A. J. PEACOCK,

Chief Secretary's Office,  
Melbourne, 14th October, 1895.

To His Excellency the Honorable Sir John Madden, Knight, the Chief Justice of the Supreme Court of the Colony of Victoria and Administrator of the Government of the said colony in Council assembled.

THE memorial of the undersigned, in number more than 25, and each a contributor of The Ballarat District Benevolent Asylum and Lying-in Hospital, and in the matter of the *Hospitals and Charities Act 1890*, Part I., humbly sheweth:—

That The Ballarat District Benevolent Asylum and Lying-in Hospital of Ballarat, in the colony of Victoria, was established in the year One thousand eight hundred and fifty-eight, and now exists.

That the said institution is established and exists to relieve the aged, infirm, disabled, and destitute, and to minister to their necessities according to the ability of the institution.

That the said institution is supported in part by the voluntary contributions of not less than 50 persons, each of whom has paid not less than £1 per annum or £20 in one donation.

That your petitioners are each of them contributors to and have paid not less than £1 per annum or £20 in one donation to the funds of the said institution.

That the said institution has at the present time 348 in-patients, and 877 men, women, and children receiving outdoor relief.

## GENERAL ELECTORAL LISTS, 1895-6.—ISSUE OF ELECTORS' RIGHTS.

IT is hereby notified that the General Lists of Non-ratepaying Electors for the Legislative Council and Legislative Assembly must be prepared during the week ending the 2nd December proximo (as the 1st December will fall on a Sunday), and that persons who have not already enrolled may do so by obtaining Electors' Rights from the Registrars for their respective Divisions, or their Deputies, before or on that date.

Intending applicants for Electors' Rights are cautioned to apply early to the Registrar. The law requires the prescribed questions as to an applicant's qualification to be answered in writing; therefore, if application be postponed until the last day allowed for the purpose, as is too frequently the case, much inconvenience will be occasioned, with the possible result that those who so delay will be deprived of the opportunity for enrolment.

Each applicant should provide himself with the stamp (6d.) necessary for payment for the Right.

Intending applicants are further cautioned to carefully ascertain whether they are fully qualified under the law; inasmuch as a penalty on conviction is imposed upon persons knowingly and wilfully obtaining Electors' Rights when not qualified.

No person whose name is on, or entitled to be on, any Roll of Ratepaying Electors for any Division of a Province may obtain an Elector's Right for such province; and no person whose name is already on the new List of Ratepaying Electors (now being prepared) for any Division of an Electoral District may obtain an Elector's Right for such District.

Foreigners who desire to obtain Electors' Rights must, if not already naturalized in Victoria, obtain from the Chief Secretary letters of naturalization before doing so, or before the sitting of the Revision Courts appointed to be held during February next if they desire enrolment as Ratepaying Electors.

SOUTH INDIAN OCEAN.

Iceberg Northward of Crozet Isles.

The commander of the steam-ship *Port Chalmers* reports having collided with an iceberg on 27th July, 1895, in lat. 44° 55' S., long. 52° 23' E.

This is confirmatory of the report made by the commander of the s.s. *Tainui*, given in Notice to Mariners, No. 418 of 1895, and as there is no record of icebergs seen in this vicinity in the month of July, mariners are again cautioned that the ice in the Southern Ocean is drifting further northward than usual.

This notice affects the following Admiralty Chart:—Southern Hemisphere Ice Chart, No. 1241; also Australia Directory, vol. I., 1884, page 2.

By Command of their Lordships,

W. J. L. WHARTON,  
Hydrographer.

Tenders must be placed in the Crown Lands Office Tender-box not later than Twelve noon on Friday, 22nd November, 1895.

NOTE.—The fee for the period from 1st December, 1895, to 30th June, 1896, and fee of Five shillings for licence, must accompany each Tender.

No tender will be accepted unless the fees referred to above are forwarded with the tender.

TENDERS will be received by the Board of Land and Works up to Noon of Friday, 22nd November, 1895, for the occupation, for grazing purposes only, of the following unappropriated portions of land, subject to the Regulations approved by the Governor in Council and also the subjoined special conditions.

Every licence granted under section 123 of the *Land Act 1890* shall be subject to the conditions set forth in the schedule hereto, and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

Under section 7 of the *Vermin Destruction Act 1890*, all licensees under the section for which these licences will issue are liable for the destruction of rabbits within the boundaries of their licences.

#### Conditions:

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the *Land Act 1890*, except under the 123rd section thereof, under which the licence is issued, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of the *Land Act 1890*, or for mining purposes.

2. In case the said land, or any part or parts thereof, shall be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than the return of such portion of his licence-fee paid by him as the responsible Minister of the Crown for the time being administering Division II. of the *Land Act 1890* may think fit. This licence is also subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine therein, and to erect and occupy mining plant and machinery, without making any compensation for surface or other damage.

3. Subject to these conditions, the licensee shall be entitled to use the land for the purposes for which the licence has been granted, until notice has been given in the *Government Gazette* that such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid; and immediately upon such notice being given, all the interest of the licensee in the licensed land described in such notice shall cease and be determined, and any person entitled to occupy the licensed land, or any part thereof, may lawfully make entry upon and hold the same, without the permission or sanction of the licensee or any one claiming under her, him, or them.

4. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

5. This licence entitles the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but does not confer any right to build thereon, or to cultivate, or to fence any portion thereof.

6. If the licensee desire a renewal of this licence, notice to that effect must be given to the responsible Minister aforesaid one month prior to the expiration thereof, but nothing herein contained shall be deemed to confer the right to any renewal.

7. The interest in this licence may not be transferred without the consent of the Minister aforesaid and the payment of a fee of £1.

8. No claim whatever shall be made or entertained by reason of the licence not being renewed or transferred.

9. This licence is to be used under and in accordance with the regulations made or to be made under the provisions of the said Act and for the time being in force.

10. This licence may be forfeited if the licensee commit a breach of or neglect to comply with any of these conditions.

11. The publication of a notice in the *Government Gazette* purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.

12. The ring-barking of the timber upon the land by the licensee is expressly forbidden, nor is he entitled to destroy or cut and take away any such timber; and should he be found destroying, felling, or removing live or dead timber without a licence authorizing him so to do, he will be prosecuted according to law.

13. The licensee shall destroy all thistles on the land, and on the half width of adjoining roads, and shall be responsible for the destruction of thistles under the Thistle Act in like manner as holders of freehold lands.

#### Special Conditions:

1. The period of occupation will be from 1st December, 1895, to 30th June, 1896.

2. The licence-fee must be paid in advance. The fee for the period from 1st December, 1895, to 30th June, 1896—for which the licence will be issued, and fee for licence—must accompany the tender, otherwise the offer of the next highest tenderer who complies with this condition may be accepted.
