rule.

10. That in the case of an application for interment in any private grave or vault to which during life the deceased person had no claim, the written consent of the owner shall be given with the application.

11. That no burial shall be permitted to take place in the cemetery without a certificate from a deputy registrar of deaths, or a coroner. Such certificate shall be delivered to the gate-keeper before the funeral enters the cemetery.

12. That the hours fixed for burials shall be as follows:—On week days, September to April inclusive, from Seven a.m. to Five p.m.; May to August inclusive, from Eight a.m. to Four p.m. On Sundays throughout the year from Two to Five p.m.

15. That every funeral entering by the principal entrance shall pass to the west of the enclosure opposite thereto. No vehicle except hearses and mourning coaches shall be permitted to pass the line of posts fixed at the north-west of the said entrance, save for the purpose of with all due despatch driving away after loading or unloading, and no vehicle except hearses and mourning coaches shall stand south of the said line of posts. And whereas the said \_\_\_\_\_ is a manufacturer carrying on business as a \_\_\_\_\_ at \_\_\_\_\_ in the said colony, and is desirous of claiming a rebate of duty paid or to be paid on sugar and liquid glucose used by him in the course of such business.

Now the condition of this obligation is such that if the said \_\_\_\_\_ shall at all times in every way comply with the provisions of the said regulations, and any amendments or alterations that may hereafter be made therein, and shall not improperly or illegally deal with, or permit or suffer to be dealt with, any sugar or liquid glucose in respect of which he may claim or intend to claim rebate of duty, and shall not knowingly claim a rebate of duty upon any sugar or liquid glucose upon which duty shall not have actually been paid, or which has not been actually used for the manufacture of \_\_\_\_\_, then this obligation shall be null and void, otherwise to be and remain in full force and virtue.

Signed sealed and delivered by the above-named \_\_\_\_\_ in the presence of—
