Such deposit to be forfeited in the event of the successful tenderer failing to complete the security within the prescribed period.

Security will be required either in Government debentures, bank deposit-receipt in favour of the Secretary to the Tender Board, or cash deposit, as the tenderer may elect.

The security must be completed and contract signed within ten days of acceptance of the tender, failing which the contract may be again advertised, or another tender accepted.

The Government will not necessarily accept the lowest or any tender.

Persons failing to take up their contracts will be disqualified from tendering for Government supplies for a period of twelve months.

Tenders, enclosed in a separate envelope, and having the words "Tender for ——" (as the case may be) written thereon, must be deposited in the Tender-box at the Pay Office, Treasury, Melbourne.

CONDITIONS OF CONTRACT.

1. The Government will not be bound to order from the contractor all the articles enumerated in the schedules, but only those articles, and such quantities of those articles, as it may be found necessary to order. Should the Government, however, require a larger supply of any article than the quantity stated in the schedules, the contractor will nevertheless be bound to supply the same at contract rates.

2. The supplies are to be the same as sample where so stated, and of the particular manufacture indicated in the schedule of tenders. In the case of different makers' goods, the contractor will be required to supply the kind ordered. In other cases the supplies are to be the best quality of their several kinds or manufacture. A preference will, however, be given to goods of Victorian manufacture, provided the quality is equal to the particular manufacture indicated in the schedule.

3. The value of all packages, cases, casks, &c., whether bulk be broken or not, must be included in the prices stated in the contractor's tender; all such packages, &c., to be considered the property of the Government, and no charges or expenses whatsoever beyond the price tendered and set out in the schedule will be allowed to the contractor for any articles or packages, cases, casks, &c. The net weight or quantity only will be paid for. Contractors must provide, without extra charge, whatever labour may be required in the packing of stores.

4. All orders for supplies will emanate from the departments requiring the goods. The goods shall be delivered as may be directed by the officer ordering the supply. At the time of delivering the supplies the contractor shall produce the order for the same to the officer authorized to accept delivery, and such officer shall acknowledge thereon the receipt of the stores accepted, and shall return the order to the contractor.

5. Supplies ordered for delivery in Melbourne and Williamstown districts are to be delivered free of all charges (whether cartage, freight, &c.) and, for the purposes of these contracts, Melbourne district will include a radius of six miles from the General Post Office; and Williamstown district will include the town of Williamstown, Hobson's Bay, and the River Yarra.

6. Arrangements as to time of delivery and inspection of goods will be made by the officers ordering the goods.

7. Orders must receive prompt execution; and, in the event of the goods not being delivered within forty-eight hours after the contractor shall have received the order, or within such other time as the order may specify for delivery, it will be competent for the officers named in Condition 6, or the head of the department to whom the goods are to be supplied, on giving the contractor twenty-four hours' notice, to purchase the supplies, or any like supplies that are suitable for the service, at the contractor's risk, and the extra expense incurred over and above the contract price (if any) will be deducted from the contractor's account or from the security money.

8. The contractor will be required to furnish his account in the prescribed form as soon as possible after delivery of the full quantities of goods ordered, the account being accompanied by the receipted delivery orders on which it is based. The prices quoted in the orders cannot be increased.

9. The acceptance of the supplies shall be subject to the approval of the officer authorized to take delivery of the stores, or such other officer as shall be named in the conditions. The contractor may, however, claim a survey on any goods objected to; but in that case he must, within twenty-four hours after objection is made, give notice thereof in writing to the officer rejecting the goods. If, after the delivery of the supplies has been taken, any deficiency or defect is discovered therein, such stores may be returned to the contractor.

10. When a contractor is required to make delivery of goods at a railway station for transmission by rail, he shall obtain a receipt for the goods in duplicate on the Stores and Transport consignment note, at the same time handing in a triplicate of the form as an authority for the carriers to act as agent for and charge the freight to the Stores and Transport Department. He shall as soon as possible, and not later than twenty-four hours thereafter, deliver at the Tender Board Offices the original, the duplicate to be retained by himself. Should the goods thus forwarded be rejected, the contractor must bear the cost of replacing such goods, for which service the departmental consignment note is not to be used. Any infringement of this condition may subject the contractor to such mulct as the Tender Board may recommend under clause 13 of these conditions.

