1. Water will, subject to the provisions of the *Water Act 1890*, Part II., be supplied within the district of the Trust for purposes other than domestic solely by measurement through a meter.

The maximum charge for water so supplied shall, subject to clause 7 of these Regulations, be One shilling per 1,000 gallons, or such price as may be specially agreed upon between the Trust and the person requesting the supply, provided that the minimum charge shall be as follows:—

- (a) For irrigation, Ten shillings per annum.
- (b) For carriers and livery stables, Two shillings and sixpence per stall, or in open sheds Two shillings and sixpence per five feet of accommodation, per annum.
- (c) For a trough in a paddock, Two pounds per annum.

- (e) For siphon, One pound per annum.

The Trust year begins on the 1st day of January in each year, and all payments and charges on tenements having no water-meter shall be payable half-yearly in advance; and where water-meters are affixed payments shall be made at the end of each quarter, namely, 31st March, 30th June, 30th September, and 31st December, or at such time or times as may be demanded by the Trust.

2. (a) On and from the 1st of January, 1894, the supply of water to lands or tenements not having meters affixed to the service-pipes as hereinafter provided shall be for domestic purposes solely. And all persons who shall use water of the Trust so supplied for domestic purposes for purposes other than domestic solely shall be prosecuted according to law.

(b) All persons requiring water for other than domestic purposes solely on and after the said 1st day of January, 1894, shall deliver to the Trust engineer personally a notice in the form in the Schedule hereto, and upon acceptance by the secretary of such notice the person delivering the same shall be deemed to have agreed with the Trust for a supply of water by measure.

(c) Every person having delivered such notice, if the same be accepted by the secretary, shall be entitled forthwith to use water for the purposes in the said notice set forth, and the quantity of water used before a meter be affixed shall be ascertained by the average consumption during such number of days following the fixing of the meter as the secretary may deem right.

(d) No meter or apparatus for measuring water shall be deemed to be a meter within the meaning of clause 1 of this Regulation, unless the pattern or type be of a kind approved of by the Trust.

(e) All meters shall be affixed in such position as the engineer or secretary to the Trust may direct, and the keys shall be kept by such engineer or secretary.

- (f) When a meter shall be out of repair, the water consumed during the period of disrepair shall be ascertained according to the consumption during such number of days following repair as the secretary may think right.
- (g) No person shall connect any service-pipe or branch service-pipe with any steam-engine without first affixing a self-acting valve for preventing the pressure of steam reversing or affecting the dial of the meter.
3. (a) Any person who shall waste or misuse, or allow to be wasted or misused, the water supplied to him by the Trust, shall, for every such offence, be liable to a penalty not exceeding Five pounds.
- (b) A supply of water for domestic purposes shall not include watering horses in stables, or hosing down or washing horses or vehicles.

- (d) No person shall have fitted to any bath supplied by water from the Trust any overflow pipe.
- (e) The bore of any pipe for the supply of water from the pipes of the Trust otherwise than by measure shall not exceed one-half of an inch in diameter, except with the consent of the Trust.
4. Every person supplied with water by the Trust shall keep his pipes and other apparatus in repair; and if any pipes or apparatus become out of repair the Trust may, by notice, require the same to be placed in proper order, or it may by its employés enter on the premises whereon repairs may be required, and repair or replace, or refit and cleanse, such of the pipes or apparatus as may so require to be dealt with, and the costs, charges, and expenses of so doing shall be paid by the owner or occupier of such premises; and in default of payment, in addition to any penalties incurred, the Trust may recover the amount of such costs, charges, and expenses from the owner or occupier of such premises in any court of competent jurisdiction, as money paid for the owner or occupier, as the case may be; and in such proceeding the Trust may proceed against the owner or occupier individually or as co-defendants.
5. Any person supplied with water by the Trust shall not allow any other person to use such water unless by special authority of the Trust; any person who shall use without such authority the water supplied to any other person shall be liable to a penalty not exceeding Five pounds.
6. The Trust will upon the application of an intending consumer supply to him a meter at cost price for cash on delivery, or on time payment, on the following terms:—One pound cash deposit and the balance bearing interest at 10 per cent. per annum by annual payments of One pound.
7. Any person having agreed to be supplied with water by measure may take the water supplied for domestic purposes through the meter service on the following terms:—He shall be entitled to a supply per annum for domestic purposes at One shilling per 1,000 gallons, until at such rate the charge for the quantity consumed would equal the current water rate on the tenement; and thereafter all the water consumed shall be deemed to be taken for the purposes for which water is supplied to such consumers by measure.
8. In laying down future services, or in extending existing services, the intending consumer shall not be entitled to avail himself of the provisions of clause No. 7 without the consent of the Trust, to be refused or accorded at the discretion of the Trust, and on such terms as the Trust may decide.
9. If any person shall be guilty of a breach of any of the foregoing Regulations, he shall, where not otherwise expressly provided, incur a penalty not exceeding Ten pounds, and if such breach shall continue after notice by the Trust he shall incur a further penalty not exceeding Three pounds for every day that such breach continues.

