PROCLAMATION

By His Excellency the Right Honorable Thomas, Baron Brassey, Knight Commander of the Most Honorable Order of the Bath; Governor and Commander-in-Chief in and over the Colony of Victoria and its Dependencies, &c., &c., &c.

WHEREAS by Part II. of the *Settlement on Lands Act 1893* (57 Vict. CONVEYANCE OF MAILS, 1896-99.

FIRST DIVISION.—292 SERVICES.

TENDERS are hereby invited, and will be received until Noon on Tuesday, the 21st day of January, 1896, for the Conveyance of Post Office Mails, viz., Letters, Packets, Parcels, and Newspapers, as undermentioned, FOR ONE OR THREE YEARS, from the 1st July, 1896.

1. Tenders are required to be written on a form, printed copies of which may be had gratuitously on application at any post office in the colony, and are to be forwarded (if by post, PREPAID AND REGISTERED) for receipt at the General Post Office by the hour and date first above mentioned, addressed to the Honorable the Postmaster-General, with the words "Tender for Mail Service No. " indorsed on the cover, or placed in the Tender-box at the General Post Office.

2. Tenderers are requested to describe by their numbers, as below, the mail services for which they tender.

3. The amount of the tender must be stated AT RATE PER ANNUM in words as well as figures.

4. Every tender must bear the *bond fide* signature and address of the tenderer, and bear the names of two responsible persons willing to become bound for the fulfilment of the contract in such sum as the Government may direct, not exceeding the gross amount of the contract.

5. Every tender must be accompanied by cash, bank cheque, bank draft, or a bank deposit-receipt to the credit of the Deputy Postmaster-General for a sum equal to TEN PER CENT. of the annual amount named in the tender; this deposit to be absolutely forfeited to the Government in case the person whose tender may be accepted shall fail to complete the usual bond and contract to the satisfaction of the Government within ten days of being notified that the documents are ready for execution. The notice of acceptance, if delivered at the address named in the tender, shall be deemed sufficient.

6. The money or other security deposited by successful tenderers will be returned to them upon application, on the bond and contract being duly signed.

7. The money or other security deposited by unsuccessful tenderers will be returned to them upon application, and on their signing receipts for the respective amounts.

8. In the event of a new line of railway, or a new railway station on an existing line being opened for traffic, and it being decided that the mails shall be conveyed by rail, the Postmaster-General shall have the power of cancelling the contract for any mail service running in the vicinity of the railway without compensation to the contractor, or shall have power to alter the points of arrival and departure of the mails; and, in the event of the travelling distance on any mail line being in such manner increased or diminished, all payments for the service subsequent to the alteration shall be computed on the basis of the average mileage-rate of the contract.

9. In the event of it being found necessary, from any cause, to absolutely cancel a contract, the Postmaster-General shall have full power to do so, provided that, unless the contract be cancelled on account of any fault on the part of the contractor, or on account of the opening of a railway line or a new railway station, payment shall be made to the contractor as compensation of a sum equal to ten per cent. of the moneys which would have become due on the unexpired period of the contract if the latter had been continued for the full term for which it was accepted.

10. Tenderers are requested to state the mode by which they propose to convey mails, whether by vehicle, on horseback, or by man on foot. If by vehicle, the description of vehicle and number of horses by which it is to be drawn to be given.

11. Tenderers are informed that the Department undertakes to carry parcels up to 7 lbs. in weight by all services for which tenders are accepted for conveyance of mails by vehicle. Parcels up to 3 lbs. in weight are conveyed by horseback services.

12. Tenderers for services to and from Post Offices and Railway Stations are required to name a lump sum per annum for the number of trips specified in the call for tenders, and also state a rate per trip as a basis of payment for additional trips, or for reduction in the payment, should the number of trips be increased or lessened during the currency of the contract.

A "trip" to mean a journey from the Post Office to the Railway Station, and from the Railway Station to the Post Office, carrying mails each way.

The carriage of mails one way, viz., either from a Post Office to a Railway Station or from a Railway Station to a Post Office, shall be regarded as half a trip, and payment made accordingly. Where tenders are invited for a service to and from a Post Office and Railway Station "as often as required," tenderers are required to name a lump sum per annum for the work, and such sum shall not be liable to alteration either through increase or diminution in the number of trips.