11. Delivery will not be deemed to have been made until the goods have been approved of. In case of the rejection or return of any supplies, the contractor shall bear the whole cost of replacing the supplies rejected or returned, otherwise purchases will be effected at the contractor's risk, and the extra expense deducted as in Condition 7.

12. The members of boards of survey will be appointed by the Treasurer of the Colony for the time being, and the decision of the board is to be considered as final. If the board shall decide that the article is not of proper quality, it must be immediately replaced by the contractor, failing which it, or any like supply that is suitable for the service, will be procured elsewhere, and the survey fees and extra expense (if any) will be charged as in Condition 7.

13. A repetition of irregularity in the quantity or quality of the supplies, or of delay in delivering or replacing them when required, will subject the contractor, upon report from the Tender Board, to such mulct, not exceeding Fifty pounds, as the said Treasurer may direct, and the amount may be deducted as in Condition 7. It will also be in the power of the said Treasurer, upon such repetition, to terminate the contract forthwith and forfeit the whole or any portion of the security money.

14. Under no circumstances will a contractor be permitted to abandon his contract. In the event of the contractor failing to carry on the contract, the contract security money will in that case be absolutely forfeited; and, in addition, the contractor will be held liable for any loss which the Government may sustain in consequence of such failure.

15. Contractors are not at liberty to transfer their contracts under cover of power-of-attorney, coupled with an interest or otherwise, and no such transfer will be recognised by the Government.

16. The contracts entered into under this notice are not to be considered as being broken, infringed, or vitiated by the importation of stores for the Government service, or by any contracts or purchases made by the Imperial Commissariat or the Agent-General for Victoria, or by any contracts or agreements made for any works or supplies by the Departments of Public Works and Defence, or on account of the Departments of Government, or for the Telegraph or Railway Departments, or for supplies to the Aborigines, or for connexions and fittings of Diamond Drills; or by any article being made at and supplied for the use of any Government establishment; or by the consumption of the surplus stock of any Government establishment.

17. In the event of any alteration in the Tariff affecting any of the items included in these contracts, the Government or the contractor, as may be the case, will make a proportionate allowance by way of deduction from or increase of the price of the item so affected.

G. D. CARTER.

Treasury,
Melbourne, 15th March, 1893.

CONVEYANCE OF MAILS, 1893-94-95-96.

FOURTH DIVISION.—158 SERVICES.

TENDERS are hereby invited, and will be received until Noon on Tuesday, the 18th day of April, 1893, for the Conveyance of Post Office Mails, viz., Letters, Packets, Parcels, and Newspapers, as undermentioned, FOR THREE YEARS, from the 1st July, 1893, to 30th June, 1896.

1. Tenders are required to be written on a form, printed copies of which may be had gratuitously on application at any post office in the colony, and are to be forwarded (if by post, PREPAID AND REGISTERED) for receipt at the General Post Office by the hour and date first above mentioned, addressed to the Honorable the Postmaster-General, with the words "Tender for Mail Service No. " indorsed on the cover, or placed in the Tender-box at the General Post Office.

2. Tenderers are requested to describe by their numbers, as below, the mail services for which they tender.

3. The amount of the tender must be stated AT RATE PER ANNUM in words as well as figures.

4. Every tender must bear the *bond fide* signature and address of the tenderer, and bear the names of two responsible persons willing to become bound for the fulfilment of the contract in such sum as the Government may direct, not exceeding the gross amount of the contract.

5. Every tender must be accompanied by cash, bank cheque, bank draft, or a bank deposit-receipt to the credit of the Deputy Postmaster-General for a sum equal to TEN PER CENT. of the annual amount named in the tender; this deposit to be absolutely forfeited to the Government in case the person whose tender may be accepted shall fail to complete the usual bond and contract to the satisfaction of the Government within ten days of being notified that the documents are ready for execution. The notice of acceptance, if delivered at the address named in the tender, shall be deemed sufficient.