If any person acts in contravention of these Regulations, or fails to pay when due or on demand any rates or charges, the water may be cut off by stop-valve, or cutting through the service-pipe, or otherwise as the Trust may determine.

In acting under or giving effect to the foregoing Regulations, the secretary, instructed by resolution of the Trust, may do, and in his name sign, for the Trust all things and documents required to be done or executed by the Trust; and in construing the Regulations "The Trust" means "The Borough of Horsham Waterworks Trust," the singular imports the plural, the masculine imports the feminine, and persons imports a corporation.

Security will be required either in Government debentures or cash deposit, as the tenderer may elect.

The security must be completed within five days of acceptance of the tender, failing which the contract may be again advertised, or another tender accepted.

The Government will not necessarily accept the lowest or any tender.

Tenders must be enclosed in a separate envelope, marked "Tender for Printing Papers, &c.," and be deposited in the Tender-box at the Pay Office, Treasury, Melbourne.

CONDITIONS OF CONTRACT.

1. The supplies are to be equal in every respect to the contract sample or specification, and are to be delivered as directed by the Government Printer, either at the Government Printing Office or at a store situate in the city of Melbourne, but delivery will not be deemed to have been made until the goods have been approved of.

2. The quantity mentioned in the schedules will be required from the contractor, who will be bound, however, to supply any further quantities, at the scheduled price, that may be ordered by the Government Printer during the currency of the contract. Six (6) months' notice of the ADDITIONAL REQUIREMENTS will be given to the contractor by the Government Printer.

3. In the event of the supplies not being delivered by the time specified in the schedule or order as the case may be, it will be competent for the Government Printer to purchase the same, or such articles as may be suitable for the service, at the risk of the contractor, from whose account any expense that may be incurred over and above the contract price will be deducted.

4. The supplies on delivery will be surveyed by a board appointed by the Government for that purpose, and the decision of the board is to be considered as final. Payment will be made on the board's certificate that the goods are of contract quality and in good order and condition.

5. If the board of survey shall decide that the goods are not of contract quality, the contractor must in that case remove the goods objected to and supply others in their stead, failing which the supplies may be purchased as in condition 3.

6. All rejected goods must be removed by the contractor within forty-eight hours after notice has been given to him by the Government Printer of such rejection, and if not so removed the Government Printer is hereby empowered to send same to any store in Melbourne, there to be stored at the contractor's risk and expense.

7. A repetition of irregularity in the quantity or quality of the supplies, or delay in delivering or replacing them when required, will subject the contractor, upon report from the Tender Board, to such mulet, not exceeding One hundred pounds, as the Government may direct, and the amount may be deducted as in condition 3, or from the contractor's security. It will also be in the power of the Government, upon such repetition, to terminate the contract forthwith and forfeit the security.

8. Contractors are not at liberty to transfer their contracts under cover of power-of-attorney, coupled with an interest or otherwise, and no such transfer will be recognised by the Government.

9. In the event of the contractor failing to carry out the contract, the contract security money will be absolutely forfeited, and the contractor disqualified from tendering for a period of twelve months.