13. A separate *bond fide* tender must be sent in for each service.

14. The attention of tenderers is drawn to the condition which requires that in cases where vehicles are used, Members of Parliament shall be conveyed free of charge between the districts they represent and the districts in which they reside and Melbourne.

15. The contractor shall not be entitled to claim any extra payment on account of the establishment of any new Post Office, or the removal of any existing Post Office, during the term of his contract, unless such establishment or removal shall increase the distance to be travelled by such contractor on any one day to the extent of one mile.

16. No application for the transfer of a contract will be entertained until a fee has been paid of Ten shillings on a contract not exceeding £50 per annum, and Twenty shillings on a contract above £50 per annum.

17. The general conditions referred to in the printed form of tender, and upon which the tender is to be made, can be inspected by persons proposing to tender, either at the General Post Office or at any post office in the colony.

TENDERS will be received by the Board of Land and Works up to Noon of Friday, 24th January, 1896, for the occupation, for grazing purposes only, of the following unappropriated portions of land, subject to the Regulations approved by the Governor in Council and also the subjoined special conditions.

Every licence granted under section 123 of the Land Act 1890 shall be subject to the conditions set forth in the schedule hereto, and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

Under section 7 of the Vermin Destruction Act 1890, all licensees under the section for which these licences will issue are liable for the destruction of rabbits within the boundaries of their licences.

Conditions:

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the Land Act 1890, except under the 123rd section thereof, under which the licence is issued, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of the Land Act 1890, or for mining purposes.

2. In case the said land, or any part or parts thereof, shall be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than the return of such portion of his licence-fee paid by him as the responsible Minister of the Crown for the time being administering Division II. of the Land Act 1890 may think fit. This licence is also subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine therein, and to erect and occupy mining plant and machinery, without making any compensation for surface or other damage.

3. Subject to these conditions, the licensee shall be entitled to use the land for the purposes for which the licence has been granted, until notice has been given in the Government Gazette that such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid; and, immediately upon such notice being given, all the interest of the licensee in the licensed land described in such notice shall cease and be determined, and any person entitled to occupy the licensed land, or any part thereof, may lawfully make entry upon and hold the same, without the permission or sanction of the licensee or any one claiming under her, him, or them.

4. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

5. This licence entitles the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but does not confer any right to build thereon, or to cultivate, or to fence any portion thereof.

6. If the licensee desire a renewal of this licence, notice to that effect must be given to the responsible Minister aforesaid one month prior to the expiration thereof, but nothing herein contained shall be deemed to confer the right to any renewal.

7. The interest in this licence may not be transferred without the consent of the Minister aforesaid and the payment of a fee of £1.

8. No claim whatever shall be made or entertained by reason of the licence not being renewed or transferred.

9. This licence is to be used under and in accordance with the regulations made or to be made under the provisions of the said Act and for the time being in force.

10. This licence may be forfeited if the licensee commit a breach of or neglect to comply with any of these conditions.

11. The publication of a notice in the Government Gazette purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.

12. The ring-barking of the timber upon the land by the licensee is expressly forbidden, nor is he entitled to destroy or cut and take away any such timber; and should he be found destroying, felling, or removing live or dead timber without a licence authorizing him so to do, he will be prosecuted according to law.

13. The licensee shall destroy all thistles on the land, and on the half width of adjoining roads, and shall be responsible for the destruction of thistles under the Thistle Act in like manner as holders of freehold lands.

Special Conditions:

1. The period of occupation will be from 1st February, 1896, to 30th June, 1896.

2. The licence-fee must be paid in advance. The fee for the period from 1st February, 1896, to 30th June, 1896—for which the licence will be issued, and fee for licence—must accompany the tender, otherwise the offer of the next highest tenderer who complies with this condition may be accepted.

3. Tenders to be for so much per lot and block per annum.

4. Separate tenders must be lodged for each block.

5. Tenders to be indorsed "Tender for Lot 1, Block 827," or "Lot 2, Block 2676," or "Lot 3, Block 2926," as the case may be.

6. The highest or any tender not necessarily accepted.

7. Tenderers must give their full name and ordinary postal address.

8. The areas are given as more or less, and all appropriated, alienated, or licensed land (if any) within the boundaries is excluded.