6. The money or other security deposited by successful tenderers will be returned to them upon application, on the bond and contract being duly signed.

7. The money or other security deposited by unsuccessful tenderers will be returned to them upon application, and on their signing receipts for the respective amounts.

8. In the event of a new line of railway, or a new railway station on an existing line being opened for traffic, and it being decided that the mails shall be conveyed by rail, the Postmaster-General shall have the power of cancelling the contract for any mail service running in the vicinity of the railway without compensation to the contractor, or shall have power to alter the points of arrival and departure of the mails; and, in the event of the travelling distance on any mail line being in such manner increased or diminished, all payments for the service subsequent to the alteration shall be computed on the basis of the average mileage-rate of the contract.

9. In the event of it being found necessary, from any cause, to absolutely cancel a contract, the Postmaster-General shall have full power to do so, provided that, unless the contract be cancelled on account of any fault on the part of the contractor, or on account of the opening of a railway line or a new railway station, payment shall be made to the contractor as compensation of a sum equal to ten per cent. of the moneys which would have become due on the unexpired period of the contract if the latter had been continued for the full term of three years.

10. Tenderers are requested to state the mode by which they propose to convey mails, whether by vehicle, on horseback, or by man on foot. If by vehicle, the description of vehicle and number of horses by which it is to be drawn to be given.

11. Tenderers are informed that the Department undertakes to carry parcels up to 7 lbs. in weight by all services for which tenders are accepted for conveyance of mails by vehicle.

Packets up to 3 lbs. in weight are conveyed by horseback services.

12. Tenderers for services to and from Post Offices and Railway Stations are required to name a lump sum per annum for the number of trips specified in the call for tenders, and also state a rate per trip as a basis of payment for additional trips, or for reduction in the payment, should the number of trips be increased or lessened during the currency of the contract.

A "trip" to mean a journey from the Post Office to the Railway Station, and from the Railway Station to the Post Office, carrying mails each way.

The carriage of mails one way, viz., either from a Post Office to a Railway Station or from a Railway Station to a Post Office, shall be regarded as half a trip, and payment made accordingly. Where tenders are invited for a service to and from a Post Office and Railway Station "as often as required," tenderers are required to name a lump sum per annum for the work, and such sum shall not be liable to alteration either through increase or diminution in the number of trips.

13. A separate *bond fide* tender must be sent in for each service.

14. The attention of tenderers is drawn to the condition which requires that in cases where vehicles are used, Members of Parliament shall be conveyed free of charge between the districts they represent and the districts in which they reside and Melbourne.

15. The contractor shall not be entitled to claim any extra payment on account of the establishment of any new Post Office, or the removal of any existing Post Office, during the term of his contract, unless such establishment or removal shall increase the distance to be travelled by such contractor on any one day to the extent of one mile.

TENDERS FOR GRAZING LANDS.

Tenders must be sent in on proper form, which can be obtained on application to the Lands Department, Melbourne, or any of the Survey Offices in the country.

Tenders must be placed in the Crown Lands Office Tender-box not later than Twelve noon on Friday, 28th April, 1893.

NOTE.—The fee for the period from 1st May, 1893, to 31st December, 1893, and fee of Five shillings for Licence, must accompany each Tender.

TENDERS will be received by the Board of Land and Works up to Noon of Friday, the 28th April, 1893, for the occupation, for grazing purposes only, of the following unappropriated portions of land, subject to the Regulations approved by the Governor in Council and also the subjoined special conditions.

Every licence granted under section 123 of the *Land Act 1890* shall be subject to the conditions set forth in the schedule hereto and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

Under section 7 of the *Vermin Destruction Act 1890*, all licensees under the section for which these licences will issue are liable for the destruction of rabbits within the boundaries of their licences.

Conditions :

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the *Land Act 1890*, except under the 123rd section thereof, under which the licence is issued, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of the *Land Act 1890*, or for mining purposes.

