The births of 1,272 children, viz., 661 boys and 611 girls, were registered in Greater Melbourne during the month of June. In the month of May 1,121 births were registered, or 151 less than in the month under review. The deaths exceeded those in May by 48; but were below the average of June during the previous ten years by 16. If, however, allowance be made for the increase of population, they will be found to have been less than that average by 26.

The highest atmospheric pressure recorded was 30.477 inches, on the 4th, and the lowest was 29.356 inches, on the 9th. The mean atmospheric pressure (29.999 inches) was one-fiftieth of an inch above the average.

Rain fell on 13 days, the amount of rainfall being 1.74 inches. The average rainfall in June during the previous ten years was 2.24 inches, or half an inch more than in the month under notice.

Fog occurred on 3 days during the month.

Under the head of zymotic diseases, the deaths from scarlet fever fell from 4 to nil, those from diphtheria from 4 to 2, and from typhoid fever from 13 to 3; but on the other hand, those from influenza rose from 3 to 6. Under the head of developmental diseases, deaths from old age rose from 14 to 22; but those from premature birth and malformations fell from 26 to 20. Under the head of local diseases, deaths from diseases of the nervous system increased from 57 to 68, from those of the circulatory system from 56 to 72, from pneumonia and bronchitis from 43 to 72, from the uterus and vagina from 3 to 7, and from parturition from 2 to 6; whereas those from liver diseases and from enteritis each fell from 18 to 9.

The following is a statement of the deaths set down to typhoid fever and diphtheria in each month of the years 1890 to 1894, and the first six months of 1895. It will be noticed that in the months under review the mortality from both causes was exceptionally low:—

TENDERS will be received by the Board of Land and Works up to Noon of Friday, 23rd August, 1895, for the occupation, for grazing purposes only, of the following unappropriated portions of land, subject to the Regulations approved by the Governor in Council and also the subjoined special conditions.

Every licence granted under section 123 of the *Land Act 1890* shall be subject to the conditions set forth in the schedule hereto and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

Under section 7 of the *Vermin Destruction Act 1890*, all licensees under the section for which these licences will issue are liable for the destruction of rabbits within the boundaries of their licences.

Conditions:

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the *Land Act 1890*, except under the 123rd section thereof, under which the licence is issued, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of the *Land Act 1890*, or for mining purposes.

2. In case the said land, or any part or parts thereof, shall be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than the return of such portion of his licence-fee paid by him as the responsible Minister of the Crown for the time being administering Division II. of the *Land Act 1890* may think fit. This licence is also subject to the rights of the holders of miners'

rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine therein, and to erect and occupy mining plant and machinery, without making any compensation for surface or other damage.

3. Subject to these conditions, the licensee shall be entitled to use the land for the purposes for which the licence has been granted, until notice has been given in the *Government Gazette* that such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid; and immediately upon such notice being given, all the interest of the licensee in the licensed land described in such notice shall cease and be determined, and any person entitled to occupy the licensed land, or any part thereof, may lawfully make entry upon and hold the same without the permission or sanction of the licensee or any one claiming under her, him, or them.

4. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

5. This licence entitles the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but does not confer any right to build thereon, or to cultivate or to fence any portion thereof.

6. If the licensee desire a renewal of this licence, notice to that effect must be given to the responsible Minister aforesaid one month prior to the expiration thereof, but nothing herein contained shall be deemed to confer the right to any renewal.

7. The interest in this licence may not be transferred without the consent of the Minister aforesaid and the payment of a fee of £1.

8. No claim whatever shall be made or entertained by reason of the licence not being renewed or transferred.

9. This licence is to be used under and in accordance with the regulations made or to be made under the provisions of the said Act and for the time being in force.

10. This licence may be forfeited if the licensee commit a breach of or neglect to comply with any of these conditions.

11. The publication of a notice in the *Government Gazette*, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.

12. The ring-barking of the timber upon the land by the licensee is expressly forbidden, nor is he entitled to destroy or cut and take away any such timber; and should he be found destroying, felling, or removing live or dead timber without a licence authorizing him so to do he will be prosecuted according to law.

13. The licensee shall destroy all thistles on the land, and on the half width of adjoining roads, and shall be responsible for the destruction of thistles under the Thistle Act in like manner as holders of freehold lands.

Special Conditions:

1. The period of occupation will be from 1st September, 1895, to 30th June, 1896.

2. The licence-fee must be paid in advance. The fee for the period from 1st September, 1895, to 30th June, 1896—for which the licence will be issued, and fee for licence—must accompany the tender, otherwise the offer of the next highest tenderer who complies with this condition may be accepted.

3. Tenders to be for so much per lot and block per annum.

4. Separate tenders must be lodged for each block.

5. Tenders to be indorsed—"Tender for Lot 1, Block 109," or "Lot 2, Block 168," or "Lot 3, Block 184," as the case may be.

6. The highest or any tender not necessarily accepted.

7. Tenderers must give their full name and ordinary postal address.

8. The areas are given as more or less, and all appropriated, alienated, or licensed land (if any) within the boundaries is excluded.