10. The packages, cases, &c., will become the property of the Government without extra charge.

11. In the event of any alteration in the Tariff affecting any of the items included in these contracts, the Government or the contractor, as may be the case, will make a proportionate allowance by way of deduction from or increase of the price of the item so affected, provided that the duty on such item has actually been paid.

TENDERS FOR GRAZING LANDS.

Tenders must be sent in on proper form, which can be obtained on application to the Lands Department, Melbourne, or any of the Survey Offices in the country.

Tenders must be placed in the Crown Lands Office Tender-box not later than Twelve noon on Thursday, 25th January, 1894.

NOTE.—The fee for the period from 1st February, 1894, to 31st December, 1894, and fee of Five shillings for Licence, must accompany each Tender.

TENDERS will be received by the Board of Land and Works up to Noon of Thursday, the 25th January, 1894, for the occupation, for grazing purposes only, of the following unappropriated portions of land, subject to the Regulations approved by the Governor in Council and also the subject of special conditions. Every licence granted under section 123 of the Land Act 1890 shall be subject to the conditions set forth in the schedule hereto and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

Under section 7 of the Vermin Destruction Act 1890, all licensees under the section for which these licences will issue are liable for the destruction of rabbits within the boundaries of their licences.

Conditions :

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the Land Act 1890, except under the 123rd section thereof, under which the licence is issued, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of the Land Act 1890, or for mining purposes.

2. In case the said land, or any part or parts thereof, shall be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than the return of such portion of his licence-fee paid by

him as the responsible Minister of the Crown for the time being administering Division II. of the *Land Act 1890* may think fit. This licence is also subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine therein, and to erect and occupy mining plant and machinery, without making any compensation for surface or other damage.

3. Subject to these conditions, the licensee shall be entitled to use the land for the purposes for which the licence has been granted, until notice has been given in the *Government Gazette* that such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid; and immediately upon such notice being given, all the interest of the licensee in the licensed land described in such notice shall cease and be determined, and any person entitled to occupy the licensed land, or any part thereof, may lawfully make entry upon and hold the same without the permission or sanction of the licensee or any one claiming under her, him, or them.

4. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

5. This licence entitles the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but does not confer any right to build thereon, or to cultivate or to fence any portion thereof.

6. If the licensee desire a renewal of this licence, notice to that effect must be given to the responsible Minister aforesaid one month prior to the expiration thereof, but nothing herein contained shall be deemed to confer the right to any renewal.

7. The interest in this licence may not be transferred without the consent of the Minister aforesaid and the payment of a fee of £1.

8. No claim whatever shall be made or entertained by reason of the licence not being renewed or transferred.

9. This licence is to be used under and in accordance with the regulations made or to be made under the provisions of the said Act and for the time being in force.

10. This licence may be forfeited if the licensee commit a breach of or neglect to comply with any of these conditions.

11. The publication of a notice in the *Government Gazette*, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.

12. The ring-barking of the timber upon the land by the licensee is expressly forbidden, nor is he entitled to destroy or cut and take away any such timber; and should he be found destroying, felling, or removing live or dead timber without a licence authorizing him so to do he will be prosecuted according to law.

Special Conditions:

1. The period of occupation will be from 1st February, 1894, to 31st December, 1894.

2. The licence-fee must be paid in advance. The fee for the period from 1st February, 1894, to 31st December, 1894—for which the licence will be issued—must accompany the tender, or be paid by the successful tenderer or his agent immediately on the declaration of the acceptance of the tender, otherwise the offer of the next highest tenderer who may be prepared to comply with this condition may be accepted.

3. Tenders to be for so much per lot and block per annum.

4. Separate tenders must be lodged for each block.

5. Tenders to be indorsed—"Tender for Lot 1, Block 168," or "Lot 2, Block 544," or "Lot 3, Block 982," as the case may be.

6. The highest or any tender not necessarily accepted.

7. Tenderers must give their full name and ordinary postal address.

8. The areas are given as more or less, and all appropriated, alienated, or licensed land (if any) within the boundaries is excluded.