2. In case the said land, or any part or parts thereof, shall be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than the return of such portion of his licence-fee paid by him as the responsible Minister of the Crown for the time being administering Division II. of the *Land Act 1890* may think fit. This licence is also subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine therein, and to erect and occupy mining plant and machinery, without making any compensation for surface or other damage.

3. Subject to these conditions, the licensee shall be entitled to use the land for the purposes for which the licence has been granted, until notice has been given in the *Government Gazette* that such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid; and immediately upon such notice being given, all the interest of the licensee in the licensed land described in such notice shall cease and be determined, and any person entitled to occupy the licensed land, or any part thereof, may lawfully make entry upon and hold the same without the permission or sanction of the licensee or any one claiming under her, him, or them.

4. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

5. This licence entitles the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but does not confer any right to build thereon, or to cultivate or to fence any portion thereof.

6. If the licensee desire a renewal of this licence, notice to that effect must be given to the responsible Minister aforesaid one month prior to the expiration thereof, but nothing herein contained shall be deemed to confer the right to any renewal.

7. The interest in this licence may not be transferred without the consent of the Minister aforesaid and the payment of a fee of £1.

8. No claim whatever shall be made or entertained by reason of the licence not being renewed or transferred.

9. This licence is to be used under and in accordance with the regulations made or to be made under the provisions of the said Act and for the time being in force.

10. This licence may be forfeited if the licensee commit a breach of or neglect to comply with any of these conditions.

11. The publication of a notice in the *Government Gazette*, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.

12. The ring-barking of the timber upon the land by the licensee is expressly forbidden, nor is he entitled to destroy or cut and take away any such timber; and should he be found destroying, felling, or removing live or dead timber without a licence authorizing him so to do he will be prosecuted according to law.

Special Conditions :

1. The period of occupation will be from 1st May, 1893, to 31st December, 1893.

2. The licence-fee must be paid in advance. The fee for the period from 1st May, 1893, to 31st December, 1893—for which the licence will be issued—must accompany the tender, or be paid by the successful tenderer or his agent immediately on the declaration of the acceptance of the tender, otherwise the offer of the next highest tenderer who may be prepared to comply with this condition may be accepted.

3. Tenders to be for so much per lot and block per annum.

4. Separate tenders must be lodged for each block.
5. Tenders to be indorsed—"Tender for Lot 1, Block 241," or "Lot 2, Block 586," or "Lot 3, Block 778," as the case may be.
6. The highest or any tender not necessarily accepted.
7. Tenderers must give their full name and ordinary postal address.

BY-LAW NO. 1.—REGULATION OF PROCEEDINGS OF COUNCIL, OFFICERS, ETC.

GENERAL CONDUCT OF BUSINESS.

1. In all cases not herein provided for resort shall be had to the rules, forms, and usages of Parliament, which shall be followed as far as the same are applicable to the proceedings of the council.

2. At every meeting of the council the first business thereof shall be the reading and putting a question for the confirmation of the minutes of the proceedings at the preceding meeting and the reading of the minutes of the proceedings of any committee presented at any such preceding meeting, and no discussion shall be permitted thereon except as to their accuracy as a record of the proceedings, and the said minutes of the proceedings at the preceding meeting shall then be signed as by this Act required; and the rough minutes of the proceedings of the council at any meeting shall be read at the close of such meeting on or at the request of any councillor.

3. After the signing of the minutes as aforesaid, the order of business of an ordinary meeting shall be as follows, or as near thereto as may be practicable, but for the greater convenience of the council at any particular meeting thereof it may be altered by resolution to that effect:—

- (I.) Reading of copies of letters sent by the authority of the council.
- (II.) Reading letters received, and considering and ordering thereon.
- (III.) Reception and reading of petitions and memorials.
- (IV.) Presentation of reports of committees.
- (V.) Motions of which notice has been previously given.
- (VI.) Ordinary business.
- (VII.) Orders of the day, including subjects continued from proceedings of former meetings.
- (VIII.) Extraordinary business and new rules and regulations.
- (IX.) Payments.
- (X.) Notices of motion.

And the order of business at a special meeting shall be the order in which such business stands in the notice thereof.

4. Whenever a division shall be demanded by any councillor the councillors voting in the affirmative shall first hold up their hands, and then those voting in the negative shall hold up their hands, and the result be declared by the chairman.

5. All addresses to the Governor shall be presented by the president and the secretary, unless otherwise ordered by the council.

Motions.

6. All notices of motion shall be dated and numbered and given by the intending mover to the secretary at the close of the meeting of council, or if not required by law to be given at a meeting then four clear days prior to the next meeting of council; and the secretary shall enter the same in a notice-of-motion book in the order in which they may be received.

7. No motion except that for receiving the same shall be made on any petition, memorial, or other like application until the next ordinary meeting of council after that at which it has been presented.

8. Except by leave of the council motions shall be moved in the order in which they have been received and recorded by the secretary in the notice-of-motion book, and if not so moved or postponed shall be struck out.

9. No motion entered in the notice-of-motion book shall be proceeded with in the absence of the councillor who gave notice of the same, unless by some other councillor having authority from him to that effect.

10. No motion for an address or petition shall be entertained unless the mover shall submit a draft of the same.

Order, &c., of Debate.

11. Any councillor desirous of making a motion or amendment or taking part in discussion thereon shall rise and address the chairman, and shall not be interrupted unless called to order, when he shall sit down until the councillor (if any) calling to order shall have been heard thereon and the question of order disposed of, when the councillor in possession of the chair may proceed with the subject.

12. Any councillor desirous of proposing an original motion or amendment must state the nature of the same before he addresses the council thereon.

13. No notice or amendment shall be withdrawn without the leave of the council.

14. No motion or amendment shall be discussed or put to the vote of the council unless it be seconded.

15. A councillor moving a motion shall be held to have spoken thereon, but a councillor merely seconding a motion shall not be held to have spoken upon it.

16. The councillors in meeting of council shall designate each other by their official titles, namely, that of president, chairman, or councillor (as the case may require).

17. If two or more councillors rise to speak at the same time the president or chairman shall decide which is entitled to priority.

18. The president or chairman shall rise in addressing the council to discuss any question, and shall not leave the chair on such occasions.

19. No councillor shall speak a second time on the same question, unless entitled to reply or in explanation when he has been misrepresented or misunderstood.

20. The president or chairman when called upon to decide on points of order or practice shall state the provision, rule, or practice which he deems applicable to the case without discussing or commenting on the same, and his decision as to order or explanation in each case shall be final.

21. No councillor shall digress from the subject-matter of the question under discussion, or comment upon the words used by any other councillor in a previous debate; and all imputations of improper motives and all personal reflections on councillors shall be deemed highly disorderly.

22. Whenever any councillor shall make use of any expression disorderly or capable of being applied offensively to any other councillor the councillor so offending shall be required by the president or chairman to withdraw the expression, and to make a satisfactory apology to the council.

23. A councillor called to order shall sit down unless permitted to explain.

24. Any councillor using offensive or disorderly language, and having been twice called to order or to withdraw and to apologise for such conduct and refusing so to do, shall be guilty of an offence.

25. Any person not being a councillor who shall, having been admitted to any meeting of the council, be guilty thereof of any improper or disorderly conduct, or who shall not leave when lawfully requested by the president or chairman so to do, may be forthwith removed by him, and shall be deemed guilty of offence.

26. Any councillor not attending in compliance with an order for a call of the whole council, without reasonable excuse to the satisfaction of the majority thereof, shall be guilty of an offence.

27. Any councillor may of right demand the production of any of the documents of the council applying to the question under discussion.

28. The council shall vote by show of hands; and any councillor present and not voting, not being disabled by law from so doing, shall be guilty of an offence.

29. The president or chairman shall in taking the sense of the council put the question first in the affirmative then in the negative, and the result thereof shall be recorded in the minutes.

30. No second or subsequent amendment, whether upon an original proposition or on an amendment, shall be taken into consideration until the previous amendment is disposed of.

31. If an amendment be negatived then a second may be moved to the question to which the first-mentioned amendment was moved, but only one amendment shall be submitted to the council for discussion at a time.

32. The mover of every original proposition, but not of any amendment, shall have a right to reply, immediately after which the question shall be put from the chair; but no councillor shall be allowed to speak more than once on the same question unless permission be given to explain or the attention of the chair be called to a point of order.

33. No discussion shall be allowed on any motion for adjournment of the council; but, if on the question being put the motion be negatived, the subject then under consideration or the next on the notice-paper shall be discussed, or any other that may be allowed precedence, before any subsequent motion for adjournment be made.

Lapsed Questions.

34. If a debate on any motion moved and seconded or any order of the day be interrupted by the number of the councillors present becoming insufficient for the transaction of business, such debate may be resumed at the point where it was so interrupted.

Committees.

35. Minutes of all proceedings of committees as well as of their reports, numbered in consecutive order, shall be entered in the committee's minute book, and, being signed by the chairman of the committee, shall be presented to the council; and the secretary when practicable shall attend all meetings of committees.

36. The secretary shall convene every committee within ten days of its first appointment or at any other time thereafter by order of the council, or on the written order of the chairman of the committee or of any two members of the committee.

Petitions.

37. No petition shall be presented after the council shall have proceeded to the orders of the day.

38. It shall be incumbent on every councillor presenting a petition to acquaint himself with the contents thereof, and to ascertain that it does not contain language disrespectful to the council, and that the contents do not violate any by-law or any provision hereof.

39. Every councillor presenting a petition to the council shall write his name on the back thereof.

40. Every petition shall be in writing, and not printed or lithographed, and shall contain the prayer of the petitioners at the end thereof, and be signed by at least one person on every skin or sheet on which it is written.

41. Every petition shall be signed by the persons whose names are appended thereto by their names or marks, and by no one else except in cases of incapacity by sickness.

42. No letters, affidavits, or other documents shall be attached to any petition.

43. Every councillor presenting a petition to the council shall confine himself to a statement of the persons from whom it comes, of the number of signatures attached to it, of the material allegations contained in it, and to the reading of the prayer thereof.

Appointments, &c., of Officers.

44. No appointment to any permanent office at the disposal of the council shall take place until seven clear days' public notice shall have been given by advertisement in one or more newspapers circulating in the shire, inviting applications from qualified candidates for the same.

45. The salary or allowance attached to all offices and places at the disposal of the council shall in all cases be fixed before they proceed to appoint any person to fill the same, before the advertisement inviting applications as to aforesaid, and shall be specified in such advertisement.

46. No councillor or officer of the council, and no assessor or auditor of the shire, shall be received as a surety for any officer appointed by the council or for any work to be done for the council.

47. In all cases of security being given for the faithful performance of any duty or contract the expense of preparing such security shall be borne by the person providing the same.

Miscellaneous.

48. All the plans and specifications for any public work shall be laid before the council at least six days prior to the same being considered and ordered upon, and be open for inspection by any ratepayer during that time.

49. It shall be lawful for the treasurer of the shire from time to time, on the written order of the secretary, to disburse such moneys as shall have been appropriated by the council for the purposes of this clause and as shall be required for any necessary occasion, not exceeding in the whole in any interval between two ordinary meetings of the council the sum of Five pounds.

50. The common seal of the shire shall be kept in a box having two locks, of one of which locks the president and each councillor shall have a key, and of the other of which locks the key shall be kept by the secretary; and the corporate seal shall not be affixed to any document unless the president and one other member of the council, or, in the absence of the president, or unless two councillors, be present.

51. Any one or more of the rules or regulations contained in this subdivision may be suspended for a special purpose by a unanimous vote of the council.

52. If any person shall be guilty of any wilful offence or misfeasance or wilful or negligent act of commission or omission contrary to any provision contained in this subdivision he shall forfeit a sum not exceeding Five pounds.
